By order of our Board of Directors,
J. Stanley Fredrick
Chairman of the Board of Directors

Coppell, Texas
April 21, 2017

IMPORTANT

Whether or not you expect to attend the 2017 Annual Shareholders' Meeting, we strongly urge you to cast your vote by telephone or through the Internet by following the instructions included on the Notice of Internet Availability of Proxy Materials that you received, or if you received a paper copy of the proxy card, to mark, date, sign and return the proxy card in the envelope provided, prior to the meeting on June 8, 2017, to help ensure the presence of a quorum for the meeting and to save the expense and extra work of additional solicitation. Voting by proxy by any method prior to the meeting will not prevent you from attending the 2017 Annual Shareholders' Meeting or revoking your prior vote and voting at the 2017 Annual Shareholders' Meeting.

In accordance with rules promulgated by the SEC, we are providing access to our proxy materials, including this proxy statement and our annual report on Form 10-K, for the year ended December 31, 2016, over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access those proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials. All shareholders who do not receive a notice will receive a paper copy of our proxy materials by mail. We believe that this process reduces the environmental impact and lowers the costs of printing and distributing our proxy materials.

PROXY STATEMENT FOR OUR 2017 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON JUNE 8, 2017

GENERAL INFORMATION ABOUT OUR 2017 ANNUAL SHAREHOLDERS' MEETING

General Information

Our Board of Directors (the "Board") is soliciting the enclosed proxy for use at our 2017 Annual Shareholders' Meeting to be held on June 8, 2017 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center located at 1209 South Main Street, Grapevine, Texas. The Notice of Internet Availability of Proxy Materials is being mailed or delivered on or about April 21, 2017, to shareholders of record owning our common stock on the close of business on April 13, 2017. Paper copies of our proxy materials are being mailed or delivered on or about April 21, 2017, to shareholders of record who have previously requested to receive paper copies of proxy materials. The list of frequently asked questions is attached to this proxy statement as Appendix A. Unless otherwise stated, all references in this proxy statement to "Mannatech," the "Company," "us," "our," or "we" are to Mannatech, Incorporated, a Texas corporation.

Shareholders Entitled to Vote

Shareholders who owned our common stock as of the close of business on April 13, 2017, the record date, are called "shareholders of record" and are entitled to vote at the 2017 Annual Shareholders' Meeting. As of April 13, 2017, we had 2,710,858 outstanding shares of our common stock, \$0.0001 par value per share, which is our only class of outstanding voting securities. As of April 13, 2017, we had 1,492 shareholders of record. Each share of our common stock entitles a shareholder to one vote. A complete list of direct shareholders entitled to vote at the 2017 Annual Shareholders' Meeting will be available for examination by shareholders for purposes pertaining to the 2017 Annual Shareholders' Meeting at our corporate headquarters in Coppell, Texas during normal business hours from, May 29, 2017 until June 7, 2017. The shareholder list will also be available for review prior to and during the 2017 Annual Shareholders' Meeting to be held on June 8, 2017. A shareholder who wants to examine the list prior to our Annual Shareholders' Meeting should arrange an appointment by contacting our Investor Relations department at (972) 471-6512.

Voting in Person

If you are a shareholder of record and plan to attend the 2017 Annual Shareholders' Meeting, you may deliver your completed and signed proxy card in person. If a broker or bank holds your Mannatech shares in street name, and you wish to vote in person at the 2017 Annual Shareholders' Meeting, you will need to obtain a legal proxy form from your broker or bank that holds your shares of record and you must bring that document to the 2017 Annual Shareholders' Meeting.

Voting by Proxy

The proxy process is the means by which shareholders can exercise their rights to vote for the election of directors and other strategic corporate proposals. The notice of meeting and this proxy statement provide notice of a scheduled shareholder meeting, describe the proposals to be voted on by shareholders at the meeting and include other information required to be disclosed to shareholders. Shareholders may vote by telephone, through the Internet, or by

returning a proxy card, without having to attend the shareholder meeting in person.

By executing a proxy, you authorize Gerald E. Gilbert, to act as your proxy to vote your shares in the manner that you specify. The proxy voting mechanism is vitally important to us. In order for us to obtain the necessary shareholder approval of proposals, a “quorum” of shareholders (a majority of the issued and outstanding shares of common stock as of the record date entitled to vote) must be represented at the meeting in person or by proxy. Since few shareholders can spend the time or money to attend shareholder meetings in person, voting by proxy is necessary to obtain a quorum and

2

complete the shareholder vote. It is important that you attend the meeting in person or grant a proxy to vote your shares to assure a quorum is present so corporate business may be transacted. If a quorum is not present, we must postpone the meeting and solicit additional proxies; this is an expensive and time-consuming process that is not in the best interest of the Company or our shareholders.

Properly executed votes by proxy received prior to or at the 2017 Annual Shareholders' Meeting on June 8, 2017 or at any adjournment(s) or postponement(s) thereof will be counted by Broadridge Financial Solutions, Inc., our Inspector of Elections. If a shareholder specifies how such shareholder's proxy-vote is to be cast on any business to come before the meeting, such proxy-vote will be voted in accordance with such specifications. If no specification is made on a properly executed proxy card, the shareholder's vote by proxy will be voted "FOR" each of our 4 proposals consistent with the recommendations made by the Board and as the proxy holder may determine in his discretion with respect to any other matters properly presented for a vote at the 2017 Annual Shareholders' Meeting. Other than the proposals described in this proxy statement, we are not aware of any other matters to be presented at the 2017 Annual Shareholders' Meeting.

Revoking or Changing a Proxy

A shareholder may revoke a vote by proxy at any time prior to the 2017 Annual Shareholders' Meeting. If you are a shareholder of record with direct ownership over your Mannatech common stock, your proxy can be revoked by (i) timely delivery of a written revocation delivered to Erin K. Barta, General Counsel and Corporate Secretary, Mannatech, Incorporated, 600 South Royal Lane, Suite 200, Coppell Texas 75019; (ii) submission of another valid proxy bearing a later date; or (iii) attendance at the 2017 Annual Shareholders' Meeting in person and notice to the Inspector of Elections that you intend to vote your shares in person. If your Mannatech shares are held in street name by a broker or bank ("broker"), you must contact your broker in order to revoke your proxy, but generally, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the 2017 Annual Shareholders' Meeting and voting in person.

Effects of Not Voting

The effect of not voting depends on how you own your shares. If you own shares directly, as a holder of record, rather than indirectly through a broker of record, your unvoted shares will not be represented at our meeting and will not count toward the quorum requirement. Assuming a quorum is obtained, your unvoted shares will not affect whether a proposal is approved or rejected. If you own shares through a broker and do not vote, your broker may represent your shares at the meeting for purposes of obtaining a quorum. As described below, if you own your shares through a broker and you do not vote, your broker may or may not vote your shares, depending upon the proposal.

If you own your shares through a broker and you do not vote, your broker may vote your shares at its discretion on "routine matters." However, with respect to other proposals, a broker may not vote a non-voting shareholder's shares. With respect to proposals on which a broker may not vote a non-voting shareholder's shares, the aggregate number of non-voted shares is reported as "broker non-votes" (shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote) and counted only for purposes of determining a quorum.

If you do not vote your shares on Proposal 1 (Election of Directors), Proposal 3 ("Say-on-Pay" Advisory Vote), and Proposal 4 (2017 Stock Incentive Plan), your brokerage firm cannot vote them for you and they will remain unvoted. Therefore, it is very important that you vote your shares for all proposals. Proposal 2 (Ratification of Auditors) set forth in this proxy statement is a routine matter on which brokers will be permitted to vote your shares at the broker's discretion if you do not provide your broker with instructions on how to vote on this matter.

Direct Ownership

For the purpose of determining how to vote your shares at the 2017 Annual Shareholders' Meeting, registered holders of record are deemed to have "direct ownership" over their Mannatech shares if they hold their shares directly in their name. This is typically evidenced by the receipt of our mailings directly from us or from our transfer agent, Computershare.

Beneficial Ownership

For the purposes of determining how to vote your shares at the 2017 Annual Shareholders' Meeting, you are deemed to have "beneficial ownership" over your Mannatech shares if you: (i) previously deposited your stock certificates with a broker; (ii) purchased your shares directly through a broker; or (iii) sent your stock certificates to a broker to be deposited into your brokerage account. Beneficial ownership is typically evidenced by a shareholder's receipt of our mailings from either a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc.

As a beneficial owner, a shareholder still holds Mannatech shares, but neither we nor our transfer agent has access to any list of individual shareholders' names from the various brokers of record. The only information our transfer agent has concerning shareholders who own stock through a broker is the broker's name, the aggregate total number of shares held by each broker on behalf of their clients, and the aggregate number of votes cast for any of our proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions. As a result, a shareholder should always read all the information provided in each of the proxy information packets received and follow the specific voting instructions enclosed in each packet with respect to applicable telephone numbers, Internet addresses, mailing addresses, and attending or voting at the 2017 Annual Shareholders' Meeting.

If a shareholder receives more than one proxy information packet, such shareholder's shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account or control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in such shareholder's proxy information packet to ensure such shareholder's vote for all of its owned shares is properly included in the tabulation of votes for our meeting.

Beneficial shareholders are also instructed to read their proxy-voting card instructions given to them by their brokers or their brokers' solicitors prior to the meeting in order to obtain instructions on how to vote at the meeting. If a beneficial shareholder does not follow the brokers' specific instructions, our Inspector of Elections is not allowed to count such beneficial shareholder's vote by ballot at the 2017 Annual Shareholders' Meeting.

Tabulating the Votes

A representative from Broadridge Financial Solutions, Inc., which will act as our Inspector of Elections, is responsible for tabulating the votes for the 2017 Annual Shareholders' Meeting. The presence, in person or by proxy, of the holders of at least a majority of the shares of our common stock outstanding as of April 13, 2017, our record date, is necessary to establish a quorum for the 2017 Annual Shareholders' Meeting. Abstentions and "broker non-votes," if any, will be counted as shares present and entitled to vote for purposes of determining a quorum for the 2017 Annual Shareholders' Meeting. A "broker non-vote" occurs when brokers holding shares in "street name" have not received voting instructions from the beneficial owner and either chooses not to vote those shares on a routine matter at the 2017 Annual Shareholders' Meeting or is not permitted to vote those shares on a non-routine matter. If a proxy-voting card is signed by the shareholder but submitted without specific voting instructions, the shareholder's vote will automatically be counted as a vote "FOR ALL" on Proposal 1 (Election of Directors), and "FOR" on Proposal 2 (Ratification of Auditors), "FOR" on Proposal 3 ("Say-on-Pay" Advisory Vote) and "FOR" on Proposal 4 (2017 Stock Incentive Plan). If your shares are held in "street name" and you do not provide specific voting instructions to your broker, then your shares will not be included in the vote for Proposal 1 (Election of Directors), Proposal 3 ("Say-on-Pay" Advisory Vote) or Proposal 4 (2017 Stock Incentive Plan), but will be voted at the discretion of your broker with respect to Proposal 2 (Ratification of Auditors).

For Proposal 1 (Election of Directors) — Assuming a quorum is obtained, our Class III directors will be elected by a plurality of the shares represented, in person or by proxy, at the 2017 Annual Shareholders' Meeting and entitled to vote. This means that the two nominees receiving the highest number of affirmative votes at the meeting will be elected as our two Class III directors. Votes marked "FOR ALL" will be counted in favor of both nominees. Votes marked "WITHHOLD ALL" will be counted against both nominees. To specify differently, a shareholder must check the "FOR ALL EXCEPT" box and then write the names of the nominees for whom the shareholder wishes to vote against. Votes marked "WITHHOLD ALL" have no effect on the vote since a plurality of the votes is required for the election of each nominee. Shareholders may not abstain from voting with respect to the election of directors.

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at the meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot, the shareholder will need to check the "FOR ALL EXCEPT" box and identify each of the nominees for which the shareholder does not wish to vote in the space provided. The shareholder will then be allowed to write-in only as many nominees as the shareholder has withheld votes from. For example, if there are a total of two nominees listed on the ballot and the shareholder wishes to withhold its vote for one of the two nominees, the shareholder should list the name of the one nominee for whom the vote is withheld and write-in one additional name for nominee to the Board.

(THE BOARD RECOMMENDS A VOTE "FOR ALL" PROPOSAL 1.)

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2017 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2017, will be approved. Votes marked "FOR" Proposal 2 will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ending December 31, 2017. An abstention from voting on Proposal 2 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 2.

(THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 2.)

For Proposal 3 ("Say-on-Pay" Advisory Vote) — If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2017 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 3 the current executive compensation program will be approved by shareholders on an advisory basis. Votes marked "FOR" Proposal 3 will be counted in favor of the current executive compensation program. An abstention from voting on Proposal 3 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 3. "Broker non-votes" are not considered shares entitled to vote for purposes of Proposal 3 and thus will have no effect on the outcome of the approval, on an advisory basis, of our executive compensation program.

(THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 3.)

For Proposal 4 (2017 Stock Incentive Plan) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2017 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 4 (2017 Stock Incentive Plan), our 2017 Stock Incentive Plan will be approved. Votes marked "FOR" Proposal 4 (2017 Stock Incentive Plan) will be counted in favor of the 2017 Stock Incentive Plan. An abstention from voting on Proposal 4 will not be voted on that proposal, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 4. "Broker non-votes" are not considered shares entitled to vote for purposes of Proposal 4 and thus will have no effect on the outcome of the approval of the 2017 Stock Incentive Plan.

(THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 4.)

Solicitation of Proxy-Votes

We may solicit proxy-votes through the mail, in person, and by telecommunications. We will bear all expenses in preparing, printing, and mailing the proxy materials to our shareholders.

Admission and Voting at Our 2017 Annual Shareholders' Meeting

Voting at the 2017 Annual Shareholders' Meeting is limited to shareholders of record having evidence of ownership as of the record date, April 13, 2017. If your shares are NOT held in your name, we may require you to show evidence of your ownership at our meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on April 13, 2017, such as your March 2017 brokerage statement or a printout of shares held at the close of April 13, 2017. At our 2017 Annual Shareholders' Meeting, shareholders of record will receive a ballot upon verification of stock ownership.

We will not allow any cameras or recording equipment in the meeting room. As a courtesy and as time permits, we will provide a brief question and answer period for our shareholders of record.

Shareholders of record will be given ballots upon verification of stock ownership. REMEMBER that beneficial shareholders must obtain a power of attorney form or legal proxy from their brokers prior to the meeting in order for their votes by ballot to be counted since their brokers may have already reported their shares as "broker non-votes". Prior to our June 8, 2017 meeting, beneficial shareholders are strongly urged to read their proxy-voting card instructions on how to vote at our 2017 Annual Shareholders' Meeting. They should also contact their brokers by the Monday prior to our 2017 Annual Shareholders' Meeting to ensure they obtain the proper paperwork in order to vote at our meeting. If a beneficial shareholder does not follow its broker's instructions, our Inspector of Elections will not count such shareholder's vote by ballot at the 2017 Annual Shareholders' Meeting. The instructions are usually located on the back of each proxy-voting card.

Shareholder Procedures for Nominating Board Members or Introducing Proposals

Requirements for Shareholder Proposals to Be Considered for Inclusion in the Company's Proxy Materials. Proposals that a shareholder intends to present at the 2018 Annual Shareholders' Meeting and wishes to be considered for inclusion in the proxy statement and form of proxy relating to the 2018 Annual Shareholders' Meeting must be received no later than December 22, 2017. All proposals must comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which lists the requirements for the inclusion of shareholder proposals in company-sponsored proxy materials. Shareholder proposals must be delivered to the Company's Corporate Secretary by mail at 600 South Royal Lane, Suite 200, Coppell, Texas 75019.

Requirements for Other Shareholder Proposals to Be Brought Before the 2018 Annual Shareholders' Meeting and Director Nominations. Notice of any proposal that a shareholder intends to present at the 2018 Annual Shareholders' Meeting, but does not intend to have included in the proxy statement and form of proxy relating to the 2018 Annual Shareholders' Meeting, as well as any director nominations, must be delivered to the Company's Corporate Secretary by mail at 600 South Royal Lane, Suite 200, Coppell, Texas 75019, not earlier than the opening of business on December 22, 2017, and not later than the close of business January 21, 2018. The notice must be submitted by a shareholder of record and must set forth the information required by our Fifth Amended and Restated Bylaws, dated August 25, 2014 (our "Bylaws"), with respect to each director nomination or other proposal that the shareholder intends to present at the 2018 Annual Shareholders' Meeting. If you are a beneficial owner of shares held in street name, you can contact the organization that holds your shares for information about how to register your shares directly in your name as a shareholder of record.

A copy of our Bylaws is published on our corporate website or may be obtained upon written request to our General Counsel at our United States headquarters located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019. In addition, our Bylaws were filed as Exhibit 3.1 to our Form 8-K filed with the SEC on August 27, 2014.

PROPOSAL 1 — ELECTION OF DIRECTORS

Our Bylaws provide for a classified Board, divided into three staggered classes – I, II, and III. The terms of office for each of these classes are scheduled to expire on the date of our annual shareholders' meeting in 2018, 2019, and 2017, respectively. Class III is comprised of two directors with both Class III board seats being up for election at the 2017 Annual Shareholders' Meeting.

Nominees. The Board has nominated Mr. Robert A. Toth and Dr. Linda K. Ferrell, Ph.D. as nominees for election as our Class III directors. Once elected, our Class III directors' term will expire on the earlier of the date of our 2020 Annual Shareholders' Meeting or the date of such director's disqualification, resignation, death, or removal. Each nominee's biographical information is as follows:

Robert A. Toth has served as a Class III director since March 2008 and he is the Chairman of the Compensation and Stock Option Plan Committee. PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Neither our Articles of Incorporation, Bylaws, nor any other applicable legal requirements require shareholder ratification of the selection of our independent registered public accounting firm. However, the Board, as a matter of good corporate governance, has always sought shareholder ratification of the appointment of our independent registered public accounting firm. The Board is seeking shareholder ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. In the event our shareholders do not ratify our appointment of BDO USA, LLP, the Audit Committee and the Board will reconsider the appointment.

Our Audit Committee appoints our independent registered public accounting firm on an annual basis. The decision is based on a number of factors including the scope of the audit, the independence of the auditors, the estimated audit fees, and any non-auditing services that are performed by the independent registered public accounting firm.

Representatives from BDO USA, LLP will attend the 2017 Annual Shareholders' Meeting and will have the opportunity to make a statement, if they so desire. They will also be available to respond to any appropriate questions from our shareholders.

Pre-Approval Policies and Procedures

Our Audit Committee must preapprove all services provided by our independent registered public accounting firm. The non-audit services, specified in Section 10A(g) of the Exchange Act may not be provided by our independent registered public accounting firm.

Each year, the approval of the estimated annual audit, audit-related services, and routine tax services takes place at an Audit Committee meeting. In addition, during the course of the year, requests for unforeseen or additional allowable services to be provided by our independent registered public accounting firm must be preapproved by our Audit Committee, except for those qualifying for the "de minimis exception." The de minimis exception provides that the pre-approval requirements for certain non-audit services may be waived if:

- the aggregate amount of such non-audit services provided constitutes not more than 5% of the total fees paid to our independent registered public accounting firm in the calendar year that such non-audit services are provided;
- such services were recognized as non-audit services at the time they were provided; and
- such services are promptly brought to the attention of our Audit Committee.

Our Audit Committee may delegate to its Chairman the authority to grant pre-approvals. In such event, the decisions of the Chairman of the Audit Committee regarding pre-approvals will then be presented to our full Audit Committee at the next scheduled meeting.

Our independent registered public accounting firm provides a revised estimate for the year, by project, for all planned and approved services to our Chief Financial Officer prior to each Audit Committee annual planning meeting. The revised estimate is then reviewed at our Audit Committee annual planning meeting.

Fees Paid to Our Independent Registered Public Accounting Firm

For the years ended December 31, 2016 and 2015, we were billed the following fees by our current independent registered public accounting firm, BDO USA, LLP as follows:

Type of Service	2016	2015
	(in thousands)	
Audit Fees, including the audit of our consolidated financial statements and annual report on Form 10-K, review of our quarterly financial statements and quarterly reports filed on Form 10-Q, and international statutory audits	\$675	\$663
Audit-Related Fees, including fees related to the annual audit of employee 401(k) benefit plan	16	16
Tax Fees, including fees for tax services, tax advice, transfer pricing, state, and international tax consultation	23	20
All Other Fees, related to all other services including expatriation issues and miscellaneous consulting and advisory services	—	—
Total Fees	\$714	\$699

The “de minimis exception” described above was not used for any fees paid to BDO USA, LLP in 2016 and 2015. All fees were pre-approved by our Audit Committee. As of April 13, 2017, we were advised by BDO USA, LLP that neither the firm, nor any member of its firm, had any direct or indirect financial interest in any capacity in our Company. The members of our Audit Committee believe the payment of all fees set forth above did not prohibit BDO USA, LLP from maintaining its independence.

(THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED ACCOUNTING FIRM.)

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY”)

In accordance with Section 14A(a)(1) of the Exchange Act implementing Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are submitting to our shareholders the opportunity to vote on a non-binding advisory resolution to approve the compensation program for our Named Executive Officers, which is described in the section titled “Executive Compensation” in this Proxy Statement. At our 2013 Annual Shareholders’ Meeting, shareholders recommended, on an advisory basis, an annual frequency of shareholder advisory votes on executive compensation. The Company intends to follow the shareholders’ recommendation and include a shareholder advisory vote on executive compensation on an annual basis until the next required “Say-on-Frequency” vote. Accordingly, the following resolution is submitted for a shareholder advisory vote at the 2017 Annual Shareholders’ Meeting:

“RESOLVED, that the shareholders of Mannatech, Incorporated approve, on an advisory basis, the overall compensation of the Company’s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K of the regulations promulgated by the SEC, including the section entitled “Executive Compensation,” and the accompanying compensation tables and the corresponding narrative discussion and footnotes set forth in the Proxy Statement for the 2017 Annual Shareholders’ Meeting.”

As described in the section titled “Executive Compensation” our executive compensation program is designed to provide a competitive level of compensation necessary to attract, motivate, and retain talented and experienced executives and to motivate them to achieve short-term and long-term objectives that enhance shareholder value.

This vote is merely advisory and will not be binding upon the Company and the Board. However, the Compensation and Stock Option Plan Committee, which is responsible for designing and administering the Company’s executive compensation program, values constructive dialogue on executive compensation and other important governance topics with the Company’s shareholders and encourages all shareholders to vote their shares on this matter.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS “SAY-ON-PAY”.)

PROPOSAL 4 —APPROVAL OF THE 2017 STOCK INCENTIVE PLAN

We are submitting for shareholder approval the 2017 Stock Incentive Plan (the “2017 Plan”) which our Board adopted on April 17, 2017, subject to shareholder approval. We recommend approval of the 2017 Plan at this time because our 2008 Stock Incentive Plan (the “2008 Plan”) will terminate on February 20, 2018, after which no more grants may be made under the 2008 Plan. The purpose of the 2017 Plan is to promote the success and enhance the value of the Company by linking the personal interests of employees, directors and consultants of us and our affiliates to those of our shareholders and by providing such individuals with an incentive for outstanding performance. The 2017 Plan is intended to provide flexibility in our ability to motivate, attract and retain the services of the types of employees, directors and consultants who will contribute to our long-range success.

If the shareholders approve the 2017 Plan, no further awards will be granted thereafter under the 2008 Plan, but all outstanding awards will continue to be governed by the 2008 Plan.

The 2017 Plan, as proposed, provides for grants of stock options, nonqualified stock options, restricted stock and restricted stock units, performance stock and performance stock units, and stock appreciation rights to selected officers, employees, non-employee directors and consultants performing services for us and our affiliates. However, only employees of the Company and its corporate subsidiaries are eligible to receive incentive stock options. The 2017 Plan is an omnibus equity incentive plan that gives us flexibility to adjust to changing market forces.

For a discussion of the philosophy behind the various equity and cash incentive awards under the 2017 Plan, please see the discussion in the Compensation Discussion & Analysis section in this proxy statement.

Summary of the 2017 Stock Incentive Plan

Following is a summary of our 2017 Plan, which is qualified in its entirety by reference to the full text of the 2017 Plan, attached as Appendix B to this proxy statement.

Eligibility. Any officers, employees, directors or consultants performing services for us or our affiliates who are selected by our Compensation and Stock Option Plan Committee may participate in the 2017 Plan, with only employees of us and our corporate subsidiaries being eligible to receive incentive stock options.

Administration. The 2017 Plan will be administered by our Compensation and Stock Option Plan Committee, which will have full and final authority to select persons to receive awards, establish the terms of awards, and administer and interpret the 2017 Plan in its sole discretion unless authority is specifically reserved to the board of directors under the

2017 Plan, our certificate of incorporation or bylaws, or applicable law. Any action of the Compensation and Stock Option Plan Committee with respect to the 2017 Plan will be final, conclusive and binding on all persons. The Compensation and Stock Option Plan Committee may delegate certain responsibilities to one or more of our officers to do one or both of the following: (1) designate the officers, employees and consultants who will be granted awards under the 2017 Plan, other

than Section 16 officers; and (2) determine the number of shares subject to specific awards to be granted to such officers, employees and consultants.

Effective Date, Plan Term. The 2017 Plan will become effective as of April 17, 2017, subject to shareholder approval. Unless otherwise terminated earlier by the board of directors, the 2017 Plan will terminate on the day preceding the 10th anniversary of the effective date and no award may be granted under the 2017 Plan thereafter.

Share Reserve. The maximum aggregate number of shares of our common stock that may be issued under the 2017 Plan is 250,000 (subject to adjustments for stock splits, stock dividends or other changes in corporate capitalization). This amount consists of (1) 68,326 shares remaining available for issuance under the 2008 Plan and (2) 181,674 newly available shares. If the shareholders approve the 2017 Plan, no further awards may be granted under the 2008 Plan on or after the date of such approval. Unissued shares of common stock allocable to a forfeited, expired, canceled, or otherwise terminated portion of a stock option or stock appreciation right will revert to the 2017 Plan and again be available for awards. However, any shares withheld for payment of the exercise price or withholding of taxes will not be available again for grant under the 2017 Plan.

The market value of our common stock as reported on NASDAQ as of March 31, 2017, was \$16.40 per share.

Maximum Employee Awards. Under the 2017 Plan, subject to adjustment for certain changes in corporate capitalization, no individual employee may be granted stock options, stock appreciation rights or performance awards during any fiscal year covering in the aggregate more than 50,000 shares of common stock.

Maximum Non-Employee Director Compensation. The 2017 Plan provides that the maximum aggregate dollar value of awards and cash compensation granted under the 2017 Plan or otherwise during any calendar year to any non-employee director will be \$500,000 (subject to adjustment for certain changes in corporate capitalization), rounded up to the nearest full share of common stock.

Awards. The 2017 Plan provides for awards of incentive stock options and nonqualified stock options, stock appreciation rights, restricted stock and restricted stock units, and performance stock and performance stock units.

Stock Options. The 2017 Plan permits us to grant stock options intended to qualify as incentive stock options under Section 422 of the Code and nonqualified options which are not intended to qualify as incentive stock options. Incentive stock options may be granted to any employee of the Company or a corporate subsidiary, and nonqualified stock options to any officer, employee, director or consultant performing services for the Company or an affiliate. The Compensation and Stock Option Plan Committee will determine the exercise price per share for all stock options, which will be no less than the market value of a share of common stock on the date of grant. Any incentive stock option granted to any employee owning more than 10% of our common stock will have an exercise price of no less than 110% of our common stock's market value on the grant date. A participant may pay the exercise price for stock acquired by exercise of a stock option in cash or by certified or bank check, or if permitted by applicable law and the Compensation and Stock Option Plan Committee, by delivery of previously held shares, share withholding, "cashless exercise" or in any other legal form of consideration acceptable to the Compensation and Stock Option Plan Committee.

The award agreement for each stock option will specify when the stock option will vest and may be exercised. Stock options granted under the 2017 Plan generally will be granted with a term of 10 years, or five years in the case of an incentive option granted to an employee who owns more than 10% of our common stock. However, vested options granted to an employee or consultant generally will terminate no less than three months after the participant's termination of employment or service other than for cause, as defined in the 2017 Plan, or one year after the date of the participant's death or disability. If we terminate a participant's employment or service due to cause, both the vested

and unvested portions of any outstanding option held by the participant will immediately be forfeited and will no longer be exercisable.

Restricted Stock. The 2017 Plan authorizes the grant of shares of restricted stock with restrictions that may lapse over time or upon the achievement of specified performance goals. Restrictions may lapse separately or in such installments as the Compensation and Stock Option Plan Committee deems appropriate. A participant granted restricted stock will have the shareholder rights set forth in the award agreement, including, for example, the right to

vote the shares of restricted stock. However, dividends paid with respect to shares of restricted stock, if any, will be held in escrow and subject to the same terms and restrictions as the restricted stock award. Except as otherwise determined by the Compensation and Stock Option Plan Committee, restricted stock that is subject to restrictions at the time of termination of employment or service will be forfeited, along with any dividends held in escrow, and the shares will again be available for grant under the 2017 Plan.

Restricted Stock Units. A restricted stock unit is a right to receive one share of common stock, or its cash value, subject to restrictions that may lapse over time or upon the achievement of specified performance goals. Until a restricted stock unit award has vested and all restrictions thereon have lapsed, the participant will not have any of the rights or privileges of a shareholder. However, the Compensation and Stock Option Plan Committee may provide for a restricted stock unit award to include dividend equivalents under which the participant will be credited with an amount equal to any cash dividends paid on our common stock during the restriction period. Any amounts credited to a participant as dividend equivalents will be subject to the same terms and restrictions as the restricted stock units. Restricted stock units awarded under the 2017 Plan may vest over time or on the achievement of specified performance goals as determined by the Compensation and Stock Option Plan Committee. Payment will be made in shares of common stock or their cash equivalent, based on the stock's market value on the vesting date, as specified in the award agreement, as soon as practicable after each vesting date of restricted stock units, and no later than 2½ months after the end of the calendar year in which the vesting date occurs. Except as otherwise determined by the Compensation and Stock Option Plan Committee, unvested restricted stock units will be forfeited upon termination of employment or service, along with any dividend equivalents, and the underlying shares will again be available for grant under the 2017 Plan.

Performance Awards. The 2017 Plan permits us to grant performance awards, which vest only on the attainment of specified performance goals and are intended to satisfy certain requirements for performance-based compensation under Code Section 162(m), discussed below under U.S. Federal Income Tax Consequences. Performance awards may be granted in the form of performance stock or performance stock units. The Compensation and Stock Option Plan Committee will determine the performance goals applicable to each performance award and the period during which performance is to be measured. Performance goals will be based on a pre-established objective formula or standard that specifies the manner of determining the number of shares of common stock or the amount of cash that will be issued or vest if the performance goal is attained.

The Compensation and Stock Option Plan Committee will establish the performance goals for performance awards under the 2017 Plan, in its sole discretion, before 25% of any performance period has elapsed (and not later than 90 days after the beginning of the performance period) based on one or more of the following business criteria:

• Net or gross revenue

• Revenue growth

• Net or gross sales, including growth in sales measured by product line, territory, facility, customer or customers or other category

• Net or gross earnings, including earnings before all or any of interest expense, taxes, depreciation and amortization ("EBIT," "EBITA," or "EBITDA"), earnings per share or earnings from continuous operations

• Profits, including profits before or after taxes or other expenses or adjustments, maintenance or improvement of profit margins, or profitability of an identifiable business unit, product line or facility

• Operating income, including operating income per share, pre-tax or after-tax income, net cash provided by operating activities, funds from operations or funds from operations per share

• Operating expenses

• Cash flow, including cash available for distribution, cash available for distribution per share, improvement in cash-flow (before or after tax) or free cash flow

• Working capital and components thereof, including improvement in capital structure

• Credit rating, independent industry rating or assessments

• Stock price or share price performance, return on shareholders' equity or average shareholders' equity or total shareholders' return

• Return on assets, return on capital, return on invested capital, changes in net assets, enterprise value or economic value added, net worth or return on investment before or after the cost of capital

• Costs, improvement in the attainment of expense levels, expense management, capital expenditures, and levels of expense, cost or liability by category, operating unit, facility or any other delineation

- 4 Implementation or completion of critical projects
- 5 Strategic plan development and implementation, closing of corporate transactions

Performance goals generally will be objective and may apply to a participant, a business unit or the Company or an affiliate. Performance goals may differ between performance awards. Any performance award granted to a participant who is or is anticipated to become covered by Code Section 162(m) will provide that if the participant's employment terminates for any reason before the end of the performance period, the performance award will vest, if at all, only if the applicable performance goals are achieved and only to the extent determined by the Compensation and Stock Option Plan Committee. Performance goals are not required to be based on increases in a specific business criterion, but may be based on maintaining the status quo or limiting economic losses. The Compensation and Stock Option Plan Committee may establish additional objective or subjective performance goals for any participant who is not expected to be covered by Code Section 162(m) during the term of a performance award.

Performance goals may provide for adjustment to include or exclude the effect on reported financial results of certain events during a performance period, including asset write-downs, litigation or claim judgments or settlements, changes in tax laws, accounting principles or other laws or provisions, reorganization or restructuring programs, including share repurchasing programs, acquisitions or divestitures, foreign currency exchange translations gains and losses, revenue or earnings attributable to minority ownership in another entity, or gains and losses that are treated as extraordinary items under GAAP.

Stock Appreciation Rights. A stock appreciation right is a contractual right to receive the appreciation in the market value of our common stock over time, which may be paid in either (or both) shares of common stock or cash. The Compensation and Stock Option Plan Committee will determine the strike price of a stock appreciation right award, which will not be less than the market value of a share of stock on the date of grant. Upon the exercise of a stock appreciation right, a participant will be entitled to receive an amount determined by multiplying (1) the difference between the market value per share of stock on the date of exercise and the strike price by (2) the number of shares for which the stock appreciation right is being exercised (reduced by any amount withheld for payment of taxes). The Compensation and Stock Option Plan Committee will specify when each stock appreciation right will vest and may be exercised.

Change in Control, Merger, Consolidation or Similar Transaction. If there is a change in control of the Company, as defined in the 2017 Plan, or other similar corporate transaction or series of transactions, the Compensation and Stock Option Plan Committee has discretion to provide for any of the following: (1) the continuation of outstanding awards, if the Company is the surviving entity; (2) the assumption of the 2017 Plan and outstanding awards by the surviving entity or its parent; (3) the substitution by the surviving entity or its parent of awards with substantially the same terms for outstanding awards, including an award to acquire the same consideration paid to the shareholders in the transaction (subject to the equitable adjustment as appropriate); (4) the cancellation of outstanding awards in consideration for a payment of securities or cash equal to the sale or transaction price per share of common stock under vested awards, or in the case of an option or stock appreciation right, the difference between the sale or transaction price per share and the exercise price for all shares of stock to the extent vested; or (5) the cancellation of outstanding awards without payment of any consideration. If vested stock options or stock appreciation rights are canceled without consideration, participants will be given a 10-day period before any merger or consolidation to exercise such awards.

Capitalization Adjustments. If the Compensation and Stock Option Plan Committee determines that a change in our corporate capitalization will result in dilution or enlargement of the rights of participants under the 2017 Plan, then the Compensation and Stock Option Plan Committee will adjust any or all of (1) the aggregate number or class of securities reserved and available for awards, (2) the number and class of securities covered by outstanding awards, (3) the number and class of securities that may be purchased under incentive stock options, (4) the number of shares of

stock specified in the annual per-employee limitations, and (5) the exercise price or strike price relating to any stock option or stock appreciation right.

Tax Withholding. At such times as a participant recognizes taxable income in connection with an award granted under the 2017 Plan, the participant must pay to us an amount equal to the minimum federal, state and local income taxes and other amounts as may be required by law to be withheld by us in connection with the taxable event.

Amendments to the 2017 Plan and Awards. The Board may amend or terminate the 2017 Plan at any time, but no amendment will be effective without the approval of our shareholders if shareholder approval is required by any law or securities exchange listing requirements. The Compensation and Stock Option Plan Committee may amend any award granted under the 2017 Plan. However, no amendment or modification may reduce the exercise price or strike price of any stock option or stock appreciation right or otherwise result in a “repricing” of the stock option or stock appreciation right without shareholder approval. In addition, no amendment of the 2017 Plan or any award may impair the rights or increase the obligations of any participant with respect to any outstanding award without the consent of the participant.

Limited Acceleration of Vesting. The 2017 Plan permits the Compensation and Stock Option Plan Committee to accelerate the exercisability of a stock option or stock appreciation right or the vesting of any other award granted under the 2017 Plan only on a participant’s death or disability or in the event of a change in control under which the award will not be continued, assumed or substituted by the surviving entity or its parent.

Clawback or Recoupment. Awards granted under the 2017 Plan will be subject to any clawback policy adopted by the Company, the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and the Sarbanes-Oxley Act of 2002, each as amended, and any rules, regulations or binding guidance published thereunder. In addition, any incentive-based compensation payable to a participant under the 2017 Plan may be subject to clawback in the circumstances, to the extent, and in the manner, required by Section 10D(b)(2) of the Exchange Act, as interpreted by rules of the Securities and Exchange Commission.

Award Transferability. Participants will not be permitted to transfer any award granted under the 2017 Plan other than by will or by the laws of descent and distribution, and any stock option will be exercisable during the participant’s lifetime only by the participant or his or her guardian or legal representative. However, the Compensation and Stock Option Plan Committee may permit awards other than incentive stock options to be transferred to the participant’s immediate family members, to a trust solely for the benefit of such immediate family members or to a partnership in which such family members or trusts are the only partners.

U.S. Federal Income Tax Consequences of Awards under the 2017 Plan

The following is a general summary of the material U.S. federal income tax rules applicable to awards under the 2017 Plan and is intended to reflect the current provisions of the Internal Revenue Code (the “Code”) and the regulations thereunder. This summary is not intended to be a complete statement of applicable law, nor does it address foreign, state, local or payroll tax considerations. Moreover, the U.S. federal income tax consequences to any particular participant may differ from those described herein by reason of, among other things, the particular circumstances of such participant. This summary is for general information and is not tax advice.

Stock Options. Stock options granted under the 2017 Plan may be intended to qualify as incentive stock options under Code Section 422 or may be nonqualified stock options governed by Code Section 83. A participant generally will not recognize any taxable income and we will not be entitled to a tax deduction on the grant of a stock option. On exercise of a nonqualified stock option a participant generally will have ordinary taxable income equal to the difference between the market value of the acquired stock on the exercise date and the exercise price for those shares. Subject to satisfying applicable reporting requirements and any deduction limitation under Section 162(m) or 280G of the Code for certain individuals, as discussed below, we generally will be entitled to a corresponding federal income tax deduction. A participant generally will not have taxable income on exercise of an incentive stock option and we will not be entitled to a deduction. However, the difference between the market value of the acquired stock on the exercise date and the exercise price for those shares could result in alternative minimum tax liability for the participant. A participant’s disposition of shares acquired on exercise of any stock option will ordinarily result in capital gain or loss. However, a disposition of shares acquired on exercise of an incentive stock option less than two years after the grant

date or one year after the exercise date generally will result in ordinary taxable income equal to the difference between the market value of the acquired stock on the exercise date and the exercise price for those shares, with any excess of the amount received by the participant over the market value of the stock on the exercise date being treated as capital gain. We may be entitled to a deduction corresponding to the participant's ordinary taxable income in the case of such a disposition.

Restricted Awards and Performance Awards. Restricted awards and performance awards generally are not taxable on grant, but are taxable when they are no longer subject to a "substantial risk of forfeiture," in the case of restricted stock or performance stock, or when shares are issued or cash is paid in connection with the vesting of restricted

stock units or performance stock units. The amount to be included in a participant's taxable income is the market value of the stock, or the amount of cash paid, at the appropriate time. However, within 30 days of receiving a restricted stock or performance stock grant, a participant may elect under Code Section 83(b) to recognize ordinary taxable income in the year of grant equal to the market value of the shares on the date of grant. If such election is timely made, the participant will not recognize any additional income when the restricted stock or performance stock is no longer subject to a substantial risk of forfeiture, if ever. Subject to satisfying applicable income reporting requirements and any deduction limitation under Code Section 162(m) or 280G, we generally should be entitled to an income tax deduction in the same amount and at the same time as the participant recognizes ordinary income. A participant's disposition of shares received under a restricted award or performance award generally will result in a capital gain or loss.

Stock Appreciation Rights. A participant generally will not recognize income on grant of a stock appreciation right. When the participant exercises the stock appreciation right, he or she will have ordinary taxable income equal to the market value of the stock or cash received. Subject to satisfying applicable income reporting requirements and any deduction limitation under Code Section 162(m) or 280G, we generally should be entitled to an income tax deduction in the same amount and at the same time as the participant recognizes ordinary income.

Internal Revenue Code Section 162(m). In general, Code Section 162(m) denies a publicly held corporation a deduction for U.S. federal income tax purposes for compensation in excess of \$1 million per year per person to its principal executive officer and the three other officers (other than the principal executive officer and principal financial officer) whose compensation is disclosed in its proxy statement as a result of their total compensation, subject to certain exceptions. The 2017 Plan is intended to satisfy an exception with respect to grants of stock options and stock appreciation rights with an exercise or strike price equal to or greater than the fair market value of our common stock on the date of grant. In addition, the 2017 Plan is designed to permit the grant of certain performance stock and performance stock unit awards intended to qualify under the "performance-based compensation" exception to Code Section 162(m). However, the Company reserves the authority to award non-deductible compensation as it deems appropriate. In addition, there may be ambiguities regarding how the conditions to qualify as "performance-based compensation" will be interpreted and administered under the income tax regulations, so that awards intended to qualify as deductible may not so qualify. Accordingly, there is no certainty that all awards granted under the 2017 Plan will in fact be deductible. We have not requested a ruling from the Internal Revenue Service or an opinion of counsel regarding this issue.

Internal Revenue Code Section 280G. Under certain circumstances, the granting or enhancement of awards, the accelerated vesting or exercise of stock options and stock appreciation rights or the accelerated lapse of restrictions with respect to other awards in connection with a change in control could be deemed an "excess parachute payment" under the golden parachute tax provisions of Code Section 280G. To the extent so considered, the participant could be subject to a 20% excise tax and we could be denied a federal income tax deduction.

New Plan Benefits

Because all grants and awards under the 2017 Plan are entirely within the discretion of the Compensation and Stock Option Plan Committee, the total benefits allocable under the 2017 Plan in the future are not determinable. Therefore, we have omitted the tabular disclosure of the benefits or amounts allocated under the 2017 Plan. No grants or awards have been made under the 2017 Plan to date and no grants or awards will be made under the 2017 Plan unless and until the 2017 Plan is approved by the shareholders.

Consideration of Director Nominees

Under our Bylaws, the Nominating/Governance and Compliance Committee of our Board of Directors recommends to the Board all candidates for election by our shareholders at each annual meeting of shareholders. Although the Board has not formally established criteria for Board membership, the Board does consider several factors before recommending a candidate for Board membership. These factors include the following:

- the experience level, mix of skills and other business qualities a potential nominee may possess;
- the general experience and skill levels of current Board members;
- the potential nominee's experience with accounting rules and practices;
- the verification of background, work, and education of a potential nominee; and
- other factors as the Nominating/Governance and Compliance Committee may deem in the best interests of our shareholders.

In addition, the Nominating/Governance and Compliance Committee will recommend director candidates in order to ensure that:

- a majority of the Board of Directors are "independent" as defined by NASDAQ and SEC rules;
- each of the Audit, Compensation and Stock Option Plan, and Nominating/Governance and Compliance Committees are comprised entirely of independent directors; and
- at least one member of the Audit Committee has the experience, education and qualifications necessary to qualify as an "audit committee financial expert" as defined by the SEC.

The Nominating/Governance and Compliance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The Nominating/Governance and Compliance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or that has been properly recommended to it by a shareholder and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a director for re-election, the Nominating/Governance and Compliance Committee will also consider the director's past performance on the Board. The Nominating/Governance and Compliance Committee will evaluate all proposed director candidates based on the same criteria, with no regard to the source of the initial recommendation of the proposed director candidate.

The Nominating/Governance and Compliance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating/Governance and Compliance Committee believe it is important that Board members represent diverse viewpoints. In considering candidates, the Nominating/Governance and Compliance Committee considers the entirety of each candidate's credentials, including such candidate's diverse skills, experience and qualifications.

If a shareholder would like our Nominating/Governance and Compliance Committee to consider specific candidates for nomination to the Board, a shareholder should deliver written notice to our Corporate Secretary at our corporate headquarters, located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019, or by fax at (972) 471-1571. As

required by our Bylaws, written notice of such proposed candidates for director should be delivered no later than December 31, 2017 to allow the Board time to consider such persons for nomination at our 2018 Annual Shareholders' Meeting. The written notice should include the candidates' full name, age, biographical background, and qualifications. If

22

a shareholder intends to present a director nomination at the 2018 Annual Shareholders' Meeting, the shareholder should follow the procedures described on page 5 of this proxy statement.

Board Leadership Structure and Role in Risk Oversight

Meetings of the Board are presided over by the Chairman of the Board, currently Mr. J. Stanley Fredrick. Our Bylaws do not require that the Chairman be independent. However, the Board believes in the separation of the Chairman and CEO roles. Most important among the considerations to keep these roles separate was that the separation of the Chairman and CEO positions allows our CEO to focus on operational issues and the Chairman to focus on governance and other related issues.

In addition, we believe that the effectiveness of the Board is enhanced by having separate Chairman and CEO positions.

It is management's responsibility to manage risk and bring to the Board's attention any material risks facing the Company. The Board, as a whole and through its committees, regularly reviews various areas of significant risk, and advises and directs management on the scope and implementation of policies, strategic initiatives and other actions designed to mitigate various types of risks. Specific examples of risks primarily overseen by the full Board include competition risks, industry risks, economic risks, liquidity risks, business operations risks, cybersecurity and data privacy risks, regulatory risks, and risks posed by significant litigation matters. Our Audit Committee regularly discusses with management and the independent auditors significant financial risk exposures and the processes management has implemented to monitor, control and report such exposures. Specific examples of risks primarily overseen by the Audit Committee include risks related to the preparation of the Company's financial statements, disclosure controls and procedures, internal controls and procedures required by the Sarbanes-Oxley Act of 2002, accounting, financial and auditing risks, matters reported to the Audit Committee through the internal audit department and through anonymous reporting procedures.

Director Independence

The Board has determined that each of Messrs. Gilbert, Jobe, Schrier, and Toth and Dr. Ferrell qualify as “independent” as defined by applicable NASDAQ and SEC rules. In making this determination, the Board has concluded that none of these members has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Committees of Our Board of Directors

During 2016, the Board had four committees and one subcommittee with various functions. All committee members attended all of their regularly scheduled committee meetings. Compensation of Directors

We compensate our non-employee directors for serving and participating on the Board, for chairing committees, and for attending Board and Board committee meetings. Our Nominating/Governance and Compliance Committee reviews the compensation of our non-employee directors and recommends to the Compensation and Stock Option Plan Committee any changes to director compensation that the Nominating/Governance and Compliance Committee deems appropriate. Our Compensation and Stock Option Plan Committee then reviews such recommendations and after due deliberation and consideration approves any such changes it deems appropriate and recommends them to the Board. The Board then reviews such recommendations and after due deliberation and consideration approves any such changes it deems appropriate. Non-employee director fees during 2016 were as follows:

	Board Member	Audit Committee	Compensation and Stock Option Plan Committee	Nominating/ Governance and Compliance Committee	Associate Compliance Sub-Committee	Science and Marketing Committee
Chairman fee ⁽¹⁾	\$372,910	\$ 20,000	\$ 18,000	\$ 12,500	\$ 5,000	\$ 7,500
Vice Chairman fee ⁽¹⁾	\$100,000	\$ —	\$ —	\$ —	\$ —	\$ —
Independent director retainer ⁽¹⁾	\$70,000	\$ —	\$ —	\$ —	\$ —	\$ —
Telephonic meeting fee	\$500	\$ 500	\$ 500	\$ 500	\$ 500	\$ 500
Re-elected Board members ⁽²⁾	\$—	\$ —	\$ —	\$ —	\$ —	\$ —

(1) The Chairman fee, Vice Chairman fee, and director retainer are paid monthly during the calendar year.

Each non-employee director re-elected to the Board by our shareholders was granted 5,000 stock options. The stock options are priced on the date of grant and expire in ten years. One-third of the stock options vest on the date of grant, another one-third of the stock options vest on the first anniversary date of grant, and the remaining one-third of the stock options vest on the second anniversary of the date of grant.

All directors are reimbursed for any reasonable out-of-pocket travel expenses in connection with their travel to and attendance at any of the Board's meetings or committee meetings.

For fiscal year 2016, the annual retainer for independent directors was \$70,000. Directors received a \$500 fee for attending telephonic board and committee meetings. The Directors did not receive any fees for attending in-person board or committee meetings. The Board added an equity component to the compensation package at the November 2015 Board meeting whereby in addition to the retainer and fees, the Directors would receive \$35,000 in a restricted stock grant, with 1/3 vesting immediately, 1/3 after one year, and 1/3 after two years. However, at the December 2016 Board meeting, the Board approved accelerating the vesting schedule of the equity award so that the last two years of the award vested as of the closing stock price on December 7, 2016.

For fiscal year 2017, the annual retainer for independent Directors remains at \$70,000 and the telephonic Board and telephonic committee meeting fees and chairman, vice chairman, and committee chairman fees will remain at the 2016 levels. The equity component remains at \$35,000; however, at its December 2016 meeting, the Board approved changing the equity component from a restricted grant to immediate vesting each year beginning on the first trading day of January for the respective year. For January 2017, the grant immediately vested on January 3, 2017.

Equity Compensation Plan Information

We use stock option plans to encourage investment by our officers, employees, and non-employee directors in shares of our common stock so they will have an increased vested interest in and greater concern for Mannatech's welfare.

The Board and a majority of our shareholders approved the Mannatech, Incorporated 2008 Stock Incentive Plan in February 2008 and in 2012 and 2014 amended the plan to increase the number of shares of common stock subject to the plan (as amended, the "2008 Plan"). Our 2008 Plan enables us to attract and retain employees, consultants and directors who will contribute to our long-term success and aligns the interests of those individuals with the interests of our shareholders. Awards of stock options, including incentive and non-statutory stock options, and restricted stock may be issued under our 2008 Plan. The Compensation and Stock Option Plan Committee administers the 2008 Plan. The 2008 Plan is our only equity compensation plan in effect as of December 31, 2016.

There are 330,000 shares of our common stock currently reserved for issuance under our 2008 Plan, which does not include certain shares available for issuance under our predecessor stock plan. In the event of certain changes to our common stock, including due to a merger, consolidation, reorganization, reincorporation, stock dividend, non-cash dividend, stock split, liquidation, combination, stock exchange, or change in corporate structure, we may adjust the number of shares subject to our 2008 Plan and to any outstanding awards.

Generally, the exercise price with respect to stock options granted pursuant to our 2008 Plan cannot be less than 100% of the fair market value per share of our common stock on the date of grant. Unless the Compensation and Stock Option Plan Committee specifies otherwise, in general, stock options vest annually over a two- or three- year period and have a ten-year term.

Participants in our 2008 Plan may pay the exercise price for stock options in cash, shares of common stock, via a broker-assisted cashless exercise method or in any other form of legal consideration that the Compensation and Stock Option Plan Committee approves.

Our 2008 Plan also permits awards of restricted shares of our common stock, or restricted stock, and the Compensation and Stock Option Plan Committee determines the vesting schedule for such restricted stock.

If we undergo a change in control or certain other significant corporate transactions, our 2008 Plan provides that we may assume, continue, substitute for, or cancel any outstanding awards. For purposes of our 2008 Plan, a “change in control” generally means (i) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of our assets to a third-party, (ii) the replacement of the majority of the incumbent members of the Board, (iii) the adoption of a plan relating to our

liquidation or dissolution, or (iv) the consummation of any transaction (including a merger or consolidation) that results in a third-party becoming the beneficial owner of more than 50% of our voting power.

In the event that any award under our 2008 Plan is determined to be nonqualified deferred compensation subject to Section 409A of the Code, the award will have to comply with certain technical tax limitations with respect to when awards may be exercised or paid for.

Our 2008 Plan will terminate automatically on February 20, 2018, unless the Board terminates it sooner. The Board may amend our 2008 Plan at any time but to the extent shareholder approval is necessary pursuant to the 2008 Plan or marketplace rules of NASDAQ, an amendment may not become effective until we obtain shareholder approval. If the shareholders approve the 2017 Plan, no further awards will be granted thereafter under the 2008 Plan.

The following table provides information as of April 21, 2017 about our common stock that may be issued upon the exercise of stock options under the 2008 Plan.

Non-Equity Incentive Plan

We award annual cash bonuses under our Management Non-Equity Incentive Bonus Plan for achievement of specified performance objectives within a specific performance period, which is typically one year or less. We make awards from an established incentive pool. The Compensation and Stock Option Plan Committee determines the total size of our incentive pool by taking into account our financial performance. We believe this pool-based bonus system helps foster teamwork and ensures that all executives work collectively to improve our performance.

2016 Non-Equity Incentive Plan

For 2016, the Board has approved two bonus opportunities for our Named Executive Officers, regional presidents and other senior executives designated by the Compensation and Stock Option Plan Committee under our Management Non-Equity Incentive Bonus Plan. The common measurement for both bonus opportunities is based on Operating Profit, as determined by generally accepted accounting principles (“GAAP”).

Our Named Executive Officers and other senior management designated by the Compensation and Stock Option Plan Committee were eligible for a bonus if the Company achieved Operating Profit targets as of the end of fiscal year 2016. To achieve a bonus opportunity, the actual Operating Profit for fiscal year 2016 must have been equal to or greater than the Operating Profit targets as set forth below. The maximum potential bonus that senior executives, Messrs. Bala, Bikman, L. Fredrick, Johnson, Park, and Simons, are entitled to receive under this bonus opportunity is 100% of their respective base salaries. The maximum potential bonus for other executives is either 12.50% or 25% depending on the actual Operating Profit target achieved. Bonuses are earned and payable after the Audit Committee has accepted the financial statements for full-year 2016.

The following table represents the 2016 Operating Profit targets and bonus opportunities:

2016 Operating Profit Targets – Annual Bonus

	1st Target	2nd Target	3rd Target	4th Target
Operating Profit Target ⁽¹⁾	\$12.5 million	\$13.5 million	\$16.0 million	\$18.0 million
Senior Executive Bonus Opportunity ⁽²⁾	25%	50%	75%	100%
Executive Bonus Opportunity ⁽³⁾	12.50%	25%	—%	—%

⁽¹⁾ After accrual of Annual Bonus Opportunity

⁽²⁾ Messrs. Bala, Bikman, L. Fredrick, Johnson, Park, and Simons are eligible for the Senior Executive tier of the 2016 Mannatech Management Bonus Plan.

⁽³⁾ This bonus tier is reserved for other members of senior management as designated by the Compensation and Stock Option Plan Committee.

For the year ending December 31, 2016, the Company earned \$0.7 million in operating income, and the 1st Operating Profit target was not achieved.

401(k) Plan

On May 9, 1997, we adopted a 401(k) Pre-tax Savings Plan (the “401(k) Plan”). All full time employees, including our Named Executive Officers, who have completed three months of service and are at least 21 years of age are eligible to participate in our 401(k) Plan. During 2016, employees were allowed to contribute to our 401(k) Plan up to the maximum annual limit of their current annual compensation, as statutorily prescribed. The 401(k) plan permits matching employer contributions in the amount of \$0.50 for each \$1.00 contributed by a participating employee up to a maximum of 6% of the participant’s annual salary. The 401(k) Plan also allows us to make discretionary profit-sharing contributions each year based upon our profit. Employee contributions and our matching contributions are paid to a corporate trustee and are invested as directed by the participant. Our contributions to our 401(k) Plan vest over five years or earlier if the participant retires at age 65, becomes disabled, or dies. Payments to participants may be made in the case of financial hardship, and distributions may be made in a lump sum. Our 401(k) Plan is intended to qualify under Section 401(a) of the Code, so that contributions made by employees or by us to our 401(k) Plan, and income earned on these contributions, are not taxable to our employees until withdrawn from the 401(k) Plan.

Potential Payments Upon Termination or Change in Control

Mr. Bala and Mr. Park are the only Named Executive Officers who have employment agreements with the Company. Each employment agreement provides for certain payments and benefits in the event of early termination. However, none of these employment agreements requires payment upon a change in control of the Company. The 2008 Plan does, however, provide for accelerated vesting of options in the event of a change in control or other event for which the Board determines such accelerated vesting would be equitable under the circumstances. In addition, the 2008 Plan provides that upon termination of employment for cause, all outstanding options, whether vested or unvested, will immediately be forfeited. If employment is terminated for any other reason, the executive officer may, for a limited time period, exercise those options that were exercisable immediately prior to his or her termination of employment. For purposes of the 2008 Plan, the term “cause” will be the same as defined in an executive’s employment agreement and absent such agreement, the term “cause” means (i) the commission of a felony or crime involving moral turpitude or other act of willful malfeasance or material fiduciary breach, (ii) conduct tending to bring the Company into substantial public disgrace, or disrepute, (iii) gross negligence or willful misconduct with respect to the Company or (iv) a material violation of state or federal securities laws. Under the 2008 Plan, a “change of control” means (a) the sale of substantially all of the

properties or assets of the Company, (b) a change in the Board resulting in the current directors (along with any directors nominated for election or appointed by at least 2/3 vote of the directors) ceasing to comprise at least a majority of the Board, (c) the liquidation or dissolution of the Company, or (d) the acquisition of beneficial ownership of more than 50% of the voting power of the Company. The following discussion summarizes our payment obligations to our Named Executive Officers upon termination or change in control (as defined under “Equity Compensation Plan Information” above) assuming such termination or change in control occurred on December 31, 2016:

Alfredo (Al) Bala – President:

Under the terms of his employment agreement, if Mr. Bala resigns for good reason or we terminate Mr. Bala without cause or due to disability, he will continue to receive his base salary through the end of the agreement term or for a period of twelve months from his last day of employment, whichever is longer. Notwithstanding the statement above, if Mr. Bala’s employment is terminated for cause, if he resigns without good reason, or is terminated due to his death, he is entitled to (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Under the agreement, a termination for “cause” means (A) we have determined that Mr. Bala has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under the agreement, (B) Mr. Bala’s violation of any provision or obligation under the agreement, (C) Mr. Bala’s indictment for, or plea of no contest with respect to, any crime that adversely affects the utility of his services to us, or (D) any other act or omission of Mr. Bala involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. The agreement defines a resignation for “good reason” as (W) any denial of compensation due and owing to Mr. Bala under the agreement, (X) any requirement that Mr. Bala be based anywhere other than Dallas County, Texas, except for travel incident to our business, (Y) our demotion of Mr. Bala in title or pay, or our removal of a material portion of Mr. Bala’s significant duties or responsibilities without Mr. Bala’s consent, or (Z) our material breach of the agreement. For purposes of the agreement, the term “disability” means Mr. Bala becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Mr. Bala mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2016, Mr. Bala’s annual base salary was \$400,000. Mr. Bala’s employment agreement will renew automatically for a one year period on September 30 of each year unless terminated pursuant to its terms.

The following table shows the potential payments upon termination of Mr. Bala’s employment under the circumstances described above or the occurrence of a change in control assuming such termination or change in control occurred on December 31, 2016.

Under the terms of his employment agreement with Mannatech Korea, Ltd., a subsidiary of the Company, Mr. Park shall receive an end of service payment, regardless of the reason for termination of employment, which will accrue at the rate of forty-five days base salary for each consecutive year of service. Either party may terminate the agreement at any time by giving thirty days advance notice to the other party. The Company may terminate the agreement without notice if Mr. Park materially breaches his duties as set forth in the agreement or in the Company's regulations or, in the absence of such breach, if the Company pays Mr. Park thirty days base salary in lieu of such advance notice. As of December 31, 2016, Mr. Park's annual base salary was 330,000,000 KRW. Mr. Park's employment agreement will renew automatically for a one-year period on September 30 of each year unless terminated pursuant to its terms.

\$1 Million Pay Deductibility Cap

Under Section 162(m) of the Code (as interpreted by IRS Notice 2007-49), public companies are precluded from receiving a tax deduction on compensation paid to their chief executive officer and the three most highly compensated officers of the company (other than the chief executive officer and the chief financial officer) if such officer's compensation exceeds \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. Currently, our executive officers' cash compensation levels have not exceeded the \$1 million limit, and our stock option grants qualify as performance-based compensation under Section 162(m). Nonetheless, we annually review all of our executive officers' compensation in an effort to comply with Section 162(m).

Robbins was less than \$0.1 million, and he was paid \$13,500 for consulting services related to our associate commission plan. Dawn Robbins, the wife of Mr. K. Robbins, is not an independent associate with the Company; however, she does have a member account. Members do not participate in the commission plan and do not earn commissions or incentives under the

Company's global associate career and compensation plan. As noted above, Mr. K. Robbins' sister, Marla Finley, and sister-in-law, Demra Robbins, share an account and are also independent associates earning commissions under the plan. Additionally and as noted above, the Company contracted with a software development firm owned by Ryan Robbins, Mr. K. Robbins' brother. The value of the services performed during each of 2016 and 2015 by Mr. Ryan Robbins was less than \$0.1 million.

Transactions involving Alfredo (Al) Bala

Johanna Bala, the wife of Alfredo (Al) Bala, the Company's CEO and President, is an independent associate who earns commissions and incentives in accordance with the Company's global associate career and compensation plan. The aggregate amount of commission and incentives paid to Johanna Bala was approximately \$0.1 million and \$0.2 million in 2016 and 2015, respectively. During the first quarter of 2017, the aggregate amount of commissions and incentives paid to Johanna Bala was less than \$0.1 million.

Review and Approval of Related Party Transactions

Our Audit Committee reviews all relationships and transactions, including relationships and transactions with our directors, director nominees, executive officers and their immediate family members, as well as holders known by us to own more than 5% of any class of our voting securities and their family members, who have a direct or indirect material interest. Although the Board does not have a formal policy with respect to related party transactions, in approving or rejecting such proposed transactions, our Audit Committee considers the nature of the related party transaction, the amount and material terms of the transaction, whether the transaction is on terms no less favorable to Mannatech than terms generally available in a similar transaction with an unaffiliated third party, whether the transaction would impair the judgment of a director or executive officer to act in the best interest of Mannatech, and other facts and circumstances available and deemed relevant to our Audit Committee.

REPORT OF THE AUDIT COMMITTEE

Our purpose is to assist the Board in overseeing its financial reporting, internal controls, and audit functions. Larry A. Jobe has been the Audit Committee's Chairman since February 2007 and is designated by the Board as the financial expert of our Audit Committee. Other members include Messrs. Gerald E. Gilbert, Eric W. Schrier and Robert A. Toth. The Board has determined that each of the Audit Committee's members meet the independence and financial literacy requirements for purposes of serving on such committee under applicable rules of NASDAQ and the SEC. We operate under a written charter adopted by the Board. We review and address the adequacy of our charter on an annual basis. See our Fifth Amended and Restated Charter of the Audit Committee, which is posted on the Company's corporate website at ir.mannatech.com.

We are responsible for reviewing the Company's consolidated financial statements, its systems of internal controls, and internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). Our activities are in no way designed to supersede or alter our responsibilities or the responsibilities of the Company's independent registered public accounting firm. We assist the Board in fulfilling its responsibilities for oversight of the quality and integrity of the Company's accounting, auditing, and reporting practices, and such other duties as directed by the Board. Our role does not provide any special assurances with regard to the Company's consolidated financial statements, nor does it involve a professional evaluation of the quality of audits performed by the Company's independent registered public accounting firm. We strengthened our ability to assist the Board of Directors, and formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of high level employees and officers who report to us and the Company's Chief Executive Officer and Chief Financial Officer. The Disclosure Committee is responsible for reviewing all of the Company's filings with the SEC. We have furnished the Board with the following report:

We have reviewed and discussed with the Company's management their consolidated audited financial statements as of and for the year ended December 31, 2016, and the certification process required by the Sarbanes-Oxley Act of 2002. The Company has represented to us that its consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have also discussed the following with BDO USA, LLP, the Company's independent registered public accounting firm: (i) the auditor's responsibilities, (ii) any significant issues arising during the audit, and (iii) other matters required to be discussed by Auditing Standard No. 16, "Communications with Audit Committees." We received the written disclosures from BDO USA, LLP required by Rule 3520 of the PCAOB. We have discussed with the Company's independent registered public accounting firm the accounting firm's independence from Company management. In addition, we have discussed the adequacy of the Company's internal control over financial reporting with the Company's independent registered public accounting firm and its management.

Based on the review and discussions referred to above, we recommended to the Board and the Board subsequently approved, that the Company's year-end audited consolidated financial statements be included in the Company's 2016 Annual Report on its Form 10-K for the year ended December 31, 2016 for filing with the SEC.

MANNATECH, INCORPORATED
FREQUENTLY ASKED QUESTIONS

Our Board of Directors (the “Board”) urges all shareholders to read all of the information included in the proxy materials provided to them. As a courtesy, the Board is providing each shareholder with the following list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and keeping our shareholders informed of the various policies and procedures that must be followed for the 2017 Annual Shareholders’ Meeting.

1. Why did I receive a Notice of Internet Availability of Proxy Materials this year instead of a paper copy of the proxy materials?

Pursuant to rules promulgated by the SEC, we are providing access to our proxy materials over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access our proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials by mail.

2. Why didn’t I receive a Notice of Internet Availability of Proxy Materials?

We are providing some of our shareholders, including those who have previously requested to receive paper copies of the proxy materials, with paper copies of the proxy materials instead of the Notice of Internet Availability of Proxy Materials. In addition, we are providing the Notice of Internet Availability of Proxy Materials by e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where materials are available.

If you received a paper copy of the proxy materials, you may elect to receive future proxy materials electronically by following the instructions on your proxy card or voting instruction form. Choosing to receive your future proxy materials by e-mail will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials.

3. How can I access the proxy materials over the Internet?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to view our proxy materials for the 2017 Annual Shareholders’ Meeting on the Internet. Our proxy materials are also available on our company website at ir.mannatech.com.

4. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is mailed to a shareholder. The proxy-voting card gives specific instructions on how to cast a vote prior to our 2017 Annual Shareholders’ Meeting by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns shares directly or through a broker. Shareholders should read and follow all of the instructions in their packets to ensure their votes are counted. Ballots will be handed out at the 2017 Annual Shareholders’ Meeting to shareholders of record who own shares on the close of business on April 13, 2017 and to beneficial owners who own shares on the close of business on April 13, 2017 that have obtained a legal proxy from their broker of record.

5. What shares owned by a shareholder can be voted either by proxy or at the 2017 Annual Shareholders’ Meeting?

All shares owned directly by a shareholder of record or indirectly as a beneficial owner as of the record date, April 13, 2017, may be voted by the shareholder prior to the meeting by telephone or through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person. At the 2017 Annual Shareholders’ Meeting, shares may be voted using a ballot by (i) shareholders of record who are verified with a valid form of identification and (ii) beneficial owners who are verified with a power of attorney from the broker of record giving them authority to vote at the meeting. If a shareholder does not have this information from his or her broker, our Inspector of Elections will not be able to count such shareholder’s vote because the broker may have already cast a vote on such shareholder’s behalf. We strongly recommend that a shareholder read the instructions on the Notice of Internet Availability of Proxy Materials or on the proxy-voting card received by the shareholder or provided by the shareholder’s broker prior to the 2017 Annual Shareholders’ Meeting to understand how to cast a vote at the meeting. A shareholder’s broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

6. What is the difference between direct ownership and beneficial ownership?

A shareholder has **DIRECT OWNERSHIP** over its shares if such shareholder is a holder of record of our common stock, meaning the shareholder either holds stock certificates in the shareholder's own name or holds book-entry shares registered in the shareholder's own name. This is evidenced by the shareholder's receipt of all mailings directly from either our transfer agent, Computershare, or us. A shareholder has **BENEFICIAL OWNERSHIP** over its shares if such shareholder has delivered its stock certificates to a broker or purchased shares through a broker and receives all of our mailings either from a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc. As a beneficial owner, the shareholder still owns the shares, but our transfer agent does not have individual shareholders' names from the brokers. The only information our transfer agent has is the aggregate total number of shares each broker of record holds on behalf of its clients.

7. How is voting different for direct holders versus beneficial owners?

Our transfer agent has the names of the shareholders who directly hold shares of our common stock, but it does not have any detailed information (such as the individual names or number of shares held) concerning shareholders who own shares through brokers. Only the individual brokers have the detailed information about each shareholder's beneficial ownership. Each brokerage group is responsible for reporting its clients' votes to our transfer agent and for providing all mailings to our shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm.

8. What does it mean if I received more than one set of materials?

This means your shares are registered with different names. For example, you may own some shares directly as a "holder of record" and other shares through a broker in "street name," or you may own shares through more than one broker. In these situations, you may receive multiple sets of proxy materials. It is necessary for you either to attend in person (please note, however, that if a broker or other nominee holds your shares of record and you wish to vote at the meeting, you must obtain from that registered holder a proxy card issued in your name), follow the instructions to vote your shares by telephone or through the Internet provided in the Notice of Internet Availability of Proxy Materials or return a signed, dated and marked proxy card if you received a paper copy of the proxy card. If you vote by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

9. Can I change my proxy vote?

Both direct shareholders and beneficial shareholders can revoke a proxy-vote prior to commencement of the 2017 Annual Shareholders' Meeting. Attendance at the 2017 Annual Shareholders' Meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally, shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at our 2017 Annual Shareholders' Meeting. Shareholders should call the telephone number listed within the shareholder information packets to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke a proxy-vote may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder.

Each set of instructions should include the shareholder's account number and the solicitor's telephone number and email address. Our Inspector of Elections will only count the verified proxy-votes received from each shareholder and brokerage firm with the latest date. Each share of our common stock represents one vote. Shareholders should call the telephone number provided to them in their shareholder information packets if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

10. How can I attend the 2017 Annual Shareholders' Meeting?

The 2017 Annual Shareholders' Meeting will be held on June 8, 2017 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in. No cameras or recording equipment will be permitted in the meeting room.

11. Where can I find the voting results of the 2017 Annual Shareholders' Meeting?

We will announce preliminary voting results of the 2017 Annual Shareholders' Meeting in a press release issued on or about June 8, 2017 and will publish final voting results on Form 8-K, which is expected to be filed with the Securities and Exchange Commission ("SEC") on or before June 8, 2017.

12. Can I have someone else cast a vote for me at the 2017 Annual Shareholders' Meeting?

In order to have someone else cast your vote at the meeting, you must provide the person with whom you would like to cast your vote a power of attorney form. This person is called a shareholder designee ("designee"). A valid power of attorney form must be notarized and contain the following:

- the date;
- the full name of the designee;
- the number of shares you hold and to be voted by the designee;
- the nature and extent of the authority granted to the designee;
- the expiration date that terminates the designee's rights to cast your vote on your behalf; and
- your signature.

The original power of attorney form must be attached to the ballot that is turned in at the meeting by the designee. If you are a beneficial owner, you must also provide the proper documentation from your broker of record to the designee, which would allow you to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at the 2017 Annual Shareholders' Meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as your designee.

13. How can I vote against some or all of the nominees for the Board?

To vote against some or all of our Board nominees, you should check the "WITHHOLD ALL" or the "FOR ALL EXCEPT" boxes next to the name of each of the applicable nominees on the proxy-voting card or ballot.

14. How can I write-in a nominee for the Board?

You CANNOT write-in additional Board nominees on your proxy-voting card when voting by mail, telephone, or the Internet. You may ONLY write-in the names of additional nominees for whom you wish to vote in person on the ballot at the 2017 Annual Shareholders' Meeting.

To write-in a nominee on the ballot at the 2017 Annual Shareholders' Meeting, you should check the "WITHHOLD ALL" or "FOR ALL EXCEPT" box and identify the nominees for which you desire to vote against. You should then write-in your nominee(s) in the blank provided. You may only write-in as many nominees as you voted against. For example, if there were a total of two nominees listed on the ballot and you withheld a vote for one of the two nominees, one additional nominee may be written in.

15. How can I recommend that a person be listed on the ballot as a nominee for the Board?

Shareholder recommendations for nominee(s) for the Board should have been submitted to our General Counsel by December 31, 2016, in order for the Board to have considered such persons for nomination at the 2017 Annual Shareholders' Meeting. Nominee recommendations should include a candidate's name, age, biographical information, and qualifications. Upon receipt, our General Counsel forwards the list of nominees to our Nominating/Governance and Compliance Committee. Our Nominating/Governance and Compliance Committee reviews all of the nominees and recommends a list of nominees to the Board. The Board then votes on the nominees. Only the nominees approved by the Board will be listed on our ballot, proxy-voting card, and in our proxy statement on Schedule 14A. To submit recommendations for a nominee to the Board at the 2018 Annual Shareholder Meeting, a shareholder should submit in writing the nominees information to our General Counsel by December 31, 2017. The nomination should be either faxed to (972) 471-1571 or mailed to our General Counsel at Mannatech, Incorporated, 600 S. Royal L
