INTRODUCTION

Northway Financial, Inc. a New Hampshire Corporation ("Northway") is proposing that Northway's stockholders adopt amendments to the amended and restated articles of incorporation of Northway that will result in a reverse/forward stock split transaction. If the split transaction is completed our stockholders of record who hold only fractional shares after giving effect to the 1-for-400 reverse stock split will receive a payment of \$37.50 per share for each pre-split share. If the split transaction is completed, stockholders of record with fewer than 400 shares prior to the reverse stock split will have no interest in Northway and will become entitled only to a cash payment for their shares. Based upon an analysis of the stockholder base as of March 28, 2007, Northway expected to pay approximately \$4,889,000 to its stockholders in the aggregate in the reverse stock split. Based upon recent trading activity, Northway believes that the amount payable to non-continuing stockholders will change, and the cost of the transaction could increase significantly as a result of further trading activity in Northway's shares between the date hereof and the effective date of the split transaction. After Northway completes the reverse stock split and identifies those stockholders entitled to payment for their pre-split shares, it will complete a forward stock split in which each share of common stock will be converted into 800 shares of common stock post-split. As a result, stockholders of record who hold 400 or more shares prior to the split transaction will ultimately hold twice the number of shares following the split transaction. The effect of the split transaction will be to reduce the number of stockholders of record to less than 300, which will allow Northway to suspend its reporting obligations under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

This Rule 13e-3 Transaction Statement on Schedule 13E-3 is being filed by Northway pursuant to Section 13(e) of the Exchange Act and Rule 13e-3 thereunder.

This Schedule 13E-3 is being filed with the Securities and Exchange Commission and includes a preliminary proxy statement filed by Northway pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, pursuant to which the holders of the common stock of Northway will be given notice of the annual meeting at which they will be asked to approve the reverse and forward stock splits, and to transact any other business properly brought before the annual meeting.

The information contained in the proxy statement is hereby expressly incorporated herein by reference and the responses to each item are qualified in their entirety by reference to the information contained in the proxy statement. As of the date hereof, the proxy statement is in preliminary form and is subject to completion or amendment. This Schedule 13E-3 will be further amended to reflect such completion or amendment of the proxy statement.
