Employment Arrangement and Agreements

The Bank has a key man life insurance policy on Mr. Hale in the amount of \$3,000,000.

The Company and the Bank are parties to an Employment Agreement with George H. Mantakos dated May 1, 1995, pursuant to which Mr. Mantakos is employed as the President of the Bank. The agreement provides for an annual salary of \$125,000 which may be adjusted on the anniversary date of the agreement to an amount to be approved by the Board of Directors. Mr. Mantakos is entitled to participate in any management bonus plans established by the Bank and to receive all benefits offered to employees. Mr. Mantakos will, at the discretion of the Chairman, have the opportunity to receive a bonus in a maximum amount of \$20,000 per year. The Compensation Committee is empowered to grant a larger bonus to Mr. Mantakos. Mr. Mantakos receives the use of an automobile provided by the Bank. The term of the Employment Agreement is one year, expiring May 1, 2003 and, if not terminated within 90 days of its termination date, is automatically renewed for one additional year, provided, however, that the Board of Directors of the Bank may terminate the agreement at any time. In the event of involuntary termination for reasons other than gross negligence, fraud or dishonesty (or in the event of the material diminution of or interference with Mr. Mantakos' duties, or a change of control of the Bank), the Bank is obligated to pay Mr. Mantakos his salary through the remaining term plus additional severance equal to the then current annual salary, but not less than \$110,000. In such event, Mr. Mantakos is permitted to exercise all options, and warrants held by him, and the Company is obligated to purchase all of the Common Stock owned by Mr. Mantakos at the time of the involuntary termination and all of the Common Stock owned by him after he exercises all of his options and warrants.

Change in Control Agreements

The Company has entered into Change in Control Agreements with Messrs. Hale, Mantakos, Cicero and Keidel.

Edgar Filing: FIRST MARINER BANCORP - Form DEF 14A

The agreements provide severance payments to these executives should a change in control result in a loss of employment, or a significant change in his or her employment. Under the agreement Messrs. Hale, Mantakos and Cicero would be entitled to severance payments equal to 2.99 times annual compensation, while Mr. Keidel's would receive 1.99 times his annual compensation.

Other Benefits

The Company provides life insurance benefits to Messrs. Hale, Mantakos, Cicero and Keidel in an amount equal to two times base annual salary during their employment up to a maximum of \$300,000. The Company has agreed to provide post-employment life insurance benefits for these executives of \$100,000, subject to a predetermined vesting schedule.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The functions of the Compensation Committee of the Board (the "Compensation Committee") include, administering management incentive compensation plans, establishing the compensation of executive officers and reviewing the compensation of directors.

The Compensation Committee consists of Messrs. Bondroff, Hoffman and Ms. Brown, who are non-employee directors and have no interlocking relationship or insider participation as defined by the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The objectives of the Company's management compensation policy are to attract and retain the best available executive officers; to motivate them to achieve the goals set forth in the Company's business plan; to link executive and stockholder interest through equity-based compensation; and to provide a compensation package that recognizes the executive's contribution, as well as the Company's performance, measured by both short-term and long-term achievements.

The management compensation policy and the general compensation policies of the Company are established by the Compensation Committee. The Compensation Committee formulates the compensation policy and specific compensation levels for executive officers and administers the Company's stock option plans. Each member of the Compensation Committee is a non-employee director. From time to time, the Compensation Committee retains independent compensation consultants to work on its compensation matters. The Board of Directors approves the recommendations of the Compensation Committee.

Compensation of Chief Executive Officer

The Compensation Committee believes that the compensation of the Chief Executive Officer, Edwin F. Hale, Sr., should be based largely upon corporate performance relative to the Company's business plan. In setting Mr. Hale's salary and bonus, the Compensation Committee considered the key role Mr. Hale plays in the development and expansion of the Company, its substantial growth, the increase in public awareness of the Company and the development of commercial and consumer business of the Bank.

During the tenure of Mr. Hale's leadership, the Company has realized remarkable growth and increased profitability. Total assets, loans and deposits have grown at average compound annual growth rates of 45%, 46% and 47% respectively, and the Company has grown to the seventh largest publicly

traded bank holding company headquartered in Maryland. Profits in 2002 were a record for the Company, totaling \$3,904,000, up 69% from \$2,304,000 in 2001, and 2002's fourth quarter profit of \$1,125,000 marked the 9th consecutive increase in quarterly profits. Growth in assets and loans has far exceeded industry averages, and asset quality has remained solid with net chargeoffs as a percentage of average loans of just .07% over the past five years while nation peer banks averaged .22%.

Mr. Hale has been an integral part of the Company's sales and marketing efforts, actively participating in the Company's marketing strategies and serving as spokesman in the Company's radio and television advertising. Through Mr. Hale's efforts, the Company now enjoys name recognition of 89% in the Baltimore Metropolitan area based on an independent market research study.

Edgar Filing: FIRST MARINER BANCORP - Form DEF 14A

Mr. Hale has also been a critical factor in the Company's success in raising capital to support its continued growth. Mr. Hale's banking experience and credibility in the capital markets has been instrumental in six capital raising efforts since 1995, and most recently during the fourth quarter of 2002.

The Compensation Committee also reviews competitive data regarding compensation levels and practices. The Compensation Committee set Mr. Hale's base compensation for the fiscal year 2002 at \$350,000, a 27% increase over his 2001 base salary. Mr. Hale received a bonus of \$120,000 for 2002 based on the performance of the Bank, including exceeding budgeted net income targets.

Mr. Hale also received stock options in 2002. In an effort to link more strongly the interests of the Company with that of its stockholders, the Company granted Mr. Hale an option to purchase 50,000 shares of Common Stock at the market price on the date the option was granted.

Compensation of Other Executive Officers

Recommendations regarding the base salary of the Executive Officers, other than the Chief Executive Officer, are made to the Compensation Committee by the Chief Executive Officer and either approved or modified by the Compensation Committee. The recommendation as to the bonus paid to each Executive Officer is based upon a review of the performance of these officers during the prior year by the Chief Executive Officer and includes the factors described in the preceding section on compensation of the Chief Executive Officer. The Compensation Committee concurred with the recommendations made by the Chief Executive Officer.

Mr. Cicero, Mr. Mantakos and Mr. Keidel were granted options to purchase 15,000, 15,000 and 7,500 shares respectively in 2002.

The Audit Committee is responsible for overseeing the Company's accounting functions and controls, as well as recommending to the Board of Directors an accounting firm to audit the Company's financial statements. The Board of Directors has adopted a charter for the Audit Committee (the "Charter") to set forth its responsibilities.

Edgar Filing: FIRST MARINER BANCORP - Form DEF 14A

Whether there were any disagreements with management;

Based on its review of the financial statements and its discussions with management and the representative of Stegman & Company, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002, to be filed with the SEC.

PERFORMANCE GRAPH

The following graph compares the performance of the Company's Common Stock, with the performance of a broad market index and a nationally-recognized industry standard assuming in each case both an initial \$100 investment on December 31, 1997 and reinvestment of dividends as of the end of the Company's fiscal years. The Company has selected the Nasdaq Market Index as the relevant broad market index because prices for the Company's Common Stock are quoted on Nasdaq National Market. Additionally, the Company has selected the Nasdaq Bank Index as the relevant industry standard because such index consists of financial institutions which the Company believes generally possess assets, liabilities and operations more similar to the Company than other publicly-available indices. However, given the short history of the Company's operations and its rapid growth, the Company believes no truly appropriate comparative index exists.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has had in the past, and expects to have in the future, banking transactions in the ordinary course of business with directors and executive officers on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with other unaffiliated persons and, in the opinion of management, these transactions do not and will not involve more than the normal risk of collectibility or present other unfavorable features. Included in our portfolio are loans outstanding from the Company to Edwin F. Hale, Sr. in the aggregate amount of \$2.15 million at December 31, 2002, which loans do not involve more than the normal risk of collectibility and bear interest and are collateralized on terms prevailing for comparable transactions.

In November, 1997 the Company entered into a lease with Hale Properties, L.L.C., a limited liability company wholly owned by Edwin F. Hale, Sr., CEO of the Company, for premises in Baltimore City, Maryland on which are located the headquarters and executive offices of the Company and the Bank. The Company pays rent of \$520,400 per year for approximately 36,000 square feet of office space. This lease was transferred to the new location when the bank moved in July, 2002.

Edgar Filing: FIRST MARINER BANCORP - Form DEF 14A

In July, 2002 the Company entered into a lease with Hale Properties, L.L.C., a limited liability company wholly owned by Edwin F. Hale, Sr., CEO of the Company, for additional office space in the Company's new headquarter building at 3301 Boston Street in Baltimore City and an expanded full service branch location. The Company pays rent of \$443,500 for 20,842 square feet of office space and \$100,000 for 3,000 square feet of retail branch space with extended drive thru facilities.

The Company maintains an operations facility at 1516 Baylis Street, Baltimore, Maryland. The Bank occupies approximately 23,000 square feet of office space and 4,500 square feet of storage space at this location which is leased from Edwin F. Hale, Sr. Annual rent is approximately \$231,000 for the office space and \$45,000 for the storage space. The Company also rents 15,700 square feet of storage space and disaster recovery facilities at two other locations owned by Mr. Hale. The annual rent for these facilities is \$95,640.

The above leases have been approved by the Board of Directors and the Board of Directors believes that they are comparable or at least favorable to market rates and terms.

The Company sponsors the activities of the Baltimore Blast, a professional soccer team owned by Edwin F. Hale, Sr. The Company pays approximately \$147,000 for a sponsorship package which includes printed material and Company banners displayed at Baltimore Blast games and prize giveaways. The Baltimore Blast has a standby letter of credit with the Bank in the amount of \$250,000 that is fully secured by cash.

The Company has obtained the naming rights to the major indoor sports/entertainment facility (1st Mariner Arena) in Baltimore from Mr. Hale who obtained them from the City of Baltimore. The Company pays Mr. Hale \$75,000 per year for the naming rights, which is the same as Mr. Hale pays the City of Baltimore. The Company has provided a letter of credit to the City of Baltimore in the amount of \$375,000 securing performance under the contract.

The Board of Directors has reviewed and approved the above transactions and believes them to be fair and reasonable, and in the best interest of the Company.

EMPLOYEE CODE OF CONDUCT

The Company has a Code of Conduct and Ethics Policy approved by the Board of Directors. We require all employees to adhere to the Code of Conduct and Ethics Policy in addressing the legal and ethical issues encountered in conducting their work. All employees are required to certify that they have reviewed the Code of Conduct and Ethics Policy and understood it.

16

SENIOR OFFICERS AND DIRECTORS CODE OF CONDUCT

The Sarbanes-Oxley Act of 2002 will require companies to adopt a Code of Conduct for senior financial officers. The SEC adopted final regulations requiring the Company to adopt a Code of Conduct for the Company's Senior Officers and Board of Directors. The Company is in the process of adopting the Code of Conduct for Senior Officers and Directors.

The Sarbanes-Oxley Act of 2002 will require the Company to have procedures to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Company has such procedures in place and will monitor any rules adopted by the Securities and Exchange Commission to determine whether the procedures need to be modified.

Proposal Two:

STOCKHOLDER PROPOSAL RELATING TO SEPARATION OF POSITIONS OF CHAIRMAN OF THE BOARD AND CHIEF EXECUTIVE OFFICER

Edgar Filing: FIRST MARINER BANCORP - Form DEF 14A

Mr. John F. Maas 2103 Aspen Drive, Plainsboro, NJ 08536, the owner of 4,246 shares of common stock, has advised the Company that he plans to introduce the following resolution at the Annual Meeting:

RESOLVED: That the shareholders of First Mariner Bancorp (FMB) urge the Board of Directors to adopt a policy that, the Chairman of the Board and Chief Executive Officer (CEO) be two different individuals and that the Chairman be an independent, outside director, elected by the directors. This proposal will not affect the unexpired terms of Directors elected to the Board at or prior to the upcoming annual meeting.

SUPPORTING STATEMENT

This proposal received 525,845 or 17% at last years' Annual meeting.

The recent publicized corporate governance failures underscore the need for decisive action to require more accountability at publicly held companies. Congress and various Regulators have taken action to strengthen corporate governance.

The Corporate Governance Center at Kennesaw State recently outlined principles that could serve as the foundation of sound corporate governance. The Institute of Internal Auditors endorsed these principles in a position paper presented to Congress in April 2002. One of the Principles enunciated is that the role of Board Chairperson and CEO be separate.

I believe that my proposal is one step that can be taken to strengthen corporate governance at FMB.

When a board's chairperson is also an officer, employee, or closely related to the company's management, I believe it is difficult for that person to objectively perform the monitoring and evaluation function required of the Board

I believe that an independent chairperson would ensure that the interests of shareholders are served, rather than the interests of management. Through this proposal, I seek to promote strong, objective leadership on the board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **AGAINST** THIS PROPOSAL FOR THE FOLLOWING REASONS

The Board strongly endorses the view that one of its primary functions is to protect stockholders' interests by providing independent oversight of management, including the CEO. However, the Board does not believe that mandating a particular structure, such as a separate chairman and CEO, is necessary to achieve effective oversight.

The same proposal was submitted by Mr. Maas last year and was included in the proxy statement for the annual meeting of stockholders held on May 7, 2002. The stockholders of the Company defeated the proposal at the 2002 annual meeting. The Board of Directors still believes that the proposal is not in the best interests of the Company or its stockholders. The Board believes that our Company is best served by having Mr. Hale, who is also a large stockholder, serve as both Chairman and Chief Executive Officer. In this manner, the Chairman, whose interests are aligned with the interest of the public stockholders, acts as a bridge between the Board and the operating organization and provides critical leadership for strategic initiatives.

18

Under Mr. Hale's leadership the Company has continued to reflect solid growth and increasing profits for its stockholders, as evidenced in the Company's performance in 2001 and 2002. During the tenure of Mr. Hale's leadership, the Company has realized remarkable growth and increased profitability. Total assets, loans and deposits have grown at average compound annual growth rates of 45%, 46% and 47%, respectively, and have grown the Company to be the 7th largest publicly traded bank holding company headquartered in Maryland. Profits in 2002 were a record for the Company, totaling \$3,904,000, up 69% from \$2,304,000 in 2001. While growth in assets and loans has far exceeded industry averages, asset quality has remained solid with net chargeoffs as a percentage of average loans equaling just .07% over the past five years.

Mr. Hale has been an integral part of the Company's sales and marketing efforts, actively participating in the Company's marketing strategies and serving as spokesman in the Company's radio and television advertising. Through Mr. Hale's efforts, the Company now enjoys name recognition of 89% in the Baltimore Metropolitan area based upon an independent market study research.

Mr. Hale has also been a critical factor in the Company's success in raising capital to support its continued growth. Mr. Hale's banking experience and credibility in the capital markets has been instrumental in six capital raising efforts since 1995, and most recently during the

fourth quarter of 2002.

Independent oversight of management is effectively conducted and maintained through the Board. Fifteen of the 18 current directors are independent directors and the Chairman has no greater nor lesser vote on matters considered by the Board than any other director.

Moreover, in addition to the Board, various independent committees of the Board perform independent management oversight. The Compensation Committee of the Board consists of three independent directors; as detailed in its report appearing elsewhere in this proxy statement, the Compensation Committee reviews and evaluates the performance of all executive officers of the Company including the Chief Executive Officer and reports to the Board. The Audit Committee, which is comprised of three independent directors, oversees the Company's financial practices, regulatory compliance, accounting procedures and financial reporting functions. In addition, the Audit Committee, is specially entrusted by law to pass on related party transactions and possible conflicts of interest, if any. Furthermore, as a regulated entity, any related party transactions are closely scrutinized by federal and state government agencies that regularly examine the Company. Thus, an independent chairman does not add any value to this already effective process.

Finally, all directors of the Company, including the Chairman, are bound by fiduciary obligations, imposed by law, to serve the best interests of the stockholders. Separating the offices of Chairman and Chief Executive Officer would not serve to enhance or diminish the fiduciary duties of any director of the Company.

The Board believes that the interests of the Company and its stockholders are best served at this time by the experienced leadership and decisive direction provided by a full-time Chairman and Chief Executive Officer, subject to oversight by the Company's independent directors. The Board and the Company is strengthened by the presence of Mr. Hale, who provides strategic, operational, and technical expertise, broad vision and a proven ability to lead the Company to the successes it has experienced. The Board believes that success is promoted by active and independent directors and loyal and hard-working executives who act consistently with a strong set of corporate governance ethics, rather than a particular Board structure. The Board believes that it needs to retain the ability to balance board structure with the flexibility to determine board leadership.

The Board believes therefore, that this proposal is not in the best interest of the Company or its stockholders and unanimously recommends a vote **AGAINST** approval of the proposal to separate the

19

office of Chairman and Chief Executive Officer, and the accompanying proxy will be so voted, unless a contrary specification is made.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

Stegman & Company performed the audit of the Company's financial statements for the year ended December 31, 2002. A representative of Stegman & Company will be present at the Annual Meeting and will be given the opportunity to make a statement if they so desire, and will answer appropriate questions directed to them relating to their audit of the Company's consolidated financial statements.

Audit Fees

Stegman & Company billed the Company an aggregate of \$61,000 for the audit of the Company's annual financial statements, review of the Annual Report on Form 10-K for the fiscal year December 31, 2002, and the reviews of the financial statements included in the Company's quarterly reports on Form 10-Q for the 2002.

Financial Information Systems Design and Implementation Fees

For the year ended December 31, 2002, Stegman & Company did not bill the Company for assistance in the operation and supervision of the Company's information system, managing the local network and the implementation and design of hardware and software that aggregates data or generates information that is significant to the Company's financial statements.

All Other Fees

Stegman & Company billed the Company \$35,000 in fiscal year ended December 31, 2002 for preparing the Company's tax returns and auditing the Company's 401(k) plan and other related matters.

Audit Committee Consideration

After due consideration, the Audit Committee has concluded that the provision by Stegman & Company of the services described above, other than the Audit Fees, is not incompatible with the maintenance by Stegman & Company of its independence.

STOCKHOLDER PROPOSALS

Any stockholder desiring to present a proposal pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended to be included in the proxy statement and voted on by the stockholders at the Annual Meeting of Stockholders to be held in May 2004 must submit in writing proposals, including all supporting materials, to the Company at its principal executive offices no later than December 5, 2003 (120 days before the date of mailing based on this year's proxy statement date) and meet all other requirements for inclusion in the proxy statement. Additionally, pursuant to the Company's Amended and Restated Bylaws ("Bylaws"), if a stockholder intends to nominate a person for election to the Board of Directors or present a proposal for business to be considered at the 2004 Annual Meeting of Stockholders but does not seek inclusion of the nomination or proposal in the Company's proxy statement for such meeting, the Company must receive the nomination or proposal after December 5, 2003 and before January 5, 2004 for it to be considered timely received. If notice of a stockholder nomination or proposal is not timely received, the Company will be authorized to exercise discretionary authority with respect to the nomination or proposal.
