with Patricia B. Prichep, CEL-SCI's Senior Vice President of Operations. The employment agreement with Ms. Prichep provided that, during the term of the agreement, CEL-SCI would pay Ms. Prichep an annual salary of \$194,298 plus any increases approved by the Board of Directors during the period of the employment agreement.

On August 30, 2010, CEL-SCI also entered into a three-year employment agreement with Eyal Talor, Ph.D., CEL-SCI's Chief Scientific Officer. The employment agreement with Dr. Talor provided that, during the term of the agreement, CEL-SCI would pay Dr. Talor an annual salary of \$239,868 plus any increases approved by the Board of Directors during the period of the employment agreement.

On August 30, 2013, the employment agreements with Ms. Prichep and Dr. Talor were extended to August 30, 2016. The new employment agreements with Ms. Prichep provided that, during the term of the agreements, CEL-SCI would pay Ms. Prichep an annual salary of \$220,640 and pay Dr. Talor \$272,388, plus any increases approved by the Board of Directors during the period of the employment agreements.

On August 30, 2013 CEL-SCI amended certain sections of its employment agreement with Geert R. Kersten so that Mr. Kersten's employment agreement would correspond with similar sections of the employment agreements with Ms. Prichep and Dr. Talor.

The extension and amendments to the employment agreements were approved by CEL-SCI's Compensation Committee and Board of Directors. In extending the employment agreements with the persons mentioned above, CEL-SCI's Compensation Committee and Board of Directors considered various factors, including each employee's performance in their area of responsibility, each employee's experience in his or her position, and each employee's length of service with CEL-SCI.
