Press Release

On February 25, 2013, Salem Communications Corporation (the Company) issued a press release entitled Salem Communications Announces Tender Offer and Consent Solicitation.

Risk Factors

In addition, the Company included the following risk factors related to the Company in the Offer to Purchase and Consent Solicitation Statement described in the press release entitled Salem Communications Announces Tender Offer and Consent Solicitation :

We have, and after entry into our new senior secured term loan we will have, a significant amount of debt, which could restrict our future operating and strategic flexibility and expose us to the risks of financial leverage.

Our ability to meet our debt service obligations on our new senior secured term loan and our other debt will depend on our future performance, which will be subject to many factors that are beyond our control.

We depend significantly upon the success of the religious and family issues format segment of the radio broadcasting industry.

Our ability to successfully grow through acquisitions by acquiring radio stations in new and existing markets, as well as by expanding into non-broadcast media and acquiring businesses that share our commitment to serving our targeted audience depends on many factors, some of which are beyond our control.

We are subject to risks of competition from other commercial and non-commercial radio stations as well as from other media, including broadcast and cable television, the Internet, newspapers, magazines, direct mail and billboard advertising.

We are subject to risks and limitations due to government regulation of the broadcasting industry, including Federal Communications Commission control over the renewal and transfer of broadcasting licenses, which could materially adversely affect our operations and growth strategy.

As used in these risk factors, we, our, ours and us refer to the Company and its consolidated subsidiaries.
