Item 8.01 Other Events

On March 4, 2016, the Company was awarded a Court Order, from the Fourth District Court, State of Idaho, approving Stipulations, and dismissal of certain portions of a previously announced Complaint, Case No. CV OC 1510506 (the Lawsuit), regarding *Idaho State Gold Co. II (ISGC II), LLC, an Idaho limited liability company; and, Owyhee Gold Territory, LLC (OGT), an Idaho limited liability company v. Thunder Mountain Gold, Inc. a Nevada corporation*, et al. The Complaint also names as defendants South Mountain Mines, Inc. (SMMI) and Thunder Mountain Resources, both of which are Nevada corporations, wholly-owned by THMG.

The Court Order acknowledges and confirms SMMI's assertions, and stipulates that:

1)

SMMI is the Manager of OGT for all lawful purposes and shall have the right to advance the project and the interests of OGT and the South Mountain Mine Project according to the terms of OGT's November 8, 2012, Operating Agreement and the Parties November 8, 2012, Member Agreement; and

2)

OGT is the owner of the real property described in the Operating Agreement signed by both parties November 8, 2012, and confirmed by certain Quitclaim Deed and filed with the Office of the Recorder for Owyhee County, Idaho, as Instrument No. 282464, on October 31, 2013, without any without any claim or encumbrance by Defendants; and

3)

ISGC II acknowledges that a Statement of Authority should be filed with the Idaho Secretary of State that identifies SMMI as Manager of OGT effective the date of this Stipulation; and

4)

OGT is dismissed from the above-captioned litigation; and

5)

ISGC II shall not sell or cause to be sold any of the Equipment and assets described in the ISGC II Financial Reports without prior notice and the concurrence of OGT, with SMMI acting as Manager of OGT; and finally

6)

ISGC II's Motion for a More Definite Statement is WITHDRAWN and therefore MOOT; and finally

The original Complaint alleges that the Company's subsidiary SMMI - wrongly failed to issue ownership units in OGT, the partnership entity at the Company's South Mountain Project. The Company alleges that ISGC II failed to make its Initial Contribution described in detail and required by the relevant Agreement. Additionally, ISGC II has not provided accounting and accounting controls consistent with generally accepted accounting practices, nor has ISGC II produced an independent audit required for issuance of ownership units, and that significant damages are payable by ISGC II to the Company.

The Company believes that all the allegations and claims in the original Complaint are without merit, and will aggressively and vigorously defend against this lawsuit.
