The Issuers have filed an undertaking with the securities regulatory authorities in each of the provinces of Canada that they will not distribute, under this Prospectus, Securities that, at the time of distribution, are novel without pre-clearing the disclosure to be contained in the Prospectus Supplement, pertaining to the distribution of such Securities, with the applicable regulator.

Each Issuer's head and registered offices are at Suite 300, Brookfield Place, 181 Bay Street, P.O. Box 762, Toronto, Ontario, M5J 2T3.

Although each of the Non-Residents has appointed the Company, Suite 300, Brookfield Place, 181 Bay Street, Toronto, Ontario, Canada, M5J 2T3, as their agent for service of process in Ontario, it may not be possible for investors to enforce judgments obtained in Canada against any person or company that is incorporated, continued or otherwise organized under the laws of a non-Canadian jurisdiction or resides outside of Canada, even if the Non-Resident has appointed an agent for service of process. See "Agent for Service of Process".

There is no market through which the Debt Securities or the Preference Shares may be sold and purchasers may not be able to resell Debt Securities or Preference Shares purchased under this Prospectus. This may affect the pricing of the Debt Securities or the Preference Shares in the secondary market, the transparency and availability of trading prices, the liquidity of the Debt Securities or

Although Brookfield believes that the anticipated future results, performance or achievements expressed or implied by the forward-looking statements and information are based upon reasonable assumptions and expectations, the reader should not place undue reliance on forward-looking statements and information because they involve known and unknown risks, uncertainties and other factors, many of which are beyond Brookfield's control, which may cause the actual results, performance or achievements of Brookfield to differ materially from anticipated future results, performance or achievement expressed or implied by such forward-looking statements and information.

Factors that could cause actual results to differ materially from those contemplated or implied by forward-looking statements include, but are not limited to: investment returns that are lower than target; the impact or unanticipated impact of general economic, political and market factors in the countries in which we do business or may do business; the behaviour of financial markets, including fluctuations in interest and foreign exchange rates; global equity and capital markets and the availability of equity and debt financing and refinancing within these markets; strategic actions including dispositions; the ability to complete and effectively integrate acquisitions into existing operations and the ability to attain expected benefits; the ability to transfer financial commitments entered into in support of our asset management franchise; changes in accounting policies and methods used to report financial condition (including uncertainties associated with critical accounting assumptions and estimates); the failure of effective disclosure controls and procedures and internal controls over financial reporting; the ability to appropriately manage human capital; the effect of applying future accounting changes; business competition; operational and reputational risks; health, safety and environmental risks; technological change; changes in government regulation and legislation within the countries in which we operate; governmental investigations; litigation; the maintenance of adequate insurance coverage; changes in tax laws; ability to collect amounts owed; the failure of our information technology systems; catastrophic events, such as earthquakes and hurricanes; the possible impact of international conflicts and other developments including terrorist acts and cyberterrorism; and other risks and factors detailed in this Prospectus under the heading "Risk Factors" as well as in the AIF under the heading "Business Environment and Risks" and the MD&A under the heading "Part 6 Business Environment and Risks", each incorporated by reference in this Prospectus, as well as in other documents filed by the Issuers from time to time with the securities regulators in Canada and the United States.

We caution that the foregoing list of important factors that may affect future results is not exhaustive. Nonetheless, all of the forward-looking statements contained in this Prospectus or in documents incorporated by reference herein are qualified by these cautionary statements. When relying on our forward-looking statements, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. Except as required by law, the Issuers undertake no obligation to publicly update or revise any forward-looking statements or information, whether written or oral, that may need to be updated as a result of new information, future events or otherwise.

Shareholder Approvals

The Company shall not delete or vary any preference, right, condition, restriction, limitation or prohibition attaching to the Preference Shares as a class or create preference shares ranking in priority to or on parity with the Preference Shares except by special resolution passed by at least 66²/₃% of the votes cast at a meeting of the holders of the Preference Shares duly called for that purpose, in accordance with the provisions of the articles of the Company. Each holder of Preference Shares entitled to vote at a class meeting of holders of Preference Shares, or at a joint meeting of the holders of two or more series of Preference Shares, has one vote in respect of each C\$25.00 of the issue price of each Preference Share held by such holder.

DESCRIPTION OF THE CLASS A SHARES

The following description sets forth certain general terms and provisions of the Class A Shares. The particular terms and provisions of Class A Shares offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

Dividend Rights and Rights Upon Dissolution or Winding-Up

The Class A Shares rank on parity with the Class B Shares and rank after the Class A Preference Shares, the Class AA Preference Shares and any other senior-ranking shares outstanding from time to time with respect to the payment of dividends (if, as and when declared by the board of directors of the Company) and return of capital on the liquidation, dissolution or winding-up of the Company or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs.

Voting Rights

Except as set out below under "Election of Directors", each holder of a Class A Share and Class B Shares is entitled to notice of, and to attend and vote at, all meetings of the Company's shareholders (except meetings at which only holders of another specified class or series of shares are entitled to vote) and is entitled to cast one vote per share held, which results in the Class A Shares and Class B Shares each controlling 50% of the aggregate voting rights of the Company. Subject to applicable law and in addition to any other required shareholder approvals, all matters approved by shareholders (other than the election of directors), must be approved by: (i) a majority or, in the case of matters that require approval by a special resolution of shareholders, at least 66²/₃%, of the votes cast by holders of Class A Shares who vote in respect of the resolution or special resolution, as the case may be, and (ii) a majority or, in the case of matters that require approval by a special resolution of shareholders, at least 66²/₃%, of the votes cast by holders of Class B Shares who vote in respect of the resolution or special resolution, as the case may be.

Election of Directors

In the election of directors, holders of Class A Shares, together, in certain circumstances, with the holders of certain series of Class A Preference Shares, are entitled to elect one-half of the board of directors of the Company, provided that if the holders of Class A Preference Shares, Series 1, Series 2 or Series 3 become entitled to elect two or three directors, as the case may be, the numbers of directors to be elected by holders of Class A Shares, together, in certain circumstances with the holders of Class A Preference Shares, shall be reduced by the number of directors to be elected by holders of Class A Preference Shares, Series 1, Series 2 and Series 3. Holders of Class B Shares are entitled to elect the other one-half of the board of directors of the Company.

Each holder of Class A Shares has the right to cast a number of votes equal to the number of Class A Shares held by the holder multiplied by the number of directors to be elected by the holder and the holders of shares of the classes or series of shares entitled to vote with the holder of Class A Shares in the election of directors. A holder of Class A Shares may cast all such votes in favour of one candidate or distribute such votes among its candidates in any manner the holder of Class A Shares sees fit. Where a holder of Class A Shares has voted for more than one candidate without specifying the distribution of votes among such candidates, the

Table of Contents

holder of Class A Shares will be deemed to have divided the holder's votes equally among the candidates for whom the holder of Class A Shares voted.

DESCRIPTION OF DEBT SECURITIES

The following description sets forth certain general terms and provisions of the Debt Securities. The particular terms and provisions of the series of Debt Securities offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

The BAM Debt Securities will be issued under an indenture dated as of September 20, 1995, as amended, restated, supplemented or replaced from time to time, (the "**BAM Indenture**") between the Company, as issuer, and Computershare Trust Company of Canada (formerly, Montreal Trust Company of Canada) ("**Computershare**"), as trustee (the "**BAM Trustee**"). The BFI Debt Securities will be issued under an indenture dated as of June 2, 2016, as amended, restated, supplemented or replaced from time to time, (the "**BFI Indenture**") and together with the BAM Indenture, the "**Indentures**" and each an "**Indenture**") between BFI, as issuer, the Company, as guarantor, and Computershare, as trustee (the "**BFI Trustee**"). The Indentures are subject to the provisions of the *Business Corporations Act* (Ontario) and, consequently, are exempt from the operation of certain provisions of the *Trust Indenture Act of 1939* pursuant to Rule 4d-9 thereunder. Copies of the Indentures have been filed with the Commission as an exhibit to the Registration Statement on Form F-10 of which this Prospectus is a part. The BAM Indenture is also available on the Company's SEDAR profile at www.sedar.com and the BFI Indenture is available on BFI's SEDAR profile at www.sedar.com.

The following statements with respect to the Indentures and the Debt Securities issued thereunder are brief summaries of certain provisions of the Indentures and do not purport to be complete; such statements are subject to the detailed referenced provisions of the applicable Indenture, including the definition of capitalized terms used under this caption. Wherever a particular section or defined term of an Indenture is referred to, the statement is qualified in its entirety by such section or term. References to the "**Issuer**" and "**Indenture Securities**" refer to the Company or BFI, as issuer, and the Debt Securities issued by it under the BAM Indenture or the BFI Indenture, respectively. References to the "**Trustee**" or "**Trustees**" and any particular Indenture or Debt Securities refer to the BAM Trustee or the BFI Trustee, as trustee under the applicable Indenture.

General

The Indentures do not limit the aggregate principal amount of Indenture Securities (which may include debentures, notes and other unsecured evidences of indebtedness) which may be issued thereunder, and Indenture Securities may be issued under each Indenture from time to time in one or more series and may be denominated and payable in foreign currencies or units based on or relating to foreign currencies, including European currency units. Special Canadian and United States federal income tax considerations applicable to any Indenture Securities so denominated will be described in the Prospectus Supplement relating thereto. Unless otherwise indicated in the applicable Prospectus Supplement, each Indenture permits the Company or BFI, as applicable, to increase the principal amount of any series of Indenture Securities previously issued by it and to issue such increased principal amount. (Section 301 of the BAM Indenture and Section 3.1 of the BFI Indenture)

All Debt Securities issued by BFI will be fully and unconditionally guaranteed by the Company.

The applicable Prospectus Supplement will set forth the following terms relating to the particular offered Debt Securities: (1) the specific designation of the offered Debt Securities and the Indenture under which they are issued; (2) any limit on the aggregate principal amount of the offered Debt Securities; (3) the date or dates, if any, on which the offered Debt Securities will mature and the portion (if less than all of the principal amount) of the offered Debt Securities to be payable upon declaration of acceleration of maturity; (4) the rate or rates per annum (which may be fixed or variable) at which the offered Debt Securities will bear interest, if any, the date or dates from which any such interest will accrue and on which any such interest will be payable and the Regular Record Dates for any interest payable on the offered Debt Securities which are in registered form ("**Registered Debt Securities**"); (5) any mandatory or optional redemption or sinking fund provisions, including

Table of Contents

the period or periods within which the price or prices at which and the terms and conditions upon which the offered Debt Securities may be redeemed or purchased at the option of the Issuer or otherwise; (6) whether the offered Debt Securities will be issuable in registered form or bearer form or both and, if issuable in bearer form, the restrictions as to the offer, sale and delivery of the offered Debt Securities in bearer form and as to exchanges between registered and bearer form; (7) whether the offered Debt Securities will be issuable in the form of one or more registered global securities ("**Registered Global Securities**") and, if so, the identity of the Depositary for such Registered Global Securities; (8) the denominations in which any of the offered Debt Securities will be issuable if in other than denominations of \$1,000 and any multiple thereof; (9) each office or agency where the principal of, and any premium and interest on, the offered Debt Securities will be payable and each office or agency where the offered Debt Securities may be presented for registration of transfer or exchange; (10) if other than U.S. dollars, the foreign currency or the units based on or relating to foreign currencies in which the offered Debt Securities are denominated and/or in which the payment of the principal of, and any premium and interest on, the offered Debt Securities will or may be payable; and (11) any other terms of the offered Debt Securities, including covenants and additional Events of Default. Special Canadian and United States federal income tax considerations applicable to the offered Debt Securities, the amount of principal thereof and any premium and interest thereon will be described in the Prospectus Supplement relating thereto. Unless otherwise indicated in the applicable Prospectus Supplement, neither Indenture affords the Holders the right to tender Indenture Securities to the Issuer for repurchase, or provides for any increase in the rate or rates of interest per annum at which the Indenture Securities will bear interest, in the event the Company or BFI should become involved in a highly leveraged transaction or in the event of a change in control of the Company or BFI. (Section 301 of the BAM Indenture and Section 3.1 of the BFI Indenture)

Indenture Securities may be issued bearing no interest or interest at a rate below the prevailing market rate at the time of issuance, to be offered and sold at a discount below their stated principal amount. The Canadian and United States federal income tax consequences and other special considerations applicable to any such discounted Indenture Securities or other Indenture Securities offered and sold at par which are treated as having been issued at a discount for Canadian and/or United States federal income tax purposes will be described in the Prospectus Supplement relating thereto. (Section 301 of the BAM Indenture and Section 3.1 of the BFI Indenture)

The Indenture Securities issued pursuant to either Indenture and any coupons appertaining thereto will be unsecured and will rank *pari passu* with each other and with all other unsecured and unsubordinated indebtedness for borrowed money of the Issuer and the Company. (Section 301 of the BAM Indenture and Section 3.1 of the BFI Indenture)

The Company's guarantee of the Indenture Securities issued by BFI will be unsecured and will rank *pari passu* with all other unsecured and unsubordinated indebtedness of the Company, including the Company's obligations under the Indenture Securities issued under the BAM Indenture.

Form, Denomination, Exchange and Transfer

Unless otherwise indicated in the applicable Prospectus Supplement, Indenture Securities will be issued only in fully registered form without coupons and in denominations of \$1,000 or any integral multiple thereof. (Section 302 of the BAM Indenture and Section 3.2 of the BFI Indenture) Indenture Securities may be presented for exchange and Registered Debt Securities may be presented for registration of transfer in the manner, at the places and, subject to the restrictions set forth in the applicable Indenture and in the applicable Prospectus Supplement, without service charge, but upon payment of any taxes or the governmental charges due in connection therewith. The Company has appointed the BAM Trustee as Security Registrar under the BAM Indenture and BFI has appointed the BFI Trustee as Security Registrar under the BFI Indenture. (Section 305 of the BAM Indenture and Section 3.5 of the BFI Indenture)

Payment

Unless otherwise indicated in the applicable Prospectus Supplement, payment of the principal of, and any premium and interest on, Registered Debt Securities (other than a Registered Global Security) will be made at the office or agency of the applicable Trustee, in its capacity as paying agent, in Toronto, Canada (in the case of

Table of Contents

the BAM Indenture) or New York, New York (in the case of the BFI Indenture), except that, at the option of the particular Issuer, payment of any interest may be made (i) by check mailed to the address of the Person entitled thereto at such address as shall appear in the applicable Security Register or (ii) by wire transfer to an account maintained by the Person entitled thereto as specified in the applicable Security Register. (Sections 305, 307 and 1002 of the BAM Indenture and Sections 3.5, 3.7 and 11.2 of the BFI Indenture) Unless otherwise indicated in the applicable Prospectus Supplement, payment of any interest due on Registered Debt Securities will be made to the Persons in whose name such Registered Debt Securities are registered at the close of business on the Regular Record Date for such interest payment. (Section 307 of the BAM Indenture and Section 3.7 of the BFI Indenture)

Registered Global Securities

The Registered Debt Securities of a particular series may be issued in the form of one or more Registered Global Securities which will be registered in the name of, and deposited with, one or more Depositories or nominees, each of which will be identified in the Prospectus Supplement relating to such series. Unless and until exchanged, in whole or in part, for Indenture Securities in definitive registered form, a Registered Global Security may not be transferred except as a whole by the Depositary for such Registered Global Security to a nominee of such Depositary, by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor of such Depositary or a nominee of such successor. (Section 305 of the BAM Indenture and Section 3.5 of the BFI Indenture)

The specific terms of the depositary arrangement with respect to any portion of a particular series of Indenture Securities to be represented by a Registered Global Security will be described in the Prospectus Supplement relating to such series. We anticipate that the following provisions will apply to all depositary arrangements.

Upon the issuance of a Registered Global Security, the Depositary therefor or its nominee will credit, on its book entry and registration system, the respective principal amounts of the Indenture Securities represented by such Registered Global Security to the accounts of such persons having accounts with such Depositary or its nominee ("**participants**") as shall be designated by the underwriters, investment dealers or agents participating in the distribution of such Indenture Securities or by the particular Issuer if such Indenture Securities are offered and sold directly by the Issuer. Ownership of beneficial interests in a Registered Global Security will be limited to participants or persons that may hold beneficial interests through participants. Ownership of beneficial interests in a Registered Global Security will be shown on, and the transfer of such ownership will be effected only through, records maintained by the Depositary therefor or its nominee (with respect to beneficial interests of participants) or by participants or persons that hold through participants (with respect to interests of persons other than participants). The laws of some states in the United States require certain purchasers of securities to take physical delivery thereof in definitive form. Such depositary arrangements and such laws may impair the ability to transfer beneficial interests in a Registered Global Security.

So long as the Depositary for a Registered Global Security or its nominee is the registered owner thereof, such Depositary or such nominee, as the case may be, will be considered the sole owner or Holder of the Indenture Securities represented by such Registered Global Security for all purposes under the applicable Indenture. Except as provided below, owners of beneficial interests in a Registered Global Security will not be entitled to have Indenture Securities of the series represented by such Registered Global Security registered in their names, will not receive or be entitled to receive physical delivery of Indenture Securities of such series in definitive form and will not be considered the owners or Holders thereof under the applicable Indenture.

Principal, premium, if any, and interest payments on a Registered Global Security registered in the name of a Depositary or its nominee will be made to such Depositary or nominee, as the case may be, as the registered owner of such Registered Global Security. None of the particular Issuer or Trustee or any paying agent for Indenture Securities of the series represented by such Registered Global Security will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial interests in such Registered Global Security or for maintaining, supervising or reviewing any records relating to such beneficial interests.

Table of Contents

We expect that the Depositary for a Registered Global Security or its nominee, upon receipt of any payment of principal, premium or interest, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Registered Global Security as shown on the records of such Depositary or its nominee. We also expect that payments by participants to owners of beneficial interests in a Registered Global Security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in "street name", and will be the responsibility of such participants.

No Registered Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Registered Global Security in whole or in part may be registered, in the name of any Person other than the Depositary for such Registered Global Security or a nominee thereof unless (A) such Depositary (i) has notified the particular Issuer that it is unwilling or unable to continue as Depositary for such Registered Global Security or (ii) has ceased to be a clearing agency registered under the Exchange Act, and a successor securities Depositary is not obtained, (B) there shall have occurred and be continuing an Event of Default with respect to such Registered Global Security, (C) the particular Issuer determines, in its sole discretion, that the Securities of such series shall no longer be represented by such Registered Global Security and executes and delivers to the applicable Trustee an Issuer order that such Registered Global Security shall be so exchangeable and the transfer thereof so registerable or (D) there shall exist such circumstances, if any, in addition to or in lieu of the foregoing as have been specified for this purpose as contemplated in the applicable Indenture. (Section 305 of the BAM Indenture and Section 3.5.2 of the BFI Indenture)

Consolidation, Merger, Amalgamation and Sale of Assets

The Company shall not enter into any transaction (whether by way of reorganization, reconstruction, consolidation, amalgamation, merger, transfer, sale or otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other Person (the "**Successor Corporation**") unless: (a) the Company and the Successor Corporation shall execute, prior to or contemporaneously with the consummation of such transaction, such instruments and do such things as, in the opinion of counsel, shall be necessary or advisable to establish that, upon the consummation of such transaction, (i) the Successor Corporation will have assumed all the covenants and obligations of the Company under each Indenture in respect of the Indenture Securities of every series issued thereunder, and (ii) the obligations of the Company under and in respect of the Indenture Securities of every series issued under each Indenture will be valid and binding obligations of the Successor Corporation entitling the Holders thereof, as against the Successor Corporation, to all the rights of Holders of Indenture Securities thereunder; and (b) such transaction shall be on such terms and shall be carried out at such times and otherwise in such manner as shall not be prejudicial to the interests of the Holders of the Indenture Securities of each and every series or to the rights and powers of the Trustees under the Indentures; provided, however, that such restrictions are not applicable to any sale or transfer by the Company to any one or more of its subsidiaries. (Section 801 of the BAM Indenture and Section 9.1 of the BFI Indenture)

Pursuant to the BFI Indenture, BFI shall not enter into any transaction (whether by way of reorganization, reconstruction, consolidation, amalgamation, merger, transfer, sale or otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other Person (the "**BFI Successor**") unless: (a) BFI, the BFI Successor and the Company shall execute, prior to or contemporaneously with the consummation of such transaction, such instruments and do such things as, in the opinion of counsel, shall be necessary or advisable to establish that, upon the consummation of such transaction, (i) the BFI Successor will have assumed all the covenants and obligations of BFI under the BFI Indenture in respect of the Indenture Securities of every series issued thereunder, (ii) the Indenture Securities of every series issued by BFI will be valid and binding obligations of the BFI Successor, entitling the Holders thereof, as against the BFI Successor, to all the rights of Holders of Indenture Securities under the BFI Indenture, and (iii) the guarantee obligations of the Company in respect of the Indenture Securities of every series issued under the BFI Indenture continue in full force and effect; and (b) such transaction shall be on such terms and shall be carried out at such times and otherwise in such manner as shall not be prejudicial to the interests of the Holders of the Indenture Securities issued by BFI of each and every series or to the rights and powers of the BFI Trustee under the BFI Indenture;

Table of Contents

provided, however, that such restrictions are not applicable to any sale or transfer by BFI or the Company to any one or more of their subsidiaries. (Section 9.1 of the BFI Indenture)

Events of Default

Unless otherwise indicated in any Prospectus Supplement, each of the following will constitute an Event of Default under the BAM Indenture with respect to Indenture Securities of any series issued by the Company thereunder: (a) failure to pay principal of, or any premium on, any Indenture Security of that series when due; (b) failure to pay any interest on any Indenture Securities of that series when due, which failure continues for 30 days; (c) default in the payment of principal and interest on any Indenture Security required to be purchased pursuant to an Offer to Purchase required to be made pursuant to the terms of the Indenture Securities of such series; (d) failure to deposit any sinking fund payment, when due, in respect of any Indenture Security of that series; (e) failure to perform any other covenant of the Company in the BAM Indenture (other than a covenant included in the BAM Indenture solely for the benefit of a series other than that series), which failure continues for 60 days after written notice has been given by the BAM Trustee or the Holders of at least 25% in aggregate principal amount of Outstanding Securities of that series, as provided in the BAM Indenture; (f) failure by the Company to make any payment of principal of, or interest on, any obligation for borrowed money (other than an obligation payable on demand or maturing less than 12 months from the creation or issue thereof) when due or within any originally stated applicable grace period having an outstanding principal amount in excess of 5% of the Company's Consolidated Net Worth in the aggregate at the time of default or any failure in the performance of any other covenant of the Company contained in any instrument under which such obligations are created or issued and if the holders thereof, or a trustee, if any, for such holders declare such obligations to be due and payable prior to the stated maturities thereof, provided that if such default is waived by such holders or trustee, then the Event of Default under the BAM Indenture shall be deemed to be waived without further action on the part of the BAM Trustee or the Holders; (g) certain events of bankruptcy, insolvency or reorganization affecting the Company; and (h) any other Events of Default provided with respect to the Indenture Securities of such series, as described in the applicable Prospectus Supplement. (Section 501 of the BAM Indenture)

Unless otherwise indicated in any Prospectus Supplement, each of the following will constitute an Event of Default under the BFI Indenture with respect to Indenture Securities of any series issued by BFI: (a) failure to pay principal of, or any premium on, any Indenture Security of that series when due; (b) failure to pay any interest on any Indenture Securities of that series when due, which failure continues for 30 days; (c) default in the payment of principal and interest on any Indenture Security required to be purchased pursuant to an Offer to Purchase made pursuant to the terms of the Indenture Securities of such series; (d) failure to deposit any sinking fund payment, when due, in respect of any Indenture Security of that series; (e) failure to perform any other covenant of BFI or the Company in the BFI Indenture (other than a covenant included in the BFI Indenture solely for the benefit of a series other than that series), which failure continues for 60 days after written notice has been given by the BFI Trustee or the Holders of at least 25% in aggregate principal amount of Outstanding Securities of that series, as provided in the BFI Indenture; (f) the Company's guarantee of all obligations related to that series shall, for any reason, cease to be, or the Company shall assert in writing to the BFI Trustee or the Holders thereof that such guarantee is not in full force and effect and enforceable against the Company in accordance with its terms; (g) failure by the Company to make any payment of principal of, or interest on, any obligation for borrowed money (other than an obligation payable on demand or maturing less than 12 months from the creation or issue thereof) when due or within any originally stated applicable grace period having an outstanding principal amount in excess of 5% of the Company's Consolidated Net Worth in the aggregate at the time of default or any failure in the performance of any other covenant of the Company contained in any instrument under which such obligations are created or issued and if the holders thereof, or a trustee, if any, for such holders declare such obligations to be due and payable prior to the stated maturities thereof, provided that if such default is waived by such holders or trustee, then the Event of Default under the BFI Indenture shall be deemed to be waived without further action on the part of the BFI Trustee or the Holders; (h) certain events of bankruptcy, insolvency or reorganization affecting the Company or BFI; and (i) any other Events of Default provided with respect to the Indenture Securities of such series, as described in the applicable Prospectus Supplement. (Section 6.1 of the BFI Indenture)

Table of Contents

If an Event of Default (other than an Event of Default related to certain events of bankruptcy, insolvency or reorganization affecting the Company or BFI) with respect to the Indenture Securities of any series at the time outstanding shall occur and be continuing either the applicable Trustee or the Holders of at least 25% in aggregate principal amount of Outstanding Securities of that series by notice, as provided in the applicable Indenture, may declare the principal amount of the Indenture Securities of that series to be due and payable immediately. If an Event of Default related to certain events of bankruptcy, insolvency or reorganization affecting the Company or BFI occurs with respect to the Indenture Securities of any series at the time outstanding, the principal amount of all the Indenture Securities of that series will automatically, and without any action by the applicable Trustee or any Holder, become immediately due and payable. After any such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the non-payment of accelerated principal (or other specified amount), have been cured or waived as provided in the applicable Indenture. (Section 502 of the BAM Indenture and Section 6.2 of the BFI Indenture) For information as to waiver of defaults, see " Modification and Waiver".

Each Indenture provides that the applicable Trustee will be under no obligation to exercise any of its rights or powers under the Indenture (or, in the case of the BFI Indenture, commence or continue any act, action or proceeding for enforcing any rights of the Trustee) at the request or direction of any of the applicable Holders, unless such Holders shall have offered to such Trustee reasonable indemnity (or, in the case of the BFI Indenture, sufficient funds to commence or continue compliance with such request and an indemnity to protect the Trustee against losses suffered in compliance with such request). (Section 603 of the BAM Indenture and Section 7.5 of the BFI Indenture) Subject to such provisions for the indemnification of the particular Trustee, the Holders of a majority in aggregate principal amount of the Outstanding Securities of any series issued under the applicable Indenture will have the right to direct the time, method and place of conducting any proceeding for any remedy available to such Trustee or exercising any trust or power conferred on such Trustee with respect to the Indenture Securities of that series. (Section 512 of the BAM Indenture and Section 6.12 of the BFI Indenture)

No Holder of an Indenture Security of any series will have any right to institute any proceeding with respect to the particular Indenture, or for the appointment of a receiver or a trustee, or for any other remedy thereunder, unless (i) such Holder has previously given to the applicable Trustee written notice of a continuing Event of Default with respect to the Indenture Securities of that series, (ii) the Holders of at least 25% in aggregate principal amount of the Outstanding Securities of that series have made a written request, and such Holder or Holders have offered reasonable indemnity, to the applicable Trustee to institute such proceeding as trustee, and (iii) the applicable Trustee has failed to institute such proceeding, and has not received from the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series a direction inconsistent with such request, within 60 days after such notice, request and offer. (Section 507 of the BAM Indenture and Section 6.7 of the BFI Indenture) However, such limitations do not apply to a suit instituted by a Holder of an Indenture Security for the enforcement of payment of the principal of, or of any premium or interest on, such Indenture Security on or after the applicable due date specified in such Indenture Security. (Section 508 of the BAM Indenture and Section 6.8 of the BFI Indenture)

The Company and BFI are each required to furnish to the BAM Trustee and the BFI Trustee, respectively, a quarterly statement by certain of its officers as to whether or not the Company or BFI, as applicable, to their knowledge, is in default in the performance or observance of any of the terms, provisions and conditions of the applicable Indenture and, if so, specifying all such known defaults. (Section 1004 of the BAM Indenture and Section 11.4 of the BFI Indenture)

Defeasance

Each Indenture provides that, at the option of the particular Issuer, the Issuer and, in the case of the BFI Indenture, the Company will be discharged from any and all obligations in respect of any Outstanding Securities upon irrevocable deposit with the applicable Trustee, in trust, of money and/or Government Obligations which will provide money in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of or premium, if any, and each instalment of interest, if any, on such

Table of Contents

Outstanding Securities ("**Defeasance**"). Such trust may only be established if certain customary conditions precedent are satisfied, including, among other things, confirmation that Holders will not recognize gain or loss for U.S. federal income tax purposes as a result of such Defeasance. The Issuer may exercise its Defeasance option notwithstanding its prior exercise of its Covenant Defeasance option described in the following paragraph if the Issuer meets the conditions precedent at the time the Issuer exercises the Defeasance option.

Each Indenture provides that, at the option of the Issuer, unless and until the Issuer has exercised its Defeasance option described in the preceding paragraph, the Issuer may omit to comply with certain restrictive covenants and such omission shall not be deemed to be an Event of Default under the Indenture and the Outstanding Securities upon irrevocable deposit with the applicable Trustee, in trust, of money and/or Government Obligations which will provide money in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, and each instalment of interest, if any, on the Outstanding Securities of the Issuer ("**Covenant Defeasance**"). In the event the Issuer exercises its Covenant Defeasance option, the obligations under the applicable Indenture (other than with respect to such covenants and the Events of Default other than the Events of Default relating to such covenants above) shall remain in full force and effect. Such trust may only be established if certain customary conditions precedent are satisfied, including, among other things, confirmation that Holders will not recognize gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance. (Article Thirteen of the BAM Indenture and Article Fourteen of the BFI Indenture)

Modification and Waiver

Modifications and amendments of either Indenture may be made by the Company, the Issuer (if other than the Company) and the applicable Trustee with the consent of the Holders of a majority in aggregate principal amount of the Outstanding Securities of each series of Indenture Securities affected by such modification or amendment; provided, however, that no such modification or amendment may, without the consent of the Holder of each Outstanding Security affected thereby, (a) change the Stated Maturity of the principal of, or any instalment of interest on, any Outstanding Security, (b) reduce the principal amount of (or the premium), or interest on, any Outstanding Security, (c) reduce the amount of the principal of any Outstanding Security payable upon the acceleration of the maturity thereof, (d) change the place or currency of payment of principal of (or the premium), or interest on, any Outstanding Security, (e) impair the right to institute suit for the enforcement of any payment on or with respect to any Outstanding Security, (f) reduce the above-stated percentage of Outstanding Securities necessary to modify or amend the particular Indenture, (g) reduce the percentage of aggregate principal amount of Outstanding Securities necessary for waiver of compliance with certain provisions of the particular Indenture or for waiver of certain defaults, (h) modify any provisions of the particular Indenture relating to the modification and amendment of such Indenture or the waiver of past defaults or covenants, except as otherwise specified or (i) following the mailing of any Offer to Purchase, modify any Offer to Purchase for such Outstanding Security required to be made pursuant to the terms of such Outstanding Security in a manner materially adverse to the Holders thereof. (Section 902 of the BAM Indenture and Section 10.2 of the BFI Indenture)

The Holders of a majority in aggregate principal amount of the Outstanding Securities of any series, on behalf of all Holders of Outstanding Securities of such series, may waive compliance by the Issuer with certain restrictive provisions of the particular Indenture. (Section 1009 of the BAM Indenture and Section 11.10 of the BFI Indenture) Subject to certain rights of the particular Trustee, as provided in the applicable Indenture, the Holders of a majority in aggregate principal amount of the Outstanding Securities issued under such Indenture, on behalf of all holders of Outstanding Securities of such series, may waive any past default under such Indenture, except a default in the payment of principal, premium or interest or in respect of a covenant or provision of such Indenture which under the Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected. (Section 513 of the BAM Indenture and Section 6.13 of the BFI Indenture)

Consent to Jurisdiction and Service under BAM Indenture

The BAM Indenture provides that the Company irrevocably appoint CT Corporation System, 1633 Broadway, New York, New York, 10019, as its agent for service of process in any suit, action or proceeding

Table of Contents

arising out of or relating to the BAM Indenture and the Indenture Securities and for actions brought under federal or state securities laws brought in any federal or state court located in the Borough of Manhattan in the City of New York and submit to such jurisdiction.

Consent to Jurisdiction and Service under BFI Indenture

The BFI Indenture provides that the Company and BFI irrevocably appoint Brookfield Asset Management LLC, Brookfield Place, 250 Vesey Street, 15th Floor, New York, NY 10281-1023, as their agent for service of process in any suit, action or proceeding arising out of or relating to the BFI Indenture and the Indenture Securities and for actions brought under federal or state securities laws brought in any federal or state court located in the Borough of Manhattan in the City of New York and submit to such jurisdiction.

Enforceability of Judgments against the Company

Since a substantial portion of the Company's assets are outside the United States, any judgment obtained in the United States against the Company, including any judgment with respect to the payment of interest and principal on the Indenture Securities, may not be collectible within the United States.

The Company has been informed by its Canadian counsel, Torys LLP ("**Torys**"), that a court of competent jurisdiction in the Province of Ontario would enforce a final and conclusive judgment in *personam* of a court sitting in the Borough of Manhattan, the City of New York, New York (a "**New York Court**") that is subsisting and unsatisfied respecting the enforcement of either of the Indentures and the Indenture Securities that is not impeachable as void or voidable under the internal laws of the State of New York for a sum certain if: (i) the court rendering such judgment had jurisdiction over the judgment debtor, as recognized by the courts of the Province of Ontario (and submission by the Company in the Indenture to the jurisdiction of the New York Court will be sufficient for the purpose); (ii) such judgment was not obtained by fraud or in a manner contrary to natural justice and the enforcement thereof would not be inconsistent with public policy, as such term is understood under the laws of the Province of Ontario, or contrary to any order made by the Attorney General of Canada under the *Foreign Extraterritorial Measures Act* (Canada); (iii) the enforcement of such judgment does not constitute, directly or indirectly, the enforcement of foreign revenue or penal laws; and (iv) the action to enforce such judgment is commenced within the applicable limitation period. The Company has been advised by Torys that a monetary judgment of a New York Court predicated solely upon the civil liability provisions of United States federal securities laws would likely be enforceable in the Province of Ontario if the New York Court had a basis for jurisdiction in the matter that would be recognized by a court in Ontario for such purposes. There is no assurance that this will be the case. It is less certain that an action could be brought in the Province of Ontario in the first instance on the basis of liability predicated solely upon such laws.

Governing Law

The Indentures and Indenture Securities will be governed by the laws of the State of New York, except with respect to the rights, powers, duties or responsibility of the BAM Trustee and the BFI Trustee which shall be governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein. (Section 113 of the BAM Indenture and Section 1.13 of the BFI Indenture)

The Trustees

Computershare is currently the BAM Trustee and the BFI Trustee.

"**Debt**" means (without duplication), with respect to any Person, whether recourse is to all or a portion of the assets of such Person and whether or not contingent, (i) every obligation of such Person for money borrowed, (ii) every obligation of such Person evidenced by bonds, debentures, notes or other similar instruments, including obligations incurred in connection with the acquisition of property, assets or businesses, (iii) every reimbursement obligation of such Person with respect to letters of credit, bankers' acceptances or similar facilities issued for the account of such Person, (iv) every obligation of such Person issued or assumed as the deferred purchase price of property or services (but excluding trade accounts payable or accrued liabilities arising in the ordinary course of business which are not overdue or which are being contested in good faith), (v) every Capital Lease Obligation of such Person, (vi) every obligation that could not be considered as interest in accordance with Canadian generally accepted accounting principles under Interest Rate or Currency Protection Agreements of such Person and (vii) every obligation of the type referred to in clauses (i) through (vi) of another Person and all dividends of another Person the payment of which, in either case, such Person has Guaranteed or is responsible or liable for, directly or indirectly, as obligator, Guarantor or otherwise.

"**Deferred Credits**" means the deferred credits of the Company (or, in the case of the BFI Indenture, any Person) and its Subsidiaries determined on a consolidated basis in accordance with Canadian generally accepted accounting principles.

"**Government Obligation**" means (x) any security which is (i) a direct obligation of the government which issued the currency, or a direct obligation of the Government of Canada issued in such currency, in which the Indenture Securities of a particular series are denominated for the payment of which its full faith and credit is pledged or (ii) obligations of a Person the payment of which is unconditionally guaranteed as its full faith and credit obligation by such government which, in the case of either subclause (i) or (ii) of this clause (x), is not callable or redeemable at the option of the issuer thereof and (y) any depositary receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act, or, in the case of the BFI Indenture, as defined in the *Bank Act* (Canada)), as custodian with respect to any Government Obligation which is specified in clause (x) above and held by such bank for the account of the holder of such depositary receipt, or with respect to any specific payment of principal or interest on any Government Obligation which is so specified and held, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depositary receipt from any amount received by the custodian in respect of the Government Obligation or the specific payment of principal or interest evidenced by such depositary receipt.

Table of Contents

"Guarantee" by any Person means any obligation, contingent or otherwise, of such Person guaranteeing or having the economic effect of guaranteeing any Debt of any other Person (the **"primary obligor"**) in any manner, whether directly or indirectly, and including, without limitation, any obligation of such Person (i) to purchase or pay (or advance or supply funds for the purchase or payment of) such Debt or to purchase (or to advance or supply funds for the purchase of) any security for the payment of such Debt, (ii) to purchase property, securities or services for the purpose of assuring the holder of such Debt of the payment of such Debt or (iii) to maintain working capital, equity capital or other financial statement condition or liquidity of the primary obligor so as to enable the primary obligor to pay such Debt (and **"Guaranteed"**, **"Guaranteeing"** and **"Guarantor"** shall have meanings correlative to the foregoing); provided, however, that the Guarantee by any Person shall not include endorsements by such Person for collection or deposit, in either case, in the ordinary course of business.

"Holder" means a Person in whose name a Security is registered in the applicable Security Register.

"Interest Rate or Currency Protection Agreement" of any Person means any interest rate protection agreement (including, without limitation, interest rate swaps, caps, floors, collars and similar agreements), and/or other types of interest hedging agreements, and any currency protection agreement (including foreign exchange contracts, currency swap agreements or other currency hedging arrangements).

"Qualifying Subordinated Debt" means Debt of the Company (i) which by its terms provides that the payment of principal of (and premium, if any) and interest on and all other payment obligations in respect of such Debt shall be subordinate to the prior payment in full of the Company's obligations in respect of the Indenture Securities to at least the extent that no payment of principal of (or premium, if any) or interest on or otherwise due in respect of such Debt may be made for so long as there exists any default in the payment of principal (or premium, if any) or interest on the Indenture Securities or any other default that, with the passing of time or the giving of notice or both, would constitute an event of default with respect to the Indenture Securities and (ii) which expressly by its terms gives the Company the right to make payments of principal in respect of such Debt in Common Stock of the Company.

"Stated Maturity", when used with respect to any Indenture Security or any instalment of principal thereof or interest thereon, means the date specified in such Indenture Security as the fixed date on which the principal of such Indenture Security or such instalment of principal or interest is due and payable.

PLAN OF DISTRIBUTION

The Issuers may sell Securities to or through underwriters or dealers and also may sell Securities directly to purchasers or through agents.

The distribution of Securities of any series may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at prices to be negotiated with purchasers.

In connection with the sale of Securities, underwriters may receive compensation from the Issuers or from purchasers of Securities for whom they may act as agents in the form of concessions or commissions. Underwriters, dealers and agents that participate in the distribution of Securities may be deemed to be underwriters and any commissions received by them from the Issuers and any profit on the resale of Securities by them may be deemed to be underwriting commissions under the Securities Act. Any such person that may be deemed to be an underwriter with respect to Securities of any series will be identified in the Prospectus Supplement relating to such series.

The Prospectus Supplement relating to each series of Securities will also set forth the terms of the offering of the Securities of such series, including, to the extent applicable, the names of any underwriters or agents, the purchase price or prices of the offered Securities, the initial offering price, the proceeds to the applicable Issuer from the sale of the offered Securities, the underwriting discounts and commissions and any discounts, commissions and concessions allowed or reallocated or paid by any underwriter to other dealers.

Under agreements which may be entered into by the Issuers, underwriters, dealers and agents who participate in the distribution of Securities may be entitled to indemnification by the Issuers against certain

Table of Contents

liabilities, including liabilities under the Securities Act and Canadian provincial securities legislation, or to contribution with respect to payments which those underwriters, dealers or agents may be required to make in respect thereof. Those underwriters, dealers and agents may be customers of, engage in transactions with or perform services for the Issuers or their subsidiaries in the ordinary course of business. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Issuers, the Issuers have been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Issuers of expenses incurred or paid by a director, officer or controlling person of the Issuers in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Issuers will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Each series of Securities will be a new issue of securities with no established trading market. Unless otherwise specified in a Prospectus Supplement relating to a series of Securities, the Securities will not be listed on any securities exchange. Certain broker-dealers may make a market in Securities but will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given that any broker-dealer will make a market in the Securities of any series or as to the liquidity of the trading market for the Securities of any series.

In connection with any underwritten offering of Securities, the underwriters or agents may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

EXEMPTIVE RELIEF

Pursuant to a decision document dated October 18, 2011 issued by the applicable securities regulators, the Company was granted exemptive relief from certain of the restricted securities requirements in National Instrument 51-102 *Continuous Disclosure Obligations*, NI 41-101 and Ontario Securities Commission Rule 56-501 *Restricted Shares* (collectively, the "**restricted security provisions**"), including the requirements to refer to the Class A Shares and the Class B Shares using a prescribed restricted security term. The Class A Shares and Class B Shares may qualify as "restricted securities" under the restricted security provisions because the Company's constating documents contain provisions that restrict the voting rights of such securities in any election of the board of directors of the Company. See "Description of the Class A Shares".

LEGAL MATTERS

Unless otherwise specified in a Prospectus Supplement relating to a series of Securities, certain matters of Canadian and United States law relating to the validity of the Securities will be passed upon for the Company by Torsys in Toronto, Ontario, and New York, New York. The partners and associates of Torsys, as a group, beneficially own, directly or indirectly, less than one percent of the outstanding securities of the Company.

OFFEREES OR PURCHASERS**

INDEMNIFICATION OF DIRECTORS OR OFFICERS.

Under the Business Corporations Act (Ontario), each of the Registrants may indemnify a present or former director or officer or a person who acts or acted at such Registrant's request as a director or officer of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal, administrative, investigative or other proceeding in which he or she is involved by reason of being or having been a director or officer of such Registrant or such other entity and provided that the director or officer acted honestly and in good faith with a view to the best interests of such Registrant or the other entity, as the case may be, and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, such director or officer had reasonable grounds for believing that his or her conduct was lawful. Such indemnification may be made in connection with an action by or on behalf of a Registrant or such other entity to procure a judgment in its favor only with court approval. A director or officer a Registrant is entitled to indemnification from such Registrant as a matter of right if he or she was not judged by a court or other competent authority to have committed any fault or omitted to do anything that he or she ought to have done and fulfilled the conditions set forth above.

In accordance with the Business Corporations Act (Ontario), the board of directors of Brookfield Asset Management Inc. (the "**Company**") approved a resolution (the "**Resolution**") dated August 1, 1997 providing for the following:

(i) the Company shall indemnify a director or officer of the Company, a former director or officer of the Company or a person who acts or acted at the Company's request as a director or officer of a body corporate of which the Company is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Company or such body corporate (except in respect of an action by or on behalf of the Company or such body corporate to procure a judgment in its favor), if,

(a) he or she acted honestly and in good faith with a view to the best interests of the Company, and

(b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful;

(ii) the Company shall, with the prior approval of the court having jurisdiction, indemnify a person referred to in (i) above in respect of an action by or on behalf of the Company or such body corporate to procure a judgment in its favor, to which he or she is made a party by reason of being or having been a director or an officer of the Company or such body corporate, against all costs, charges and expenses reasonably incurred by him or her in connection with such action if he or she fulfils the conditions set out in paragraphs (i)(a) and (b) above; and

(iii) notwithstanding anything in (i) and (ii) above, a person referred to in (i) above shall be indemnified by the Company in respect of all costs, charges and expenses reasonably incurred by him or her in connection with the defense of any civil, criminal or administrative action or

proceeding to which he or she is made a party by reason of being or having been a director or officer of the Company or body corporate, if the person seeking indemnity,

(a) was substantially successful on the merits in his or her defense of the action or proceeding, and

(b) fulfills the conditions set out in paragraphs (i)(a) and (b) above.

Table of Contents

Nothing in the by-laws or resolutions of the Company limits the right of any person entitled to claim indemnity apart from the indemnity provided pursuant to the Resolution.

A policy of directors' and officers' liability insurance is maintained by the Company which insures, subject to certain exclusions, directors and officers for losses as a result of claims against the directors and officers of the Company in their capacity as directors and officers and also reimburses the Company for payments made pursuant to the indemnity provided by the Company pursuant to the Resolution or as required or permitted by law.

Insofar as indemnification for liabilities under the United States Securities Act of 1933 may be permitted to directors, officers or persons controlling each of the Registrants pursuant to the foregoing provisions, such Registrant has been advised that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.
