NON-BINDING "SAY ON PAY" VOTE

Edgar Filing: KVH INDUSTRIES INC \DE\ - Form DEF 14A

We are asking our stockholders to approve, in a non-binding vote, the compensation awarded to our named executive officers for 2018. The Compensation Committee of our Board of Directors oversees our executive compensation program, which is designed to motivate our executives to increase profitability and stockholder returns, to tie pay to performance effectively, and to compete effectively for and retain managerial talent.

We are asking our stockholders to indicate their support for our named executive officer compensation. We believe that our executive compensation program was designed appropriately and is working to ensure that management's interests are aligned with our stockholders' interests to support long-term value creation.

This "say on pay" vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the compensation methodology described in this proxy statement. While this vote is advisory and not binding, the Board and the Compensation Committee will consider the outcome of the vote, along with other relevant factors, when considering future executive compensation decisions.

Additional information regarding the non-binding "say on pay" vote may be found on pages 9 to 11.

PROXY SUMMARY

2018 EXECUTIVE COMPENSATION HIGHLIGHTS

The 2018 compensation program for our named executive officers was comprised of three primary elements – base salary, cash-based incentive compensation and annual equity grants. We believe the compensation program for our named executive officers included key features that aligned the interests of our executives with KVH's business strategies and goals and stockholders' interests.

What We Do

What We Don't Do

<p>ii</p> <p>Offer competitive compensation that attracts and retains executive talent</p> <p>ii</p> <p>Align the interests of our named executive officers with those of our stockholders and reward the creation of long-term value for KVH stockholders through equity grants</p> <p>ii</p> <p>Emphasize variable performance-based compensation over fixed compensation</p> <p>ii</p> <p>Align payout of annual incentives to drivers of stockholder value, such as revenue and adjusted EBITDA</p> <p>ii</p> <p>Balance the importance of achieving long-term strategic priorities and critical short-term goals linked to long-term objectives</p> <p>ii</p> <p>Align individual performance goals with our business strategy</p> <p>ii</p> <p>Cap incentive payments</p> <p>ii</p> <p>Benchmark compensation against that of a broad group of companies</p> <p>ii</p> <p>Cash and equity awards under our 2016 Equity and Incentive Plan have clawback provisions</p>	<p>No long-term employment agreements or change of control agreements</p> <p>No guaranteed severance programs</p> <p>No tax gross-ups</p> <p>No guaranteed salary increases</p> <p>No guaranteed bonuses</p> <p>No repricing of stock options or stock appreciation rights</p> <p>No discounted stock options or stock appreciation rights</p>

Compensation Mix

The mix of target compensation for our named executive officers for 2018 reflects these objectives, as shown in the chart. The percentages shown represent percentages of average total target compensation, not average total actual compensation, and as a result do not match the percentages calculable from actual compensation reflected in the Summary Compensation Table on page 18. Fixed pay represents the sum of salary, holiday bonus and perquisites; variable pay represents equity awards and non-equity incentive plan compensation. The chart does not reflect any discretionary bonuses. For more information on discretionary bonuses awarded in 2018, see "Proposal 2 Non-Binding 'Say on Pay' Vote Annual Cash-Based Incentive Compensation".

Table of Contents

PROXY SUMMARY

For 2018, we had a non-equity incentive compensation plan intended to reward our named executive officers for achievement of corporate, business unit and individual performance goals for that year. After assessing our overall financial performance for 2018, our Compensation Committee determined not to award any non-equity incentive compensation to our named executive officers with respect to our corporate or business unit performance goals. The Compensation Committee gave consideration to discretionary bonuses paid in March 2018 to improve morale and promote the retention of certain of our named executive officers. These discretionary bonuses were approximately 8% of base salary for the chief executive officer and approximately 9% of base salary for the other named executive officer who received a discretionary bonus; the third named executive officer did not receive a discretionary bonus. Considering both these discretionary bonuses and the awards for individual performance under our 2018 non-equity incentive plan, the cash-based bonus and incentive compensation actually received by our CEO for 2018 was 30% of his base salary, rather than the targeted 90% of his base salary, and the cash-based bonus and incentive compensation actually received by our other named executives ranged from approximately 15% to 21% of their respective base salaries, rather than the targeted range of 50% to 60% of their respective base salaries.

**Actual Annual Incentive Payment Versus Target
(Average Percentage of Base Salary)**

TRANSITION TO SMALLER REPORTING COMPANY DISCLOSURE

Effective in September 2018, the Securities and Exchange Commission expanded the definition of "smaller reporting company" to include, among other companies, registrants with a public float of less than \$250 million on the relevant measurement date. The amendments were intended to reduce compliance costs for these companies and promote capital formation while maintaining appropriate investor protections. Smaller reporting companies generally have reduced reporting requirements relative to other registrants. For example, smaller reporting companies are relieved of requirements to provide a Compensation Discussion and Analysis, a Compensation Committee report, several executive compensation tables and pay ratio disclosures.

We currently qualify as a smaller reporting company under the revised definition and therefore fall within the group of companies intended to benefit from the regulatory relief available to smaller reporting companies. Accordingly, in preparing this proxy statement we have elected to take advantage of this relief and have omitted certain disclosures that we provided in prior years, including a Compensation Discussion and Analysis and the other disclosures noted above.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING OF STOCKHOLDERS AND VOTING

What is the purpose of the annual meeting?

At the annual meeting, we will submit the following proposals to our stockholders:

Proposal 1 To elect two Class II directors to a three-year term.

Proposal 2 To approve, in a non-binding "say on pay" vote, the compensation of our named executive officers.

Proposal 3 To ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm. Our Board of Directors does not intend to present to the annual meeting any business other than the proposals described in this proxy statement. Our Board of Directors was not aware, a reasonable time before mailing this proxy statement to stockholders, of any other business that may be properly presented for action at the annual meeting. If any other business should come before the annual meeting, the persons present will have discretionary authority to vote the shares they own or represent by proxy in accordance with their judgment, to the extent authorized by applicable regulations.

When is the record date?

Our Board of Directors has fixed the close of business on Friday, April 5, 2019, as the record date for the annual meeting. Only stockholders of record as of the close of business on that date are entitled to receive notice of the annual meeting, and to vote at, the annual meeting. At the close of business on the record date, there were 17,851,664 shares of our common stock outstanding. Each share of common stock outstanding on the record date will be entitled to cast one vote.

What are the methods of voting?

The shares represented by your properly signed proxy card will be voted in accordance with your directions. If you do not specify a choice with respect to a proposal for which our Board of Directors has made a recommendation, the shares covered by your signed proxy card will be voted as recommended in this proxy statement. We encourage you to vote on all matters to be considered.

By signing and returning the proxy card in the enclosed envelope, you are enabling each individual named on the proxy card (known as a "proxy") to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the meeting. If you received more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

To vote by telephone, please follow the instructions included on your proxy card. If you vote by telephone, you do not need to complete and mail your proxy card.

To vote on the Internet, please follow the instructions included on your proxy card. If you vote on the Internet, you do not need to complete and mail your proxy card.

If you plan to attend the meeting and vote in person, we will provide you with a ballot at the meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of the shares held in street name. If you wish to vote shares held in street name at the meeting, you will need to bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote your shares.

What constitutes a quorum? What is a broker "non-vote"?

Our by-laws provide that a quorum consists of a majority of the shares of common stock outstanding and entitled to vote at the annual meeting. Shares of common stock represented by a properly signed and returned proxy (including shares properly voted by telephone or on the Internet) will be treated as present at the annual meeting for purposes of determining the existence of a quorum at the annual meeting. Abstentions and broker "non-votes" are counted as present or represented for purposes of determining the existence of a quorum at the annual meeting. A "non-vote" occurs when a broker or nominee holding shares for a beneficial owner returns a proxy but does not vote that owner's shares on a proposal because the broker or nominee does not have discretionary voting power and has not received instructions from that owner.

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING OF STOCKHOLDERS AND VOTING

What vote is required for approval?

A majority of the votes properly cast at the annual meeting will be necessary to elect each Class II director to a three-year term (proposal 1), to approve, in the non-binding "say on pay" vote, the compensation of our named executive officers (proposal 2), and to approve the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm (proposal 3). A majority of the votes properly cast at the annual meeting will be necessary to approve any other matter to be acted upon at the annual meeting. For more information on majority voting, please see "Board of Directors and Committees of the Board Corporate Governance Majority Voting."

What effect do abstentions and broker non-votes have?

Abstentions and broker "non-votes" will not be included in calculating the number of votes cast on any proposal. As a result, abstentions and broker "non-votes" will not have any effect on the outcome of the vote on any proposal.

Who will count the votes?

Our transfer agent, Computershare Trust Company, N.A., will separately tabulate the votes on each matter presented to the stockholders at the annual meeting.

Who is soliciting my vote? Are they paid solicitors?

We are soliciting proxies on behalf of our Board of Directors. No compensation will be paid by any person for our solicitation of proxies. We will reimburse brokers, banks and other nominees for the out-of-pocket expenses and other reasonable clerical expenses they incur in obtaining instructions from beneficial owners of our common stock. In addition to our solicitation by mail, our directors, officers and employees may make special solicitations of proxies personally or by telephone, facsimile, courier or e-mail. We expect that the expense of any special solicitation will be nominal. We will pay all expenses incurred in connection with this solicitation.

How can a proxy be revoked?

You may revoke your proxy at any time before it is voted at the meeting. In order to revoke your proxy, you must either:

- ii sign and return another proxy card with a later date;
- ii provide written notice of the revocation of your proxy to our secretary;
- ii if you voted by Internet or telephone, by following the instructions for revocation provided by Internet or telephone; or
- ii attend the meeting and vote in person.

PROPOSAL 1 ELECTION OF DIRECTORS

Proposal 1 concerns the election of two Class II directors for a three-year term.

Our Board of Directors currently consists of six directors and is divided into three classes. We refer to these classes as Class I, Class II and Class III. The term of one class of directors expires each year at the annual meeting of stockholders. Each director also continues to serve as a director until his or her successor is duly elected

and qualified. This year, the term of our Class II directors, Martin Kits van Heyningen and Charles R. Trimble, is expiring.

Our Nominating and Corporate Governance Committee has nominated Messrs. Kits van Heyningen and Trimble to serve as Class II directors for another three-year term. Our stockholders last elected Messrs. Kits van Heyningen and Trimble at our annual meeting of stockholders in June 2016.

Martin A. Kits van Heyningen, one of our founders, has served as our president and a director since 1982, chief executive officer since 1990, and as our chairman of the Board of Directors since 2007. From 1980 to 1982, Mr. Kits van Heyningen was employed by the New England Consulting Group, a marketing consulting firm, as a marketing consultant. Mr. Kits van Heyningen received a B.A., cum laude, from Yale University and has been issued nine patents. Our Nominating and Corporate Governance Committee determined that Mr. Kits van Heyningen should serve as a director because of his more than 32 years of industry experience as well as his executive leadership and management experience as our founder, president, chief executive officer and Chairman of the Board of Directors.

Charles R. Trimble has served as one of our directors since 1999, a member of our Audit Committee since 2001, a member of our Compensation Committee since 2000 and a member of our Nominating and Corporate Governance Committee since February 2004. From 1981 to 1998, he served as the president and chief executive officer of Trimble Navigation Limited, a GPS company that he founded in 1978. Previously, he served as the manager of integrated circuit research and development at Hewlett-Packard's Santa Clara Division. Mr. Trimble is an elected member of the National Academy of Engineering, and he was Chairman of the United States GPS Industry Council from 1996 to 2013. In addition, Mr. Trimble is a member of the California Institute of Technology (Caltech) Board of Trustees. He received a B.S. in engineering physics, with honors, and an M.S. in electrical engineering from the California Institute of Technology. Our Nominating and Corporate Governance Committee determined that Mr. Trimble should serve as a director because of his 20 years of experience as a member of our Board of Directors combined with his executive leadership and management experience as co-founder, president and chief executive officer of Trimble Navigation Limited as well as his experience as an elected member of the National Academy of Engineering, Chairman of the United States GPS Industry Council and a member of the California Institute of Technology Board of Trustees.

Proxies will not be voted at the 2019 annual meeting for more than two candidates.

Messrs. Kits van Heyningen and Trimble have agreed to serve if elected, and we have no reason to believe that they will be unable to serve. If either of them is unable or declines to serve as a director at the time of the annual meeting, proxies will be voted for another nominee that our Board of Directors will designate at that time.

A majority of the votes properly cast at the annual meeting will be necessary to elect each Class II director to a three-year term. In accordance with our director resignation policy, each of Messrs. Kits van Heyningen and Trimble has submitted his resignation in advance of the annual meeting, and his resignation will only become effective if (a) he fails to receive a majority of the votes properly cast on his re-election and (b) our Board accepts his resignation. For more information about majority voting and our director resignation policy, please see "Board of Directors and Committees of the Board Corporate Governance Majority Voting."

Our Board of Directors recommends that you vote **FOR the election of Messrs. Martin Kits van Heyningen and Charles R. Trimble as our Class II directors.**

PROPOSAL 2: NON-BINDING "SAY ON PAY" VOTE

Proposal 2 concerns an advisory vote on our executive compensation program.

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, and Section 14A of the Securities Exchange Act of 1934, as amended, or the Exchange Act, our stockholders are entitled to vote to approve the compensation of our named executive officers at least once every three years. This proposal is commonly referred to as a "say on pay" proposal.

At our 2017 annual meeting of stockholders, our stockholders voted in favor of holding future "say on pay" votes every year, as recommended by our Board of Directors. At the 2018 annual meeting, approximately 87% of the votes cast on the non-binding proposal to approve our executive compensation for 2017 were voted in favor of approval. As set forth in more detail in the executive compensation tables and the accompanying narrative disclosure elsewhere in this proxy statement, we have designed our executive compensation program to provide an appropriate mix of fixed and variable pay to balance executive recruitment and retention with rewards for achieving short-term operational goals and long-term stockholder value. Our 2018 executive compensation program provided for (a) fixed compensation in the form of salaries designed to provide a competitive baseline of compensation, (b) short-term variable compensation in the form of a cash-based incentive compensation program designed to reward achievement of our financial and business goals for 2018 and (c) long-term variable compensation in the form of equity awards designed to reward our executives primarily through increases in the price of our common stock. In March 2018, the Compensation Committee also awarded certain discretionary bonuses to our named executive officers to improve morale and promote their retention. We believe that our executive compensation program appropriately implemented our pay-for-performance philosophy and gave appropriate incentives to our named executive officers to increase stockholder value.

Highlights of our executive compensation program include the following:

Base Salary. Base salaries of our named executive officers provide fixed compensation to reward individual value that the executive brings to us through experience and past and expected future contributions to our success while factoring in our specific needs and the base salaries of executives with comparable responsibilities at similar organizations. With the assistance of Radford Surveys and Consulting, an Aon Consulting Company, or Radford, the Compensation Committee reviewed the base salaries of our named executive officers against those of a peer group of companies and other survey data. We refer to the peer

group data and the survey data collectively as the survey data. For 2018, the Compensation Committee concluded that the 2017 base salaries of our named executive officers averaged 4% above the 50th percentile of the survey data and therefore determined to make only an approximately 3% cost of living increase. We believe that aligning the base salaries of our named executive officers with appropriate benchmarks is especially critical to a competitive compensation program, as other elements of our compensation are determined as a percentage of base salary.

Annual Cash-based Incentive Compensation. In 2018, we utilized a cash-based incentive compensation plan that tied executive pay to the achievement of our annual corporate and business unit performance goals and certain individual performance goals. This incentive program was intended to award compensation based on the degree to which our actual financial results met the corporate and business unit financial goals of our internal business plan and the degree to which the executives met their individual performance goals. In 2018, the Compensation Committee approved two formulas for calculating our cash-based incentive compensation for our named executive officers. For the named executive officer responsible for our mobile broadband business unit, 50% of his target incentive compensation was based on the degree of achievement of his business unit performance goals, 25% was based on the degree of achievement of our corporate performance goals and 25% was based on the degree of achievement of individual performance goals.

For our other named executive officers, 25% of each executive's target incentive compensation was based on the degree of achievement of our corporate performance goals, 25% was based on the degree of achievement of our mobile connectivity business unit goals, 25% was based on the degree of achievement of our inertial navigation business unit goals, and 25% was based on the degree of achievement of individual performance goals. The Compensation Committee gave greater weight in the formula to corporate performance (including business unit performance) because it wished to align our executives' interests with strong corporate and business unit performance, accountability for budgeted targets and to promote cooperation among them. In 2018, the target incentive compensation (as a percentage of base salary) selected

Edgar Filing: KVH INDUSTRIES INC \DE\ - Form DEF 14A

for the named executive officers averaged 12% below the median of our survey data. The corporate performance incentive payment was based on the degree of achievement of our goals for revenue and earnings before interest, taxes, depreciation, amortization, acquisition-related expenses, equity-based compensation expenses and any one-time charges approved by the Compensation

Table of Contents

PROPOSAL 2: NON-BINDING "SAY ON PAY" VOTE

Committee, or adjusted EBITDA. The business unit performance incentive payments were each based on the degree of achievement of our goals for the relevant business unit's revenue and business unit profit, which was defined as business unit revenue less cost of goods sold and direct operating expenses attributable to the operation of that business unit, but without deductions for depreciation, amortization, acquisition-related expenses, equity-based compensation expenses, or any one-time charges approved by the Compensation Committee, and without any allocation for corporate engineering, marketing or administrative costs. The Compensation Committee selected revenue, adjusted EBITDA and business unit profit as performance measures because it believed that they measure how well or poorly we performed from a financial standpoint. After reviewing our overall financial performance for 2018, the Compensation Committee determined not to make any awards with respect to the portion of each named executive officer's incentive compensation target attributable to corporate performance or business unit performance. Overall, the named executive officers received 25% of their target performance incentive compensation for 2018, all of which was attributable to achievement of individual performance goals.

The corporate and business unit performance goals established by the Compensation Committee are difficult to achieve. In the past three years, we have not awarded any incentive compensation to any of our named executive officers with respect to our corporate or business unit performance goals, except that in 2016 and 2017 we awarded one named executive officer 75% and 81%, respectively, of his target incentive compensation attributable to the achievement of performance goals for our mobile connectivity business unit.

The Compensation Committee also awarded certain limited discretionary bonuses paid in March 2018 to improve morale and to promote the retention of certain of our named executive officers. For our named executive officers who received these discretionary bonuses, the bonus amounts were less than 9% of the executive officers' respective base salaries for 2018.

In connection with the establishment of our non-equity incentive plan for 2019, the Compensation Committee determined to pre-pay 25% of each executive's target incentive compensation amount under the plan. Each executive's target amount for 2019 represented the same percentage of base salary for 2019 as for 2018. The amounts were paid in March 2019 and need not be refunded if we do not achieve our corporate or business unit performance goals for 2019. However, these amounts will be deducted from any corporate or business unit incentive compensation awards that may be earned under the 2019 plan.

Long-Term Equity Incentives. Equity incentives are designed to reward the achievement of long-term growth in the price of our common stock. The equity grants to our named executive officers in 2018 consisted of both options and restricted stock awards, with four-year vesting periods designed to encourage the executives to focus on the long-term performance of our stock price. The Compensation Committee decided to grant a mix of restricted stock and option awards in order to balance the benefit of option awards, which more closely align the interests of our executives with the interests of our shareholders because options generate cash value only with stock price appreciation, with the benefit of restricted stock awards, which offer greater executive retention while aligning the executive's compensation with shareholder interests. The Compensation Committee believed that granting equity incentives was the best method of motivating the named executive officers to manage our operations in a manner that is consistent with the long-term interests of our stockholders. The grant date fair values of the equity awards granted to the named executive officers in 2018 ranged from approximately 62% to 72% of the survey data median.

Pay Practices. We do not use certain executive pay practices that stockholder advocates consider to be problematic. For example, we do not provide extensive perquisites to our named executive officers, we do not have long-term employment agreements, we do not have guaranteed severance programs, and we do not provide any tax gross-ups. We have no guaranteed salary increases and no guaranteed bonuses.

Consultant Independence. Our Compensation Committee's independent consultant is retained directly by the Compensation Committee, provides no other services to us, and has provided the Committee with a written attestation of its independence from management.

Stockholders are being asked to vote on the following resolution:

Table of Contents**EQUITY COMPENSATION PLANS**

The following table provides information as of December 31, 2018 regarding shares authorized for issuance under our equity compensation plans, including individual compensation arrangements.

The equity compensation plans approved by our stockholders as of December 31, 2018 were our 2016 Equity and Incentive Plan (2016 Plan), and our 2006 Stock Incentive Plan. Under the 2016 Plan, each share issued under awards other than options and stock appreciation rights reduces the number of shares reserved for issuance by two shares (but reduces the maximum annual number of shares that may be granted to a participant only by one share), and each share issued under options or stock appreciation rights reduces the number of shares reserved for issuance by one share. The following table does

not reflect grants from January 1, 2019 through April 5, 2019 of 77,889 restricted stock awards with a weighted-average grant-date fair value of \$10.59 per share. The restricted stock awards and stock options reflected in the table were granted on the following terms as determined by the Compensation Committee: (a) in the case of restricted stock awards, the grantee received the restricted stock award without payment of cash consideration, and (b) in the case of stock options, the exercise price per share of the stock option was equal to the closing price of our common stock on the NASDAQ Global Select Market on the date of the grant. As of December 31, 2018, we did not have any equity compensation plans not approved by our stockholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who beneficially own more than ten percent of our common stock to file reports of ownership and changes in ownership with the SEC. SEC regulations require executive officers, directors and greater-than-ten-percent stockholders to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3, 4, and 5, and amendments thereto, furnished to us with respect to 2018, we believe that all Section 16(a) filing requirements applicable to our executive officers, directors and greater than-ten-percent stockholders were fulfilled in a timely manner.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Director Independence

A majority of our directors are independent directors under the rules of the NASDAQ Stock Market. Our Board of Directors has determined that our independent directors are Messrs. Ain, Honey, Ryan and Trimble.

Board Meetings

During 2018, our Board of Directors met five times. Each incumbent director attended at least 75% of the total number of meetings held by the Board and the committees of the Board on which he served during 2018. To the extent reasonably practicable, directors are expected to attend Board meetings, meetings of committees on which they serve, and our annual meeting of stockholders. Last year, one of the six individuals then serving as directors attended the annual meeting.

Board Leadership Structure

Martin A. Kits van Heyningen currently serves as our President, Chief Executive Officer and Chairman of the Board. The Board has determined that, at present, combining the positions of Chairman of the Board and Chief Executive Officer serves the best interests of KVH and our stockholders. The Board believes that the CEO's extensive knowledge of our businesses, expertise and leadership skills make him a more effective Chairman than an independent director.

The functions of the Board are carried out by the full Board, and when delegated, by the Board committees. The Board has delegated significant authority to the Audit, Compensation and Nominating and Corporate Governance Committees, each of which is comprised entirely of independent directors. The independent directors typically meet in an executive session at regularly scheduled Board meetings and additional executive sessions may be convened at any time at the request of a director.

The independent directors have designated Mr. Ain to serve as our Lead Independent Director. The Lead Independent Director will, among other functions, preside at all meetings of the Board at which the Chairman is not present and will serve as a liaison between the CEO and the independent directors. The Lead Independent Director also presides at executive sessions of the independent directors.

Risk Management

Our Board of Directors administers its risk oversight role both directly and through its Committee structure. The Board consists of only six directors, four of whom are independent directors and one of whom is our President and CEO. Of the four independent directors, three serve on each of the three principal Board committees, which makes them knowledgeable about the aspects of our business under the jurisdiction of those committees. The Board's Audit Committee meets frequently during the year and discusses with management, our CFO and our independent auditor: (a) current business trends affecting us; (b) the major risk exposures that we face; (c) the steps management has taken to monitor and control these risks; and (d) the adequacy of internal controls that could significantly affect our financial statements. The Board also receives regular reports from senior management about business plans and opportunities, as well as the challenges and risks associated with implementing those plans and taking advantage of new opportunities.

Board Committees

Our Board of Directors has three standing committees: the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee. Each member of the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee meets the independence requirements of the NASDAQ Stock Market for membership on the committees on which he serves. The Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee each have the authority to retain independent advisors and consultants. We pay the fees and expenses of these advisors. Our Board of Directors has adopted a written charter for each of the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee. We have

Edgar Filing: KVH INDUSTRIES INC \DE\ - Form DEF 14A

made each of these charters available through the Investors Relations page of our website at <http://kvh.com/ircharters>.

Audit Committee

As of December 31, 2018, our Audit Committee was comprised of Messrs. Ain, Honey, Ryan, and Trimble. Our Audit Committee provides the opportunity for direct contact between our independent registered public accounting firm and members of the Board of Directors; the auditors report directly to the Committee. The Committee assists the Board

Table of Contents

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

in overseeing the integrity of our financial statements, our compliance with legal and regulatory requirements, our cybersecurity, our independent registered public accounting firm's qualifications and independence, and the performance of our independent registered public accounting firm. The Committee is directly responsible for appointing, compensating, evaluating and, when necessary, terminating our independent registered public accounting firm. Our Audit Committee has established procedures for the treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential and anonymous submission by our employees of concerns regarding questionable accounting, internal accounting controls or auditing matters. Our Board has determined that Mr. Ryan is an Audit Committee financial expert under the rules of the SEC. Our Audit Committee met four times during 2018. For additional information regarding the Audit Committee, please see "Report of the Audit Committee."

Nominating and Corporate Governance Committee

As of December 31, 2018, our Nominating and Corporate Governance Committee was comprised of Messrs. Ain, Honey, Ryan and Trimble. Our Nominating and Corporate Governance Committee's responsibilities include providing recommendations to our Board of Directors regarding nominees for director and membership on the committees of our Board. An additional function of the committee is to develop corporate governance practices to recommend to our Board and to assist our Board in complying with those practices. Our Nominating and Corporate Governance Committee met once during 2018.

Compensation Committee

As of December 31, 2018, our Compensation Committee was comprised of Messrs. Ain, Ryan and Trimble. The Compensation Committee's responsibilities include providing recommendations to our Board regarding the compensation levels of directors, reviewing and approving the compensation levels of executive officers, providing recommendations to our Board regarding compensation programs, administering our incentive-compensation plans and equity-based plans, authorizing grants under our stock option and incentive plans, and authorizing other equity compensation arrangements. Our Compensation Committee met twice during 2018.

Compensation Committee Authority; Delegation. Our Board of Directors has delegated to the Compensation Committee of our Board of Directors the authority to administer compensation programs for our executive officers and non-employee directors. All principal elements of compensation paid to our executive officers and directors are subject to approval by the Compensation Committee.

Specifically, our Board has delegated authority to the Compensation Committee to determine and approve (1) our compensation philosophy, including evaluating risk management and incentives that create risk, (2) annual base salaries, cash-based incentive compensation and equity-based compensation for our executive officers, (3) equity-based compensation for our non-executive employees and (4) the compensation of our non-employee directors, including cash and equity-based compensation. Under the terms of our 2016 Plan, the Compensation Committee may delegate authority to one or more executive officers to grant awards at fair market value to persons who are not subject to Section 16 of the Exchange Act and who are not "covered persons" under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Compensation Committee must specify a limit on the number of awards that may be granted and establish guidelines for the exercise price of any stock option, the conversion ratio or price of other awards and vesting criteria. The Compensation Committee has not delegated any such authority.

Compensation Committee Process; Role of Executives. The base salary and equity award for each executive, together with the annual cash-based incentive compensation plan for all executives, are generally established within the first quarter of each fiscal year at meetings of the Compensation Committee held for this purpose. In 2018, equity awards were granted in the second quarter. These meetings generally follow one or more informal presentations or discussions of our financial performance, including achievement of performance targets, for the prior fiscal year and an internal business plan for the then-current fiscal year for goal-setting purposes. In deciding the compensation to be awarded to the executive officers other than the CEO, the Compensation Committee typically reviews and evaluates recommendations from the CEO and the CFO. The members of the Compensation Committee discuss these recommendations with the CEO. In deciding the compensation to be awarded to the CEO, the Compensation Committee typically receives a written self-assessment from the CEO and recommendations from the Chairman of the Compensation Committee. The members of the Compensation Committee then discuss the Chairman's recommendations. The CEO is not present at the time of these deliberations. The Compensation Committee may accept or adjust any recommendations, and the Compensation Committee makes all final compensation decisions.

Role of Compensation Consultant. Since 2005, the Compensation Committee has engaged Radford as its independent compensation consultant to assist in creating an effective and competitive executive compensation program and to advise on related matters. Radford

Table of Contents

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

periodically provides comparative market data on compensation practices and programs based on an analysis of executive compensation data, including survey data. Radford also provides guidance on industry best practices. In 2018, Radford advised the Compensation Committee in (1) determining base salaries for executives, (2) determining the targets for total cash-based incentive compensation as a percentage of base salary, and (3) designing and determining individual equity grants for the long-term incentive plan for executives.

Radford's competitive assessment with respect to base salary, cash-based incentive compensation and equity-based compensation for 2018 was taken into consideration by the Compensation Committee when setting base salaries and making changes to the cash-based incentive compensation and equity-based compensation components of the executive compensation program for 2018. Neither Radford nor any of its affiliates provided any services to us in 2018 other than Radford's services to the Compensation Committee.

Director Candidates and Selection Processes

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates includes, as necessary, requests to our Board members and others for recommendations, meetings from time to time to evaluate biographical information and background materials relating to potential candidates, and interviews of selected candidates by members of the Committee and other members of our Board. The Committee may also solicit the opinions of third parties with whom the potential candidate has had a business relationship. Once the committee is satisfied that it has collected sufficient information on which to base a judgment, the committee votes on the candidate or candidates under consideration.

In evaluating the qualifications of any candidate for director, the Committee considers, among other factors, the candidate's depth of business experience, reputation for personal integrity, understanding of financial matters, familiarity with the periodic financial reporting process, reputation, degree of independence from management, possible conflicts of interest and willingness and ability to serve. The Committee also considers whether the candidate will add diversity to the Board, including the degree to which the candidate's skills, experience and background complement or duplicate those of our existing directors and the long-term interests of our stockholders. In the case of incumbent directors whose terms are set to expire, the Committee also gives consideration to each director's prior contributions to the Board. The minimum

qualifications that each director must possess consist of general familiarity with fundamental financial statements, ten years of relevant business experience, no identified conflicts of interest, no convictions in a criminal proceeding during the five years prior to the date of selection and the willingness to execute and comply with our code of ethics. Although the Committee considers diversity as a factor in assessing any nomination, the Board does not have a formal policy with regard to diversity in identifying director nominees. In selecting candidates to recommend for nomination as a director, the Committee abides by our company-wide non-discrimination policy.

The Committee will consider director candidates recommended by stockholders and use the same process to evaluate candidates regardless of whether the candidates were recommended by stockholders, directors, management or others. The Committee has not adopted any particular method that stockholders must follow to make a recommendation. We suggest that stockholders make recommendations by writing to the Chairman of the Board who will in turn forward the nomination to the Nominating and Corporate Governance Committee, in care of our offices, with sufficient information about the candidate, his or her work experience, his or her qualifications for director, and his or her references as will enable the Committee to evaluate the candidacy properly. We also suggest that stockholders make their recommendations well in advance of the anticipated mailing date of our next proxy statement so as to provide our Nominating and Corporate Governance Committee an adequate opportunity to complete a thorough evaluation of the candidacy, including personal interviews. We remind stockholders of the separate requirements set forth in our by-laws for nominating individuals to serve as directors, which we discuss elsewhere in this proxy statement.

Corporate Governance

Our board believes that our corporate governance practices have been fundamental to our success. We seek to ensure that good governance and responsible business principles and practices are part of our culture and values and the way we do business. To maintain and enhance our corporate governance, the Board of Directors and the Nominating and Corporate Governance Committee periodically refine our corporate governance policies, procedures and practices.

Majority Voting in Uncontested Director Elections

Edgar Filing: KVH INDUSTRIES INC \DE\ - Form DEF 14A

Our by-laws provide for majority voting in uncontested director elections. A contested election is an election in which the number of director candidates exceeds the number of available director positions. Our by-laws require that, in order for a nominee for election to the Board of

Table of Contents

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Directors in an uncontested election to be elected, he or she must receive a majority of the votes properly cast at the meeting. Ballots for uncontested elections, including the elections at the 2019 annual meeting, will allow stockholders to vote "FOR" or "AGAINST" each nominee and will also allow stockholders to abstain from voting on any nominee. Abstentions and broker non-votes will have no effect on the outcome of any election for director. Under our by-laws and in accordance with Delaware law, an incumbent director's term extends until his or her successor is duly elected and qualified, or until he or she resigns or is removed from office. Thus, an incumbent director who fails to receive the required vote for re-election at our annual meeting would continue serving as a director (sometimes referred to as a "holdover director") until his or her term ends for one of the foregoing reasons. In order to address the situation where an incumbent director receives more votes "AGAINST" his or her re-election than votes "FOR" his or her re-election, the Board has adopted a policy to the effect that, in order for an incumbent director in an uncontested election to be nominated for re-election, that director should tender a resignation that would become effective only upon both (i) the failure to obtain the requisite majority vote and (ii) the acceptance of the resignation by the Board of Directors. If an incumbent director were to fail to obtain the requisite majority vote for re-election, the Nominating and Corporate Governance Committee (or another appropriate committee) and the Board would consider the resignation in light of the surrounding circumstances. The policy adopted by the Board states that the Board will publicly announce its decision regarding the resignation within 90 days after certification of the results of the applicable annual meeting.

Communications with our Board of Directors

Our Board, including all of the independent directors, has established a process for facilitating stockholder communications with our Board. Stockholders wishing to communicate with our Board should send written correspondence to the attention of our corporate secretary, Felise B. Feingold, KVH Industries, Inc., 50 Enterprise Center, Middletown, RI 02842, USA, and should include with the correspondence evidence that the sender of the communication is one of our stockholders. Satisfactory evidence would include, for example, contemporaneous correspondence from a brokerage firm indicating the identity of the stockholder and the number of shares held. Our secretary will forward all mail to each member of our Board of Directors.

Code of Ethics

We have adopted a code of ethics that applies to all of our directors, executive officers and employees, including our principal executive officer and principal financial and accounting officer. The code of ethics includes provisions covering compliance with laws and regulations, insider trading practices, conflicts of interest, confidentiality, protection and proper use of our assets, accounting and record keeping, fair competition and fair dealing, business gifts and entertainment, payments to government personnel and the reporting of illegal or unethical behavior.

You can obtain a copy of our code of ethics through the Investor Relations page of our website at <http://kvh.com/ircoe>.

Certain Relationships and Related-Party Transactions

Pursuant to our Code of Ethics, our executive officers, directors and employees are to avoid conflicts of interest, except with the approval of the Board of Directors. A related-party transaction would be a conflict of interest. Pursuant to its charter, the Audit Committee must review and approve in advance all related-party transactions. It is our policy that the Audit Committee review and approve transactions involving us and "related parties" (which includes our directors, director nominees and executive officers and their immediate family members, as well as stockholders known by us to own five percent or more of our common stock and their immediate family members). The policy applies to any transaction in which we are a participant and any related party has a direct or indirect material interest, where the amount involved in the transaction exceeds \$120,000 in a single calendar year, excluding transactions in which standing pre-approval has been given. Pre-approved transactions include:

compensation of directors and executive officers provided that such compensation is approved by the Board of Directors or Compensation Committee or such compensation plan or other arrangement is generally available to full-time employees in the same jurisdiction; and

transactions where the related party's interest arises solely from ownership of our common stock and such interest is proportionate to the interests of stockholders. The Audit Committee is responsible for reviewing the material facts of all related-party transactions, subject to the exceptions described above. The Audit Committee will either approve or disapprove the entry into the related-party transaction. If advance approval is not feasible, the transaction will be considered and, if the Audit Committee determines it to be appropriate, ratified

Table of Contents

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

at the Audit Committee's next regularly scheduled meeting. In determining whether to approve or ratify a transaction with a related party, the Audit Committee will take into account, among other factors that it determines to be appropriate:

whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances;

the business reasons for the transaction;

whether the transaction would impair the independence of an outside director; and

the extent of the related party's interest in the transaction.

Except as stated below, as of the date of this proxy statement there have been no reportable related-party transactions since January 1, 2018, nor are there any pending related-party transactions.

Kathleen Keating, the spouse of Mr. Martin A. Kits van Heyningen, serves as our senior director of creative and customer experience. For fiscal year 2018, total individual compensation for Kathleen Keating, based on total salary,

bonus, aggregate grant date fair value of stock option awards granted during the year and all other compensation, as calculated in a manner consistent with our Summary Compensation Table for 2018, was approximately \$245,516.

Siobhan Kits van Heyningen, the daughter-in-law of Mr. Martin A. Kits van Heyningen, served as a summer intern. For fiscal year 2018, total individual compensation for Siobhan Kits van Heyningen, as calculated in a manner consistent with our Summary Compensation Table for 2018, was approximately \$20,880.

Mark S. Ain, a director, is a minority owner of and advisor to ETS International, a ground transportation service company. In 2018, we paid ETS International \$25,927 for services rendered in 2018. The Audit Committee has determined such services are reasonable, in our best interest and on terms no less favorable than could be obtained from an unrelated third party. In assessing Mr. Ain's independence, our Board of Directors was aware of this information and concluded that it had no impact on his independence as a director.

AUDIT COMMITTEE REPORT⁽¹⁾

The Board of Directors appointed an Audit Committee to monitor the integrity of our company's consolidated financial statements, its system of internal control over financial reporting and the independence and performance of our independent registered public accounting firm. The Audit Committee also selects our company's independent registered public accounting firm. Our Board of Directors adopted a charter for the Audit Committee in February 2004, which was most recently revised in February 2017. The Audit Committee currently consists of four independent directors. Each member of the Audit Committee meets the independence requirements of the NASDAQ Stock Market for membership on the Audit Committee.

Our company's management is responsible for the financial reporting process, including the system of internal control over financial reporting, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Our company's independent registered public accounting firm is responsible for auditing those consolidated financial statements and auditing the effectiveness of internal control over financial reporting. Our responsibility is to monitor and review these processes. We have relied, without independent verification, on the information provided to us and on the representations made by our company's management and independent registered public accounting firm.

In fulfilling our oversight responsibilities, we discussed with representatives of Grant Thornton LLP, our company's independent registered public accounting firm, the overall scope and plans for their audit of our company's consolidated financial statements for the year ended December 31, 2018 and critical audit matters such as the new revenue standard, ASC 606 and upcoming accounting standards such as ASC 842, Leases. We met with them, with and without our company's management present, to discuss the results of their audits of our consolidated financial statements and of our company's internal control over financial reporting and to discuss with them the overall quality of our company's financial reporting.

We reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2018 with management and the independent registered public accounting firm.

We discussed with the independent registered public accounting firm the matters required to be discussed by Public Company Accounting Oversight Board (PCAOB) Auditing Standard No. 16, *Communications with Audit Committees*, as amended, codified at PCAOB AS 1301. In addition, we have discussed with the independent registered public accounting firm its independence from our company and our company's management, including the matters in the written disclosures and letter which we received from the independent registered public accounting firm under applicable requirements of the PCAOB. We also considered whether the independent registered public accounting firm's performance of non-audit services for our company is compatible with the auditors' independence, and concluded that the performance of such non-audit services did not impair the auditors' independence.

Based on our review and these meetings, discussions and reports, and subject to the limitations on our role and responsibilities referred to above and in the Audit Committee charter, we recommended to the Board of Directors that our company's audited consolidated financial statements for the year ended December 31, 2018 be included in our company's annual report on Form 10-K for that year.

STOCKHOLDER PROPOSALS

Stockholder proposals for inclusion in our proxy materials relating to our 2020 annual meeting of stockholders must be received by us at our executive offices no later than December 28, 2019 or, if the date of that meeting is more than 30 calendar days before or after June 4, 2020, a reasonable time before we begin to print and mail our proxy materials with respect to that meeting.

In addition, our by-laws provide that a stockholder desiring to bring business before any meeting of stockholders or to nominate any person for election to the Board of Directors must give timely written notice to our secretary in accordance with the procedural requirements set forth in our by-laws. In the case of an annual meeting (including a special meeting in lieu of an annual meeting), written notice must be delivered to or mailed and received at our principal executive offices not earlier than the 120th day prior to the "Specified Date" and not later than the close of business on the 90th day prior to the "Specified Date," regardless of any postponements, deferrals or adjournments, must describe the nomination or other business to be brought before the meeting and must provide specific information about, among other things, the stockholder, other supporters of the proposal, their stock ownership and their interest in the proposed business. Under our

by-laws, the "Specified Date" is the first Wednesday in May in each year (unless that day is a legal holiday in the meeting location, in which case it is the next succeeding day that is not a legal holiday). For example, if we were to hold our 2020 annual meeting on May 6, 2020, in order to bring an item of business before the 2020 annual meeting in accordance with our by-laws, a stockholder would be required to have delivered the requisite notice of that item of business to us not earlier than January 7, 2020 and not later than the close of business on February 6, 2020. If we were to hold our 2020 annual meeting before May 6, 2020, and if we were to give less than 105 days' notice or prior public disclosure of the date of that meeting, then the stockholder's notice must be delivered to or mailed and received at our principal executive offices not later than the close of business on the tenth day after the earlier of (1) the day on which we mailed notice of the date of the meeting and (2) the day on which we publicly disclosed the date of the meeting.

AVAILABLE INFORMATION

Stockholders of record on April 5, 2019 will receive a proxy statement and our annual report to stockholders, which contains detailed financial information about us. The annual report is not incorporated herein and is not deemed a part of this proxy statement.
