(the "Company" or "Nuance") for use at the Annual Meeting of Stockholders to be held on Thursday, May 23, 2002 at 8:30 a.m., or at any adjournment thereof (the "Annual Meeting" or the "Meeting"), for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone, telegram, telefax or otherwise.

1

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders of the Company which are intended to be presented by such stockholders at the Company's next Annual Meeting of Stockholders to be held in 2002 must be received by the Company no later than December 23, 2002 in order that they may be considered for possible inclusion in the proxy statement and form of proxy relating to that meeting.

In addition, the Company's Bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals not included in the Company's proxy statement, to be brought before an annual meeting of stockholders. For nominations or other business to be properly brought before the meeting by a stockholder, such stockholder must provide written notice delivered to the Secretary of the Company between 60 and 90 days in advance of the annual or special meeting, which notice must contain specified information concerning the matters to be brought before such meeting and concerning the stockholder proposing such matters. In the event that less than 65 days notice of the date of the meeting is given to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the seventh day following the day on which such notice of the date of the annual meeting was mailed. A copy of the full text of the Bylaw provision discussed above may be obtained by writing to the Secretary of the Company. All notices of proposals by stockholders, whether or not included in the Company's proxy materials, should be sent to Nuance Communications, Inc., 1005 Hamilton Court, Menlo Park, California, 94025, Attn.: General Counsel.

The attached proxy card grants the proxy holders discretionary authority to vote on any matter raised at the Meeting. If a stockholder intends to submit a proposal at the next annual meeting of stockholders, which proposal is not eligible for inclusion in the proxy statement relating to that meeting, the stockholder must give notice to the Company in accordance with the requirements set forth in the Securities Exchange Act of 1934, as amended (the "Exchange Act"), no later than March 8, 2003. If a stockholder does not comply with the foregoing notice provision, the proxy holders will be allowed to use their discretionary voting authority when and if the proposal is raised at the next annual meeting of stockholders.

Quorum; Abstentions; Broker Non-Votes

Edgar Filing: NUANCE COMMUNICATIONS - Form DEF 14A

The required quorum for the transaction of business at the Annual Meeting is the holders of a majority of the common stock issued and outstanding and entitled to vote thereat. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" on a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote (the "Votes Cast") at the Annual Meeting with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both (i) the presence or absence of a quorum for the transaction of business and (ii) the total number of Votes Cast with respect to a matter (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner. Accordingly, with the exception of the proposal for the election of directors, abstentions will have the same effect as a vote against the proposal. Because directors are elected by a plurality vote, abstentions in the election of directors have no impact once a quorum exists. In a 1988 Delaware case, *Berlin v. Emerald Partners*, the Delaware Supreme Court held that, while broker non-votes may be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Broker non-votes with respect to proposals set forth in this Proxy Statement will therefore be counted only for purposes of determining the presence or absence of a quorum and will not be considered Votes Cast. Accordingly, broker non-votes will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

2

Fiscal Year End

The Company's fiscal year ends on December 31. The Company's last fiscal year ended on December 31, 2001 and is referred to herein as the "Last Fiscal Year."

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers, directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Such executive officers, directors and ten-percent stockholders are also required by SEC rules to furnish the Company with copies of all forms that they file pursuant to Section 16(a). Based solely on its review of copies of Forms 3 and 4 and amendments thereto furnished to the Company pursuant to Rule 16a-3(e) and Forms 5 and amendments thereto furnished to the Company with respect to the Last Fiscal Year, and any written representations referred to in Item 405(b)(2)(i) of Regulation S-K stating that no Forms 5 were required, the Company believes that, during the Last Fiscal Year, all Section 16(a) filing requirements applicable to the Company's officers and directors were complied with, except that Lloyd Lease reported an option exercise late on a Form 5.

The Board of Directors also has the discretion to grant options and rights to directors pursuant to the Company's stock option plans. Employee directors are also eligible to participate in the Company's employee stock purchase plan. The Company does not intend to pay cash fees for the services of its Board members in the immediate future, nor to provide for the automatic grant of stock options to its directors.

Options may also be granted to directors under the Company's 2000 Stock Plan (the "Stock Plan"), which was approved by the Company's stockholders in February 2000. The Board, in its discretion, selects directors to whom options may be granted, the time or times at which such options may be granted, the number of shares subject to each grant and the period over which such options become exercisable. All options granted to directors under the Stock Plan contain the following provisions: the exercise price per share of common stock is 100% of the fair market value of the Company's common stock on the date the

option is granted; the term of the option may be no more than ten years from the date of grant; and the option may be exercised only while the Outside Director remains a director or within ninety days after the date he or she ceases to be a director or service provider of the Company; upon a proposed liquidation or dissolution of the Company, the options will terminate immediately prior to such action; and in the event of a merger or sale of substantially all of the Company's assets, each option may be assumed or an equivalent option substituted by the successor corporation. PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

In April 2002, the Company selected Deloitte & Touche LLP as the Company's independent auditors to audit the financial statements of the Company for the Company's fiscal year ending December 31, 2002. Arthur Andersen LLP served as the Company's independent auditors for the Last Fiscal Year. The Board of Directors recommends that stockholders vote for ratification of such appointment. In the event of a negative vote or ratification, the Board of Directors will reconsider its selection.

Information Regarding Change of Auditors

On April 11, 2002, the Company made a determination to no longer engage Arthur Andersen LLP ("Arthur Andersen") as its independent auditors. The Company's Board of Directors participated in and approved the decision to change principal accountants. On April 12, 2002, the Company engaged Deloitte &

Edgar Filing: NUANCE COMMUNICATIONS - Form DEF 14A

Touche LLP to serve as its independent auditors for the fiscal year ending December 31, 2002.

Arthur Andersen's reports on the Company's consolidated financial statements for each of the years ended December 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2001 and 2000 and through April 17, 2002, the filing date of the Company's Current Report on Form 8-K regarding its change of auditors, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused it to make reference to the subject matter in connection with its report on the Company's consolidated financial statements for such years; and there were no reportable events as specified in Item 304(a)(1)(v) of Regulation S-K.

During the years ended December 31, 2001 and 2002 and through April 12, 2002, the Company did not consult Deloitte & Touche LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Paid to Accountants for Services Rendered During the Last Fiscal Year

Audit Fees:

Audit fees billed to the Company by Arthur Andersen LLP during the Company's Last Fiscal Year for review of the Company's annual financial statements and those financial statements included in the Company's quarterly reports on Form 10-Q totaled \$270,029.

Financial Information Systems Design and Implementation Fees:

The Company did not engage Arthur Andersen LLP to provide advice to the Company regarding financial information systems design and implementation during the Last Fiscal Year.

All Other Fees:

Fees billed to the Company by Arthur Andersen LLP during the Company's 2001 fiscal year for all other non-audit services rendered to the Company, including tax related services totaled \$404,281.

Required Vote

Stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent auditors is not required by the Company's Bylaws or other applicable legal requirement. However, the Board is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Edgar Filing: NUANCE COMMUNICATIONS - Form DEF 14A

The affirmative vote of the holders of a majority of the shares represented and entitled to vote at the meeting will be required to ratify the selection of Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending December 31, 2002. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE 2002 FISCAL YEAR.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board of Directors establishes the general compensation policies and programs of the Company as well as the compensation plans and specific compensation levels for substantially all of the Company's executive officers, including the Company's Chief Executive Officer (which is

Edgar Filing: NUANCE COMMUNICATIONS - Form DEF 14A

subject to the additional approval of the Company's Board of Directors). It also administers the Company's employee stock benefit plan for substantially all of the Company's executive officers, including the Chief Executive Officer, and administers the Company's employee stock benefit plan with respect to grants of securities in excess of 50,000 shares. The Compensation Committee is currently composed of independent, non-employee directors who have no interlocking relationships as defined by the Securities and Exchange Commission.

The Compensation Committee believes that the compensation of the executive officers, including that of the Chief Executive Officer (collectively, the "Executive Officers"), should be influenced by the Company's performance. The Compensation Committee establishes the salaries and bonuses of all of the Executive Officers by considering (i) the Company's financial performance for the past year, (ii) the achievement of certain objectives related to the particular Executive Officer's area of responsibility, (iii) the salaries and bonuses of executive officers in similar positions of comparably-sized companies and (iv) the relationship between revenue and executive officer compensation. The Compensation Committee believes that the Company's executive officer salaries and bonuses in the Last Fiscal Year were comparable in the industry for similarly-sized businesses.

In addition to salary and bonus, the Compensation Committee, from time to time, grants options to purchase Company common stock to Executive Officers. The Compensation Committee thus views option grants as an important component of its long-term, performance-based compensation philosophy. Since the value of an option bears a direct relationship to the Company's stock price, the Compensation Committee believes that options motivate Executive Officers to manage the Company in a manner which will also benefit stockholders. As such, options are granted at the current market price. And one of the principal factors considered in granting options to an Executive Officer is the Executive Officer's ability to influence the Company's long-term growth and profitability.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board is responsible for providing an independent, objective review of the Company's accounting functions and internal controls. The Audit Committee is comprised of independent directors, and is governed by a written charter first adopted and approved by the Board of Directors in January 2000. Each of the members of the Audit Committee is independent as defined by Company policy and Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards. A copy of the Audit Committee Charter is attached to this Proxy Statement as Appendix A.

The responsibilities of the Audit Committee include recommending to the Board an accounting firm to serve as the Company's independent accountants. The

Edgar Filing: NUANCE COMMUNICATIONS - Form DEF 14A

Audit Committee also, as appropriate, reviews and evaluates, and discusses and consults with Company management and the independent accountants regarding the following:

- . the plan for, and the independent accountant's report on, each audit of the Company's financial statements
- . the Company's financial disclosure documents, including all financial statements and reports filed with the SEC or sent to stockholders, as well as the adequacy of the Company's internal accounting controls, and accounting, financial and auditing personnel
- . changes in the Company's accounting practices, principles, controls or methodologies, or in the Company's financial statements, and recent developments in accounting rules
- . the establishment and maintenance of an environment at the Company that promotes ethical behavior

This year, the Audit Committee reviewed the Audit Committee Charter and, after appropriate review and discussion, the Audit Committee determined that the Committee had fulfilled its responsibilities under the Audit Committee Charter.

The Audit Committee is responsible for recommending to the Board of Directors that the Company's financial statements be included in the Company's annual report. The Audit Committee took a number of steps in making this recommendation for the Last Fiscal Year. First, the Audit Committee discussed throughout the Last Fiscal Year with Arthur Andersen LLP, the Company's independent auditors for the Last Fiscal Year, those matters Arthur Andersen LLP communicated to and discussed with the Audit Committee under applicable auditing standards, including information concerning the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Audit Committee discussed Arthur Andersen LLP's independence with Arthur Andersen LLP and received a letter from Arthur Andersen LLP regarding independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure informed the Audit Committee of Arthur Andersen LLP's independence, and assisted the Audit Committee in evaluating such independence. Finally, the Audit Committee reviewed and discussed, with Company's management and Arthur Andersen LLP, as appropriate, the Company's audited consolidated balance sheets at December 31, 2001 and 2000, and consolidated statements of income, cash flows and stockholders' equity for the three years ended December 31, 2001. Based on the discussions with Arthur Andersen LLP concerning the audit, the independence discussions, and the financial statement review, and additional matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommends to the Board of Directors that the Company's Annual Report on Form 10-K include these financial statements.
