SECTION 14(F) OF THE SECURITIES EXCHANGE

ACT OF 1934 AND RULE 14F-1 THEREUNDER

INTRODUCTION

This Information Statement is being mailed on or about January 3, 2013, to the holders of record at the close of business on January 2, 2013 (the Record Date) of shares of our common stock, par value \$0.01 per share (Common Stock) of Cactus Ventures, Inc., a Nevada corporation (the Company), in connection with the change of control and composition of the board of directors of the Company (the Board of Directors) as contemplated by that certain Share Exchange Agreement, dated December 28, 2012 (the Share Exchange Agreement), by and among (i) the Company, (ii) Diane S. Button, our former principal stockholder (Button), (iii) Actinium Pharmaceuticals, Inc., a Delaware corporation (Actinium), and (iv) the shareholders of Actinium (the Actinium Shareholders). The transactions contemplated by the Share Exchange Agreement were consummated on December 28, 2012 (the Closing Date).

Except as otherwise indicated by the context, references in this Information Statement to Cactus, we, us, our, Company, or the Company are to the combined business of Cactus and its consolidated subsidiaries.

This Information Statement is being furnished pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the Exchange Act) and Rule 14f-1 promulgated thereunder. This Information Statement is being provided solely for informational purposes and not in connection with a vote of our stockholders.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

CHANGE OF CONTROL AND CHANGE OF BOARD OF DIRECTORS

On the Closing Date, we entered into the Share Exchange Agreement, pursuant to which the Actinium shareholders transferred to us 12,939,984 shares on common stock of Actinium in exchange for the issuance of 4,309,015 shares of our Common Stock of the Company. In addition, Diane Button, which had previously been our majority shareholder, cancelled 10,000,000 of her shares in the Company. The signing of the Share Exchange Agreement and the transactions contemplated thereby resulted in a change of control of the Company in which Diane Button no longer was our principal shareholder. The shares issued to the Actinium Shareholders in the Share Exchange constituted approximately 91.5% of our issued and outstanding shares of Common Stock as of and immediately after the consummation of the Share Exchange. As part of the Share Exchange, Actinium paid \$250,000 to the shareholders of the Company before the consummation of the Share Exchange. As a result of the Share Exchange, the Actinium Shareholders became the principal shareholders of the Company.

Until the Closing Date, Button was the only officer and director of the Company. On the Closing Date, Button submitted her resignation from our Board of Directors (the Board) and appointed Jack V. Talley, Dr. Rosemary Mazanet, David Nicholson, Sandesh Seth and Sergio Traversa to serve on the Board. Button's resignation and the appointment of Dr. Rosemary Mazanet, David Nicholson, Sandesh Seth and Sergio Traversa will become effective on the 10th day following the mailing of this Information Statement to our stockholders (the Effective Date), while the appointment of Jack V. Talley became effective immediately.

On the Closing Date, Button also submitted her resignation as the sole officer of the Company, and on the same date, the Board appointed Jack V. Talley as the President and Chief Executive Officer, Dragan Cicic, MD as the Chief Operating Officer and Chief Medical Officer, and Enza Guagenti, CPA as the Chief Financial Officer, effective immediately.

To the best of our knowledge, none of the officers or incoming or existing directors of the Company has been the subject of any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time, been convicted in a criminal proceeding or been subject to a pending criminal proceeding (excluding traffic violations and other minor offenses), been subject to any order, judgment or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting such person's involvement in any type of business, securities or banking activities or been found by a court of competent jurisdiction (in a civil action), the SEC or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended or vacated.

Except as indicated in the footnotes to this table, the persons or entities named have sole voting and investment power with respect to all shares of our Common Stock shown as beneficially owned by them.

The percentages below are based on fully diluted shares of our Common Stock equivalents, assuming a 100% share exchange by Actinium shareholders, as of December 28, 2012. CORPORATE GOVERNANCE

Term of Office

Directors are appointed for a one-year term to hold office until the next annual general meeting of stockholders or until removed from office in accordance with our bylaws. Our officers are appointed by our Board and hold office until removed by our Board.

All officers and directors listed above will remain in office until the next annual meeting of our stockholders, and until their successors have been duly elected and qualified. Our bylaws provide that officers are appointed annually by our Board and each executive officer serves at the discretion of our Board.

Director Independence

We use the definition of independence of The NASDAQ Stock Market to make this determination. NASDAQ Listing Rule 5605(a)(2) provides that an independent director is a person other than an officer or employee of the company or any other individual having a relationship which, in the opinion of the Company's Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The NASDAQ listing rules provide that a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of \$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company's outside auditor, or at any time during the past three years was a partner or employee of the company's outside auditor, and who worked on the company's audit.

Our Common Stock is not currently quoted or listed on any national exchange or interdealer quotation system with a requirement that a majority of our board of directors be independent and, therefore, the Company is not subject to any director independence requirements. Under the following three NASDAQ director independence rules a director is not considered independent: (a) NASDAQ Rule 5605(a)(2)(A), a director is not considered to be independent if he or she also is an executive officer or employee of the corporation, (b) NASDAQ Rule 5605(a)(2)(B), a director is not considered independent if he or she accepted any compensation from the company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, and (c) NASDAQ Rule 5605(a)(2)(D), a director is not considered to be independent if he or she is a partner in, or a controlling shareholder or an executive officer of, any organization to which the company made, or from which the company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000. Under such definitions, David Nicholson and Sergio Traversa are the only independent directors.

Audit Committee

Our audit committee, which currently consists of three directors, provides assistance to our board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, financial reporting, internal control and compliance functions of the company. Our audit committee employs an independent registered public accounting firm to audit the financial statements of the company and perform other assigned duties. Further, our audit committee provides general oversight with respect to the accounting principles employed in financial reporting and the adequacy of our internal controls. In discharging its responsibilities, our audit committee may rely on the reports, findings and representations of the company's auditors, legal counsel, and responsible officers. Our board has determined that all members of the audit committee are financially literate within the meaning of SEC rules and under the current listing

standards of the Nasdaq Capital Market. Our board has also determined that Mr. Nicholson qualifies as an audit committee financial expert.

Compensation Committee

Our compensation committee, which currently consists of three directors, establishes executive compensation policies consistent with the company's objectives and stockholder interests. Our compensation committee also reviews the performance of our executive officers and establishes, adjusts and awards compensation, including incentive-based compensation, as more fully discussed below. In addition, our compensation committee generally is responsible for:

establishing and periodically reviewing our compensation philosophy and the adequacy of compensation plans and programs for our directors, executive officers and other employees;

overseeing our compensation plans, including the establishment of performance goals under the company's incentive compensation arrangements and the review of performance against those goals in determining incentive award payouts;

overseeing our executive employment contracts, special retirement benefits, severance, change in control arrangements and/or similar plans;

acting as administrator of any company stock option plans; and

overseeing the outside consultant, if any, engaged by the compensation committee.

Our compensation committee periodically reviews the compensation paid to our non-employee directors and the principles upon which their compensation is determined. The compensation committee also periodically reports to the board on how our non-employee director compensation practices compare with those of other similarly situated public corporations and, if the compensation committee deems it appropriate, recommends changes to our director compensation practices to our board for approval.

Outside consulting firms retained by our compensation committee and management also will, if requested, provide assistance to the compensation committee in making its compensation-related decisions.

Family Relationships

There are no family relationships among any of our officers or directors.
