NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 29, 2014

Dear Stockholders of Raptor Pharmaceutical Corp.:

On behalf of the Board of Directors of Raptor Pharmaceutical Corp., a Delaware corporation, we are pleased to deliver the accompanying proxy statement for our annual meeting of stockholders to be held at 8:00 a.m., local time, on July 29, 2014 at our corporate offices at 7 Hamilton Landing, Suite 100, Novato, California 94949, for the following purposes:

1. To elect eight directors named in the accompanying proxy statement to our Board of Directors to serve until our next annual meeting of stockholders or until their respective successors are duly elected and qualified.
2. To approve, on a non-binding, advisory basis, the compensation of our named executive officers, as disclosed in the proxy statement accompanying this notice of annual meeting of stockholders.
3. To ratify the appointment by the Audit Committee of our Board of Directors of Grant Thornton LLP as Raptor's independent registered public accounting firm for the year ending December 31, 2014.
4. To approve the Raptor Pharmaceutical Corp. 2013 Employee Stock Purchase Plan.
5. To transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

The foregoing matters are described more fully in the accompanying proxy statement. Our Board of Directors has fixed June 2, 2014 as the record date for the determination of stockholders entitled to notice of, and to vote at, our annual meeting and any adjournment or postponement thereof. Only holders of record of shares of our common stock at the close of business on the record date are entitled to notice of, and to vote at, our annual meeting.

We are pleased to take advantage of the U.S. Securities and Exchange Commission, or the SEC, rule that allows companies to furnish proxy materials to their stockholders over the Internet. As a result, we are mailing a notice of Internet availability of proxy materials, instead of a paper copy of our proxy materials, to our stockholders of record entitled to vote at our annual meeting. The notice of Internet availability of proxy materials contains instructions on how to access those documents over the Internet and also contains instructions on how to request a paper copy of our proxy materials, including our proxy statement, our 2013 Annual Report on Form 10-K and a form of proxy card. Certain stockholders also will receive a full set of the proxy materials by mail. The notice of Internet availability of proxy materials is expected to be mailed to stockholders of record entitled to vote at our annual meeting on or about June 19, 2014. The full set of proxy materials is expected to be mailed on or about June 19, 2014 to certain stockholders of record entitled to vote at our annual meeting.

Your vote is important. Please read the proxy statement carefully. Even if you plan to attend the annual meeting, for those stockholders who received a printed version of the proxy materials by mail, we request that you complete, sign and date the enclosed proxy card as promptly as possible and return it in the enclosed envelope to ensure that your shares are represented at the meeting. As instructed on the proxy card, the envelope requires no postage if mailed in the United States. For those stockholders who did not receive a printed version of the proxy materials by mail, please follow the instructions in the notice of internet availability of proxy materials on how to access the proxy materials over the internet or to request a paper copy of the proxy materials, and on how to vote. All stockholders may also vote

by telephone or internet, by following the instructions on the proxy card. If you vote by telephone or

internet, you do not have to mail in a proxy card. Voting in advance by mail, telephone or internet will not prevent you from voting in person at the annual meeting (and votes cast at the annual meeting will supersede votes previously submitted by you), but it will help to ensure a quorum and avoid added costs.

By Order of the Board of Directors,

/s/ Christopher M. Starr, Ph.D.

RAPTOR PHARMACEUTICAL CORP.
PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 29, 2014
GENERAL INFORMATION

This proxy statement is being furnished to holders of common stock, par value \$0.001 per share, of Raptor Pharmaceutical Corp., a Delaware corporation (unless the context otherwise requires, references herein to "Raptor," "the Company," "we," "us" and "our" refer to Raptor Pharmaceutical Corp., together with its subsidiaries), in connection with the solicitation of proxies by our Board of Directors for use at our 2014 annual meeting of stockholders to be held on July 29, 2014, at 8:00 a.m. local time at our corporate offices located at 7 Hamilton Landing, Suite 100, Novato, California 94949, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of annual meeting to stockholders. The specific proposals are described in more detail in this proxy statement. This proxy statement, the notice of annual meeting to stockholders, the accompanying form of proxy card and our annual report to stockholders will be made available on or about June 19, 2014 to stockholders of record as of the close of business on June 2, 2014, the record date for the annual meeting.

By properly completing and returning your proxy card, you will appoint Christopher M. Starr, Ph.D., and Georgia Erbez as your proxies at the annual meeting. Your proxies will vote your shares as you instruct, whether or not you attend the meeting. If you sign and return your proxy card but fail to instruct how to vote your shares, Dr. Starr or Ms. Erbez will vote your shares in accordance with the recommendations of our Board of Directors. Our Board of Directors recommends that you vote "FOR" the slate of directors nominated by our Board of Directors; "FOR" the approval, on a non-binding advisory basis, of the compensation of our Named Executive Officers; "FOR" the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2014 and "FOR" the approval of the Raptor Pharmaceutical Corp. 2013 Employee Stock Purchase Plan. We recommend that you vote by proxy in advance of the annual meeting.

The Board of Directors does not know of any matters to be presented at the annual meeting other than those listed on the notice of annual meeting to stockholders and described in this proxy statement. If another matter is properly brought before the meeting or any adjournment or postponement thereof, your proxies will vote your shares in accordance with their judgment if you have completed your proxy card and authorized them to do so.

The Board of Directors encourages you to attend the annual meeting in person. If you decide to change your vote, you may revoke your proxy any time before your vote is cast at the annual meeting by

- (i) giving written notice of revocation to our Corporate Secretary,
- (ii) submitting a signed proxy card bearing a date later than the date of the prior proxy card,
- (iii) voting again over the Internet or by telephone, or
- (iv) attending the annual meeting and voting in person.

Attendance at the annual meeting will not, in itself, constitute revocation of your proxy.

Our principal executive offices are located at 7 Hamilton Landing, Suite 100, Novato, California 94949 and our telephone number is (1-415) 408-6200 or, toll-free in the U.S. and Canada only, (1-877) RAPTOR9 (1-877-727-8679).

Purpose of the Meeting

At our 2014 annual meeting, stockholders will be asked to consider and vote upon the following matters:

1. Proposal No. 1 – to elect eight directors named herein to our Board of Directors to serve until our next annual meeting of stockholders or until their respective successors are duly elected and qualified;
2. Proposal No. 2 – to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers;
3. Proposal No. 3 – to ratify the appointment by the Audit Committee of our Board of Directors of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2014;
4. Proposal No. 4 – to approve the Raptor Pharmaceutical Corp. 2013 Employee Stock Purchase Plan; and
5. to transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

Record Date; Outstanding Shares

Who is entitled to vote?

Only stockholders of record at the close of business on June 2, 2014 are entitled to notice of and to vote at the annual meeting and any adjournment thereof. Such stockholders are entitled to cast one vote, in person or by proxy, for each share of common stock outstanding in his, her or its name on the books of the Company as of the record date on all matters properly submitted for the vote of stockholders at the annual meeting. As of June 2, 2014, 62,664,601 shares of common stock, par value \$0.001 per share, were issued and outstanding.

For information regarding security ownership by management and by the beneficial owners of more than 5% of our common stock, see the section of this proxy statement titled "Security Ownership of Certain Beneficial Owners, Directors and Management."

Voting

Stockholders have three options for submitting their votes prior to the annual meeting: (1) over the Internet, (2) by telephone or (3) by mail. If you have Internet access, the Company encourages you to record your vote over the Internet. Voting over the Internet is convenient and saves the Company significant postage and processing costs. In addition, when voting via the Internet or by telephone prior to the meeting date, your vote is recorded immediately, and there is no risk that postal delays will cause your vote to arrive late and therefore to not be counted.

How do I vote if I am a registered stockholder?

You may vote by mail. If you are a registered stockholder (that is, if you hold your shares of common stock directly and not in street name) and you have received a printed version of the proxy materials, you may vote by mail by completing, signing and dating the enclosed proxy card and returning it in the enclosed postage prepaid envelope. Your shares will then be voted at the annual meeting in accordance with your instructions.

You may vote via the Internet. To vote over the Internet, go to the web address <http://www.proxyvote.com> and follow the instructions for Internet voting shown on the notice of Internet availability of proxy materials, or if you have received a printed version of the proxy materials by mail, follow the instructions for Internet voting shown on the proxy card.

You may vote by telephone. To vote by telephone, call 1-800-690-6903 (toll-free in the U.S. and Canada only) from a touch tone telephone and follow the instructions.

You may vote in person at the annual meeting. If you are a registered stockholder and attend the annual meeting (please bring a valid, government-issued photo identification, such as a driver's license or a passport to authenticate your identity and for entrance to the annual meeting), you may deliver your completed proxy card in person. If you attend the annual meeting, you may also submit your vote in person, and any previous votes that were submitted by you will be superseded by the vote that you cast at the annual meeting.

Am I entitled to vote if my shares are held in "street name"?

Yes, if a bank or brokerage firm holds your shares of common stock in "street name" for you, you are considered the "beneficial owner" of such shares. If your shares are held in "street name," these proxy materials are being forwarded to you by your bank or brokerage firm (the "record holder"), along with a voting instruction card. As the beneficial owner, you have the right to direct the record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. Brokers holding shares of common stock in "street name" who are members of a stock exchange are required by the rules of the exchange to transmit this proxy statement to the beneficial owner of the shares of common stock and to solicit voting instructions with respect to the matters submitted to the stockholders.

How do I vote if I hold my shares in "street name"?

If you are a beneficial owner of shares of common stock registered in the name of your broker, bank, or other agent, you should have received a voting card and voting instructions with these proxy materials from that organization (rather than from the Company). In addition to providing you with instructions for voting by mail, your broker, bank, or other agent may permit you to vote your shares electronically, by telephone, or over the Internet. A large number of banks and brokerage firms participate in programs that offer telephone and Internet voting options. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may vote those shares electronically by telephone or over the Internet by following the instructions set forth on the voting form provided to you by your bank or brokerage firm.

These Internet and telephone voting procedures are designed to authenticate stockholders' identities, allow stockholders to vote their shares and confirm that stockholders' votes have been recorded properly. Stockholders voting via either telephone or the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholder using such services. Also, please be aware that the Company is not involved in the operation of these voting procedures and cannot take responsibility for any access, Internet or telephone service interruptions that may occur or any inaccurate, erroneous or incomplete information that may appear.

What if I do not provide voting instructions for my shares of common stock on my proxy card or, with respect to such shares held in "street name," to my bank, brokerage firm, or other agent?

All shares entitled to vote and represented by properly executed proxy cards received prior to the annual meeting, and not revoked, will be voted at the annual meeting in accordance with the instructions indicated on those proxy cards.

If no instructions are indicated on a properly executed proxy card, the shares represented by that proxy card will be voted in accordance with the recommendations of our Board of Directors. Our Board of Directors recommends that you vote: "FOR" the slate of directors nominated by our Board of Directors; "FOR" the approval, on a non-binding, advisory basis, of the compensation of our Named Executive Officers; "FOR" the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2014; and "FOR" the approval the Raptor Pharmaceutical Corp. 2013 Employee Stock Purchase Plan. If any other matters are properly presented for consideration at the annual meeting, including, among other things, consideration of a motion to adjourn the annual meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named as proxies in the enclosed proxy card and acting thereunder will have discretion to vote on those matters in accordance with their best judgment, and authority to do so is included in the proxy.

If you do not give instructions to your bank, brokerage firm, or other agent, by the date specified in the voting instructions, it will nevertheless be entitled to vote your shares of common stock in its discretion on "routine

matters". The ratification of independent public accountants is generally a routine matter, while the election of directors, actions with respect to stockholder advisory votes on executive compensation, and the approval of our 2013 Employee Stock Purchase Plan are not considered routine matters. Absent your instructions, the record holder will not be permitted to vote your shares on non-routine matters. Shares held by brokers that do not have discretionary authority to vote on the matter and have not received voting instructions from their clients are considered "broker non-votes" and are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that proposal.

3

Who can attend the annual meeting?

Only stockholders eligible to vote or their authorized representatives will be admitted to the annual meeting. If you plan on voting at the annual meeting, you must bring a valid, government-issued photo identification, such as a driver's license or a passport, to authenticate your identity.

May I attend the annual meeting if I hold my shares in "street name"?

As the beneficial owner of shares, you are invited to attend the annual meeting. If your shares are held in "street name" (i.e., you are not a registered holder) and you wish to attend the annual meeting and/or vote in person, you must bring your broker or bank voter instruction card and a proxy, executed in your favor, from the record holder of your shares. In addition, you must bring a valid, government-issued photo identification, such as a driver's license or a passport, to authenticate your identity.

Can I change my vote after I submit my proxy card?

Yes, you may revoke your proxy given pursuant to this solicitation and change your vote any time before your shares are voted at the annual meeting. If you are a registered stockholder, you may revoke your proxy:

- by filing a written notice of revocation bearing a later date than the previously submitted proxy card with our Corporate Secretary before the taking of the vote at the annual meeting;
- by duly executing and submitting a later dated, properly completed proxy card relating to the same shares and delivering it to our Corporate Secretary before the taking of the vote at the annual meeting;
- by voting again via over Internet or by telephone before the taking of the vote at the annual meeting; or

• by attending the annual meeting and voting in person (attendance at the annual meeting will not in and of itself constitute a revocation of a proxy).

Any written notice of revocation or subsequently submitted proxy card must be received by our Corporate Secretary prior to the taking of the vote at the annual meeting. Such written notice of revocation or subsequently submitted proxy card should be hand delivered to our Corporate Secretary or should be sent to Raptor Pharmaceutical Corp., 7 Hamilton Landing, Suite 100, Novato, California 94949, Attention: Corporate Secretary. Stockholders whose shares are held in "street name" should consult with their broker or nominee concerning the method for revoking their proxies.

Who will count the votes?

Broadridge Financial Solutions, Inc. ("Broadridge") will tabulate and certify the votes. Our Corporate Secretary will serve as the inspector of election at the annual meeting.

How does the Board of Directors recommend that I vote on the proposals?

Our Board of Directors recommends that you vote "FOR" each of the eight nominees for director in Proposal 1 and "FOR" Proposals 2, 3 and 4, as these proposals are further described in this proxy statement.

Will any other business be conducted at the meeting?

We do not currently anticipate that any other matters will be raised at the annual meeting. If any other matter properly comes before the stockholders for a vote at the annual meeting, however, your proxy (one of the individuals named on your proxy card) will vote your shares in accordance with his or her best judgment if you so authorize.

Quorum; Required Vote; Abstentions; Broker Non-Votes

How many shares must be present to hold the meeting?

Holders of a majority of the outstanding shares of common stock issued and outstanding as of the record date, and entitled to vote at the annual meeting, present either in person or by proxy, constitutes a quorum and must be present at the annual meeting in order for the transaction of business. Stockholders are counted as present at the meeting if they (1) are present in person or (2) have properly submitted a proxy card or voted by telephone or over the Internet. Under the General Corporation Law of the State of Delaware, withhold votes, abstentions and "broker non-votes" (as described above) are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the annual meeting.

What if a quorum is not present at the meeting?

If the shares of common stock present or represented at the annual meeting do not constitute the required quorum, the holders of a majority of the shares entitled to vote at the annual meeting who are present in person or represented by proxy may adjourn the annual meeting until a quorum is present or represented. The time and place of the adjourned annual meeting will be announced at the time the adjournment is taken, and no other notice will be required.

What vote is required to elect a director nominee (Proposal 1)?

The affirmative vote of a majority of the votes cast is required to elect each of the eight nominees as a director. This means that a nominee will be elected if the number of votes cast "FOR" such nominee's election exceeds the number of votes cast "AGAINST" such nominee's election, with "ABSTAIN" votes and "broker non-votes" not counted as votes either "FOR" or "AGAINST" such nominee's election.

In the event one or more directors fails to receive the affirmative vote of a majority of votes cast, such director shall promptly tender his or her irrevocable resignation to the Board of Directors. The Board of Directors then shall act on the resignation, taking into account the recommendation of the Company's Corporate Governance and Nominating Committee, if applicable, and within ninety days after the date of certification of the election results, the Board of Directors shall disclose its decision and the rationale regarding whether to accept the resignation (or the reasons for rejecting the resignation, if applicable) in a press release, a filing with the SEC or by other public announcement. If an incumbent director fails to receive the required vote for re-election in an uncontested election and such director's resignation is not accepted by the Board of Directors, such director will continue to serve until his or her successor is duly elected and qualified or until his or her death, resignation or removal.

What happens if a nominee is unable to stand for election?

If a nominee is unable to stand for election, our Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holder will vote your shares for the substitute nominee. Each nominee for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unavailable to serve.

What vote is required for the approval, on a non-binding, advisory basis, of the compensation of our named executive officers (Proposal 2)?

The affirmative vote of a majority of the shares present in person or represented by proxy at our annual meeting and entitled to vote on the proposal is required for the approval, on a non-binding, advisory basis, of the compensation of our named executive officers.

What vote is required to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2014 (Proposal 3)?

The affirmative vote of a majority of the shares present in person or represented by proxy at our annual meeting and entitled to vote on the proposal is required to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2014.

What vote is required to approve the Raptor Pharmaceutical Corp. 2013 Employee Stock Purchase Plan (Proposal 4)? The affirmative vote of a majority of the shares present in person or represented by proxy at our annual meeting and entitled to vote on the proposal is required to approve the Raptor Pharmaceutical Corp. 2013 Employee Stock Purchase Plan.

How will abstentions and broker non-votes be treated?

Abstentions will be treated as shares present for the purpose of determining the presence of a quorum and has the same effect as a vote against Proposals 2, 3 and 4. Shares voting "abstain" have no effect on the election of directors (Proposal 1). Broker "non-votes" will be treated as shares present for determining the presence of a quorum but have no effect and will not be counted towards the vote total for any proposal. See explanation under "What if I do not provide voting instructions for my shares of common stock on my proxy card or, with respect to such shares held in "street name," to my bank, brokerage firm, or other agent?" on page 3 of this proxy statement for more information on the impact of "broker non-votes" on each of the proposals.

Expenses

The Company is making this solicitation and will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others of forwarding solicitation material to beneficial owners of common stock. In addition to the use of mails, proxies may be solicited by our directors, officers and other regular employees in person or by telephone, facsimile and e-mail. No additional compensation will be paid to directors, officers or other regular employees for such services.

In order to assure a quorum for the annual meeting, the Company has retained Georgeson Inc. to assist in the solicitation of proxies. Georgeson will be paid a fee of \$9,500 for their services plus reasonable out-of-pocket expenses. Without a quorum of holders of a majority of the outstanding shares of common stock issued and outstanding as of the record date of June 2, 2014 and entitled to vote at the annual meeting, the Company will incur additional costs in adjourning and postponing the annual meeting until such quorum is met. Such additional costs include additional printing and mailing of new proxy materials, which could result in substantial additional costs to the Company.

How to Obtain Directions to the Location of Our Annual Meeting of Stockholders

Our annual meeting is being held at the time and place set forth above under the heading "General Information." If you would like to attend the annual meeting to vote your shares in person, you can obtain directions to the annual meeting on our website www.raptorpharma.com under the heading "About Raptor - Contact."

Internet Availability of Proxy Materials

Why did I receive a notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we will send to certain of our stockholders of record and beneficial owners a notice of Internet availability of proxy materials instead of a full set of proxy materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the notice of Internet availability of proxy materials. We will mail the notice of Internet availability of proxy materials on or about June 19, 2014.

Why didn't I receive a notice of Internet availability of the proxy materials?

We will mail a paper copy of the proxy materials to certain stockholders on or about June 19, 2014.

What does it mean if I receive more than one notice of Internet availability of proxy materials or package of proxy materials?

If you received more than one notice of Internet availability of proxy materials or more than one package of proxy materials, this means that you have multiple accounts holding shares of our common stock. These may include accounts with our transfer agent and accounts with a broker, bank or other holder of record. Please vote all proxy cards and voting instruction cards that you receive with each notice of internet availability of proxy materials or package of proxy materials to ensure that all of your shares are voted.

How can I get electronic access to the proxy materials?

You can view the proxy materials over the Internet at the website referred to in your notice of Internet availability of proxy materials. The notice of annual meeting of stockholders, this proxy statement, the proxy card and our annual report to stockholders are available at www.proxyvote.com. These materials are also available on our website at <http://ir.raptorpharma.com/financials.cfm> under "SEC Filings."

How may I obtain a paper copy of the proxy materials?

If you received a notice of Internet availability of proxy materials, you will find instructions about how to obtain a paper copy of the proxy materials in your notice. We will mail a paper copy of the proxy materials to all stockholders to whom we do not send a notice of Internet availability of proxy materials.

Change in Fiscal Year End

On December 4, 2012, our Board of Directors approved a change to our fiscal year end from August 31 to December 31. The change became effective at the end of the four months ended December 31, 2012. All references to "fiscal years" or "years" prior to this change refer to the twelve-month fiscal period covering September 1 through August 31, and each year after December 31, 2012, the fiscal year covers January 1 through December 31.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Information about the Nominees

Your vote is requested in favor of eight nominees named herein to our Board of Directors to serve until the next annual meeting of stockholders or until their successors are duly elected and qualified. Each of the nominees is currently a director of the Company, and each nominee's term expires at this annual meeting.

Our bylaws provide that the number of directors shall be determined in accordance with our certificate of incorporation. Our certificate of incorporation provides the number of directors shall be determined from time to time by the Board of Directors. Our Board of Directors currently consists of eight persons.

Directors typically are elected for a period of one year and thereafter serve until the next annual meeting at which their successors are duly elected by our stockholders. Each nominee for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unavailable to serve. If any nominee is unable or declines to serve as a director at or before the time of the annual meeting, the proxies named in the proxy card will vote for a nominee designated by the present Board of Directors to fill the vacancy. Unless otherwise instructed, the proxies named in the proxy card will vote all of the shares for which they hold proxies "FOR" the nominees named below.

Directors

The following table sets forth the name, age and position of each of our director nominees as of the date of this proxy statement. Each of the nominees listed below is currently a director of Raptor and has been elected or appointed to serve until our next annual meeting of stockholders or until their respective successors are duly elected and qualified.

Name	Age	Position(s) Held with the Company
Raymond W. Anderson (2)(3)	72	Director
Suzanne L. Bruhn, Ph.D. (1)(3)	50	Director

Stockholder Engagement; Adoption of Majority Vote Standard for Uncontested Director Elections and Increase in Shares Required to Constitute Quorum for Stockholder Meetings

At our 2013 annual meeting of stockholders all of our directors were duly elected under the Company's plurality voting standard. Despite this, because two directors did not receive a majority of the votes cast in favor of their election, the Company received and considered input from its stockholders in response to the 2013 annual stockholders meeting voting results. The Chairman of our Board of Directors met with more than ten of our significant stockholders that the Company determined were the source of many of the withhold votes, to assess their concerns and learn of the reasons why they did not support those directors. During these discussions, the Chairman of the Board believes he addressed many of the concerns expressed by these stockholders. Separately, the Company also received feedback from certain stockholders following the 2013 annual stockholders meeting encouraging the Company to adopt a different voting system for uncontested director elections, such as through the adoption of a majority voting standard or a policy requiring the resignation of directors who receive less than a majority of votes cast.

In furtherance of the Board of Director's commitment to the accountability and responsibility of its directors, on February 25, 2014, the Board of Directors adopted amendments to the Company's bylaws to implement a majority voting standard in uncontested elections, as described below. The Company believes that implementing majority voting through the bylaws demonstrates this commitment.

The amended bylaws require that, in respect of uncontested elections, each director shall be elected by the affirmative vote of the majority of the votes cast with respect to such election. The amendment further provides that, in the event one or more directors fails to receive the affirmative vote of a majority of votes cast in an uncontested election, such director shall promptly tender his or her irrevocable resignation to the Board of Directors. The Board of Directors then shall act on the resignation, taking into account the recommendation of the Company's Corporate Governance and Nominating Committee, if applicable, and within ninety days after the date of certification of the election results, the Board of Directors shall disclose its decision and the rationale regarding whether to accept the resignation (or the reasons for rejecting the resignation, if applicable) in a press release, a filing with the Securities and Exchange Commission or by other public announcement. If an incumbent director fails to receive the required vote for re-election in an uncontested election and such director's resignation is not accepted by the Board of Directors, such director will continue to serve until his or her successor is duly elected and qualified or until his or her death, resignation or removal. The amended bylaws retain a plurality vote in the event of a contested election, or an election in which the number of nominees exceeds the number of directors to be elected at such election.

The amended bylaws also change the number of outstanding shares of stock needed to constitute a quorum for purposes of stockholders' meetings, except where otherwise provided by statute or by the Company's certificate of incorporation or by the bylaws, from one-third of all outstanding shares of stock present, in person, by remote communication, or by proxy, to a majority of all outstanding shares of stock present, in person, by remote communication, or by proxy. The Company believes that this will help ensure that a more expansive voice of stockholders is heard.

Meetings and Committees of the Board of Directors

During the year ended December 31, 2013, the Board of Directors met seven (7) times and took action by written consent four (4) times during the fiscal year ended December 31, 2013. Each director attended at least 75% of the total number of meetings of the Board of Directors, as well as at least 75% of the total number of meetings of each committee of the Board of Directors on which he or she served. The Company does not have a formal policy requiring the members of our Board of Directors to attend our annual meetings of stockholders, and all eight (8) of the then current directors attended our 2013 annual meeting of stockholders.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors does not have a policy on whether the offices of Chairman of the Board of Directors and Chief Executive Officer should be separate or combined. Our Board of Directors believes that it should have the flexibility to establish a leadership structure that works best for the Company at a particular time, and it reviews that structure from time to time. Effective June 2013, the Board appointed Dr. Keltner, an independent director, to serve as Chairman of the Board. Our Board of Directors has reviewed the current leadership structure of our Board of

Directors in light of the composition of the Board of Directors, the Company's size, the nature of the Company's business, the regulatory framework under which the Company operates, the Company's stockholder base and other relevant factors. Considering these factors, the Board has determined that separating the roles of Chief Executive Officer and Chairman of the Board of Directors provides an appropriate degree of oversight over our Chief Executive Officer and senior management, enables the independent directors to participate meaningfully in the leadership of the Board and is currently the most appropriate Board leadership structure for the Company.

11

The risk oversight function of our Board of Directors is carried out by both the Board of Directors and the Audit Committee. The Board of Directors and Audit Committee regularly review information regarding our credit, liquidity and operations, as well as the risks associated with each. Our Audit Committee meets periodically with management to discuss our major financial and operating risk exposures and the steps, guidelines and policies taken or implemented relating to risk assessment and risk management. Our Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. Our Corporate Governance and Nominating Committee manages risks associated with the governance profile of the Company (including independence matters of our Board of Directors) and potential conflicts of interest and oversees management of risks associated with environmental, health and safety concerns. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is informed about such risks by the committees.

Independence of Our Board of Directors

Our Board of Directors has determined that as of December 31, 2013, all current members of our Board of Directors are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards), except for Dr. Starr. Our Board of Directors has also determined that each member of our Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee is independent as defined by the SEC and NASDAQ rules.

12

Our Audit Committee currently consists of Mr. Anderson (Chair), Dr. Franklin, Mr. Sager and Mr. Walbert. Mr. Anderson has been designated as the "audit committee financial expert" as defined by the regulations promulgated by the SEC. Our Board of Directors has determined that each member of the Audit Committee is independent as defined by NASDAQ and SEC rules applicable to audit committee members.

Compensation Committee

The Compensation Committee of our Board of Directors, herein referred to as the Compensation Committee, reviews, adopts and oversees our compensation strategy, policies, plans and programs, including:

- (i) the establishment of corporate and individual performance goals and evaluation of performance relevant to the compensation of our executive officers and other senior management;
- (ii) the review and approval of the terms of employment or service, including severance and change in control arrangements, of our Chief Executive Officer and the other executive officers;
- (iii) the review and recommendation to the Board of Directors of the compensation plans and programs advisable for the Company, including the type and amount of compensation to be paid or awarded to non-employee directors; and
- (iv) the administration of our equity compensation plans, pension and profit-sharing plans, deferred compensation plans and other similar plans and programs.

The Compensation Committee also reviews with management our Compensation Discussion and Analysis and considers whether to recommend that it be included in proxy statements and other filings.

The Compensation Committee has the exclusive authority and responsibility to determine all aspects of executive compensation packages for executive officers and makes recommendations to the Board of Directors regarding the compensation of non-employee directors. The executive officers are not present or involved in deliberations concerning their compensation. The Compensation Committee has the authority to retain compensation consultants to assist in its evaluation of executive and Director compensation. For additional description of the Compensation Committee's processes and procedures for consideration and determination of executive officer compensation, see the "Compensation Discussion and Analysis" section of this proxy statement.

Our Compensation Committee currently consists of Dr. Bruhn (Chair), Mr. Anderson, Mr. Samant and Mr. Walbert. Our Board of Directors has determined that each member of the Compensation Committee is independent as defined by NASDAQ rules.

For the fiscal year ending December 31, 2013, our Compensation Committee hired Compensia, an independent compensation consulting firm to assist in formulating its recommendations and to review the base salaries, target bonus percentages and equity compensation (stock option grants) of our Named Executive Officers as compared to equivalent positions in our peer companies and against companies in the Aon Radford Global Life Sciences survey for 2014. The Compensation Committee determined that Compensia is independent and there is no conflict of interest resulting from retaining Compensia for the year ending December 31, 2013. In reaching these conclusions, the Compensation Committee considered the factors set forth in the SEC rules and the NASDAQ listing standards that recently became effective.

During the year ended December 31, 2013, the Compensation Committee met four (4) times. The charter of the Compensation Committee can be found in the "Corporate Governance" section of our website at www.raptorpharma.com.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee of our Board of Directors, herein referred to as the Nominating Committee, has authority to review the qualifications of, interview and nominate candidates for election to our Board of Directors as well as develop a set of corporate governance principles for the Company. The primary functions of our Nominating Committee are to:

- (i) recruit, review and nominate candidates for election to our Board of Directors;
- (ii) monitor and make recommendations regarding committee functions, contributions and composition;
- (iii) develop the criteria and qualifications for membership on our Board of Directors; and
- (iv) provide oversight on all aspects of the Company's corporate governance functions.

The Nominating Committee develops the credentials and characteristics required of our Board of Directors and committee nominees in light of the composition of our Board of Directors and committees thereof, our business, operations, applicable legal and listing requirements, and other factors they consider relevant. The Nominating Committee may identify other candidates, if necessary, through recommendations from our directors, management, employees, the stockholder nomination process, or outside consultants. The Nominating Committee will review candidates in the same manner regardless of the source of the recommendation. For membership on our Board of Directors, the Nominating Committee takes into consideration applicable laws and regulations, diversity, age, skills, experience, integrity, ability to make independent analytical inquiries, understanding of our business and business environment, willingness to devote adequate time and effort to our Board of Directors' responsibilities and other relevant factors, including experience in the biotechnology and pharmaceutical industries. Although we do not have a formal diversity policy, when considering diversity in evaluating candidates, the Nominating Committee focuses on whether candidates can contribute varied perspectives, skills, experiences and expertise to the Board. The Nominating Committee's charter can be found in the "Corporate Governance" section of our website at www.raptorpharma.com. During fiscal 2013, the Nominating Committee oversaw a comprehensive evaluation conducted by an outside consultant of the Board's performance and procedures, including a self-evaluation where each director was asked about skills or competencies that enhance the effectiveness of the Board. The outside consultant presented to the Nominating Committee the results of the evaluation, which were then presented to the full Board by the Nominating Committee in order to enhance the functioning of the Board.

Our Nominating Committee currently consists of Dr. Keltner, Dr. Bruhn, and Mr. Samant (Chair). Our Board of Directors has determined that each member of the Nominating Committee is independent as defined by NASDAQ rules. During the year ended December 31, 2013, the Nominating Committee met five (5) times.

Our Code of Business Conduct and Ethics is posted in the Corporate Governance section of our website at

http://www.raptorpharma.com/wp-content/uploads/Raptor-Code-of-Conduct_0107141.pdf and is acknowledged by our executive officers and directors on an annual basis. PROPOSAL NO. 2: ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act) and related rules of the SEC, we are including in this proxy statement a proposal to approve, on a non-binding, advisory basis, the compensation of our named executive officers described in the Compensation Discussion and Analysis section of this proxy statement and accompanying compensation tables and narrative discussion. This proposal, commonly known as a "Say-on-Pay" proposal, gives you as a stockholder the opportunity to express your views on the compensation of our named executive officers through the following resolution:

"RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including in the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby approved."

Because your vote is advisory, it will not be binding upon the Board of Directors; however, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements. As described in detail under the heading "Compensation Discussion and Analysis," our executive compensation programs are designed to attract, motivate and retain our executives, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of strategic and financial goals, which are expected to result in increased stockholder value. Unless the Board modifies its determination on the frequency of future "say-on-pay" advisory votes, the next advisory vote to approve the compensation of our named executive officers will be held at the 2015 annual meeting of stockholders.

Required Vote

The affirmative vote of a majority of the shares present in person or represented by proxy at our annual meeting is required to approve on an advisory basis the compensation of our named executive officers.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" PROPOSAL 2 APPROVING, ON A NON-BINDING ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT.

PROPOSAL NO. 3: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On January 22, 2014, our Audit Committee appointed the firm of Grant Thornton LLP, or Grant Thornton, an independent registered public accounting firm, to replace Burr Pilger Mayer, Inc., or BPM, as our independent registered public accounting firm. Our Audit Committee engaged Grant Thornton as our independent registered public accounting firm for the year ending December 31, 2013 and has appointed Grant Thornton to serve as our independent registered public accounting firm for our year ending December 31, 2014. Our Board of Directors recommends the stockholders vote for the ratification of Grant Thornton to serve as our independent registered public accounting firm for the year ending December 31, 2014.

A representative of Grant Thornton is expected to be present at the annual meeting, with the opportunity to make a statement should the representative desire to do so and be available to respond to appropriate questions.

Stockholder ratification of our Audit Committee's selection of Grant Thornton as our independent registered public accounting firm is not required by law, our bylaws or other legal requirement. However, our Board of Directors is submitting our Audit Committee's selection of Grant Thornton as our independent registered public accounting firm for our year ending December 31, 2014 to our stockholders for ratification as a matter of good corporate governance. If our stockholders fail to ratify the selection, our Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, our Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change would be in our and our stockholders' best interests.

Required Vote

Ratification of the appointment of Grant Thornton as our independent registered public accounting firm for the year ending December 31, 2014 requires the affirmative vote of a majority of the shares present in person or represented by proxy at our annual meeting at which a quorum is present.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF GRANT THORNTON AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2014.

Changes in Independent Registered Public Accounting Firm

In connection with the matters discussed in Item 5 of Part II of the Company's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2013, the Audit Committee conducted a competitive process to select a firm to replace BPM and to serve as the Company's independent registered public accounting firm for the year ending December 31, 2013 and to re-audit the four-month transition period ended December 31, 2012. Upon the conclusion of such process, the Audit Committee approved the engagement of Grant Thornton to replace BPM as the Company's independent registered public accounting firm and, on January 22, 2014, the Audit Committee engaged Grant Thornton as the Company's independent registered public accounting firm.

None of BPM's reports on the Company's consolidated financial statements for the four-month transition period ended December 31, 2012 and for the fiscal years ended August 31, 2012 and 2011 or BPM's audit reports on the effectiveness of internal control over financial reporting for such periods contained an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that the reports for each of the foregoing periods include an explanatory paragraph regarding uncertainty about the Company's ability to continue as a going concern. During the four-month transition period ended December 31, 2012 and for the fiscal years ended August 31, 2012 and 2011 and through January 15, 2014, there were no disagreements (as referred to in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) with BPM on

any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BPM, would have caused it to make reference to the subject matter of the disagreements in its reports on the Company's consolidated financial statements. During the four-month transition period ended December 31, 2012 and for the fiscal years ended August 31, 2012 and 2011 and through January 15, 2014, there were no reportable events (as referred to in Item 304(a)(1)(v) of Regulation S-K).

At the Company's request, BPM provided a letter addressed to the U.S. Securities and Exchange Commission stating that it agrees with the above disclosures. A copy of BPM's letter, dated January 22, 2014, is attached as Exhibit 16.1 to our Current Report on Form 8-K filed with the Securities and Exchange Commission on January 22, 2014 and is incorporated herein by reference.

17

During the four-month transition period ended December 31, 2012 and for the fiscal years ended August 31, 2012 and 2011, and through January 22, 2014, neither the Company nor anyone on its behalf had consulted with Grant Thornton regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements; or (ii) any matter that was the subject of a disagreement (as referred to in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as referred to in Item 304(a)(1)(v) of Regulation S-K).

PROPOSAL NO. 4: APPROVAL OF THE RAPTOR PHARMACEUTICAL CORP. 2013 EMPLOYEE STOCK PURCHASE PLAN.

Stockholders are being asked to approve the Company's 2013 Employee Stock Purchase Plan (the "ESPP"). If approved by stockholders, 1,000,000 shares of the Company's common stock would be available for issuance under the ESPP. On October 30, 2013, our Board of Directors approved the ESPP subject to approval of the ESPP by stockholders.

The purpose of the ESPP is to provide our employees the opportunity to purchase our common stock through accumulated payroll deductions. The ESPP is intended to qualify as an employee stock purchase plan under Section 423 of the Code. The ESPP is an important component of the benefits package that we offer to our employees. We believe that it is a key factor in retaining existing employees, recruiting and retaining new employees and aligning and increasing the interest of all employees in the success of the Company.

Summary of the ESPP

A summary of the principal features of the ESPP is set forth below and qualified by reference to the full text of the ESPP, which is attached to this proxy statement as Appendix A.

Administration. The ESPP will be administered by our Compensation Committee, which has broad authority to construe the ESPP and to make determinations with respect to the terms and conditions of each offering period under the ESPP, awards, designated subsidiaries and other matters pertaining to plan administration.

Common Stock Reserved for Issuance under the ESPP. The maximum number of shares of common stock available for sale under the ESPP is 1,000,000. The common stock made available for sale under the ESPP may be authorized but unissued shares, treasury shares or reacquired shares reserved for issuance under the ESPP.

Participating Subsidiaries and Sub-plans. The plan administrator may designate certain of our subsidiaries as participating subsidiaries in the ESPP and may change these designations from time to time. The following subsidiaries have been designated to participate in the ESPP: Raptor Pharmaceuticals Inc., Raptor Pharmaceuticals Europe B.V., Raptor Pharmaceuticals Germany GmbH and Raptor Pharmaceuticals France SAS. The plan administrator may also adopt sub-plans applicable to particular designated subsidiaries or locations, and these sub-plans may be designed to be outside the scope of Section 423 of the Code.

Eligible Employees. Our employees and those of our designated participating subsidiaries who are customarily scheduled to work at least 20 hours per week and whose customary employment is more than five months in a calendar year are generally eligible to participate in the ESPP, though employees who would own 5% or more of the total combined voting power or value of all classes of our stock or the stock of one of our subsidiaries after the granting of an option under the ESPP are not allowed to participate in the ESPP. Under applicable tax rules, the plan administrator may also exclude certain categories of employees from participation in the ESPP. As of the date of adoption of the ESPP, approximately 53 employees of our company or our designated participating subsidiaries were eligible to participate in the ESPP.

Participation. Under the terms of the ESPP, eligible employees may generally elect to contribute and apply to the purchase of shares of common stock between 1% and 15% of their base pay during an offering period. Options granted under the ESPP are exercisable on specified exercise dates only through funds accumulated by an employee through payroll deductions made during the applicable offering period, and any such funds that are not used to purchase shares will be returned to the employee. Participants may not accrue the right to purchase stock under the ESPP (or any other tax-qualified stock purchase plan) with a fair market value exceeding \$25,000 in any calendar year. In addition, no individual participant may purchase more than 7,500 shares of common stock during any offering period. Participation in the ESPP is voluntary.

Offering Periods. Under the ESPP, employees are offered the option to purchase discounted shares of common stock during offering periods designated by the plan administrator. Each offering period will be a six-month period commencing on each May 15 and November 15 following the commencement date, which date shall be determined by the plan administrator; provided, that the first offering period commencing on or after the effective date of the ESPP shall commence on the commencement date and end on the earlier of the May 14 or November 14 immediately following such commencement date.

19

Share Purchases. Shares are purchased on the applicable exercise date(s), generally the last trading day of each offering period. The option price will be 85% of the fair market value of our common stock on either the grant date or the exercise date, whichever is lower. The grant date is the first trading day of an offering period. On May 30, 2014, the last trading day prior the record date, the closing price of our common stock on the NASDAQ Global Market was \$8.18 per share.

Unless a participant has previously canceled his or her participation in the ESPP and elected to withdraw all of the funds then credited to his or her ESPP account, an amount equal to the amount credited to his or her ESPP account will be used to purchase the maximum number of whole shares of common stock that can be purchased based on the amount credited to such participant's account on the exercise date, subject to individual and aggregate share limitations under the applicable offering period established by the plan administrator. No fractional shares will be issued.

A participant may cancel his or her payroll deduction authorization and elect to withdraw from the ESPP by delivering written notice of such election to the Company. Upon cancellation, the participant may elect either to withdraw all of the funds then credited to his or her ESPP account and withdraw from the ESPP or have the balance of his or her account applied to the purchase of whole shares of common stock that can be purchased for the offering period in which his or her cancellation is effective (with any remaining ESPP account balance returned to the participant). A participant who ceases contributions to the ESPP during any offering period shall not be permitted resume contributions to the ESPP during the same offering period.

Termination of Eligibility and Transferability. If a participant ceases to be an eligible employee for any reason during an offering period, he or she will be deemed to have elected to withdraw from the ESPP and any amounts credited to the participant's ESPP account will be returned to the participant. Options granted under the ESPP are not transferable other than by will or the laws of descent and distribution and are exercisable only by the participant during the participant's lifetime.

Adjustments. In the event of any stock dividend, stock split, combination or reclassification of shares or any other increase or decrease in the number of shares of common stock effected without receipt of consideration, the plan administrator has broad discretion to equitably adjust the number of shares authorized for issuance and awards under the ESPP to prevent the dilution or enlargement of benefits under outstanding awards as a result of such transaction.

In the event of a proposed liquidation or dissolution of the Company, the offering period then in progress will be shortened by setting a new exercise date to occur prior to the consummation of the proposed liquidation or dissolution and will terminate immediately prior to such consummation.

In the event of a proposed merger or asset sale, each outstanding option will be assumed or substituted by the successor corporation. In the event that the successor corporation refuses to assume or substitute the options, any offering periods then in progress will be shortened by setting a new exercise date to occur prior to the date of the proposed sale or merger.

Insufficient Shares. If the total number of shares of common stock which are to be purchased under outstanding purchase rights on any particular date exceed the number of shares then available for issuance under the ESPP, the plan administrator will make a pro rata allocation of the available shares on a uniform and equitable basis, and unless additional shares are authorized under the ESPP, no further offering periods will take place. In this event, excess payroll deductions will be refunded to participants.

Amendment or Termination of the ESPP. The Board of Directors has the right to amend, suspend or terminate the ESPP at any time and from time to time to the extent that it deems advisable. However, absent the approval of the holders of a majority of the combined voting power of our outstanding common stock within 12 months before or after action by the Board of Directors, the Board of Directors may not amend the ESPP to increase the maximum number of shares that may be purchased under the ESPP or change the designation or class of eligible employees. Further, without the approval of the holders of a majority of the combined voting power of our outstanding common stock, the ESPP may not be amended in any manner that would cause the ESPP to no longer be an "employee stock purchase plan" within the meaning of Section 423 of the Internal Revenue Code of 1986, as amended, or the Code. The plan administrator may also modify or amend the ESPP, to the extent permitted by Section 423 of the Code, to reduce or eliminate any unfavorable financial accounting consequences that may result from the ongoing operation of the ESPP. Unless earlier terminated, the ESPP will terminate on the tenth anniversary of the date of its initial approval by stockholders.

20

U.S. Federal Income Tax Consequences

The following is a general summary under current law of the material federal income tax consequences to an employee who participates in the ESPP. This summary deals with the general federal income tax principles that apply and is provided only for general information. Some kinds of taxes, such as state, local and foreign income taxes and federal employment taxes, are not discussed. Tax laws are complex and subject to change and may vary depending on individual circumstances and from locality to locality. The summary does not discuss all aspects of federal income taxation that may be relevant in light of a participant's personal circumstances. This summarized tax information is not tax advice and a participant of an award should rely on the advice of his or her legal and tax advisors.

The ESPP, and the right of participants to make purchases thereunder, is intended to qualify for special tax treatment under the provisions of Section 423 of the Code. Under the applicable Code provisions, no income will be taxable to a participant until the sale or other disposition of the shares purchased under the ESPP. Upon such sale or disposition, the participant will generally be subject to tax in an amount that depends upon the length of time such shares are held by the participant prior to disposing of them. If the shares are sold or disposed of more than two years from the first day of the offering period during which the shares were purchased and one year from the date of purchase, or if the participant dies while holding the shares, the participant (or his or her estate) will recognize ordinary income measured as the lesser of (1) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price or (2) the excess of the fair market value of the shares on the date the Company granted the option over the purchase price paid for the shares, determined assuming that the option was exercised on the date granted. Any additional gain will be treated as a capital gain.

If the shares are sold or otherwise disposed of before the expiration of the holding periods described above, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on how long the shares were held following the date they were purchased by the participant prior to disposing of them.

We are entitled to a deduction to the extent of ordinary income recognized upon a sale or disposition of shares prior to the expiration of the holding periods described above.

New Plan Benefits

Because the number of shares that may be purchased under the ESPP will depend on each employee's voluntary election to participate and on the fair market value of our common stock at various future dates, the actual number of shares that may be purchased by any individual cannot be determined in advance.

Required Vote

The affirmative vote of a majority of voting power of the shares present in person or represented by proxy at our annual meeting is required to approve the ESPP.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" PROPOSAL 4 THE APPROVAL OF THE RAPTOR PHARMACEUTICAL CORP. 2013 EMPLOYEE STOCK PURCHASE PLAN.

NAMED EXECUTIVE OFFICER COMPENSATION

Compensation Discussion and Analysis

Overview

The Compensation Committee has overall responsibility for the compensation program for our executive officers. The Compensation Committee reviews, adopts and oversees our compensation strategy, policies, plans and programs, including:

- (i) the establishment of corporate and individual performance goals and evaluation of performance relevant to the compensation of our executive officers and other senior management;
- (ii) the review and approval of the terms of employment or service, including severance and change in control arrangements, of our Chief Executive Officer and the other executive officers;
 - the review and recommendation to the Board of Directors of the compensation plans and programs advisable for
- (iii) the Company, including the type and amount of compensation to be paid or awarded to non-employee directors; and
- (iv) the administration of our equity compensation plans, pension and profit-sharing plans, deferred compensation plans and other similar plans and programs.

In evaluating executive officer pay, the Compensation Committee may retain the services of an independent compensation consultant or research firm and consider recommendations from our Chief Executive Officer and persons serving in managerial positions over a particular executive officer with respect to goals and compensation of the executive officer. The executive officers are not present or involved in deliberations concerning their compensation. Our Compensation Committee assesses the information it receives in accordance with its business judgment. All decisions with respect to executive compensation are first approved by our Compensation Committee and then submitted, together with the Compensation Committee's recommendations, to our Board of Directors for final approval. Our Chief Executive Officer is not present for the discussion of and approval of his compensation.

We choose to pay the various elements of compensation discussed in order to attract, retain and motivate our high quality executive talent, reward annual performance and provide incentive for the achievement of intermediate and long-term strategic goals.

The Compensation Committee's philosophy is to:

- provide a total executive compensation program that is competitive with other companies in the pharmaceutical and biotechnology industries with which we compete for executive talent;
- place a significant portion of executive compensation at risk by linking cash incentive compensation to the achievement of pre-established corporate financial performance objectives and other key objectives within the executive's area of responsibility, and by using equity as a key component of our executive compensation program;
- provide long-term incentive compensation that focuses executives' efforts on building stockholder value by aligning their interests with those of our stockholders; and

·promote stability and retention of our senior management team.

Our allocation between currently paid cash compensation and longer term equity compensation is intended to balance the requirement for adequate base compensation to attract, retain and motivate highly skilled personnel, while providing equity incentives to maximize long-term value for our stockholders and thus for our employees. We provide cash compensation in the form of base salary and annual, discretionary incentive cash bonuses to reward performance against preset written goals and objectives. We provide non-cash equity compensation to reward performance against current, intermediate and long-term strategic goals and provide a basis for improved financial security for the employee if our stockholders and we have financial success.

23

The Role of Stockholder Say-on-Pay Votes

We provide our stockholders with the opportunity to cast a non-binding advisory vote on the compensation of our named executive officers and on the frequency with which this vote should be conducted in future years. During the year ended December 31, 2013, our named executive officers included our principal executive officer (Chief Executive Officer), our principal financial officer (Chief Financial Officer), our Chief Operations Officer and our Chief Business Officer. In July 2013 at our Annual Meeting of Stockholders, based upon total shares voted, our stockholders approved our named executive officers' compensation with a 98.9% affirmative vote. Although the stockholder vote is non-binding, the Compensation Committee will consider the outcome of the vote when making future compensation decisions for named executive officers. In addition, we will conduct future stockholder advisory votes on the compensation of our named executive officers once every year, until the next required stockholder advisory vote on the frequency of future stockholder advisory votes on the compensation of our named executive officers, which we will conduct at our 2015 Annual Meeting of Stockholders.

Approach for Determining Form and Amount of Compensation

Use of External Compensation Consultant

The Compensation Committee works with an external, independent compensation consultant to assist the Compensation Committee in its duties, including providing advice regarding market trends relating to the form and amount of compensation. Compensia, Inc. ("Compensia") was engaged for 2013 as the compensation consultant for the Compensation Committee. The Compensation Committee has taken great care to ensure that the advice provided by its external compensation consultant is objective and unbiased. Compensia performs no work for us other than its work providing executive and director compensation consulting services to the Compensation Committee and reports directly to the Compensation Committee through its chairperson. In addition, Compensia annually provides a certification to the Compensation Committee regarding its independence in the provision of services. The Compensation Committee has assessed the independence of Compensia and concluded that no conflict of interest exists that would prevent Compensia from providing independent and objective advice to the Compensation Committee. Compensia provides the Compensation Committee with third-party data and analyses, advice and expertise on competitive practices and trends and executive compensation plan design. During 2013, Compensia provided the Compensation Committee with:

- market survey data; and
- recommendations as to peer companies and a comprehensive review of those selected peer group companies.

Comparison to Market Practices

The Compensation Committee annually compares the levels and elements of compensation that we provide to our executive officers with the levels and elements of compensation provided to their counterparts in the biotechnology, specialty pharma and pharmaceutical industries as a guideline in its review and determination of base salaries, annual performance incentive awards and long-term equity incentive compensation.

The levels and elements of total compensation that we provide are compared to a "market composite" of data that includes, where available, proxy information for all of the companies in our peer group as well as industry-specific published survey data from Aon Radford Global Life Sciences survey, a well-established blinded industry compensation survey. The survey data and the peer group data are complementary to one another. The survey data provides a broader industry-wide component and matches are made based on job and functional responsibility, while

the peer group data provides information regarding companies most directly comparable to us.

The peer companies selected by our Compensation Committee, with Compensia's input, in September 2012 consisted of the following:

Aegerion Pharmaceuticals	Dyax	Progenics Pharmaceutical
Affymax	Dynavax Technologies	Sangamo BioSciences
Amicus Therapeutics	MAP Pharmaceuticals	Synageva BioPharma
ArQule	Neurocrine Biosciences	Transcept Pharmaceuticals
Avanir Pharmaceuticals	Novavax	Vical
Corcept Therapeutics	Omeros	Zalicus
Curis	Oncothyreon	
Depomed	Orexigen Therapeutics	

Edgar Filing: Raptor Pharmaceutical Corp - Form DEF 14A

As the time, these peer companies were determined to be appropriate from a market capitalization and from a corporate progress/stage of development and corporate strategy perspective. At the time of the peer review in September 2012, the Company's market capitalization was below the median of the peer group market capitalization (200-day average market capitalization as of September 5, 2012).

In November 2013, on the recommendation of Compensia, the Compensation Committee significantly revised this peer group to remove companies that were no longer appropriate from a market capitalization perspective (Affymax, Amicus Therapeutics, Corcept Therapeutics, OncoGenex Pharmaceuticals, Oncothyreon) or not appropriate from a stage of development/corporate strategy perspective (ArQule, Dynavax Technologies, Neurocrine Biosciences, Novavax, Omeros, Progenics Pharmaceutical, Sangamo BioSciences and Vical). Additionally, MAP Pharmaceuticals was removed because it was acquired. The peer group approved in November 2013 consisted of the following companies:

Aegerion Pharmaceuticals	Hyperion Therapeutics	Portola Pharmaceuticals
Arena Pharmaceuticals	Intercept Pharma	Sarepta Therapeutics
Avanir Pharmaceuticals	InterMune	Synageva BioPharma
Curis	Ironwood Pharmaceuticals	VIVUS
Depomed	Keryx Biopharmaceuticals	
Dyax	KYTHERA Biopharmaceuticals	
Exelixis	Momenta Pharmaceuticals	
Halozyme Therapeutics	Pacira Pharmaceuticals	

These peer companies were generally appropriate from a strategic/stage of development and market capitalization perspective. At the time of the peer review in December 2013, our market capitalization was below the median of the peer group market capitalization (60 day average market capitalization as of December 10, 2013).

In January 2014, Compensia reviewed each named executive officer's 2013 compensation as compared to proxy data from this peer group, where available, and a blend of proxy data and survey data for executives without a peer match. Compensia found that total target cash compensation levels for the named executives, on average, approximated the market 25th percentile, with Dr. Starr, Ms. Erbez and Ms. Smith at or below the 25th percentile and Mr. Daley at the 60th percentile. Dr. Starr's September 2012 annual option grant also fell below the 25th percentile, while Mr. Daley's annual option grant was at the 60th percentile.

The Role of Our Chief Executive Officer

While the Compensation Committee has overall responsibility for establishing the elements, level and administration of our executive compensation programs, our Chief Executive Officer routinely participates in this process, as does the Compensation Committee's external, independent compensation consultant. Our Chief Executive Officer conducts in-depth performance reviews of each of the other executive officers and provides a summary of this review to the Compensation Committee. Our Chief Executive Officer also makes recommendations to the Compensation Committee regarding adjustments to these executives' base salaries, target bonus opportunities and equity awards, as required and based on their performance and market considerations. Our Chief Executive Officer's recommendations are one of several important factors considered by the Compensation Committee in making its determinations regarding our executive compensation programs. The Chief Executive Officer also provides a self-assessment to the Compensation Committee and full Board of Directors for their consideration.

Elements of Compensation

Elements of compensation for our executives generally include:

base salary (typically subject to review and potential adjustment annually based on inflation factors, industry competitive salary levels, our ability to pay, and performance on corporate and individual goals);
annual performance bonuses which are paid in cash and are based primarily on performance against preset written goals;
equity compensation (which to date has been implemented using stock option awards with multiple year vesting terms and up to ten year expiration periods);
401(k) plan Company matching contributions;
health, disability and life insurance; and
severance and change in control provisions primarily delineated in individual employment contracts or employer offer letters and Company policies.

Base Salary

At hire, base salaries are set for our executives based on the scope of each executive's responsibilities, as well as their qualifications, breadth of experience, performance record in similar situations, depth and breadth of appropriate functional expertise and close match with position requirements. Competitive market compensation paid by similar companies in our industry for individuals with similar responsibilities is a fundamental consideration.

Shortly after the end of each fiscal year, the Compensation Committee conducts an annual review of base salaries and the overall compensation package as a basis for any adjustments. Annual adjustments, if any, are typically made effective retroactive to the first day of the new fiscal year. The basis for salary adjustments may include merit increases in the competitive marketplace, adjustments to move individuals toward our target penetration in the competitive salary range for similar positions, increased duties and responsibilities, and sustained superior performance against goals and in special assignments. Adjustments may be made during the fiscal year for promotions, for highly urgent competitive reasons, for sustained superior performance in new or special challenges or circumstances, and similar reasons (mid-year adjustments generally require unusual or special circumstances).

There were no changes made to the base salary compensation of our named executive officers during the 16-month period ended December 31, 2013 as the Compensation Committee had recommended and the Board of Directors had approved the following base salaries effective September 2012:

Name	Position	Effective September 1, 2012* Annual Base Salary
Christopher M. Starr, Ph.D.	Chief Executive Officer and Director	\$410,000
Julie Anne Smith	Executive Vice President, Strategy, Chief Operations Officer	350,000
Georgia Erbez	Chief Financial Officer, Treasurer and Secretary	330,000
Ted Daley	Chief Business Officer	292,000

* For Ms. Smith and Ms. Erbez, salaries were negotiated in connection with and effective upon their hire date of September 10, 2012.

In February 2014, the Compensation Committee recommended and the Board of Directors approved 15% base salary increases for Dr. Starr and Ms. Smith given their strong performance during 2013 and, in the case of Dr. Starr, to bring his pay closer to the market median. The Board approved 5% base salary increases for the other named executive officers in light of the Company's strong performance during 2013 and to provide for a competitive merit/cost of living adjustment. The adjusted 2014 base salaries for the named executive officers are as follows.

Name	Position	Effective January 1, 2014 Annual Base Salary
Christopher M. Starr, Ph.D.	Chief Executive Officer and Director	\$471,500
Julie Anne Smith	Executive Vice President, Strategy, Chief Operations Officer	402,500

Georgia Erbez	Chief Financial Officer, Treasurer and Secretary	346,500
Ted Daley	Chief Business Officer	306,600

Annual Incentive Cash Bonus and Other Non-Equity Incentive Plan Compensation

All of our executive officers are eligible for annual cash bonuses pursuant to their employment agreements.

Our Compensation Committee has implemented an annual performance program. Annual performance goals are determined and documented in writing at the beginning of each fiscal year for the Company as a whole (corporate goals) and for each executive (individual goals). Should there be a meaningful change in our situation, environment, or operating strategy, goals may be modified or new, more appropriate goals may be instituted upon the recommendation of our Compensation Committee and approval by our Board of Directors. Given that we changed our fiscal year in 2012 from August 31 to December 31, the cash incentive program covered the 16-month period from September 1, 2012 through December 31, 2013.

26

Performance against our corporate goals and the executive's individual goals is considered by our Compensation Committee in evaluating performance and as a significant contributing factor in determining all aspects of the compensation of our executives. Performance against goals is the primary factor in determining annual cash incentive bonuses.

Goals are weighted in importance and are time-bound. When taken as a whole, goals are intended to be challenging goals which will have a meaningful impact on stockholder value, either immediately or as preparatory steps required for future achievements.

The achievement scores are desired to be measurable and quantifiable. After evaluation of performance, achievement scores may be awarded which recognize partial performance of a goal or award additional score points for exceptional performance due to unanticipated challenges or superior performance.

Each organizational level in the Company has a target percentage of the annual base salary for annual incentive bonus awards. Such awards are granted at the sole discretion of our Board of Directors, include subjective aspects of performance, and can be modified based on multiple factors including our available financial resources, our overall performance and others. Bonuses are pro-rated for the time of service within the year. An employee must still be in active service at the time our Board of Directors approves the bonus in order to be eligible to be paid an annual incentive bonus.

Awards can vary up to 125% of the target percentage based on assessment of the achievement of meaningful additional goals or sustained superior performance in the conduct of duties and responsibilities in the employee's position.

The annual target bonus percentages for our named executive officers effective September 2012 were as follows: Dr. Starr 50% of his annual base salary; Ms. Erbez and Ms. Smith, 40% each; Mr. Daley 35%. These target bonus percentages were increased (or were set for new executive officers) after a review of the practices of our peer companies, which indicated that our previous percentages were not competitive with our peer company compensation practices and could contribute unfavorably to the competitive compensation position for key executives of our Company. Given that the performance period covered 16 months instead of 12 months, the annual target bonuses were increased by 133% to account for the longer performance period.

Corporate Goals

Our corporate goals for the period September 2012 through December 31, 2013 were grouped into our major activities with the weighting shown.

Development of RP103 for Cystinosis (weighted 70%; achieved 60%)

- NDA approval on PDUFA date;
- MAA approval Q3 calendar 2013;
- Meet patient enrollment goals for RaptorCares™ in U.S. and EU;
- Launch in the U.S. as per schedule and achieve meaningful net revenue goals; and
- Obtain orphan exclusivity from FDA/EMA.

Finance (weighted 25%; achieved 25%)

Edgar Filing: Raptor Pharmaceutical Corp - Form DEF 14A

- End 2013 with cash balance of \$84 million; and
- Meet or exceed EBITDA goal of -\$54 million for calendar 2013.

RP103 – Other (weighted 5%; achieved 5%)

- Contract with second source supplier.

The Company achieved each of the above corporate goals at 100% except that the PDUFA date was delayed and the patient enrollment goal in RaptorCares was only partially achieved, resulting in a combined corporate score of 90%.

27

Individual Goals

Our Chief Executive Officer's individual goals are identical to the corporate goals. Individual goals are proposed by each executive and reviewed by our Chief Executive Officer. After review and modification, if necessary, by our Compensation Committee, the goals are approved by our Board of Directors.

For the period beginning September 2012 through December 31, 2013, a significant percentage of each executive officer's individual goals directly supported our corporate goals. The remaining goals were based on achievements within the executive's areas of responsibility.

As discussed above, Dr. Starr's individual goals were 100% of the corporate goals. Ms. Smith's individual goals included the enrollment goals for RaptorCares™ in U.S. and EU listed above plus goals related to our revenues, patient identification, drug supply and program management. Ms. Erbez's individual goals included meeting or exceeding our EBITDA goal for calendar 2013 plus metrics related to financial management measurement systems, financial projections and needs, internal financial reporting, valuation analyses, internal controls, spending controls, audits, investors and financings. Mr. Daley's individual goals included NDA approval, MAA approval and orphan exclusivity from FDA/EMA goals, listed above, plus metrics related to WBC cystine testing, NASH and certain business development milestone. Corporate and individual goals were weighted based upon importance to and impact on Raptor.

Fiscal Year 2013 Goal Achievements for our Executive Officers

Dr. Starr's annual target incentive bonus was equal to 50% of his base salary (the base salary target percentage). Following consideration of the corporate achievement score of 90% and given the Company's strong shareholder returns during 2013, the Compensation Committee recommended and the Board approved an annual incentive bonus of \$250,000.

Ms. Smith's annual target incentive bonus was equal to 40% of her base salary (the base salary target percentage). Corporate program goals account for 70% of Ms. Smith's annual incentive bonus, while individual goals account for the remaining 30%. Following consideration of the corporate achievement score of 90%, Ms. Smith's individual performance and the Company's strong shareholder returns during 2013, the Compensation Committee recommended and the Board approved an annual incentive bonus of \$200,000.

Ms. Erbez's annual target incentive bonus was equal to 40% of her base salary (the base salary target percentage). Corporate program goals account for 70% of Ms. Erbez's annual incentive bonus, while individual goals account for the remaining 30%. Following consideration of the corporate achievement score of 90%, Ms. Erbez's individual performance and given the Company's strong shareholder returns during 2013, the Compensation Committee recommended and the Board approved an annual incentive bonus of \$165,000.

Mr. Daley's annual target incentive bonus was equal to 35% of his base salary (the base salary target percentage). Corporate program goals account for 70% of Mr. Daley's annual incentive bonus, while individual goals account for the remaining 30%. Following consideration of the corporate achievement score of 90%, Ms. Daley's individual performance and given the Company's strong shareholder returns during 2013, the Compensation Committee recommended and the Board approved an annual incentive bonus of \$120,000.

Equity Incentive Programs (Currently Based on Stock Options)

We believe that equity grants provided to our executive officers (and all members of our team) create a strong link to our long-term financial and equity market performance, create an ownership culture and closely align the interests of our executive officers with the interests of our stockholders. Because of the direct relationship between the value of an equity award and the future market price of our common stock, we believe that granting equity awards is the best method of motivating executive officers to manage in a manner that is consistent with our stockholders' and our Company's interests. In addition, we believe that the four-year vesting feature of our equity grants promotes executive officer (and staff) retention because this feature provides an incentive of potentially increasing value to our executive officers during the vesting period.

In determining the size of equity grants to our executive officers, our Compensation Committee considers: our performance; the applicable executive officer's performance; comparative competitive levels of equity compensation for similar peer companies; the vesting of such awards; the number of shares available under our 2010 Equity Incentive Plan, or the 2010 Plan, and projected future needs to support future staff growth; the recommendations of management and consultants; and external data sources which support a comparative competitive analyses.

28

With respect to newly hired executives, our practice is to include equity compensation (currently based on stock option grants) as an integral part of the compensation package for inclusion in the executive's employment agreement. The compensation package, including the stock option grant, is approved by a unanimous written consent executed by our Board of Directors. The executive's stock option exercise price is based upon the closing price the day preceding the later of approval by the Board of Directors or the executive's first day of employment.

Under the 2010 Plan, we were initially authorized to grant up to an aggregate of 3,000,000 shares over the ten year life of the 2010 Plan. On April 7, 2011, our stockholders passed amendments to the 2010 Plan which allow for an increase of the grant pool based upon 5% of our common stock outstanding as of April 7, 2011, August 31, 2011 and August 31, 2012 up to an aggregate maximum increase of 6,000,000 shares. The April 7, 2011, August 31, 2011 and August 31, 2012 increases added 1,629,516, 1,778,459 and 2,528,407 shares, respectively, available for grant under the 2010 Plan. On July 23, 2013, our stockholders approved an amendment to the 2010 Plan to increase the share reserve by an additional 3,000,000 shares. As of December 31, 2013, options to purchase 8,217,674 shares of our common stock were outstanding and 3,861,729 shares of our common stock remained available for future issuance under the 2010 Plan.

Stock Options. Stock options granted by us have an exercise price equal to the fair market value of our common stock on the day prior to grant, typically vest over a four-year period with 6/48ths vesting six months after the vesting commencement date and the remainder vesting ratably each month thereafter based upon continued employment or service, and generally expire ten years after the date of grant. Incentive stock options also include certain other terms necessary to assure compliance with the Internal Revenue Code of 1986, as amended, or the Code. In special, limited circumstances, we have granted stock options, which vested 25% upon grant and 1/36th per month thereafter and expire 10 years from the grant date. Our annual grants to our non-employee directors vest 25% per quarter.

Restricted Stock and Restricted Stock Units. Our 2010 Plan authorizes us to grant restricted stock and restricted stock units. We have not issued restricted stock or restricted stock units under the 2010 Plan. The Compensation Committee reviews the relative advantages and disadvantages of restricted stock as a compensation alternative at each annual cycle and may issue restricted stock in the future depending on the analysis in the future.

Equity Compensation Award

Following the changes in our fiscal year end from August 31 to December 31, there were no annual stock options granted to our named executive officers during the year ended December 31, 2013. All options granted to our named executive officers are intended to be qualified stock options as defined under Section 422 of the Code to the extent possible. The options granted included an adjustment for the 16-month period of service. Dr. Starr did not participate in the discussion or approval of his option grant.

Perquisites and Other Benefits

Broad-based benefit plans are an integral component of competitive executive compensation packages. Our benefits include a 401(k) savings plan with the Company matching provisions (when such matching is financially viable), healthcare benefits such as medical, dental, and vision plans, and disability and life insurance benefits. We have no structured perquisite benefits, and do not provide any deferred compensation programs or supplemental pensions to any executives. At its discretion, our Compensation Committee may revise, amend or add to the executive's benefits if it deems it advisable.

Other than as disclosed below, during our fiscal year ended December 31, 2013, our executives did not receive any perquisites and were not entitled to benefits that are not otherwise available to all of our employees. In connection with Ms. Smith's hire, we agreed to reimburse her for reasonable relocation expenses, not to exceed in the aggregate \$50,000, and provided that if her employment with the Company terminates, other than in connection with a "constructive termination" or "termination without cause" (each, as defined in her employment agreement), prior to the second anniversary of her first day of employment with the company, she will promptly reimburse the Company for the full amount of payment received for such relocation expenses. Ms. Smith was also entitled to reimbursement of commuting expenses related to the performance of her duties until the earlier of August 31, 2013 or the date Ms. Smith moves her primary residence to the San Francisco Bay Area.

Defined Contribution Plan

We maintain a qualified retirement plan pursuant to Code Sections 401(a) and 401(k) covering substantially all employees, subject to certain minimum age and service requirements, herein referred to as our 401(k) Plan. Our 401(k) Plan allows employees to make voluntary pre-tax contributions. The assets of the 401(k) plan are held in trust for participants and are distributed upon the retirement, disability, death or other termination of employment of the participant.

Employees who participate in our 401(k) Plan may contribute to their 401(k) account up to the maximum amount that varies annually in accordance with the Code. We also make available to 401(k) plan participants the ability to direct the investment of their 401(k) accounts in a well-balanced spectrum of various investment funds.

At our discretion, we provide for a 401(k) Company matching in the amount of 100% of the first 3% of salary that an employee defers and 50% of the next 2% of salary that an employee defers, in compliance with the Internal Revenue Service's Safe Harbor rules.

Dr. Starr will also receive a tax gross-up of any taxes, including any excise tax imposed by Section 4999 of the Code, for any payments and benefits he receives under his employment agreement in the event of a Change in Control. If Ms. Erbez's or Ms. Smith's employment is constructively terminated or terminated by us without cause other than during the 12 months following a Change in Control (as defined in the applicable employment agreement), they will be entitled to receive (i) continued payment of base salary for 12 months after such termination; (ii) payment or reimbursement of health plan coverage under COBRA for up to twelve months; (iii) continued exercisability of all of their vested options or stock appreciation rights with respect to our common stock until the first anniversary of the termination of their employment; and (iii) the release from any and all resale or repurchase rights restrictions of all shares of our common stock owned by them. If Ms. Erbez or Ms. Smith is terminated without cause or is constructively terminated by us within the 12 months following a change in control, in addition to the payments described in the preceding sentence, all of their unvested equity and equity-based awards (including stock options) will vest immediately and will remain exercisable until the second anniversary of the termination of employment. Additionally, they will be entitled to a lump sum payment equal to (i) the average of the annual bonus payments received by them in the two years preceding the year of termination; or (ii) if two annual bonus payment dates have not occurred (regardless of whether they received any annual bonus on such dates) prior to termination, the annual bonus they received with respect to the year preceding the year of termination; or (iii) if an annual bonus payment date has not occurred prior to their termination of employment, 40% of their base salary. If Ms. Erbez or Ms. Smith is terminated for disability, they will continue to receive their base salary and reimbursement or payment of health plan coverage under COBRA for three months following the date of termination. Each of the foregoing payments and benefits is subject to the applicable officer's execution of a general release of claims that becomes effective and irrevocable within 60 days following termination.

If any officer's employment is terminated for cause, by death or due to a voluntary termination, we shall pay to such officer, or in the case of termination due to death, his or her estate, the compensation and benefits payable through the date of termination or, in the case of Ms. Erbez or Ms. Smith, if such officer's employment is terminated by death, a lump sum amount equal to three months of base salary.

Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee has served as one of our officers or employees at any time. None of our executive officers serves, or has served during the last fiscal year, as a member of the compensation committee or a member of the board of directors of any other company that has an executive officer serving as a member of our Compensation Committee or our Board of Directors.

Compensation Risks

We believe that risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on the Company. In addition, the Compensation Committee believes that the mix and design of the elements of executive compensation do not encourage management to assume excessive risks.

The Compensation Committee reviewed the elements of executive compensation to determine whether any portion of executive compensation encouraged excessive risk taking, including the following:

- significant weighting towards long-term equity compensation (with multiple year vesting schedules and long expiration terms) discourages short-term risk taking;
- for key decision-making officers, base salary makes up a significant majority of cash compensation even with full achievement of annual incentive (cash) awards; and

annual incentive (cash) awards are tied to multiple, varying goals such that no single goal determines a large percentage of compensation.

As a pharmaceutical product development company with industry standard long development timelines, prior to our U.S. drug approval in April 2013, we did not face the same level of short-term risks that could impact compensation for employees as compared to other companies in rapidly changing markets. The short-term risks in the capital markets faced by us were largely tied to the approval of and related market exclusivity actions for our product by the FDA and were not under the direct control of our management.

With our U.S. drug approved in April 2013, as a company with an ultra-orphan product in the critical phase of market launch, this risk has increased due to the short term focus of the capital markets on the performance of our emerging product in the pharmaceutical marketplace. This potentially affects both our employees' short-term cash and long-term equity compensation. We believe this risk is mitigated by the factors discussed above. Furthermore, compensation decisions include subjective considerations, which moderate the influence of formulaic or objective factors which may encourage excessive risk taking.

Equity Compensation Plan Information

The following table provides certain information with respect to all of our equity compensation plans in effect as of December 31, 2013:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Transactions with Related Persons

Our Audit Committee approves and oversees any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K) on an ongoing basis and maintains policies and procedures for the Audit Committee's approval of related party transactions.

Raptor's policy on related party transactions is covered in the company's code of conduct policy. Pursuant to the direction in our Code of Conduct and Business Ethics, authorization from the Audit Committee is required for a director or an officer or their affiliates to enter into a related party transaction or similar transaction which could result in a conflict of interest. Conflicts of interest are prohibited unless specifically authorized in accordance with the Code of Conduct and Business Ethics. Our Audit Committee is responsible for reviewing, reporting and the approval or ratification of each related party transaction. The Audit Committee is responsible for determining if a related party transaction is in the best interest of the Company. The scope of related party transactions or other relationships includes those that would be required to be disclosed in the Proxy Statement as a related party transaction pursuant to applicable NASDAQ or SEC rules.

In general, these transactions and relationships are defined as those involving a direct or indirect material interest of any of our executive officers, directors, nominees for director and 5% stockholders, as well as specified members of the family or households of these individuals or stockholders, including entities in which the related party has a material interest, indebtedness, guarantees of indebtedness or employment by us of a related person, where we or any of our affiliates have participated in the transaction (either as a direct party or by arranging the transaction) and the transactions or series of transactions involves more than \$120,000.

Our general practice is that we may not enter into a related party transaction unless our Corporate Counsel has specifically confirmed in writing that no further reviews are necessary, or that all requisite corporate approvals have been obtained. Our practice excludes transactions, among others, involving compensation of our executive officers or directors that the Board or our Compensation Committee has expressly approved. Indemnification agreements between the Company and our executive officers and directors are outside the scope of related party transactions processes. In the ordinary course of business, our officers occasionally utilize their personal credit cards or cash to pay for expenses on behalf of the Company and the Company reimburses the officers within 30 days.

Since January 1, 2013, there has not been nor is there currently proposed any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any of our directors, executive officers, nominees for director, persons who we know hold more than 5% of our common stock, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest other than compensation agreements and other arrangements which are described elsewhere in this proxy statement.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other of our filings under the Securities Act of 1933, as amended, or under the Exchange Act, except to the extent we specifically incorporate this Audit Committee Report by reference therein.

It is not the responsibility of our Audit Committee to determine that our financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly our results of operations for the periods presented or that we maintain appropriate internal controls. Nor is it the duty of our Audit Committee to determine that the audit of our financial statements have been carried out in accordance with generally accepted auditing standards or that our independent registered public accounting firm is independent.

In this context, our Audit Committee hereby reports as follows:

- The Audit Committee reviewed and discussed our audited financial statements as of and for our fiscal year ended December 31, 2013 with management and the independent registered public accounting firm.

- The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 16, "Communications with Audit Committees," as adopted by the Public Company Accounting Oversight Board.

- The Audit Committee received from the independent registered public accounting firm the written disclosures and letter required by the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent registered public accounting firm the independence of the independent registered public accounting firm.

Based upon the review and discussion referred to in the three bullet points above, our Audit Committee recommended to our Board of Directors, and our Board of Directors has approved, that our audited financial statements for the fiscal year ending December 31, 2013 be included in the Annual Report on Form 10-K for that year for filing with the Securities and Exchange Commission.

Communication with Our Board of Directors

Our Board of Directors has provided a procedure for stockholders or other persons to send written communications to our Board of Directors, committees of our Board of Directors or any of the directors, including complaints to our Audit Committee regarding accounting, internal accounting controls, or auditing matters. Stockholders may send written communications to our Board of Directors, the appropriate committee or any of our directors by certified mail only, c/o Audit Committee Chair, Raptor Pharmaceutical Corp., 7 Hamilton Landing, Suite 100, Novato, California 94949. All such written communications will be compiled by the Chair of the Audit Committee and submitted to our Board of Directors, a committee of our Board of Directors or the individual director(s), as appropriate, within a reasonable period of time. These communications will be retained with our corporate records.

Delivery of this Proxy Statement to Multiple Stockholders with the Same Address

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single set of proxy materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A single set of proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you notify your broker or us that you no longer wish to participate in "householding." If, at any time, you no longer wish to participate in "householding" and would prefer to receive separate proxy materials in the future, you may (1) notify your broker, (2) direct your written request to: Corporate Secretary, Raptor Pharmaceutical Corp., 7 Hamilton Landing, Suite 100, Novato, California 94949, or (3) contact our Chief Financial Officer, Georgia Erbez, at (415) 408-6231. Upon a written or oral request to the address or telephone number above, we will promptly

deliver a separate set of proxy materials to a stockholder at a shared address to which a single copy of the documents was delivered. Our stockholders who currently receive multiple copies of the proxy materials at their address and would like to request "householding" of their communications should contact their broker.

PARTICIPATION

3.1 Eligibility.

(a) Any Eligible Employee who shall be employed by the Company or a Designated Subsidiary on a given Enrollment Date for an Offering Period shall be eligible to participate in the Plan during such Offering Period, subject to the requirements of Articles IV and V hereof, and the limitations imposed by Section 423(b) of the Code and the Treasury Regulations thereunder.

(b) No Eligible Employee shall be granted an Option under the Plan which permits the Participant's rights to purchase shares of Common Stock under the Plan, and to purchase stock under all other employee stock purchase plans of the Company, any Parent or any Subsidiary subject to Section 423 of the Code (any such Option or other option, a "Section 423 Option"), to accrue at a rate which exceeds \$25,000 of fair market value of such stock (determined at the time the Section 423 Option is granted) for each calendar year in which any Section 423 Option granted to the Participant is outstanding at any time. For purposes of the limitation imposed by this subsection,

(i) the right to purchase stock under a Section 423 Option accrues when the Section 423 Option (or any portion thereof) first becomes exercisable during the calendar year,

(ii) the right to purchase stock under a Section 423 Option accrues at the rate provided in the Section 423 Option, but in no case may such rate exceed \$25,000 of fair market value of such stock (determined at the time such option is granted) for any one calendar year, and

(iii) a right to purchase stock which has accrued under a Section 423 Option may not be carried over to any other Section 423 Option; provided that Participants may carry forward amounts so accrued that represent a fractional share of stock and were withheld but not applied towards the purchase of Common Stock under an earlier Offering Period, and may apply such amounts towards the purchase of additional shares of Common Stock under a subsequent Offering Period; provided further that any amounts so accrued that are in excess of a fractional share of stock will be refunded to such Participant.

The limitation under this Section 3.1(b) shall be applied in accordance with Section 423(b)(8) of the Code and the Treasury Regulations thereunder.

3.2 Election to Participate; Payroll Deductions

(a) Except as provided in Section 3.3 hereof, an Eligible Employee may become a Participant in the Plan only by means of payroll deduction. Each individual who is an Eligible Employee as of an Offering Period's Enrollment Date may elect to participate in such Offering

49

Period and the Plan by delivering to the Company a payroll deduction authorization no later than the tenth (10th) calendar day prior to the applicable Enrollment Date.

(b) Subject to Section 3.1(b) hereof, payroll deductions (i) shall be equal to at least one percent (1%) of the Participant's Compensation as of each Payday of the Offering Period following the Enrollment Date, but not more than the lesser of fifteen percent (15%) of the Participant's Compensation as of each Payday of the Offering Period following the Enrollment Date or \$25,000 per Offering Period; and (ii) may be expressed either as (A) a whole number percentage, or (B) a fixed dollar amount. Amounts deducted from a Participant's Compensation with respect to an Offering Period pursuant to this Section 3.2 shall be deducted each Payday through payroll deduction and credited to the Participant's Plan Account.

(c) Following at least one (1) payroll deduction, a Participant may decrease (to as low as zero) the amount deducted from such Participant's Compensation only once during an Offering Period upon ten (10) calendar days' prior written notice to the Company. A Participant may not increase the amount deducted from such Participant's Compensation during an Offering Period.

(d) Notwithstanding the foregoing, upon the termination of an Offering Period, each Participant in such Offering Period shall automatically participate in the immediately following Offering Period at the same payroll deduction percentage as in effect at the termination of the prior Offering Period, unless such Participant delivers to the Company a different election with respect to the successive Offering Period in accordance with Section 3.1(a) hereof, or unless such Participant becomes ineligible for participation in the Plan.

3.3 Leave of Absence. During leaves of absence approved by the Company meeting the requirements of Treasury Regulation Section 1.421-1(h)(2) under the Code, a Participant may continue participation in the Plan by making cash payments to the Company on his or her normal payday equal to his or her authorized payroll deduction.

ARTICLE IV.

PURCHASE OF SHARES

4.1 Grant of Option. Each Participant shall be granted an Option with respect to an Offering Period on the applicable Grant Date. Subject to the limitations of Section 3.1(b) hereof, the number of shares of Common Stock subject to a Participant's Option shall be determined by dividing (a) such Participant's payroll deductions accumulated prior to such Exercise Date and retained in the Participant's Plan Account on such Exercise Date by (b) the applicable Option Price; provided that in no event shall a Participant be permitted to purchase during each Offering Period more than 7,500 shares of Common Stock (subject to any adjustment pursuant to Section 5.2 hereof). The Administrator may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of shares of Common Stock that a Participant may purchase during such future Offering Periods. Each Option shall expire on the Exercise Date for the applicable Offering Period immediately after the automatic exercise of the Option in accordance with Section 4.3 hereof, unless such Option terminates earlier in accordance with Article 6 hereof.

50

4.2 Option Price. The Option Price per share of Common Stock to be paid by a Participant upon exercise of the Participant's Option on the applicable Exercise Date for an Offering Period shall be equal to eighty five percent (85%) of the lesser of the Fair Market Value of a share of Common Stock on (a) the applicable Grant Date and (b) the applicable Exercise Date; provided that in no event shall the Option Price per share of Common Stock be less than the par value per share of the Common Stock.

4.3 Purchase of Shares.

(a) On the applicable Exercise Date for an Offering Period, each Participant shall automatically and without any action on such Participant's part be deemed to have exercised his or her Option to purchase at the applicable per share Option Price the largest number of whole shares of Common Stock which can be purchased with the amount in the Participant's Plan Account. The balance, if any, remaining in the Participant's Plan Account (after exercise of such Participant's Option) as of such Exercise Date shall be carried forward to the next Offering Period, unless the Participant has elected to withdraw from the Plan pursuant to Section 6.1 hereof or, pursuant to Section 6.2 hereof, such Participant has ceased to be an Eligible Employee. Any balance not carried forward to the next Offering Period in accordance with the prior sentence shall be promptly refunded to the applicable Participant. For the avoidance of doubt, in no event shall an amount greater or equal to the per share Option Price as of an Exercise Date be carried forward to the next Offering Period.

(b) As soon as practicable following the applicable Exercise Date, the number of shares of Common Stock purchased by such Participant pursuant to Section 4.3(a) hereof shall be delivered (either in share certificate or book entry form), in the Company's sole discretion, to either (i) the Participant or (ii) an account established in the Participant's name at a stock brokerage or other financial services firm designated by the Company. If the Company is required to obtain from any commission or agency authority to issue any such shares of Common Stock, the Company shall seek to obtain such authority. Inability of the Company to obtain from any such commission or agency authority which counsel for the Company deems necessary for the lawful issuance of any such shares shall relieve the Company from liability to any Participant except to refund to the Participant such Participant's Plan Account balance, without interest thereon.

4.4 Transferability of Rights. An Option granted under the Plan shall not be transferable, other than by will or the applicable laws of descent and distribution, and is exercisable during the Participant's lifetime only by the Participant. No Option or interest or right to the Option shall be available to pay off any debts, contracts or engagements of the Participant or his or her successors in interest or shall be subject to disposition by pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempt at disposition of the option shall have no effect.

51

ARTICLE V.

PROVISIONS RELATING TO COMMON STOCK

5.1 Common Stock Reserved. Subject to adjustment as provided in Section 5.2 hereof, the maximum number of shares of Common Stock that shall be made available for sale under the Plan shall be 1,000,000. Shares of Common Stock made available for sale under the Plan may be authorized but unissued shares, treasury shares of Common Stock, or reacquired shares reserved for issuance under the Plan.

5.2 Adjustments Upon Changes in Capitalization, Dissolution, Liquidation, Merger or Asset Sale.

(a) Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock which have been authorized for issuance under the Plan but not yet placed under Option, as well as the price per share and the number of shares of Common Stock covered by each Option under the Plan which has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Offering Period then in progress shall be shortened by setting a new Exercise Date (the "New Exercise Date"), and shall terminate immediately prior to the consummation of such proposed dissolution or liquidation, unless provided otherwise by the Administrator. The New Exercise Date shall be before the date of the Company's proposed dissolution or liquidation. The Administrator shall notify each Participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the Participant's Option has been changed to the New Exercise Date and that the Participant's Option shall be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 6.1(a) hereof or the Participant has ceased to be an Eligible Employee as provided in Section 6.2 hereof.

(c) Merger or Asset Sale. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each outstanding Option shall be assumed or an equivalent Option substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Option, any Offering Periods then in progress shall be shortened by setting a New Exercise Date and any Offering Periods then in progress shall end on the New Exercise Date. The New Exercise Date shall be before the date of the

52

Company's proposed sale or merger. The Administrator shall notify each Participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the Participant's Option has been changed to the New Exercise Date and that the Participant's Option shall be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 6.1(a) hereof or the Participant has ceased to be an Eligible Employee as provided in Section 6.2 hereof.

5.3 Insufficient Shares. If the Administrator determines that, on a given Exercise Date, the number of shares of Common Stock with respect to which Options are to be exercised may exceed the number of shares of Common Stock remaining available for sale under the Plan on such Exercise Date, the Administrator shall make a pro rata allocation of the shares of Common Stock available for issuance on such Exercise Date in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants exercising Options to purchase Common Stock on such Exercise Date, and unless additional shares are authorized for issuance under the Plan, no further Offering Periods shall take place and the Plan shall terminate pursuant to Section 7.5 hereof. If an Offering Period is so terminated, then the balance of the amount credited to the Participant's Plan Account which has not been applied to the purchase of shares of Common Stock shall be paid to such Participant in one lump sum in cash within thirty (30) days after such Exercise Date, without any interest thereon.

5.4 Rights as Stockholders. With respect to shares of Common Stock subject to an Option, a Participant shall not be deemed to be a stockholder of the Company and shall not have any of the rights or privileges of a stockholder. A Participant shall have the rights and privileges of a stockholder of the Company when, but not until, shares of Common Stock have been deposited in the designated brokerage account following exercise of his or her Option.

ARTICLE VI.

TERMINATION OF PARTICIPATION

6.1 Cessation of Contributions: Voluntary Withdrawal.

(a) A Participant may cease payroll deductions during an Offering Period and elect to withdraw from the Plan by delivering written notice of such election to the Company in such form and at such time prior to the Exercise Date for such Offering Period as may be established by the Administrator (a "Withdrawal Election"). A Participant electing to withdraw from the Plan may elect to either (i) withdraw all of the funds then credited to the Participant's Plan Account as of the date on which the Withdrawal Election is received by the Company, in which case amounts credited to such Plan Account shall be returned to the Participant in one (1) lump-sum payment in cash within thirty (30) days after such election is received by the Company, without any interest thereon, and the Participant shall cease to participate in the Plan and the Participant's Option for such Offering Period shall terminate; or (ii) exercise the Option for the maximum number of whole shares of Common Stock on the applicable Exercise Date with any remaining Plan Account balance returned to the Participant in one (1) lump-sum payment in cash within thirty (30) days after such Exercise Date, without any interest thereon, and after such exercise cease to participate in the Plan. Upon receipt of a Withdrawal Election, the Participant's payroll deduction authorization and his or her Option to purchase under the Plan shall terminate.

(b) A Participant's withdrawal from the Plan shall not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the Participant withdraws.

(c) A Participant who ceases contributions to the Plan during any Offering Period shall not be permitted to resume contributions to the Plan during that Offering Period.

6.2 Termination of Eligibility. Upon a Participant's ceasing to be an Eligible Employee, for any reason, such Participant's Option for the applicable Offering Period shall automatically terminate, he or she shall be deemed to have elected to withdraw from the Plan, and such Participant's Plan Account shall be paid to such Participant or, in the case of his or her death, to the person or persons entitled thereto pursuant to applicable law, within thirty (30) days after such cessation of being an Eligible Employee, without any interest thereon.

ARTICLE VII.

GENERAL PROVISIONS

7.1 Administration.

(a) The Plan shall be administered by the Committee, which shall be composed of members of the Board. The Committee may delegate administrative tasks under the Plan to the services of an Agent and/or Employees to assist in the administration of the Plan, including establishing and maintaining an individual securities account under the Plan for each Participant.

(b) It shall be the duty of the Administrator to conduct the general administration of the Plan in accordance with the provisions of the Plan. The Administrator shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To establish, suspend and terminate Offering Periods;

(ii) To determine when and how Options shall be granted and the provisions and terms of each Offering Period (which need not be identical);

(iii) To select Designated Subsidiaries in accordance with Section 7.2 hereof; and

(iv) To construe and interpret the Plan, the terms of any Offering Period and the terms of the Options and to adopt such rules for the administration, interpretation, and application of the Plan as are consistent therewith and to interpret, amend or revoke any such rules. The Administrator, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan, any Offering Period or any Option, in a manner and to the extent it shall deem necessary or expedient to make the Plan fully effective, subject to Section 423 of the Code and the Treasury Regulations thereunder.

(c) The Administrator may adopt rules or procedures relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and

procedures. Without limiting the generality of the foregoing, the Administrator is specifically authorized to adopt rules and procedures regarding handling of participation elections, payroll deductions, payment of interest, conversion of local currency, payroll tax, withholding procedures and handling of stock certificates which vary with local requirements. In its absolute discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Administrator under the Plan.

(d) The Administrator may adopt sub-plans applicable to particular Designated Subsidiaries or locations, which sub-plans may be designed to be outside the scope of Section 423 of the Code. The rules of such sub-plans may take precedence over other provisions of this Plan, with the exception of Section 5.1 hereof, but unless otherwise superseded by the terms of such sub-plan, the provisions of this Plan shall govern the operation of such sub-plan.

(e) All expenses and liabilities incurred by the Administrator in connection with the administration of the Plan shall be borne by the Company. The Administrator may, with the approval of the Committee, employ attorneys, consultants, accountants, appraisers, brokers or other persons. The Administrator, the Company and its officers and directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Administrator in good faith shall be final and binding upon all Participants, the Company and all other interested persons. No member of the Board or Administrator shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the options, and all members of the Board or Administrator shall be fully protected by the Company in respect to any such action, determination, or interpretation.

7.2 Designation of Subsidiary Corporations. The Board or Committee shall designate from among the Subsidiaries, as determined from time to time, the Subsidiary or Subsidiaries that shall constitute Designated Subsidiaries. The Board or Committee may designate a Subsidiary, or terminate the designation of a Subsidiary, without the approval of the stockholders of the Company.

7.3 Reports. Individual accounts shall be maintained for each Participant in the Plan. Statements of Plan Accounts shall be given to Participants at least annually, which statements shall set forth the amounts of payroll deductions, the Option Price, the number of shares purchased and the remaining cash balance, if any.

7.4 No Right to Employment. Nothing in the Plan shall be construed to give any person (including any Participant) the right to remain in the employ of the Company, a Parent or a Subsidiary or to affect the right of the Company, any Parent or any Subsidiary to terminate the employment of any person (including any Participant) at any time, with or without cause, which right is expressly reserved.

7.5 Amendment and Termination of the Plan.

(a) The Board may, in its sole discretion, amend, suspend or terminate the Plan at any time and from time to time; provided, however, that without approval of the Company's stockholders given within twelve (12) months before or after action by the Board, the Plan may

not be amended to increase the maximum number of shares of Common Stock subject to the Plan or change the designation or class of Eligible Employees; and provided, further that without approval of the Company's stockholders, the Plan may not be amended in any manner that would cause the Plan to no longer be an "employee stock purchase plan" within the meaning of Section 423(b) of the Code.

(b) In the event the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Administrator may, to the extent permitted under Section 423 of the Code, in its discretion and, to the extent necessary or desirable, modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:

- (i) altering the Option Price for any Offering Period including an Offering Period underway at the time of the change in Option Price;
- (ii) shortening any Offering Period so that the Offering Period ends on a new Exercise Date, including an Offering Period underway at the time of the Administrator action; and
- (iii) allocating shares of Common Stock.

Such modifications or amendments shall not require stockholder approval or the consent of any Participant.

(c) Upon termination of the Plan, the balance in each Participant's Plan Account shall be refunded as soon as practicable after such termination, without any interest thereon.

7.6 Use of Funds; No Interest Paid. All funds received by the Company by reason of purchase of Common Stock under the Plan shall be included in the general funds of the Company free of any trust or other restriction and may be used for any corporate purpose. No interest shall be paid to any Participant or credited under the Plan.

7.7 Term; Approval by Stockholders. Subject to approval by the stockholders of the Company in accordance with this Section 7.7, the Plan shall terminate on the tenth (10th) anniversary of the date of its initial approval by the stockholders of the Company, unless earlier terminated in accordance with Sections 5.3 or 7.5 hereof. No Option may be granted during any period of suspension of the Plan or after termination of the Plan. The Plan shall be submitted for the approval of the Company's stockholders within twelve (12) months after the date of the Board's initial adoption of the Plan. Options may be granted prior to such stockholder approval; provided, however, that such Options shall not be exercisable prior to the time when the Plan is approved by the stockholders; provided, further that if such approval has not been obtained by the end of said twelve (12)-month period, all Options previously granted under the Plan shall thereupon terminate and be canceled and become null and void without being exercised.

7.8 Effect Upon Other Plans. The adoption of the Plan shall not affect any other compensation or incentive plans in effect for the Company, any Parent or any Subsidiary. Nothing in the Plan shall be construed to limit the right of the Company, any Parent or any Subsidiary (a) to establish any other forms of incentives or compensation for Employees of the

Company or any Parent or any Subsidiary, or (b) to grant or assume Options otherwise than under the Plan in connection with any proper corporate purpose, including, but not by way of limitation, the grant or assumption of options in connection with the acquisition, by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, firm or association.

7.9 Conformity to Securities Laws. Notwithstanding any other provision of the Plan, the Plan and the participation in the Plan by any individual who is then subject to Section 16 of the Exchange Act shall be subject to any additional limitations set forth in any applicable exemption rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

7.10 Notice of Disposition of Shares. Each Participant shall give the Company prompt notice of any disposition or other transfer of any shares of Common Stock, acquired pursuant to the exercise of an Option, if such disposition or transfer is made (a) within two (2) years after the applicable Grant Date or (b) within one (1) year after the transfer of such shares of Common Stock to such Participant upon exercise of such Option. The Company may direct that any certificates evidencing shares acquired pursuant to the Plan refer to such requirement.

7.11 Tax Withholding. The Company or any Parent or any Subsidiary shall be entitled to require payment in cash or deduction from other compensation payable to each Participant of any sums required by federal, state or local tax law to be withheld with respect to any purchase of shares of Common Stock under the Plan or any sale of such shares.

7.12 Governing Law. The Plan and all rights and obligations thereunder shall be construed and enforced in accordance with the laws of the State of Delaware.

7.13 Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

7.14 Conditions To Issuance of Shares.

(a) Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates or make any book entries evidencing shares of Common Stock pursuant to the exercise of an Option by a Participant, unless and until the Board or the Committee has determined, with advice of counsel, that the issuance of such shares of Common Stock is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any securities exchange or automated quotation system on which the shares of Common Stock are listed or traded, and the shares of Common Stock are covered by an effective registration statement or applicable exemption from registration. In addition to the terms and conditions provided herein, the Board or the Committee may require that a Participant make such reasonable covenants, agreements, and representations

57

as the Board or the Committee, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements.

(b) All certificates for shares of Common Stock delivered pursuant to the Plan and all shares of Common Stock issued pursuant to book entry procedures are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state, or foreign securities or other laws, rules and regulations and the rules of any securities exchange or automated quotation system on which the shares of Common Stock are listed, quoted, or traded. The Committee may place legends on any certificate or book entry evidencing shares of Common Stock to reference restrictions applicable to the shares of Common Stock.

(c) The Committee shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement, distribution or exercise of any Option, including a window-period limitation, as may be imposed in the sole discretion of the Committee.

(d) Notwithstanding any other provision of the Plan, unless otherwise determined by the Committee or required by any applicable law, rule or regulation, the Company may, in lieu of delivering to any Participant certificates evidencing shares of Common Stock issued in connection with any Option, record the issuance of shares of Common Stock in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

7.15 Equal Rights and Privileges. Except with respect to sub-plans designed to be outside the scope of Section 423 of the Code, all Eligible Employees of the Company (or of any Designated Subsidiary) shall have equal rights and privileges under this Plan to the extent required under Section 423 of the Code or the regulations promulgated thereunder so that this Plan qualifies as an "employee stock purchase plan" within the meaning of Section 423 of the Code or the Treasury Regulations thereunder. Any provision of this Plan that is inconsistent with Section 423 of the Code or the Treasury Regulations thereunder shall, without further act or amendment by the Company or the Board, be reformed to comply with the equal rights and privileges requirement of Section 423 of the Code or the Treasury Regulations thereunder.
