Item 1.01. Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On December 30, 2014, Pacific Ethanol, Inc., a Delaware corporation (the “**Company**”) entered into an Agreement and Plan of Merger (the “**Merger Agreement**”) with Aventine Renewable Energy Holdings, Inc., a Delaware corporation (“**Aventine**”), and AVR Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of the Company (“**Merger Sub**”). Pursuant to the terms, and subject to the conditions, of the Merger Agreement, at the closing of the proposed transactions contemplated by the Merger Agreement, Merger Sub will be merged with and into Aventine (the “**Merger**”), and Aventine will continue as the surviving corporation of the Merger and as a wholly owned subsidiary of the Company.

The Merger Agreement was unanimously approved by the Board of Directors of each of the Company and Aventine, and the Company has agreed to convene a special meeting of its stockholders to consider and vote upon the issuance of the Company’s common stock pursuant to the Merger Agreement.

In connection with the Merger, Aventine common stock outstanding immediately prior to the effective time of the Merger (other than shares in respect of which dissenter’s rights are perfected) will be automatically cancelled and converted into the right to receive consideration equal to (i) 1.25 shares of the Company’s non-voting common stock, \$0.001 par value per share (“**Non-Voting Company Common Stock**”) plus cash in lieu of fractional shares, for each issued and outstanding share of Aventine’s common stock, (ii) 1.25 shares the Company’s common stock, \$0.001 par value per share (“**Company Common Stock**”) plus cash in lieu of fractional shares, for each issued and outstanding share of Aventine’s common stock, or (iii) a combination of Non-Voting Company Common Stock and Company Common Stock converted in accordance with the Exchange Ratio (defined as 1.25 in the Merger Agreement) and the election submitted by such Aventine stockholder. The Exchange Ratio is fixed and will not be adjusted for changes in the market value of the Company Common Stock. The Company expects to issue approximately 17.75 million shares of its common stock in the transaction. No fractional shares of Company Common Stock will be issued in the Merger, and Aventine stockholders will receive cash in lieu of fractional shares, if any, of Company Common Stock.

The consummation of the Merger is subject to certain closing conditions, including, among others, (i) obtaining approval of the Company’s stockholders and approval of Aventine’s stockholders, (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iii) absence of legal impediments preventing consummation of the Merger; (iv) the effectiveness under the Securities Act of 1933, as amended, of the Registration Statement on Form S-4 relating to the issuance of the shares of the Non-Voting Company Common Stock and Company Common Stock in the Merger, (v) approval by NASDAQ of the listing of the shares of the Company Common Stock to be issued in the Merger, (vi) the volume weighted average price of the Company Common Stock as reported by NASDAQ for the twenty trading days immediately preceding the

closing exceeding \$10.00, (vii) the delivery of opinions from counsel to each of the Company and Aventine to the effect that the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, (viii) the execution of employment agreements between the Company and certain individuals to be identified by the Company 30 days after the date of the Merger Agreement, (ix) Aventine stockholders holding no more than 1% of Aventine common stock dissenting from the merger, (x) no new information being learned by the Company or event occurring that would substantially increase the likelihood of a material adverse result in certain litigation matters, (xi) termination of the Aventine Registration Rights Agreement; (xii) the receipt by the Company of Phase I environmental site assessments for Aventine's properties revealing conditions that would reasonably not be expected to give rise to any remediation costs exceeding \$3,300,000 in the aggregate, (xiii) the Company not learning of any new information that would indicate a rail road utility does not intend to establish certain rail facilities, (xiv) receipt by the Company of certain releases pertaining to Aventine restricted stock units or bonus or severance payments, (xv) the appointment of two board members to the Company's Board of Directors nominated by the holders of the majority of issued and outstanding shares of Aventine common stock, and (xvi) the absence of a material adverse effect with respect to the Company or Aventine, as well as other conditions to closing as are customary in transactions such as the Merger.

The Company and Aventine each made customary and other representations, warranties and covenants for a transaction of this type.

The Merger Agreement contains certain customary termination rights for both the Company and Aventine, including, among other things, for the failure to consummate the Merger by May 31, 2015, which shall automatically be extended to June 30, 2015 if the Company's financial statements that are required to be in the Registration Statement on Form S-4 are for the year ending December 31, 2014. The Merger Agreement may also be terminated by Aventine, subject to certain conditions, upon Aventine accepting a superior proposal (generally, a transaction that the Aventine Board of Directors deems to be more favorable from a financial point of view than the Merger) with Aventine paying the Company a termination fee of \$5,982,000. In addition, the Merger Agreement may be terminated by the Company (i) if Aventine's Board of Directors changes its recommendation for the Merger or approves or recommends to Aventine's stockholders a Company Takeover Proposal (as defined in the Merger Agreement) including a tender offer or exchange offer for Aventine common stock, with Aventine paying the Company a termination fee of \$5,982,000 or (ii) if an event occurs or the Company becomes aware of information not previously known to the Company that would result in, or substantially increase the likelihood, of a material adverse result in certain litigation matters, with the Company paying Aventine a termination fee of \$5,982,000. If the Merger Agreement is terminated upon a failure of the Company's stockholders to approve the Merger, the Company will reimburse Aventine, up to a maximum of \$1,994,000, for Aventine's transaction expenses.

The foregoing description of the Merger Agreement is only a summary, does not purport to be complete, and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached to this Current Report on Form 8-K as Exhibit 2.1 and is incorporated herein by reference in its entirety.

The Merger Agreement has been attached as an exhibit to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company or Aventine. The representations, warranties and covenants contained in the Merger Agreement were made solely for the purposes of the Merger Agreement and the benefit of the parties to the Merger Agreement and may be subject to limitations agreed upon by the contracting parties. Certain of the representations and warranties have been made for the purposes of allocating contractual risk between the parties to the agreement instead of establishing these matters as facts. Investors are not third-party beneficiaries under the Merger Agreement. In addition, the representations and warranties contained in the Merger Agreement (i) were made only as of the dates specified in the Merger Agreement, and (ii) in some cases are subject to qualifications with respect to materiality, knowledge and/or other matters, including standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts or condition of the Company or Aventine or any of their respective subsidiaries or affiliates.

Stockholders Agreements

Concurrently with the execution of the Merger Agreement, the Company entered into a Stockholders Agreement with Candlewood Special Situations Master Fund, Ltd., CWD OC 522 Master Fund, Ltd., Candlewood Financial Opportunities Master Fund, LP, Candlewood Financial Opportunities Fund, LLC, Flagler Master Fund SPC, Ltd. – Class A Segregated Portfolio, and Flagler Master Fund SPC, Ltd. – Class B Segregated Portfolio, stockholders of Aventine (“**First Stockholders Agreement**”) and another Stockholders Agreement with Credit Suisse Securities (USA) LLC, a stockholder of Aventine (“**Second Stockholders Agreement**”) and together with the First Stockholders Agreement, the “**Stockholders Agreements**”). Pursuant to the Stockholders Agreements, the Aventine stockholders agreed to, among other things, not transfer their shares of stock (except to the extent any transferee agrees to be bound by identical restrictions and obligations) and vote some or all of their stock (collectively, an aggregate of 51% of the issued and outstanding shares of capital stock of Aventine) in favor of the Merger and related transactions. The Stockholders Agreements also provide that such stockholders will not solicit any Company Takeover Proposal (as defined in the Merger Agreement). In addition, the Aventine stockholders party to the Stockholders Agreements agreed (i) not to transfer any Non-Voting Company Common Stock or Company Common Stock for certain specified periods and (ii) to exercise their drag-along rights in favor of the Merger and related transactions.

The foregoing description of the Stockholders Agreements is only a summary, does not purport to be complete, and is qualified in its entirety by reference to the full text of the First Stockholders Agreement which is attached to this Current Report on Form 8-K as Exhibit 10.1, and the full text of the Second Stockholders Agreement which is attached to this Current Report on Form 8-K as Exhibit 10.2, each of such agreements being incorporated herein by reference in its entirety.

On December 31, 2014, the Company issued a press release in connection with the announcement of the Merger, which is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference in its entirety.
