Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement; Support Agreement

On May 19, 2014, Aeroflex Holding Corp. (the "Company") entered into an Agreement and Plan of Merger (the "Merger Agreement") with Cobham plc ("Parent") and Army Acquisition Corp., a wholly owned subsidiary of Parent ("Merger Sub"). Pursuant to the terms of the Merger Agreement, Merger Sub will be merged with and into the Company, and as a result the Company will continue as the surviving corporation and be a wholly owned subsidiary of Parent (the "Merger"). The Merger Agreement was approved by the Company's Board of Directors (the "Board") and Parent's Board of Directors.

Pursuant to the Merger Agreement, at the effective time of the Merger, each issued and outstanding share of the Company's common stock, par value \$0.01 per share (the "Company Common Stock"), other than shares owned by the Company, Parent or Merger Sub, or by any stockholders who have perfected and not withdrawn a demand for appraisal rights under Delaware law, will be canceled and will be automatically converted into the right to receive \$10.50 in cash (the "Per Share Merger Consideration"), without interest. Additionally, all of the Company's restricted shares of Company Common Stock granted under Company's 2011 Omnibus Incentive Plan (the "Plan") will vest at the effective time of the Merger and will be converted into the right to receive the Per Share Merger Consideration. At the effective time of the Merger, each restricted stock unit ("RSU") and performance restricted stock unit ("PRSU") granted under the Plan will fully vest and be cancelled and will entitle the holder thereof to receive an amount in cash equal to the product of (i) the number of shares of Company Common Stock subject to such RSU or PRSU (which, in the case of PRSUs, will be equal to the sum of the accrued and "banked" shares of Company Common Stock plus the number of shares of Company Common Stock subject to the current fiscal year and prospective fiscal years assuming achievement of the applicable performance goals at the 100% level) and (ii) the Per Share Merger Consideration.

Consummation of the Merger is subject to customary conditions, including without limitation (i) adoption of the Merger Agreement by the holders of a majority of the outstanding shares of Company Common Stock entitled to vote on the Merger, (ii) approval of the Merger Agreement by a majority of the votes cast by the holders of the outstanding ordinary shares of Parent entitled to vote on the Merger, (iii) expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iv) receipt of approval by the German Federal Cartel Office or expiration of any applicable waiting period pursuant to the applicable provisions of the Act against Restraints of Competition, (v) completion of the Committee on Foreign Investment in the United States review process, (vi) receipt of approval from the Defense Security Service, and (vii) the absence of any law, order or injunction prohibiting the Merger. Moreover, each party's obligation to consummate the Merger is subject to certain other conditions, including without limitation (a) the accuracy of the other party's representations and warranties (subject to customary materiality qualifiers) and (b) the other party's compliance with its covenants and agreements contained in the Merger Agreement (subject to customary materiality qualifiers).

Concurrently with the execution and delivery of the Merger Agreement, VGG Holding LLC ("VGG Holding"), the largest holder of Company Common Stock, Veritas Capital Fund III, L.P., Golden Gate Private Equity, Inc. and GS Direct, L.L.C. and certain of their respective affiliates, entered into a support agreement (the "Support Agreement") with Parent and Merger Sub whereby VGG Holding committed, among other things, subject to the terms and conditions of the Support Agreement, to vote approximately 76.28% of the outstanding shares of Company Common Stock for the adoption of (and not to participate in any litigation challenging) the Merger Agreement. The Support Agreement automatically terminates upon the termination of the Merger Agreement.

Parent has represented to the Company that at the time of consummation of the Merger it will have sufficient funds to pay the aggregate Per Share Merger Consideration, repay all Indebtedness (as defined in the Merger Agreement) of the Company required to be repaid in connection with the Merger and pay all related fees and expenses required to be paid by Parent and/or Merger Sub in

connection with the Merger. Each of the Company, on the one hand, and Parent and Merger Sub, on the other hand, has the right to specific performance of the other party's obligations under the Merger Agreement.

Parent and Merger Sub intend to finance the transaction through bank facilities and the proceeds of an equity placing. Parent has agreed to enter into a \$1.3 billion senior unsecured bridge loan facility (the "Parent Facility") from Bank of America Merrill Lynch International Ltd. and The Royal Bank of Scotland plc. The Parent Facility will be made available to Parent following the satisfaction of certain conditions for the purpose of partially financing Parent's payment obligations under the Merger Agreement and repayment of certain financial indebtedness of the Company and its subsidiaries. As a result, up to the full amount of the Parent Facility is expected to be funded to complete the Merger. The Merger is not conditioned upon the receipt by Parent of financing (including the Parent Facility).

Pursuant to the Merger Agreement, the Company is subject to customary "no-shop" restrictions on its ability to solicit alternative acquisition proposals from third parties and to provide information to and engage in discussions with third parties regarding alternative acquisition proposals. The no-shop provision, however, is subject to a customary "fiduciary-out" provision, which allows the Company under certain circumstances to provide information to and participate in discussions with third parties with respect to an unsolicited alternative acquisition proposal that the Board of Directors has determined constitutes, or could reasonably be expected to result in, a superior proposal.

The Merger Agreement contains certain termination rights for the Company and Parent, including the right of the Company to terminate the Merger Agreement to accept a superior proposal, subject to customary "match rights" of Parent. Upon termination of the Merger Agreement under specified circumstances, including to permit the Company to enter into a definitive agreement for a superior proposal or because there is a change in the recommendation of the Company's board of directors of the Merger Agreement, the Company will be required to pay Parent a termination fee of \$32 million. The Company will be obligated to reimburse transaction expenses incurred by Parent and Merger Sub up to \$5 million upon termination of the Merger Agreement because the Company stockholder approval is not obtained at a duly called stockholder meeting. Upon termination of the Merger Agreement under specified circumstances, Parent will be required to pay the Company a reverse termination fee of either \$5 million, if the Merger Agreement is terminated because Parent shareholder approval is not obtained at a duly called shareholder meeting, or \$20 million, if the Merger Agreement is terminated because there is a change in the recommendation of Parent's board of directors of the Merger Agreement. Each party's payment of such termination fees constitutes the sole and exclusive remedy of the other party if the Merger is not consummated, except in the case of fraud or willful breach.

The representations, warranties and covenants made in the Merger Agreement by the Company, Parent and Merger Sub were qualified by and subject to important limitations agreed to by the Company, Parent and Merger Sub in connection with negotiating the terms of the Merger Agreement. In particular, it is important to bear in mind that the representations and warranties were negotiated with the principal purposes of establishing the circumstances in which a party to the Merger Agreement may have the right not to close the Merger if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise, and allocating risk between the parties to the Merger Agreement, rather than establishing matters as facts. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to stockholders and reports and documents filed with the Securities and Exchange Commission (the "SEC") and in some cases were qualified by disclosures that were made by each party to the other, which disclosures were not reflected in the Merger Agreement. The Merger Agreement is filed herewith to provide stockholders with information regarding its terms. Factual disclosures about the Company contained in the Company's public reports filed with the SEC may supplement, update or modify the factual disclosures about the Company contained in the Merger Agreement.

The foregoing descriptions of the Merger Agreement and Support Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement
