PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

The Company is soliciting your proxy. Your vote is very important. This proxy statement, proxy card and 2006 Annual Report are being first sent or given on or about April 17, 2007 to shareholders of Central Federal Corporation (the Company) whose principal executive offices are located at 2923 Smith Road, Fairlawn, Ohio 44333, in connection with the solicitation of proxies by the Board of Directors for the Annual Meeting of Shareholders (the Meeting) to be held at Fairlawn Country Club, 200 North Wheaton Road, Fairlawn, Ohio, at 10:00 a.m. local time on May 17, 2007. The Board of Directors encourages you to read this proxy statement thoroughly and to take this opportunity to vote on the matters to be decided at the Meeting.

VOTING PROCEDURES

WHO IS ENTITLED TO VOTE?

You are entitled to vote your common stock if the Company's records show that you held your shares as of the close of business on April 6, 2007. As of the close of business on that date, a total of 4,559,787 shares of common stock were outstanding and entitled to vote. Each share of common stock is entitled to one vote on each matter presented at the Meeting, except that, as provided in the Company's Certificate of Incorporation, record holders of common stock who beneficially own, either directly or indirectly, in excess of 10% of the outstanding shares of common stock (the 10% limit) are not entitled to any vote of their shares that are in excess of the 10% limit, and those shares are not treated as outstanding for voting purposes.

A person or entity is deemed to beneficially own shares owned by an affiliate of, as well as by persons acting in concert with, such person or entity. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the 10% limit, including determining whether persons or entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the 10% limit supply information to the Company to enable the Board of Directors to implement and apply the 10% limit.

As of the record date, April 6, 2007, there were two persons, each of whom was known to the Company to be the beneficial owner of more than 5% of the Company's outstanding common stock; however no person was subject to the 10% limit.

HOW DO I VOTE?

Other than by attending the Meeting and voting in person, shareholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage-paid envelope. If you hold your shares through a broker, bank or other nominee (i.e. in street name), you will receive separate instructions from the nominee describing how to vote your shares.

WHAT ARE THE MATTERS TO BE PRESENTED?

Three proposals will be presented for your consideration at the Meeting:

- 1) Election of three directors;

Table of Contents

- 2) Approval of the Third Amended and Restated 2003 Equity Compensation Plan; and
- 3) Ratification of appointment of independent auditors for 2007.

WHAT ARE THE VOTING RECOMMENDATIONS OF THE BOARD OF DIRECTORS?

The Company's Board of Directors is sending you this proxy statement for the purpose of requesting that you allow your shares of Company common stock to be represented at the Meeting by persons named on the enclosed proxy card. All shares of Company common stock represented at the Meeting by properly executed proxies will be voted according to the instructions indicated on the proxy card. If you sign and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH NOMINEE TO THE BOARD OF DIRECTORS, FOR APPROVAL OF THE THIRD AMENDED AND RESTATED 2003 EQUITY COMPENSATION PLAN, AND FOR RATIFICATION OF CROWE CHIZEK AND COMPANY LLC AS INDEPENDENT AUDITORS.

WHAT VOTE IS REQUIRED FOR EACH PROPOSAL?

In voting on the election of Directors (Proposal 1), you may vote in favor of any or all of the nominees or withhold authority to vote for any or all of the nominees. Directors are elected by a plurality of the votes cast. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting on the Third Amended and Restated 2003 Equity Compensation Plan (Proposal 2), the ratification of Crowe Chizek and Company LLC as independent auditors of the Company (Proposal 3) and all other matters that may properly come before the Meeting, you may vote in favor of the proposal, vote against the proposal or abstain from voting. Under the Company's Bylaws and Delaware law, an affirmative vote of the holders of a majority of the votes cast at the Meeting on Proposal 2 or Proposal 3 is required to constitute shareholder approval. Shares underlying broker non-votes or in excess of the 10% limit will not be counted as present and entitled to vote or as votes cast, and, accordingly, such votes will have no effect on the outcome. If there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Meeting, the Meeting may be adjourned in order to permit the further solicitation of proxies.

The Company is not aware of any other matters to be presented at the Meeting. If any matters not described in this proxy statement are properly presented at the Meeting, the persons named in the proxy card will use their best judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the Meeting in order to solicit additional proxies. If the Meeting is postponed or adjourned, your Company common stock may be voted by the persons named on the proxy card on the new Meeting date as well, unless you have revoked your proxy.

WHAT CONSTITUTES A QUORUM FOR THE MEETING?

The Meeting will be held if a quorum, consisting of a majority of outstanding shares of common stock entitled to vote (after subtracting any shares in excess of the 10% limit) is represented at the Meeting. If you return valid proxy instructions or attend the Meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining a quorum. A broker non-vote occurs when a broker, bank, or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to the item and has not received voting instruction from the beneficial owner.

CAN I REVOKE OR CHANGE MY VOTE AFTER I SUBMIT MY PROXY?

You may revoke your proxy at any time before the vote is taken at the Meeting. To revoke your proxy, you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the Meeting, deliver to the Company another proxy that bears a later date, or attend the Meeting and vote your shares in person. Attendance at the Meeting will not in itself revoke your proxy. If your Company common stock is held in street name and you wish to change your voting instructions after you have returned your voting instruction form to your broker or bank, you must contact your broker or bank.

Table of Contents

WHO WILL COUNT THE VOTE?

The Company's transfer agent, Registrar and Transfer Company, will tally the vote, which will be certified by an independent Inspector of Election. The Board of Directors has designated Stanley L. Apple of Moore, Stephens, Apple to act as the inspector of election. Mr. Apple is not otherwise employed by or a director of the Company or any of its affiliates. After the final adjournment of the Meeting, the proxies will be returned to the Company.

WHO CAN ATTEND THE MEETING?

If you are a shareholder of record as of the close of business on April 6, 2007, you may attend the Meeting. However, if you are a beneficial owner of Company common stock held by a broker, bank or other nominee, you will need proof of ownership to be admitted to the Meeting. A recent brokerage statement or letter from a bank or broker would serve as proof of ownership. If you want to vote your shares of Company common stock held in street name in person at the Meeting, you will have to get a written proxy in your name from the broker, bank, or other nominee who holds your shares.

INDEPENDENCE OF DIRECTORS

The Board of Directors has adopted Director Independence Standards to assist in determining the independence of each director, or nominee for director. In order for a director or nominee to be considered independent, the Board of Directors must affirmatively determine that the director or nominee has no material relationship with the Company. In each case, the Board of Directors broadly considers all relevant facts and circumstances, including the director's or nominee's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships and such other criteria as the Board of Directors may determine from time to time. These Director Independence Standards are available on the Company's website at www.CFBankonline.com under the caption "CF News and Links" Investor Relations Corporate Governance.

The Board of Directors has determined that Messrs. Aldrich, Ash, Downing, Grace and Whitmer meet these standards and are independent and, in addition, satisfy the independence requirements of the Nasdaq[®] Stock Market, Inc.

Absent unusual circumstances, each director is expected to attend all annual and special meetings of shareholders. All the directors who were board members at the time of the 2006 Annual Meeting of Shareholders, except Mr. Downing, attended that meeting.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors of the Company is responsible for establishing broad corporate policies and for the overall performance of the Company. Directors discharge their responsibilities at Board meetings and committee meetings. The members of the Board of Directors of the Company also serve as members of the Board of Directors of the Bank. The Board of Directors of the Company meets at least quarterly, and the Board of Directors of the Bank meets on a monthly basis. Both Boards may have additional meetings as needed. During the year ended December 31, 2006, the Board of Directors of the Company held three meetings, one of which was a special meeting, the Independent

Directors of the Company held two meetings, and the Board of Directors of CFBank held 12 meetings. No director attended fewer than 75% of the aggregate number of Board meetings and meetings of the committees on which he served. The Board of Directors of the Company maintains committees, the nature and composition of which are described below:

AUDIT COMMITTEE. The Audit Committee consists of Messrs. Ash, Grace and Whitmer. Each member of the Committee is independent as defined in the corporate governance listing standards of the Nasdaq[®] Stock Market, Inc. and the Company's Director Independence Standards. Mr. Ash is the Audit Committee financial expert and is independent of management. The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee Charter is available on the Company's website at www.CFBankonline.com under

Table of Contents

the caption CF News and Links Investor Relations Corporate Governance. This committee is primarily responsible for overseeing the engagement, independence and services of our independent auditors and is also responsible for the review of audit reports and management's actions regarding the implementation of audit findings and review of compliance with all relevant laws and regulations. The Audit Committee met eight times during 2006.

AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the Board of Directors. The Board of Directors has determined that each Audit Committee member is independent in accordance with the listing standards of the Nasdaq® Stock Market, Inc.

The Company's management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with U.S. generally accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope of plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in the oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has a primary responsibility for financial statement and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to U.S. generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with U.S. generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent auditors are in fact independent.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's

Edgar Filing: CENTRAL FEDERAL CORP - Form DEF 14A

Annual Report on Form 10-KSB for the year ended December 31, 2006 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors also have approved the selection of the Company's independent auditors.

COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE. The Compensation and Management Development Committee consists of Directors Ash, Downing and Whitmer. Each member of the Committee is independent as defined in the corporate governance listing standards of the Nasdaq® Stock Market, Inc. and the Company's Director Independence Standards. The committee is responsible for establishing compensation and benefits for the Chief Executive Officer and for reviewing the incentive compensation programs when necessary, in addition to reviewing matters regarding compensation and fringe benefits for other officers and employees of the Company and CFBank. The Compensation and Management Development Committee of the Company met three times in 2006. The Compensation and Management Development Committee has a charter, which is available on the Company's website at www.CFBankonline.com under the caption "CF News and Links" Investor Relations Corporate Governance.

COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE REPORT

The Compensation and Management Development Committee operates under a written charter adopted by the Board of Directors. The Board of Directors has determined that each member of the Compensation and Management Development Committee is independent in accordance with the listing standards of the Nasdaq® Stock Market, Inc.

The Committee has overall responsibility for approving and evaluating the director and officer compensation plans, policies and programs of the Company and CFBank. This report is made under the Committee's charter and the rules and regulations of the Securities and Exchange Commission.

Under its charter, the Compensation and Management Development Committee may delegate all or a portion of its duties and responsibilities to a subcommittee, which the Committee has chosen not to do. The Committee must meet at least three times annually, which is the number of times the Committee met during 2006. Mr. Allio periodically makes recommendations to the Committee for the Company's and CFBank's directors' and executive officers' compensation; including stock-based incentive awards. The Compensation and Management Development Committee, under its charter, is vested with the authority to retain compensation consultants, for which the Committee would pay a fee. The Committee did not retain compensation consultants in 2006.

William R. Downing, Chairman, Thomas P. Ash and Jerry F. Whitmer

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE. The Corporate Governance and Nominating Committee actively seeks individuals to become Board members who have the highest personal and professional character and integrity, who possess appropriate characteristics, skills, experience and time to make a significant contribution to the Board of Directors, the Company and its shareholders, who have demonstrated exceptional ability and judgment, and who will be most effective, in the context of the whole Board of Directors and other nominees to the Board of Directors, in perpetuating the success of the Company and in representing shareholders' interests. The Committee may employ professional search firms, for which it would pay a fee to assist it in identifying potential members of the Board of Directors with the desired skills and disciplines.

The Committee will consider shareholder nominations for director on the same basis and in the same manner as it considers nominations for director from any other source. Any shareholder may submit a nomination in writing to the Chair, Corporate Governance and Nominating Committee, c/o Corporate Secretary, Central Federal Corporation, 2923 Smith Road, Fairlawn, Ohio 44333. The nominations must be accompanied by all the information relating to the nominee required by the Company's Bylaws and the Securities and Exchange Commission's proxy rules. The Company's Bylaws provide that, to be considered timely, any shareholder nomination for director generally must be received in writing by the Corporate Secretary at least 90 days before the date fixed for the next Annual Meeting of shareholders; provided, however, under certain unusual circumstances a nomination received as late as the 10th day after the mailing of a notice of an Annual Meeting of Shareholders may be considered. A copy of the full text of the Bylaw provisions relating to shareholder nominations may be obtained by writing to the Corporate Secretary at 2923

Smith Road, Fairlawn, Ohio 44333.

The Committee considers candidates for director nominees based on factors it deems appropriate. These factors may include judgment, character, background, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. In

addition, because the Company is primarily a community financial services company, board candidates must be highly regarded members of the community in which the Company provides financial services.

The Corporate Governance and Nominating Committee met two times in 2006 and is currently composed of three directors: Messrs. Aldrich, Grace and Whitmer. Mr. Whitmer is Chairman of the Committee. Each member of the Committee is independent as defined in the corporate governance listing standards of the Nasdaq® Stock Market, Inc. and the Company's Director Independence Standards.

EMPLOYMENT AGREEMENTS. CFBank and the Company maintain employment agreements with David C. Vernon, who was President and Chief Executive Officer of the Company and Chief Executive Officer of CFBank (the Executive) until January 31, 2005. The original Employment Agreements provided for a three-year term. In May 2004, the Board of Directors extended the agreements for 2 years, until February 28, 2008. Effective February 28, 2003, the base salary for Mr. Vernon was \$120,000. In addition to base salary, the Employment Agreements provide for, among other things, participation in various employee benefit plans and stock-based compensation programs, as well as furnishing certain fringe benefits available to similarly-situated executive personnel. The Employment Agreements provide for termination by CFBank or the Company for cause (as described in the agreement) at any time. In the event CFBank or the Company choose to terminate the Executive's employment for reasons other than for cause, or in the event of the Executive's resignation from CFBank or the Company upon: (i) failure to re-elect the Executive to his current offices; (ii) a material change in the Executive's functions, duties or responsibilities; (iii) a relocation of the Executive's principal place of employment by more than 25 miles; (iv) a material reduction in the benefits and perquisites to the Executive; (v) liquidation or dissolution of CFBank or the Company; or (vi) a breach of the Employment Agreements by CFBank or the Company, the Executive or, in the event of the Executive's death, the Executive's beneficiary would be entitled to receive an amount generally equal to the remaining base salary and bonus payments that would have been paid to the Executive during the remaining term of the Employment Agreements, plus all benefits that would have been provided to the Executive during the remaining term of the agreements.

Under the agreements, if involuntary or voluntary termination (under certain circumstances) followed a change in control of CFBank or the Company, the Executive or, in the event of the Executive's death, the Executive's beneficiary is entitled to a severance payment equal to the greater of (i) the payments due for the remaining terms of the agreements; or (ii) three times the average of the five preceding taxable years' annual compensation. CFBank and the Company would also continue the Executive's life, health, and disability coverage for thirty-six months. Notwithstanding that both Employment Agreements provided for a severance payment in the event of a change in control, the Executive would only be entitled to receive a severance payment under one agreement.

The Employment Agreements were amended in December 2004 in connection with a management succession plan whereby Mark S. Allio was appointed President and Chief Executive Officer of the Company and Chief Executive Officer of CFBank effective February 1, 2005. The terms of the amended Employment Agreements provide that effective February 1, 2005 and so long as Mr. Vernon continues to serve, if elected, as a director, Mr. Vernon would be Chairman of the Board of Directors through December 31, 2005 and, thereafter, Vice-Chairman of the Board of Directors until his expected retirement date in February 2008. At that time Mr. Vernon will be named Chairman Emeritus and remain a director, if elected, and will continue to serve as a consultant or employee and be available to perform special project services for and on behalf of the Company and CFBank at a compensation level commensurate with his duties and responsibilities, but in any event not less than \$100 per month until April 17, 2014.

On January 8, 2007, the Employment Agreements were amended to modify Mr. Vernon's duties under the agreements to reflect the Board's desire to have Mr. Vernon continue to provide services to Central Federal Corporation and CFBank, given his new positions with National Bancshares Corporation and its subsidiary bank, First National Bank. On November 1, 2006, Mr. Vernon was named President and CEO of National Bancshares Corporation and First National Bank. On November 22, 2006, Mr. Vernon was appointed a director of National Bancshares Corporation. After evaluating the markets served by First National Bank and CFBank, as well as the asset size of both financial institutions, the Board of Directors of Central Federal Corporation and CFBank concluded that Mr. Vernon's services to National Bancshares Corporation and First National Bank do not and will not present any conflict of interest with, or materially affect the performance of his duties to Central Federal Corporation or CFBank. No changes were made to the compensation components of the agreements.

Payments to the Executive under CFBank's Employment Agreement are guaranteed by the Company in the event that payments or benefits are not paid by CFBank. Payments under the Company's Employment Agreement are to be made

by the Company. All reasonable costs and legal fees paid or incurred by the Executive pursuant to any dispute or question of interpretation relating to the Employment Agreements are to be paid by CFBank or the Company, respectively, if the Executive is successful on the merits pursuant to a legal judgment, arbitration or

Table of Contents

settlement. The Employment Agreements also provide that CFBank and the Company indemnify the Executive to the fullest extent allowable under federal, Ohio and Delaware law, respectively.

SALARY CONTINUATION AGREEMENT. In 2004, CFBank initiated a nonqualified Salary Continuation Agreement for Mr. Vernon. Under the plan, CFBank pays him, or his beneficiary, a retirement benefit of \$25,000 annually for 20 years beginning the earlier of March 2008 or termination of his employment.

ADDITIONAL INFORMATION ABOUT DIRECTORS AND EXECUTIVE OFFICERS

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10% shareholders are required by regulations of the Securities and Exchange Commission to furnish the Company copies of all Section 16(a) reports they file.

Based solely on a review of the copies of all such reports of ownership furnished to the Company, or written representations that no forms were necessary, we believe there were no known failures to file a required Form. For the year ended December 31, 2006, one report was filed late for Mr. Allio, which resulted in the transaction not reported on a timely basis. The late transaction was subsequently reported on Form 4.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public, except for loans made pursuant to programs generally available to all employees, and must not involve more than the normal risk of repayment or present other unfavorable features. CFBank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees, and has adopted a policy to this effect. In addition, loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, are in excess of the greater of \$25,000 or 5% of CFBank's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors.

In November 2005, a majority of the disinterested members of the Board of Directors approved a line of credit for \$1.4 million to a company that is 100% owned by Mr. Downing, a Director of the Company. The line of credit matures in December 2008, bears interest at a fixed rate of 7.5% and is collateralized by certain assets of the company. The loan was made in the ordinary course of CFBank's business, on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable transactions with the general public, and does not involve more than the normal risk of collectibility or present other unfavorable features.

**PROPOSAL 2. THIRD AMENDED AND RESTATED CENTRAL FEDERAL CORPORATION 2003 EQUITY
COMPENSATION PLAN**

(formerly referred to as the Second Amended and Restated Central Federal
Corporation 2003 Equity Compensation Plan)

PROPOSED ACTION REGARDING THE 2003 EQUITY COMPENSATION PLAN

At the Meeting, shareholders will be asked to approve the third amendment and restatement of the Amended and Restated Central Federal Corporation 2003 Equity Compensation Plan (Third Amended and Restated 2003 Equity Compensation Plan) which was adopted, subject to shareholder approval, by the Board of Directors on February 15, 2007. The Grand Central Financial Corp. 2003 Equity Compensation Plan (the 2003 Equity Compensation Plan) was originally approved by Company shareholders on April 23, 2003; the first Amended and Restated Central Federal Corporation 2003 Equity Compensation Plan (the Amended and Restated 2003 Equity Compensation Plan) was approved by Company shareholders on April 20, 2004; the Second Amended and Restated Central Federal Corporation 2003 Equity compensation Plan was approved by Company shareholders on May 20, 2005. The plan is being amended and restated to:

1. Increase the number of shares of Company common stock reserved for issuance under the Second Amended and Restated 2003 Equity Compensation Plan; and
2. Comply with certain regulatory and listing requirements.

The Company believes that incentive and stock-based awards focus employees and directors on the dual objective of creating shareholder value and promoting the Company's success, and that equity compensation plans like the Second Amended and Restated 2003 Equity Compensation Plan help attract, retain and motivate valued employees and directors. The Board of Directors believes that the 2003 Equity Compensation Plan, as amended and restated, will help enable the Company to compete effectively with other financial institutions, attract and retain key personnel and secure the services of experienced and qualified persons as directors.

As of March 15, 2007, there were 125 shares available for additional grants of stock options or restricted stock awards under the 2003 Equity Compensation Plan or the Second Amended and Restated 2003 Equity Compensation Plan.

**SUMMARY DESCRIPTION OF THE THIRD AMENDED AND RESTATED 2003 EQUITY COMPENSATION
PLAN**

The principal terms of the Third Amended and Restated 2003 Equity Compensation Plan are summarized below. The following summary is qualified in its entirety by the full text of the plan, which appears as Appendix A to this proxy statement.

PURPOSES OF THE THIRD AMENDED AND RESTATED 2003 EQUITY COMPENSATION PLAN. The purposes of the Third Amended and Restated 2003 Equity Compensation Plan are to provide incentives and rewards to those employees and directors who are largely responsible for the success and growth of the Company and its affiliates, and to assist the Company and CFBank in attracting and retaining directors, executives and other key employees with experience and ability.

ADMINISTRATION. The Board of Directors of the Company will administer the Third Amended and Restated 2003 Equity Compensation Plan (the Committee). Subject to the terms of the plan, the Committee interprets the plan and is

authorized to make all determinations and decisions under the plan. The Committee also determines the participants to whom awards will be granted, the type and amount of awards that will be granted and the terms and conditions applicable to such awards. Each award granted under the Third Amended and Restated 2003 Equity Compensation Plan will be evidenced by an award agreement that sets forth the terms and conditions of each award.

Table of Contents

ELIGIBILITY. All employees and outside directors of the Company and CFBank are eligible to participate in the Amended and Restated 2003 Equity Compensation Plan.

AUTHORIZED SHARES. Prior to this third restatement of the Amended and Restated 2003 Equity Compensation Plan, the Company reserved 300,000 shares of Company common stock for issuance under the plan. Of that amount, no more than 90,000 shares could be issued as restricted stock awards. The Third Amended and Restated 2003 Equity Compensation Plan reserves an additional 200,000 shares of Company common stock of which all of the shares can be used for stock options or stock appreciation rights, but no more than 60,000 shares of the additional reserve can be used for restricted stock awards. The shares of Company common stock to be issued under the Third Amended and Restated 2003 Equity Compensation Plan may be either authorized but unissued shares, or reacquired shares held by the Company as treasury stock.

To the extent that an award is settled in cash or a form other than shares of Company common stock, the shares that would have been delivered had there been no cash or other settlement will not be counted against the shares available for issuance under the plan. In the event that shares are delivered in respect of a stock appreciation right or other award, only the actual number of shares delivered with respect to the award will be counted against the share limits of the plan. Shares that are subject to or underlie awards that expire for any reason or are cancelled, terminated or forfeited, fail to vest, or for any other reason are not paid or delivered under the Third Amended and Restated 2003 Equity Compensation Plan will again be available for subsequent awards under the plan. Shares that are exchanged by a participant or withheld by the Company to satisfy tax withholding obligations under the plan will be available for subsequent awards under the Third Amended and Restated 2003 Equity Compensation Plan.

TYPES OF AWARDS. The Third Amended and Restated 2003 Equity Compensation Plan authorizes grants of stock options, stock appreciation rights and restricted stock awards.

A stock option is the right to purchase shares of Company common stock at a future date at a specified price per share (the exercise price). The per share exercise price of stock options may not be less than the fair market value of a share of Company common stock on the date of grant. The exercise price for a stock option may be paid in cash, common stock or a combination of cash and common stock, or through a cashless exercise, to the extent permitted by the Committee. Upon written consent of the Committee, non-statutory stock options may be transferred pursuant to the terms of the plan. Incentive stock options may not be transferred or assigned. The maximum term of a stock option is ten years from the date of grant. The plan provides for the grant of incentive stock options and non-statutory stock options. (See FEDERAL INCOME TAX TREATMENT OF AWARDS UNDER THE THIRD AMENDED AND RESTATED 2003 EQUITY COMPENSATION PLAN, below).

A stock appreciation right is the right to receive payment of an amount equal to the excess of the fair market value per share of Company common stock on the date of exercise of the stock appreciation right over the base price of the stock appreciation right. The base price may not be lower than the fair market value of a share of Company common stock on the date of grant. Stock appreciation rights may be granted in connection with other awards or independently. The maximum term of a stock appreciation right is ten years from the date of grant. (See FEDERAL INCOME TAX TREATMENT OF AWARDS UNDER THE THIRD AMENDED AND RESTATED 2003 EQUITY COMPENSATION PLAN, below).

A restricted stock award is a grant of a certain number of shares of Company common stock subject to the lapse of certain restrictions (such as continued service) determined by the Committee. Participants are entitled to receive dividends and other distributions declared and paid on the shares and may also vote any unvested shares subject to their restricted stock awards. (See FEDERAL INCOME TAX TREATMENT OF AWARDS UNDER THE THIRD AMENDED AND RESTATED 2003 EQUITY COMPENSATION PLAN, below).

EFFECT OF TERMINATION OF SERVICE AND CHANGE IN CONTROL ON AWARDS. The Third Amended and Restated 2003 Equity Compensation Plan provides that all outstanding awards will vest upon death, termination of service due to disability or upon a change in control, as defined in the plan. Options and stock appreciation rights that vest upon death or disability remain exercisable for one (1) year following termination of service. Options and stock appreciation rights that vest upon a change in control remain exercisable for their term. In the event of a Termination for Cause (as defined in the plan), award recipients forfeit all rights to unvested and unexercised awards. Unless otherwise determined by the Committee, upon an award recipient's retirement, the

Table of Contents

recipient forfeits all unvested awards and has one (1) year to exercise vested stock options and stock appreciation rights. Incentive stock options exercised more than three (3) months after an optionee's retirement date will be treated as non-statutory stock options for tax purposes. Award recipients that terminate service for reasons other than death, disability or retirement forfeit all rights to any unvested awards. Vested and unexercised stock options and stock appreciation rights remain exercisable for three (3) months following termination of service.

TERM OF THE PLAN. The plan will terminate on April 23, 2013, unless terminated sooner by the Board of Directors.

AMENDMENT OF THE PLAN AND AWARDS. The plan allows the Board of Directors to amend the plan in certain respects without shareholder approval, unless such approval is required to comply with tax law, regulatory or listing requirements. Awards cannot be amended without the written consent of an award recipient.

FEDERAL INCOME TAX TREATMENT OF AWARDS UNDER THE THIRD AMENDED AND RESTATED 2003 EQUITY COMPENSATION PLAN. The federal income tax consequences of the Third Amended and Restated 2003 Equity Compensation Plan, under current federal law, which is subject to change, are summarized in the following discussion of the general tax principles applicable to the plan. This summary is not intended to be exhaustive and, among other considerations, does not describe state or local tax consequences.

NON-STATUTORY STOCK OPTIONS (NSO). The Company is generally entitled to deduct, and the optionee recognizes taxable income in an amount equal to, the difference between the option exercise price and the fair market value of the shares at the time of exercise.

STOCK APPRECIATION RIGHTS. Stock appreciation rights are generally taxed and deductible in substantially the same manner as NSOs.

INCENTIVE STOCK OPTIONS (ISO). If an optionee disposes of shares of Company common stock acquired upon exercise of an ISO within two years of the date of grant or one year of the date of exercise, the optionee will recognize ordinary income, and the Company will be entitled to a deduction, equal to the excess of the fair market value of the shares on the date of exercise over the exercise price (limited generally to the gain on the sale). The balance of any gain or loss will be treated as a capital gain or loss to the optionee. If the shares are disposed of after the two year and one year periods mentioned above, the Company will not be entitled to any deduction, and the entire gain or loss for the optionee will be treated as a capital gain or loss. However, the excess of the fair market value of the shares on the date of exercise over the exercise price is includible for purposes of determining an optionee's alternative minimum tax liability.

The aggregate fair market value of the shares for which ISOs granted to any employee may be exercisable for the first time by such employee during any calendar year (under all Company plans) may not exceed \$100,000.

RESTRICTED STOCK AWARD. A restricted stock award recipient recognizes ordinary income, and the Company is entitled to a corresponding deduction, equal to the fair market value of the stock at the time any transfer or forfeiture restrictions applicable to the restricted stock award lapse. A restricted stock award recipient who makes an election under Section 83(b) of the Internal Revenue Code, however, recognizes ordinary income equal to the fair market value of the stock at the time of grant, and the Company is entitled to a corresponding deduction at that time. If the recipient makes a Section 83(b) election, there are no further federal income tax consequences to either the recipient or the Company at the time any applicable transfer or forfeiture restrictions lapse.

SPECIFIC BENEFITS UNDER THE THIRD AMENDED AND RESTATED EQUITY COMPENSATION PLAN. The Company has not approved any awards under the Third Amended and Restated 2003 Equity

Compensation Plan that are conditioned upon shareholder approval of the plan and is not currently considering any specific award grants under the Third Amended and Restated 2003 Equity Compensation Plan.

The Board of Directors has appointed Crowe Chizek and Company LLC to be its auditors for 2007, subject to ratification by shareholders. A representative of Crowe Chizek and Company LLC will be present at the Meeting to respond to appropriate questions from shareholders and will have the opportunity to make a statement should he or she desire to do so.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF CROWE CHIZEK AND COMPANY LLC AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2007.

The following table sets forth the fees billed to the Company for 2006 and 2005 by Crowe Chizek and Company LLC:

	2006	2005
Audit Fees	\$ 52,000	\$ 48,000

Audit-related fees were related to Crowe Chizek and Company LLC's review of the Company's filings with the Securities and Exchange Commission during 2006 and 2005. Tax fees were related to Crowe Chizek and Company LLC's preparation of the Company's federal and state tax returns in 2005. Other fees were related to implementation of Section 404 of the Sarbanes Oxley Act of 2002 and accounting treatment of various transactions during 2005, including loan securitization and redemption of FHLB stock.

The Company's Audit Committee must pre-approve all engagements of the independent auditor by the Company and its subsidiaries, including CFBank, as required by the Audit Committee's charter and the rules of the Securities

and Exchange Commission. Prior to the beginning of each fiscal year, the Audit Committee will approve an annual estimate of fees for engagements, taking into account whether the services are permissible under applicable law and the possible impact of each non-audit service on the independent auditor's independence from management. In addition, the Audit Committee will evaluate known potential engagements of the independent auditor, including the scope of the proposed work to be performed and the proposed fees, and approve or reject each service. Management may present additional services for approval at subsequent committee meetings. The Audit Committee has delegated to the Audit Committee Chairman the authority to evaluate and approve engagements on behalf of the Audit Committee in the event a need arises for pre-approval between Committee meetings and in the event the engagement for services was within the annual estimate but not specifically approved. If the Chairman so approves any such engagements, he will report that approval to the full Committee at the next Committee meeting.

Since the effective date of the Securities and Exchange Commission's rules regarding strengthening auditor independence, all audit, audit-related, tax and other services provided by Crowe Chizek and Company LLC were pre-approved in accordance with the Audit Committee's policies and procedures.

- (b) **Terms of Options.** In no event may an individual exercise an Option, in whole or in part, more than ten (10) years from the date of grant.
- (c) **Non-Transferability.** Unless otherwise determined by the Committee in accordance with this Section 6(c), an individual may not transfer, assign, hypothecate, or dispose of an Option in any manner, other than by will or the laws of intestate succession. The Committee may, however, in its sole discretion, permit transfer or assignment of a Non-Statutory Stock Option, if it determines that the transfer or assignment is for valid estate planning purposes and is permitted under the Code and Rule 16b-3 of the Exchange Act. For purposes of this Section 6(c), a transfer for valid estate planning purposes includes, but is not limited to, transfers:

Receipt of the Committee's approval to transfer or assign a Non-Statutory Stock Option, in whole or in part, does not mean that the Committee must approve a transfer or assignment of any other Non-Statutory Stock Option, or portion thereof. The transferee or assignee of any Non-Statutory Stock Option shall be subject to all terms and conditions applicable to the Option immediately prior to transfer or assignment, and shall remain subject to any other conditions proscribed by the Committee with respect to the Option.

received a stock power duly endorsed in blank with respect to such shares. Each such stock certificate shall bear the following legend:

The transferability of this certificate and the shares of stock represented hereby are subject to the restrictions, terms and conditions (including forfeiture provisions and restrictions against transfer) contained in the Third Amended and Restated Central Federal Corporation 2003 Equity Compensation Plan entered into between the registered owner of such shares and Central Federal Corporation or its Affiliates. A copy of the Plan and Award Agreement is on file in the office of the Corporate Secretary of Central Federal Corporation, 2923 Smith Road, Fairlawn, Ohio 44333.

This legend shall not be removed until the individual becomes vested in such shares pursuant to the terms of the Plan and Award Agreement. Each certificate issued pursuant to this Section 8(e) shall be held by the Holding Company or its Affiliates, unless the Committee determines otherwise.

- (f) ***Treatment of Dividends.*** Participants are entitled to all dividends and other distributions declared and paid on Common Stock with respect to all shares of Common Stock subject to a Restricted Stock Award, from and after the date such shares are awarded or from and after such later date as may be specified by the Committee in the Award Agreement. The Participant shall not be required to return any such dividends or other distributions to the Holding Company in the event of forfeiture of the Restricted Stock Award. In the event the Committee establishes a trust for the Plan, the Committee may elect to distribute dividends and other distributions at the time the Restricted Stock Award vests or pay the dividends (or other distributions) directly to the Participants.
- (g) ***Voting of Restricted Stock Awards.*** Participants who are granted Restricted Stock Awards are entitled to vote or to direct the Plan trustee to vote, as the case may be, all unvested shares of Common Stock subject to the Restricted Stock Award.

9. DEFERRED PAYMENTS

The Committee, in its discretion, may permit an individual to elect to defer the receipt of all or any part of any cash or stock payment under the Plan, or the Committee may determine to defer receipt by some or all individuals, of all or a portion of any payment. The Committee shall determine the terms and conditions of any permitted deferral, including the period of deferral, the manner of deferral and the method used to measure appreciation on deferred amounts until paid. Notwithstanding the foregoing, the provisions of this Section 9 shall not apply on and after January 1, 2005 to Options or SARs and, after such date, a Participant shall not be permitted to defer the receipt of all or any part of any cash or stock payment under an Award other than an Option or SAR made pursuant to the Plan unless such deferral is made pursuant to such rules, procedures or programs as the Committee may establish for purposes of this Plan and which are intended to comply with the requirements of Code Section 409A.

10. METHOD OF EXERCISING OPTIONS

Subject to any applicable Award Agreement, an individual may exercise any Option, in whole or in part, at such time or times as the Committee specifies in the Award Agreement. The individual may make payment of the Exercise Price in such form or forms as the Committee specifies in the Award Agreement, including, without limitation, payment by delivery of cash, Common Stock or a cashless exercise with a qualified broker. Any Common Stock used in full or partial payment of the Exercise Price shall be valued at the Fair Market Value of the Common Stock on the date of exercise. Delivery by the Holding Company of the shares as to which an Option has been exercised shall be made to the person exercising the Option or the designee of such person. If so provided by the Committee upon grant of the Option, the shares received upon exercise may be subject to certain restrictions upon subsequent transfer or sale by the

Participant. In the event the Exercise Price is to be paid in full or in part by surrender of Common Stock, in lieu of actual surrender of shares of Common Stock the Holding Company may waive such surrender and instead deliver to or on behalf of the Participant a number of shares equal to the total number of shares as to which the Option is then being exercised less the number of shares which would otherwise have been surrendered by the Participant to the Holding Company.

11. RIGHTS OF INDIVIDUALS

No individual shall have any rights as a shareholder with respect to any shares of Common Stock covered by a grant under this Plan until the date of issuance of a stock certificate for such Common Stock. Nothing contained in this Plan or in any Award Agreement confers on any person the right to continue in the employ or service of the Holding Company or an Affiliate or interferes in any way with the right of the Holding Company or an Affiliate to terminate an individual's services.

12. DESIGNATION OF BENEFICIARY

With the Committee's consent, an individual may designate a person or persons to receive, upon the individual's death, any Award to which the individual would then be entitled. This designation shall be made upon forms supplied by, or otherwise acceptable to, and delivered to the Holding Company. A designation of beneficiary may be revoked in writing. If an individual fails to effectively designate a beneficiary, the individual's estate shall be deemed to be the beneficiary for purposes of the Plan.

13. DILUTION AND OTHER ADJUSTMENTS

In the event of any change in the outstanding shares of Common Stock, by reason of any stock dividend or split, recapitalization, merger, consolidation, spin-off, reorganization, combination or exchange of shares, or other similar corporate change, or any other increase or decrease in such shares, without receipt or payment of consideration by the Holding Company, or in the event an extraordinary capital distribution is made, the Committee may make adjustments to previously granted Awards, to prevent dilution, diminution, or enlargement of the rights of individuals, including any or all of the following:

- (a) adjustments in the aggregate number or kind of shares of Common Stock or other securities that may underlie future Awards under the Plan;
- (b) adjustments in the aggregate number or kind of shares of Common Stock or other securities that underlie Awards already made under the Plan; and
- (c) adjustments in the Exercise Price of outstanding Options or base price of outstanding SARs.

The Committee, however, shall not make adjustments that materially change the value of benefits available to an individual under a previously granted Award. All Awards under this Plan shall be binding upon any successors or assigns of the Holding Company.

14. TAXES

Under this Plan, whenever cash or shares of Common Stock are to be delivered, the Committee is entitled to require as a condition of delivery that:

- (a) the individual remit an amount sufficient to satisfy all related federal, state, and local withholding tax requirements;
- (b) the withholding of such sums may come from compensation otherwise due to the individual or from shares of Common Stock due to the individual under this Plan; or

- (c) any combination of (a) and (b), above; *provided, however*, that no amount shall be withheld from any cash payment or shares of Common Stock related to an Option transferred by the individual in accordance with this Plan.

15. NOTIFICATION UNDER SECTION 83(b)

The Committee may, on the date of grant or at a later date, prohibit an individual from making the election described below. If the Committee has not prohibited an individual from making this election, and the individual shall, in connection with the exercise of any Award, make the election permitted under Section 83(b) of the Code, the individual shall notify the Committee of the election within ten (10) days of filing notice of the election with the

Internal Revenue Service. This requirement is in addition to any filing and notification required under the regulations issued under the authority of Section 83(b) of the Code.

16. AMENDMENT OF THE PLAN AND AWARD GRANTS

- (a) Except as provided in paragraph (c) of this Section 16, the Board of Directors may at any time, and from time to time, modify or amend the Plan in any respect, prospectively or retroactively; *provided, however*, that provisions governing grants of Incentive Stock Options shall be submitted for shareholder approval to the extent required by law, regulation, or otherwise. Failure to ratify or approve amendments or modifications by shareholders shall be effective only as to the specific amendment or modification requiring shareholder ratification or approval. Other provisions of this Plan shall remain in full force and effect. No termination, modification, or amendment of this Plan may adversely affect the rights of an individual under an outstanding Award without the written permission of the affected individual.
- (b) Except as provided in paragraph (c) of this Section 16, the Committee may amend any Award Agreement, prospectively or retroactively; *provided, however*, that no amendment shall adversely affect the rights of an individual under an outstanding Award Agreement without the written consent of the affected individual.
- (c) In no event shall the Board of Directors amend the Plan or shall the Committee amend an Award Agreement in any manner that effectively:
- (i) allows any Option to be granted with an Exercise Price below the Fair Market Value of the Common Stock on the date of grant; or
 - (ii) allows the Exercise Price of any Option previously granted under the Plan to be reduced after the date of grant.
- (d) It is intended that this Plan and any Awards made pursuant to this Plan shall comply with the provisions of Section 409A of the Code, to the extent applicable. If Code Section 409A becomes applicable to this Plan or any Award, this Plan and such Award shall be administered in a manner consistent with such intent and any provision that would cause this Plan or any Award to fail to satisfy Code Section 409A shall have no force or effect until amended to comply with Code Section 409A (which amendments may be made retroactive to the extent permitted by Code Section 409A and may be made by the Board of Directors without the consent of the Participants). References in this Plan to Code Section 409A shall include any proposed, temporary or final regulations, or any other guidance, promulgated with respect to Code Section 409A by the United States Department of the Treasury or the Internal Revenue Service.

17. TERMINATION OF THE PLAN

The right to grant Awards under the Plan will terminate upon the earlier of:

- (a) April 23, 2013, which is ten (10) years after the original Effective Date of the Plan; or
- (b) the issuance of a number of shares of Common Stock pursuant to the exercise of Options and Stock Appreciation Rights and the vesting of Restricted Stock Awards equal to the maximum number of shares reserved under the Plan, as set forth in Section 5. The Board of Directors may suspend or terminate the Plan at any time; *provided, however*, that no such action will adversely affect an individual's vested rights under a previously granted Award, without the consent of the affected individual.

18. APPLICABLE LAW

The Plan will be administered in accordance with the laws of the state of Delaware, except to the extent that Federal law is deemed to apply.
