REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Retirement Savings Plan Committee  
of Angelica Corporation

We have audited the accompanying statement of net assets available for benefits of The Angelica Corporation Retirement Savings Plan (the "Plan") as of December 31, 2003, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003, and the changes in net assets available for benefits for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2003 AND 2002

1. DESCRIPTION OF THE PLAN

The following description of The Angelica Corporation Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

GENERAL

The Plan, as amended and restated, was adopted by the Board of Directors of Angelica Corporation (the "Company") and is a defined contribution profit sharing plan which includes a 401(k) provision. The Company is the Plan Administrator and the assets of the Plan are held in trust by UMB Bank (the "Custodian").

ELIGIBLE PARTICIPANTS

All full-time, non-union employees who are residents of the United States and who have either (i) completed six months of service with the Company and are age 21 or older or (ii) completed two years of service, are eligible to participate in the Plan, except for certain classifications of employees who are excluded from Plan eligibility (as defined by the Plan).

CONTRIBUTIONS

Eligible employees may contribute up to 12% of their annual compensation to the Plan through payroll deferrals. For each plan year beginning on and after January 1, 2000, the Company provides a matching contribution in an amount equal to 30% of the deferred amount up to, but not exceeding 6% of annual compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings. Earnings allocations are based on the performance of the investment choices of each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

The salary deferral and Company matching contributions of each participant's account and earnings thereon are fully vested and nonforfeitable at all times.

PAYMENT OF BENEFITS

Participants are entitled to receive the balance of their accounts upon death, total disability, retirement or termination of employment, or upon request after reaching age 59-1/2. Participants who have suffered a hardship (as defined by the Plan) may also withdraw a portion of their account balances.

PARTICIPANT LOANS

The Plan allows participants to borrow from their account, subject to certain limitations. Loans bear interest at the prime rate plus 0.5% at the time the loan is made. All loans are secured by the participant's account. Principal and interest are paid ratably through payroll deductions. The outstanding participant loans at December 31, 2003 bear interest at rates ranging from 4.5% to 10% and are due at various dates through December 2008.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments in mutual funds are valued at reported net asset value at December 31 as determined by the fund manager.

Investment income is recorded as earned on the accrual basis.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

REPORT OF INDEPENDENT REGISTERED PUBLIC  
ACCOUNTING FIRM ON SUPPLEMENTARY INFORMATION

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held at end of year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management and has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
