Item 3. Source and Amount of Funds or Other Consideration

Item 3 of the Schedule 13D is hereby amended and supplemented by the following:

As more fully described in Item 4 below, Caxton International is the record and/or beneficial owner of 10,885,235 shares of Class A Common Stock and 32,601,606 Warrants, which were purchased from OSG in accordance with the terms of the ECA (as defined below). The aggregate purchase price for such acquired Class A Common Stock and Warrants was \$128,706,437, and was paid out of Caxton International's working capital.

Item 4. Purpose of Transaction

Item 4 of the Schedule 13D is hereby amended and supplemented, as applicable, by the following:

OSG entered into an Equity Commitment Agreement, dated as of May 2, 2014, as amended by Amendment Number 1 thereto, dated as of May 20, 2014, and as further amended by Amendment Number 2 thereto, dated as of May 23, 2014 (as so amended, the "ECA"), with Caxton International and each of the other respective Commitment Parties named therein (each a "Commitment Party"). The ECA was terminated on August 5, 2014 in connection with the consummation of the Plan (as defined below).

Pursuant to the ECA, OSG agreed, in connection with the consummation of a chapter 11 plan of reorganization (the "Plan"), to issue and distribute its common stock and/or warrants to any person who held shares of OSG's common stock as of a certain date and who elected to exercise subscription rights in accordance with procedures approved by the Bankruptcy Court (the "Rights Offering Procedures"). Pursuant to the ECA, each Commitment Party, severally and not jointly, agreed with OSG to back-stop, or cause its designees to back-stop, certain securities underlying the subscription rights that were not exercised in accordance with the Rights Offering Procedures. In addition, each Commitment Party agreed to purchase certain additional securities offered by the Issuer to such Commitment Party. As consideration for the foregoing back-stop commitment, OSG paid a certain premium in the form of securities to each Commitment Party. Whether issued upon the valid exercise of the subscription rights or otherwise in accordance with the ECA, the securities were offered, sold, issued and distributed without registration under the Securities Act of 1933 (the "Securities Act") on August 5, 2014.

Pursuant to the ECA, on August 5, 2014, Caxton International purchased and received an aggregate amount of 10,885,235 shares of Class A Common Stock and 32,601,606 Warrants for an aggregate purchase price of \$128,706,437. As noted above, the ECA was terminated on August 5, 2014 in connection with the consummation of the Plan.

OSG entered into a Registration Rights Agreement, dated as of May 2, 2014, as amended by Amendment Number 1 thereto, dated as of May 23, 2014 (as so amended, the "Registration Rights Agreement"), with Caxton

Edgar Filing: OVERSEAS SHIPHOLDING GROUP INC - Form SC 13D/A

International and each of the other respective Commitment Parties, setting out, among other things, the registration rights of each Commitment Party. Pursuant to the Registration Rights Agreement, OSG is required to register, on a registration statement to be filed with the U.S. Securities and Exchange Commission (the "SEC"), the resale of certain Class A Common Stock and Warrants for the benefit of the Reporting Parties and others

The summaries of the ECA and Registration Rights Agreement set out in this Amendment 1 to Schedule 13D do not purport to be complete and are qualified in their entirety by reference to the complete text of such agreements and amendments thereto, which are available electronically on the internet website of the Issuer's claims agent Kurtzman Carson Consultants, LLC, at <http://www.kccllc.net/osg>. Information set out on the foregoing web site or filed with the Bankruptcy Court shall not be deemed to be part of or incorporated by reference into this Amendment 1 to Schedule 13D.

Caxton International acquired OSG's securities in the belief that the shares are an attractive investment and were under-valued. The Reporting Parties from time to time may enter into discussions with directors of the Issuer, one or more of management, other shareholders (including but not limited to other Commitment Parties) or investors, or third parties in connection with the Reporting Parties' investment in the Issuer as well as involving the Issuer's business, strategies and other matters related to the Issuer. These discussions may include reviewing options or making proposals for enhancing or maximizing shareholder value through various strategic alternatives, including, among others, changes to the capitalization, ownership structure, operations, or Certificate of Incorporation or Bylaws of the Issuer or any of its affiliates, or any strategic transaction or similar opportunities. The Reporting Parties also may explore increasing their ownership position in the Issuer or any of its affiliates through an acquisition of stock or other investments from other stockholders or otherwise. The Reporting Parties also may elect not to engage with directors or officers of the Issuer and maintain a passive investment in the Issuer.

The Reporting Parties intend to review their respective investment in the Issuer on a continuing basis and may from time to time and at any time in the future depending on various factors, including, without limitation, the outcome of any discussions referenced above, the Issuer's financial position and strategic direction, actions taken by the board and/or management, price levels of the Issuer's (or that of any of its affiliates) common stock and/or other instruments, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, take such actions with respect to the investment in the Issuer as they deem appropriate, including: (i) acquiring additional common stock and/or other equity, warrants, debt, notes, other securities, or derivatives or other instruments that are based upon or relate to the value of the common stock of the Issuer and/or any of its affiliates (collectively, "OSG Securities") in the open market or otherwise; (ii) disposing of any or all of their OSG Securities in the open market or otherwise; (iii) engaging in any hedging or similar transactions with respect to the OSG Securities; or (iv) proposing or considering one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D.
