 TO PROSPECTUS DATED JANUARY 22, 2001

TERAYON COMMUNICATION SYSTEMS, INC.

\$500,000.00

of 5% Convertible Subordinated Notes Due 2007 and 5,951,673 Shares of  
 Common Stock Issuable Upon Conversion of the Notes

Please read this prospectus supplement in conjunction with the prospectus dated  
 January 22, 2001 (the "Prospectus"). The table on pages 21 thru 24 of the  
 Prospectus setting forth information concerning the selling holders is  
 superseded by the following table:

SELLING HOLDERS

We originally issued the Notes and the Notes were sold by the initial purchasers  
 in a transaction exempt from the registration requirements of the Securities Act  
 to persons reasonably believed by the initial purchasers to be qualified  
 institutional buyers or other institutional accredited investors. Selling  
 holders, including their transferees, pledgees or donees or their successors,  
 may from time to time offer and sell pursuant to this prospectus any or all of  
 the Notes and common stock into which the Notes are convertible. We agreed to  
 use reasonable efforts to keep the registration statement effective until July  
 26, 2002. Our registration of the Notes and the shares of common stock into  
 which the Notes are convertible does not necessarily mean that the selling  
 holders will sell any or all of the Notes or the shares of the common stock into  
 which the Notes are convertible.

The following table sets forth information, as of February 9, 2001, with respect  
 to the selling holders and the principal amounts of Notes beneficially owned by  
 each selling holder that may be offered under this prospectus. The information  
 is based on information provided by or on behalf of the selling holders. The  
 selling holders may offer all, some or none of the Notes or common stock into  
 which the Notes are convertible. Because the selling holders may offer all or  
 some portion of the Notes or the common stock, no estimate can be given as to  
 the amount of the Notes or the common stock that will be held by the selling  
 holders upon termination of any sales. In addition, the selling holders  
 identified below may have sold, transferred or otherwise disposed of all or a  
 portion of their Notes since the date on which they provided the information  
 regarding their Notes in transactions exempt from the registration requirements  
 of the Securities Act.
