GENERAL INFORMATION ABOUT THE PROXY STATEMENT AND ANNUAL MEETING

Why am I receiving these materials?

This Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders and proxy card are being furnished to the stockholders of HRG Group, Inc. (the “Company,” “HRG,” “we,” “us” or “our”) by the Board of Directors of the Company (the “Board” or “Board of Directors”) to solicit your proxy to vote at the 2018 Annual Meeting of Stockholders of the Company and any adjournments or postponements thereof (the “Annual Meeting”) to be held on June 12, 2018, at 12:00 p.m., Eastern Time, at the offices of Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, New York 10019-6064.

This Proxy Statement summarizes the information that holders of shares of our common stock, par value \$0.01 per share (“Common Stock”), need to vote at the Annual Meeting. Unless stated otherwise herein or the context requires otherwise, references to “shares” means shares of our Common Stock, and “stockholder” means a holder of our Common Stock.

We will begin mailing this Proxy Statement, along with the proxy card and the other materials listed below, on or about April 30, 2018. To ensure that your proxy is voted at the Annual Meeting, your proxy should be received no later than 5:00 p.m., Eastern Time, on June 7, 2018 if given by mail, or by 11:59 p.m., Eastern Time, on June 11, 2018 if submitted by telephone or over the Internet.

We have requested that banks, brokerage firms and other nominees who hold shares on behalf of the beneficial owners of our shares (such stock is often referred to as being held in “street name”) as of the close of business on April 20, 2018 forward these materials, together with a proxy card or voting instruction card, to those beneficial owners. We have agreed to pay the reasonable expenses of the banks, brokerage firms and other nominees for forwarding these materials.

What materials am I receiving?

You are receiving:

1. this Proxy Statement for the Annual Meeting;
2. a proxy card or voting instruction form for the Annual Meeting; and
3. a report (the “2017 Annual Report”) containing financial statements and other information in respect of the Company’s fiscal year ended September 30, 2017 (“Fiscal 2017”).

What is the purpose of the Annual Meeting?

At the Annual Meeting, including any adjournment or postponement thereof, our stockholders will be asked to consider and vote upon four proposals to:

1. Elect Messrs. Glovier and Steinberg as Class II directors; and
2. Ratify the appointment of KPMG LLP (“KPMG”) as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2018 (“Fiscal 2018”).

You may also be asked to consider and vote to transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. Other than matters incident to the conduct of the Annual Meeting and those set forth in this Proxy Statement, we do not know of any business or proposals to be considered at the Annual Meeting. If any other business is proposed and properly presented at the Annual Meeting, the proxies received from our stockholders give the proxy holders the authority to vote on the matter at their discretion.

How does this Proxy relate to the proposed merger that the Company has announced?

This proxy statement and the meeting of stockholders contemplated hereby is not related to the previously announced proposed merger (“Merger”) between HRG and Spectrum Brands Holdings, Inc. (“Spectrum Brands”), a majority-owned subsidiary of the Company. In connection with the Merger, the Company will hold a special meeting for its stockholders to approve certain proposals related to the Merger. HRG and Spectrum Brands have or will file a separate registration statement on Form S-4 that will include a joint proxy statement of HRG and Spectrum Brands related to the special meeting. After the registration statement is declared effective, a definitive joint proxy statement will be mailed to stockholders of HRG and Spectrum Brands. You are urged to read the Company’s and Spectrum Brands’ other filings related to the Merger and the transactions contemplated thereby because these materials will contain important information.

Who are the nominees for election and what would be the size and composition of the Board and its standing committees following their election?

The nominees for election as Class II directors at the Annual Meeting are Messrs. Glovier and Steinberg. See “Proposal 1 Election of Directors — Nominees for Election as Directors” for our nominees’ biographical information. Messrs. Ianna and Luterman will continue as Class III directors and Messrs. McKnight and Whittaker will continue as Class I directors.

1

As of the date hereof, Messrs. Glovier, Ianna, Luterman, and McKnight are “independent” directors under the applicable SEC rules, the NYSE Listed Company Manual and other rules (“NYSE Rules”) and the Company’s Corporate Governance Guidelines. As of the date hereof, our Audit Committee is comprised of Messrs. Luterman (Chairman), Glovier and Ianna. Messrs. Luterman and Ianna qualify as “audit committee financial experts,” as defined by Item 407(d)(5)(ii) of Regulation S-K. As of the date hereof, our Compensation Committee is comprised of Messrs. Ianna (Chairman), Glovier, Luterman and McKnight. As of the date hereof, our Nominating and Corporate Governance Committee (our “NCG Committee”) is comprised of Messrs. Ianna (Chairman), Glovier, Luterman and McKnight.

What does our Board recommend?

Our Board recommends that you vote FOR the nominees in Proposal 1 and FOR Proposal 2.

Who can vote?

Our Board has fixed the close of business on April 20, 2018 as the date to determine the stockholders who are entitled to attend and vote at the Annual Meeting (the “Record Date”). On the Record Date, our outstanding capital stock consisted of 203,103,593 shares of Common Stock, which was held by approximately 1,416 holders of record including persons who hold shares for an indeterminate number of beneficial owners. Each share of Common Stock is entitled to one vote in the election of directors and on each matter submitted for stockholder approval.

Can I obtain a list of stockholders entitled to vote at the Annual Meeting?

At the Annual Meeting, and at least ten days prior to the Annual Meeting, a complete list of stockholders entitled to vote at the meeting will be available at our principal office, 450 Park Avenue, 29th Floor, New York, New York 10022, during regular business hours. Stockholders of record may inspect the list for proper purposes during normal business hours.

What is the difference between a stockholder of record and a beneficial owner of shares held in “street name”?

Stockholder of record. You are a stockholder of record if at the close of business on the Record Date your shares were registered directly in your name with the Company’s transfer agent, American Stock Transfer & Trust. Our proxy materials were sent directly to you by the Company and you can vote your shares as instructed on the accompanying proxy card.

Beneficial owner of shares held in “street name.” You are a beneficial owner if at the close of business on the Record Date your shares were held in the name of your bank, brokerage firm or other nominee. Being a beneficial owner means that your shares are held in “street name.” Our proxy materials were forwarded to you by that organization, and their instructions for voting your shares should accompany this Proxy Statement.

How do I attend the Annual Meeting and do I need to do anything in advance to attend?

All stockholders at the close of business on the Record Date are invited to attend the Annual Meeting. All stockholders planning to attend the Annual Meeting in person must contact our Investor Relations Department at (212) 906-8560 by June 1, 2018 to reserve a seat at the Annual Meeting. For admission, stockholders should come to the Annual Meeting check-in area no less than 15 minutes before the Annual Meeting is scheduled to begin. Stockholders of record should bring a form of photo identification so their share ownership can be verified. A beneficial owner holding shares in “street name” must also bring an account statement or letter from his or her bank or brokerage firm showing that he or she beneficially owns shares as of the close of business on the Record Date, along with a form of photo identification. Registration will begin at 11:30 a.m., Eastern Time and the Annual Meeting will begin at 12:00 p.m., Eastern Time. Please note that the use of cameras and other recording devices will not be allowed at the Annual Meeting.

If I am a stockholder of record, how do I vote and what are the voting deadlines?

Stockholders of record. If you are a stockholder of record, there are several ways for you to vote your shares:

By mail. If you received printed proxy materials, you may submit your vote by completing, signing and dating the proxy card received and returning it in the prepaid envelope by following the instructions that appear on the proxy card. Proxy cards submitted by mail must be received no later than 5:00 p.m., Eastern Time, on June 7, 2018 to be voted at the Annual Meeting.

By telephone or over the Internet. You may vote your shares by telephone or via the Internet by following the instructions provided in the proxy card. If you vote by telephone or via the Internet, you do not need to return a proxy

card by mail. Internet and telephone voting are available 24 hours a day, 7 days a week. Votes submitted by telephone or through the Internet must be received by 11:59 p.m., Eastern Time, on June 11, 2018 to be voted at the Annual Meeting.

In person at the Annual Meeting. You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy card or vote by telephone or via the Internet by the applicable deadline so that your vote will be counted if you later decide not to attend the meeting.

Details regarding requirements for admission to the Annual Meeting are described in this Proxy Statement under the heading “How do I attend the Annual Meeting and do I need to do anything in advance to attend?”

I hold my shares in “street name,” how do I vote and what are the voting deadlines?

If you are a beneficial owner of your shares, you should have received voting instructions from the bank, brokerage firm or other nominee holding your shares. You should follow such instructions in order to instruct your bank, brokerage firm or other nominee on how to vote your shares. The availability of telephone and Internet voting will depend on the voting process of the bank, brokerage firm or other nominee holding your shares. Shares held beneficially may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker or nominee giving you the right to vote the shares. Details regarding requirements for admission to the Annual Meeting are described in this Proxy Statement under the heading “How do I attend the Annual Meeting and do I need to do anything in advance to attend?”

Can I revoke or change my vote after I submit my proxy?

Stockholders of record. If you are a stockholder of record, you may revoke your vote at any time before the final vote at the Annual Meeting by:

- signing and returning a new proxy card with a later date, since only your latest proxy card received no later than 5:00 p.m., Eastern Time, on June 7, 2018 will be counted;
- submitting a later-dated vote by telephone or via the Internet, since only your latest Internet or telephone vote received by 11:59 p.m., Eastern Time, on June 11, 2018 will be counted;
- attending the Annual Meeting in person and voting again; or
- delivering a written revocation to Ehsan Zargar, Executive Vice President, Chief Operating Officer, General Counsel and Corporate Secretary at HRG Group, Inc., 450 Park Avenue, 29th Floor, New York, NY 10022, no later than 5:00 p.m., Eastern Time, on June 11, 2018.

Beneficial owners of shares held in “street name.” If you are a beneficial owner of your shares, you must contact the broker or other nominee holding your shares and follow its instructions for changing your vote.

What is a “quorum”?

We may hold the Annual Meeting only if a “quorum” is present, either in person or by proxy. A “quorum” is a majority of our outstanding shares entitled to vote on the Record Date. Your shares will be counted towards establishing a quorum if you vote by mail, telephone, or over the Internet or if you vote in person at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists. If a quorum is not present at the Annual Meeting, we may adjourn the meeting from time to time until we have established a quorum.

What if I do not give specific instructions?

Stockholder of record. If you are a record holder of shares and you do not give specific voting instructions, the proxy holders will vote your shares as recommended by our Board on all matters presented in this Proxy Statement, and as the proxy holders determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial owner of shares held in “street name.” If your shares are held in “street name” and you do not give specific voting instructions to your nominee, then, under the NYSE Rules, your nominee generally may vote on routine matters but cannot vote on non-routine matters. If you do not give instructions on how to vote your shares on a non-routine matter, your nominee will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares; this is generally referred to as a “broker non-vote.”

Which ballot measures are “routine” or “non-routine”?

Proposal 1 (election of directors), is considered a non-routine matter under applicable rules. A brokerage firm or other nominee cannot vote without instructions on a non-routine matter. Therefore, if you hold your shares in street name, it is critical that you give instructions on how to cast your vote with respect to this matter if you want your votes to count. If you do not instruct your bank, brokerage firm or other nominee how to vote on this matter, no votes will be cast on your behalf.

Proposal 2 (the ratification of the appointment of KPMG as our independent registered public accounting firm for Fiscal 2018) is considered routine under applicable rules. A broker or other nominee generally may vote on routine matters, and therefore no broker non-votes are expected in connection with this matter.

What vote is required to approve the proposals?

Each director nominee who receives an affirmative vote by the holders of a plurality of the votes cast will be elected a director (Proposal 1).

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the appointment of KPMG as our independent registered public accounting firm for Fiscal 2018 (Proposal 2).

3

With regards to Proposal 1 (election of directors), shares represented by proxies that are marked “WITHHOLD” and shares that are not voted will be excluded entirely from the vote and will have no effect on the outcome of this vote because the directors are elected by a plurality vote. With regards to Proposal 2 (ratification of KPMG’s appointment as auditor), shares marked as “ABSTAIN” and shares which are not voted will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against this proposal because approval of this proposal requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote.

How are broker “non-votes” and abstentions treated?

Broker “non-votes” and shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting but who have abstained from voting or have not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

Broker “non-votes” and abstentions will: (i) have no effect on the outcome of the votes on Proposal 1 (election of directors) because this proposal is determined by a plurality vote and (ii) have the effect of a vote against Proposal 2 (ratification of KPMG’s appointment as auditor) because approval of this proposal requires the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote.

Who will count the votes and serve as the inspector of election?

The Company expects to engage American Stock Transfer & Trust as the independent inspector of election to tabulate stockholder votes at the Annual Meeting. In the event American Stock Transfer & Trust is not engaged, one or more persons appointed by the Company will serve as the inspector of election.

Who is making and paying for this proxy solicitation?

This proxy is solicited on behalf of our Board. Certain officers, directors and other employees may also solicit proxies on our behalf by mail, telephone, fax, Internet or in person. The Company is paying for the cost of preparing, assembling and mailing this proxy soliciting material. We have engaged Georgeson LLC (“Georgeson”) to assist us in the distribution of proxy materials and the solicitation of votes described above. We will bear the costs of the fees for the solicitation agent, which are not expected to exceed \$7,500, excluding out-of-pocket expenses. Brokers, nominees, fiduciaries and other custodians have been requested to forward soliciting material to the beneficial owners of common shares held of record by them, and these custodians will be reimbursed for their reasonable charges and expenses to forward our proxy materials to their customers or principals.

What is the deadline to propose actions for consideration at the 2019 Annual Meeting of Stockholders?

We expect to hold our 2019 Annual Meeting of Stockholders in June 2019. Under Exchange Act Rule 14a-8, for a stockholder’s proposal to be considered timely for inclusion in our proxy statement and form of proxy relating to the 2019 Annual Meeting of Stockholders, generally we must receive such proposal by the close of business on the 120th day prior to the first anniversary of the date of this Proxy Statement. However, if the date of the 2019 Annual Meeting of Stockholders is more than 30 days before or after the first anniversary of this year’s Annual Meeting, we must receive such proposal within a reasonable time prior to the Company beginning to print and distribute proxy materials for such meeting.

For a stockholder’s proposal to be considered timely under our Bylaws (and subject to all of the provisions fully set forth therein) for consideration at our 2019 Annual Meeting of Stockholders (without inclusion in the proxy statement for such meeting pursuant to Rule 14a-8), it generally must be received no later than the close of business on the 90th day (and no earlier than the close of business on the 120th day) prior to the first anniversary of this year’s Annual Meeting. However, if the date of the 2019 Annual Meeting of Stockholders is more than 30 days before (or more than 70 days after) the first anniversary of this year’s Annual Meeting, then notice by the stockholder must be received: (i) no earlier than the close of business on the 120th day prior to the 2019 Annual Meeting of Stockholders; and (ii) no later than the close of business on the later of: (a) the 90th day prior to such meeting; or (b) the 10th day following the day on which we publicly announce the meeting date.

Where can I find voting results?

We will announce preliminary voting results at the Annual Meeting. We will publish the final voting results from the Annual Meeting in a Current Report on Form 8-K within four business days of the date of the Annual Meeting. You

will also be able to find the results on our website at www.HRGgroup.com.

What is our policy with respect to the attendance of our directors at Board and standing committee meetings and annual meetings of stockholders?

The Board held a total of 22 meetings during Fiscal 2017. In addition, a committee of the independent directors of our Board operated on an ad hoc basis during Fiscal 2017. Other standing committees of the Board, consisting of the Audit Committee, the Compensation Committee and the NCG Committee, held an additional four, three and one meetings, respectively, during Fiscal 2017. The Board and the directors recognize the importance of director attendance at Board and committee meetings. Attendance at Board and committee meetings was at least 75% for each director. The Company does not have a formal policy regarding the attendance of directors at annual meetings of stockholders, but we strongly encourage all of our directors to attend. All of our directors attended the 2017 Annual Meeting of Stockholders.

How can stockholders communicate with our Board?

Stockholders may communicate with our Board by writing to the Board of Directors, HRG Group, Inc., 450 Park Avenue, 29th Floor, New York, New York 10022. Please see the additional information in the section captioned "Communications with our Board."

The SEC allows us to deliver a single copy of proxy materials to an address shared by two or more stockholders, unless the stockholders instruct us to the contrary. This delivery method, referred to as "householding," can result in significant cost savings for us. Stockholders of record sharing an address who receive multiple copies of proxy materials and wish to receive a single copy of such materials in the future should submit their request to us in the same manner. If you are the beneficial owner, but not the record holder, of our shares and wish to receive only one copy of the Proxy Statement related materials in the future, you need to contact your bank, brokerage firm or other nominee to request that only a single copy of each document be mailed to all stockholders at the shared address.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Charter provides for the division of our Board into three classes of as nearly equal number of directors as possible. As of the date hereof, each class is comprised of two directors.

The term of each class of directors is three years, with the term for one class expiring each year in rotation. As a result, one class of directors is elected at each annual stockholders meeting for a term of three years and to hold office until their successors are elected and qualified or until their earlier death, removal or resignation. The term of the current Class II directors expires at the Annual Meeting.

Currently, our NCG Committee, composed entirely of independent directors under the NYSE Rules, proposes nominees for service to our Board and such nominees are reviewed and approved by the entirety of our Board. Our NCG Committee and our Board recommend that each nominee for director be elected at the Annual Meeting. The nominees for election at the Annual Meeting are Curtis A. Glovier and Joseph S. Steinberg. The nominees have consented to continue to serve as directors if elected. In accordance with our Charter, our Board may at any time increase the size of our Board by fixing the number of directors that constitute our whole Board. In addition, if a nominee becomes unavailable for any reason or should a vacancy occur before the election, which we do not anticipate, the proxies will be voted for the election, as director, of such other person as our Board may recommend. Proxies cannot be voted for a greater number of persons than are included in the class of directors — this year that number is two.

Nominees for Election as Directors

Class II Directors — Nominees — Three Year Term Expiring 2021

Curtis A. Glovier, age 54, has served as a director of HRG since February 2015. CORPORATE GOVERNANCE

In accordance with the New York Stock Exchange Listed Company Manual (the “NYSE Rules”), a majority of our Board is comprised of independent directors and we have an Audit Committee (“Audit Committee”), a Compensation Committee (“Compensation Committee”) and a Nominating and Corporate Governance Committee (“NCG Committee”), each of which have written charters addressing each such committee’s purpose and responsibilities and are comprised entirely of independent directors.

Our Board has adopted Corporate Governance Guidelines to assist it in the exercise of its responsibilities. Our Board has adopted a Code of Business Conduct and Ethics for Directors, Officers and Employees and a Code of Ethics for Chief Executive and Senior Financial Officers to provide guidance to all of our directors, officers and employees, including our principal executive officer, principal accounting officer or controller or persons performing similar functions. Board has adopted a corporate governance policy prohibiting our directors and executive officers from (i) hedging the economic risk associated with the ownership of our Common Stock, or (ii) pledging our Common Stock, after the date the policy was adopted, unless, in each case, first pre-approved by our General Counsel. Our Board has also adopted an equity retention policy for the Company's senior management and our non-executive Directors.

Director Independence

Our Board has determined that Messrs. Glovier, Ianna, Luterman, and McKnight, each a non-management director, qualify as independent directors under our Corporate Governance Guidelines and the NYSE Rules. Under our Corporate Governance Guidelines and the NYSE Rules, no director qualifies as independent unless our Board affirmatively determines that the director has no material relationship with HRG. Based upon information requested from and provided by each director concerning their background, employment and affiliations, our Board has determined that each of the independent directors named above has no material relationship with HRG, nor has any such person entered into any material transactions or arrangements with HRG or its subsidiaries, and is therefore independent under the NYSE Rules. In making such determination, our Board considered a variety of factors, including certain ordinary course of business transactions from time to time between us and certain entities affiliated with non-management directors, and determined that our non-management directors qualify as independent directors under our Corporate Governance Guidelines and the NYSE Rules.

Summary of Sound Governance Features of our Compensation Programs for Fiscal 2017

Listed below are some of the Company's more significant practices and policies that were in effect during Fiscal 2017

- No 280G or Section 409A Excise Tax Gross-Ups: We do not provide "gross-ups" for any taxes imposed with respect to Section 280G (change of control) or Section 409A (nonqualified deferred compensation) of the Code.

- No Pensions or Supplemental Pensions: Our named executive officers are not provided with pension or supplemental executive retirement plans.

• **No Single-Trigger Equity Acceleration:** In Fiscal 2017, we did not provide our named executive officers “single-trigger” equity vesting upon a change of control.

• **No Repricing of Underwater Stock Options without Stockholder Approval:** We do not lower the exercise price of any outstanding stock options, unless stockholders approve this.

• **No Discounted Stock Options:** The exercise price of our stock options is not less than 100% of the fair market value of our Common Stock on the date of grant.

No Unauthorized Hedging or Pledging: Our Board has adopted a corporate governance policy prohibiting our directors and executive officers from (i) hedging the economic risk associated with the ownership of our Common Stock and (ii) pledging our Common Stock, unless, in each case, first pre-approved by our General Counsel.

Compensation Philosophy and General Objectives

For Fiscal 2017, in connection with the Company’s general reviewing of its strategic alternatives and direction of the Company, our executive compensation philosophy was focused on the retention of our executives. The Company determined that its previous bonus plan, which was based on the Company’s net asset value, was not appropriate for Fiscal 2017. Accordingly, in Fiscal 2017, the Company terminated the net asset value bonus plan and instead entered into retention bonus arrangements with certain of our executives. Our Compensation Committee considered several factors in designing levels of compensation, including, but not limited to, historical levels of pay for each executive, turnover in the executive ranks, and its judgment about retention risk with regards to each executive relative to their importance to the Company.

Components of Executive Compensation

The principal elements of compensation for our continuing named executive officers in Fiscal 2017 were:

• base salary;

• retention bonus payable in cash; and

• limited benefits.

Mr. Steinberg did not receive compensation in his capacity as the Chief Executive Officer of the Company and instead only received ordinary board fees for his service as a director of HRG, Spectrum Brands and FGL.

How We Determine Each Element of Compensation

Role of Our Compensation Committee

Our Compensation Committee is responsible for our executive compensation program design and administration, including a regular review of our compensation programs and evaluation of management performance and awards consistent with our bonus plan. In Fiscal 2017, our Compensation Committee was advised by separate outside counsel, as it deemed appropriate. In Fiscal 2017, our Compensation Committee did not engage a compensation consultant.

Base Salary

For Fiscal 2017, our Compensation Committee determined that the base salaries provided to our named executive officers represented an appropriate level of compensation in accordance with each such executive officer’s job responsibilities and contributions to our Company. Mr. Nicholson’s base salary was increased from \$275,000 to \$325,000 effective as of January 1, 2017, and increased to \$338,000 effective as of October 1, 2017.

Annual Bonus Plan

As discussed above, in connection with its review of strategic alternatives, the Company determined that its previous bonus plan, which was based on the Company’s net asset value, was not appropriate for Fiscal 2017. Accordingly, in Fiscal 2017, the Company terminated the net asset value bonus plan and instead entered into retention bonus arrangements with certain of our executives.

For Fiscal 2017, Mr. Nicholson was eligible to receive a retention bonus amount equal to \$725,000, plus a one-time payment of \$100,000, pursuant to retention bonus arrangements entered into with the Company. For Fiscal 2017, Mr. Zargar was eligible to receive a retention bonus amount equal to \$3,000,000, plus a potential transaction bonus equal to \$1,000,000, pursuant to retention bonus arrangements entered into with the Company.

For Fiscal 2017, Messrs. Asali and Maura received bonus compensation pursuant to their respective transition and separation agreements entered into with the Company. As discussed above, Mr. Steinberg did not receive compensation in his capacity as the Chief Executive Officer of the Company and thus did not receive any bonus for

Fiscal 2017.

For further details on the bonus amounts paid to the Named Executive Officers for Fiscal 2017, see the section titled “Summary Compensation Table” and “Agreements with Named Executive Officers.” For details on the bonus amounts payable to the continuing Named Executive Officers for Fiscal 2018, see the section titled “Agreements with Named Executive Officers.”

Benefits

During Fiscal 2017, we provided our named executive officers with standard medical, dental, vision, disability and life insurance benefits available to employees generally. Messrs. Nicholson and Zargar also participated in a supplemental health insurance plan effective July 1, 2017, that provides supplemental insurance coverage for certain out of pocket healthcare expenses.

We limit the use of perquisites as a method of compensation and provide executive officers with only those perquisites that we believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. In this regard, our named executive officers are eligible to participate in a flexible perquisite account under our FlexNet Program, which permits them to be reimbursed for certain eligible personal expenses, up to a per year cap of \$50,000 for Messrs. Asali, Maura and Zargar and \$25,000 for Mr. Nicholson. Eligible expenses include, but are not limited to, reimbursement for tax preparation, legal services, education programs, health and wellness programs, technology and personal computers, wills and estate planning services and transportation services. For Fiscal 2017, participants were responsible for payment of taxes on FlexNet payments. Reimbursements, at participants' elections, can be net of taxes and/or include an estimated tax payment, subject to the annual maximum reimbursement cap. Further, we may provide from time to time in our discretion reimbursement for other employment related expenses. The perquisites provided to the named executive officers are quantified in the Summary Compensation Table below.

We sponsor a 401(k) Retirement Savings Plan (the "401(k) Plan") in which eligible participants may defer a fixed amount or a percentage of their eligible compensation, subject to limitations. In Fiscal 2017 we made discretionary matching contributions of up to 5% of eligible compensation.

Risk Review

Our Compensation Committee reviewed, analyzed and discussed the incentives created by our Fiscal 2017 compensation program. Our Compensation Committee does not believe that any aspect of our Fiscal 2017 compensation program encouraged our named executive officers to take unnecessary or excessive risks.

Compensation in Connection with Termination of Employment and Change-In-Control

During Fiscal 2017, Messrs. Asali, Maura, Zargar and Nicholson had employment agreements which provided for termination compensation in the form of payment of bonuses and salary and benefit continuation ranging from six to twenty-four months following involuntary termination of employment.

However, as described more fully under the Section titled "Agreements with Named Executive Officers", during Fiscal 2017 the Company entered into (i) a transition agreement with Mr. Asali, (ii) a separation agreement with Mr. Maura and (iii) retention agreements with each of Messrs. Zargar and Nicholson that, among other things, provided such named executive officers with certain payments upon termination of employment, in lieu of bonuses or severance pursuant to employment agreements or otherwise.

During Fiscal 2017, our compensation programs did not provide for any "golden parachute" tax gross-ups to any named executive officer.

You can find additional information regarding compensation payable in connection with termination of employment to our named executive officers under the headings "Agreements with Named Executive Officers" and "Payments Upon Termination and Change of Control" below.

Impact of Tax Considerations

With respect to taxes, Section 162(m) of the Code imposes a \$1 million limit on the deduction that a company may claim in any tax year with respect to compensation paid to each of its Chief Executive Officer and three other named executive officers (other than the Chief Financial Officer), unless certain conditions are satisfied. Certain types of performance-based compensation are generally exempted from the \$1 million limit. Performance-based compensation can include income from stock options, performance-based restricted stock, and certain formula driven compensation that meets the requirements of Section 162(m). In structuring the compensation for our named executive officers our Compensation Committee will review a variety of factors including the deductibility of such compensation under Section 162(m), to the extent applicable. However, this is not the driving or most influential factor.

The exemption from Section 162(m) for performance based compensation was recently repealed for tax years beginning after December 31, 2017, subject to certain grandfather provisions. Due to the uncertainties of the

application and interpretation of Section 162(m) and the transition relief, no assurance can be given that compensation originally intended to satisfy the exemption from Section 162(m) will be deductible.

Our Compensation Committee has approved, and is expected to approve in the future, non-deductible compensation arrangements and specifically reserves the right to do so.

Advisory Vote on Executive Compensation

18

Our Compensation Committee and our Board considered the results of our stockholder vote regarding the non-binding resolution on executive compensation presented at the 2017 Annual Meeting, where 94.82% of votes cast approved the compensation program described in the Company's proxy statement for the 2017 Annual Meeting. Our Compensation Committee and our Board have continued to maintain a generally similar compensation philosophy. At the 2017 Annual Meeting, a majority of our stockholders approved, as recommended by our Board, a proposal for our stockholders to be provided with the opportunity to cast a non-binding advisory vote on compensation of our named executive officers every three years. Our Board believed that this frequency is appropriate as a triennial vote would provide the Company with sufficient time to engage with stockholders to understand and respond to the "say-on-pay" vote results and to put in place any changes to the Company's compensation program as a result of such discussions, if necessary. The next stockholder advisory (non-binding) vote on executive compensation will be held at our upcoming 2020 Annual Meeting of Stockholders and the next stockholder advisory (non-binding) vote on the frequency of the say-on-pay vote will be held at our 2023 Annual Meeting of Stockholders.

Significant Events after Fiscal 2017

On February 24, 2018, the Company and Spectrum Brands entered into an Agreement and Plan of Merger, providing for the acquisition of Spectrum Brands by HRG (the "Merger") in exchange for HRG equity. A separate proxy will be mailed and a special meeting of the Company's stockholders will be held with respect to the Merger. Interested parties are encouraged to read the proxy related to the Merger and any other materials related thereto.

COMPENSATION AND BENEFITS

Summary Compensation Table

The following table discloses compensation for Fiscal 2017, Fiscal 2016 and Fiscal 2015 received by Messrs. Steinberg, Asali, Maura, Zargar and Nicholson, each of whom was a "named executive officer" for all or a portion of Fiscal 2017. As disclosed in greater detail elsewhere in this report, Mr. Maura's employment with the Company ceased on November 29, 2016 and Mr. Asali and the Company entered into a Transition Agreement pursuant to which his employment with the Company ceased on April 14, 2017. In addition, Mr. Steinberg did not receive compensation in his capacity as the Chief Executive Officer of the Company and instead only received ordinary board fees for his service as a director of HRG, Spectrum Brands and FGL.

None of the Company's named executive officers received equity-based compensation in 2017, except for Mr. Steinberg who received an equity grant in recognition of his service on the Board and did not receive any other compensation from the Company. In reading the table below, it should be noted that SEC disclosure rules require that this table include for each fiscal year the aggregate fair value, as of the grant date, of equity awards granted only during the applicable fiscal year. Under the Company's bonus plan equity compensation for any fiscal year is not granted until the completion of such fiscal year. Accordingly, the value of such equity was not included in the Summary Compensation Table or the Grants of Plan-Based Awards Table for such year, but in accordance with SEC rules is included in next year's compensation disclosure. For more details, please see footnote (2) to the Summary Compensation Table.

Agreements with Named Executive Officers

During Fiscal 2017, the Company was party to the following agreements with Named Executive Officers:

Asali and Maura Employment Agreements

On February 11, 2014, the Company entered into amended and restated employment agreements with Messrs. Asali and Maura. Each amended and restated employment agreement provided for a one year term which automatically renewed each October 1, subject to earlier termination. The amended and restated employment agreements provided for an annual base salary of \$500,000 and entitled the executives to participate in the Company’s annual bonus plan comprised of a mix of cash and equity.

Asali Transition Agreement

As previously reported, on November 17, 2016, the Company announced that Mr. Asali planned to leave the Company during Fiscal 2017. In connection with the foregoing, on November 17, 2016, the Company and Mr. Asali entered into a Transition Agreement (the “Asali Transition Agreement”). The Asali Transition Agreement provided that Mr. Asali would receive from the Company (i) for Fiscal 2016, a bonus of \$8,000,000 in cash and (ii) for Fiscal 2017, a bonus of \$3,000,000 in cash. In addition, Mr. Asali’s options and restricted stock awards which were scheduled to vest and settle during Fiscal 2016, would vest and settle on their own terms, and Mr. Asali’s options and restricted stock awards which were scheduled to vest and settle on November 29, 2017, would vest and be settled on March 31, 2017. Mr. Asali is permitted to exercise his outstanding options as follows: (i) with respect to any option that was exercisable as of April 14, 2017, Mr. Asali is permitted to exercise such option through the first anniversary of such date and (ii) with respect to any option that became exercisable after April 14, 2017, Mr. Asali is permitted to exercise

such option through the first anniversary of the date such option first became exercisable, and such period, in each case, may be further extended to accommodate certain black-out periods, if applicable.

Per the Asali Transition Agreement, had Mr. Asali resigned from employment with Good Reason or been terminated by the Company without Cause prior to certain specified dates, Mr. Asali would have received a \$500,000 cash payment as severance plus COBRA reimbursement for a period of up to 12 months. In addition, Mr. Asali would be eligible to receive an additional payment of \$3,000,000 (or such higher amount as determined by the Board), if the Company entered into definitive documentation with respect to a sale, merger, change in control or other strategic transaction of or involving the Company and substantially all of its assets by certain specified dates. On April 14, 2017, Mr. Asali ceased his employment with the Company and resigned from the Board of Directors of the Company and its subsidiaries. Accordingly, Mr. Asali did not receive, and is no longer eligible to receive, the payments described in this paragraph.

Mr. Asali remains subject to certain non-solicitation restrictions of the Company's employees for 18 months post-termination of employment and confidentiality provisions indefinitely. The Asali Transition Agreement also contains a customary mutual release of claims.

Maura Separation and Release Agreement

On November 28, 2016, the Company and Mr. Maura entered into a Separation and Release Agreement (the "Maura Separation and Release Agreement") pursuant to which Mr. Maura's employment ceased effective November 29, 2016. Mr. Maura continues to serve as the Executive Chairman of Spectrum Brands and as a member of the Company's Board of Directors.

Pursuant to the Maura Separation and Release Agreement, Mr. Maura received a lump sum cash payment of \$500,000 and COBRA reimbursements for a period of up to 12 months post termination. In addition, all of Mr. Maura's then outstanding unvested options and unvested shares of restricted stock that were each awarded prior to November 28, 2016 became fully vested, but were exercisable/settled as follows: (A) 209,997 options and 510,576 shares of restricted stock became exercisable/settled on November 29, 2016 and (B) 48,408 options and 110,212 shares of restricted stock shall be exercisable/settled on November 29, 2017. On October 1, 2012, the Company entered into an amended and restated employment agreement with Mr. Zargar. Pursuant to his employment agreement, Mr. Zargar's annual base salary was \$250,000 and Mr. Zargar was also eligible for an annual bonus. Mr. Zargar is subject to certain perpetual confidentiality and non-disparagement restrictions following termination of employment. On April 19, 2015, Mr. Zargar's base salary was increased to \$400,000. Zargar Retention Agreement

On January 20, 2017, the Company and Mr. Zargar entered into a retention agreement (the "Prior Zargar Retention Agreement"). The Prior Zargar Retention Agreement was designed to retain and incentivize Mr. Zargar to remain employed with the Company during its Fiscal 2017 year, thus he was eligible to receive (i) \$2,000,000 on June 30, 2017 (ii) \$1,000,000 on October 2, 2017, (iii) \$1,000,000 on the closing of a strategic transaction involving the Company and substantially all of its assets and (iv) COBRA reimbursement for a period of up to 6 months post termination. The \$2,000,000 referenced above was paid to Mr. Zargar on June 30, 2017 and the \$1,000,000 was paid to Mr. Zargar on October 2, 2017.

On September 15, 2017, the Company and Mr. Zargar entered into an amended and restated retention letter agreement, designed to retain and incentivize Mr. Zargar to remain employed with the Company during its Fiscal 2018 (the "Restated Zargar Retention Agreement"), which superseded in its entirety the Prior Zargar Retention Agreement.

Pursuant to the Restated Zargar Retention Agreement, in addition to the retention payments which were previously received, Mr. Zargar will receive, (i) a payment equal to \$2,000,000 on June 30, 2018, (ii) a payment equal to \$2,000,000, on October 1, 2018, (iii) a payment equal to \$1,000,000 on the later of (x) closing of a sale, merger, change in control or other strategic transaction involving the Company's beneficial ownership interests in FGL or (y) January 15, 2018, and (iv) COBRA reimbursement for a period of up to 12 months post termination, subject with respect to (i) through (iii), to Mr. Zargar's continued employment with the Company through such dates.

Notwithstanding the foregoing, to the extent not yet paid, Mr. Zargar will also receive the retention payments if his employment is terminated prior to the above specified dates due to his death or disability, or by the Company without Cause (defined below under heading "Nicholson Retention Agreement") or by Mr. Zargar for Good Reason (defined below under heading "Nicholson Retention Agreement"). In addition, all payment dates pursuant to the Restated Zargar

Retention Agreement will be accelerated to the date the Company closes a sale, merger, change in control or other strategic transaction involving the Company and substantially all of its assets, which shall include the Company's beneficial ownership interests in both Spectrum Brands and FGL to the extent the Company beneficially owns interests in Spectrum Brands or FGL on such date, if it occurs prior to the regularly scheduled payment dates thereunder. The payments are conditioned upon Mr. Zargar's execution of a customary release (except following death or disability) and will be in lieu of any severance or bonus payments pursuant to his employment agreement or any other severance plan or arrangement. In addition, following his termination of employment, unless he is terminated for Cause, Mr. Zargar shall be permitted to exercise his outstanding options as follows: (i) with respect to any option that is exercisable as of the date of his termination of employment, Mr. Zargar shall be permitted to exercise such option through the first anniversary of such termination date and (ii) with respect to any option that becomes exercisable following his date of termination, Mr. Zargar shall be permitted to

exercise such option through the first anniversary of the date such option first became exercisable, and such period, in each case, may be further extended to accommodate certain black-out periods, if applicable.

Nicholson Employment Agreement

On November 19, 2015, the Company entered into an employment agreement with Mr. Nicholson as its Senior Vice President and Chief Accounting Officer, and on December 26, 2015, Mr. Nicholson was promoted to the additional position of Acting Chief Financial Officer of the Company, effective as of January 4, 2016. Pursuant to his employment agreement, Mr. Nicholson's annual base salary was \$275,000 and Mr. Nicholson was also eligible for an annual bonus in a target amount equal to \$275,000. Mr. Nicholson is subject to certain non-competition and non-solicitation restrictions for six months following termination of employment, as well as perpetual confidentiality and non-disparagement provisions.

Nicholson Retention Agreement

On January 20, 2017, the Company and Mr. Nicholson entered into a retention letter agreement (the "Prior Nicholson Retention Agreement") pursuant to which Mr. Nicholson would be employed by the Company as its Senior Vice President, Chief Financial Officer and Chief Accounting Officer, effective as of January 20, 2017. In addition, his base salary was increased to \$325,000 effective as of January 1, 2017 and he received a one-time bonus equal to \$100,000 within ten days after January 20, 2017. The Prior Nicholson Retention Agreement was designed to retain and incentivize Mr. Nicholson to remain employed with the Company during its Fiscal 2017 year and for the filing of the Company's Annual Report on Form 10-K for such year, thus if he remained so employed he could receive (i) a retention payment equal to \$325,000, (ii) a bonus equal to \$400,000 and (iii) COBRA reimbursement for a period of up to 12 months.

On September 15, 2017, the Company and Mr. Nicholson entered into an amended and restated retention letter agreement, designed to retain and incentivize Mr. Nicholson to remain employed with the Company during its Fiscal 2018 and for the filing of the Company's Annual Report on Form 10-K for such year (the "Restated Nicholson Retention Agreement"), which superseded in its entirety the Prior Nicholson Retention Agreement.

Pursuant to the Restated Nicholson Retention Agreement, Mr. Nicholson's base salary was increased from \$325,000 to \$338,000 effective as of October 1, 2017. In addition to the retention payment equal to \$325,000 and the bonus equal to \$400,000 that Mr. Nicholson would receive upon continued employment related to Fiscal 2017, the Restated Nicholson Retention Agreement provides that, Mr. Nicholson will also receive (i) a retention payment equal to \$325,000 for Fiscal 2018 and (ii) a bonus equal to \$425,000 for Fiscal 2018, subject in each case to Mr. Nicholson's continued employment with the Company through the earliest of November 30, 2018, the date the Company files its Annual Report on Form 10-K for the fiscal year ending September 30, 2018 or an earlier date selected by the Company. Notwithstanding the foregoing, Mr. Nicholson will also receive these payments, to the extent not yet paid, if his employment is terminated prior to the above specified dates due to his death or disability, or by the Company without Cause (defined below) or by Mr. Nicholson for Good Reason (defined below). The payments are conditioned upon Mr. Nicholson's execution of a customary release (except following death or disability) and will be in lieu of any severance or bonus payments pursuant to his employment agreement.

"Cause" pursuant to the retention agreements means: (A) willful misconduct in the performance of the executive's duties for HRG which causes material injury to HRG or its subsidiaries, (B) the executive willfully engages in illegal conduct that is injurious to HRG or its subsidiaries, (C) the executive's material breach of the terms of this Agreement or the executive's employment agreement, (D) the executive willfully violates HRG's written policies in a manner that causes material injury to HRG; (E) the executive commits fraud or misappropriates, embezzles or misuses the funds or property of HRG or its subsidiaries; (F) the executive engages in negligent actions that results in the loss of a material amount of capital of HRG or its subsidiaries; or (G) the executive willfully fails to follow the reasonable and lawful instructions of the Board or the executive's superiors that are consistent with the executive's position with HRG; provided, however, that the executive shall be provided a ten (10) day period to cure any of the events or occurrences described in the immediately preceding clauses (C), (D) or (G) hereof, to the extent curable. For purposes hereof, no act, or failure to act, on the part of the executive shall be considered "willful" unless it is done, or omitted to be done, by the executive in bad faith or without reasonable belief that the executive's action or omission was in the best interests of HRG. An act, or failure to act, based on specific authority given pursuant to a resolution duly adopted by the Board

or based upon the written advice of outside counsel for HRG shall be presumed to be done, or omitted to be done, by the executive in good faith and in the best interests of HRG.

“Good Reason” pursuant to the retention agreements means the occurrence, without the executive’s express written consent, of any of the following events: (A) a material diminution in the executive’s authority, duties or responsibilities (provided, for Mr. Nicholson only, it shall not constitute Good Reason if the executive is required to report to another designee of the CEO); (B) a diminution of base salary; (C) a change in the geographic location of the executive’s principal place of performance of his services hereunder to a location more than thirty (30) miles outside of New York City that is also more than thirty (30) miles from the executive’s primary residence at the time of such change, except for travel consistent with the terms of the executive’s employment agreement (for Mr. Nicholson only, for the avoidance of doubt, the requirement that Mr. Nicholson relocate to the New York City area shall not constitute Good Reason); or (D) a material breach by HRG of the retention agreement or the executive’s employment agreement. The executive shall give HRG a written notice (specifying in

detail the event or circumstances claimed to give rise to Good Reason) within 25 days after the executive has knowledge that an event or circumstances constituting Good Reason has occurred, and if the executive fails to provide such timely notice, then such event or circumstances will no longer constitute Good Reason. HRG shall have 30 days to cure the event or circumstances described in such notice, and if such event or circumstances are not timely cured, then the executive must actually terminate employment within 120 days following the specified event or circumstances constituting Good Reason; otherwise, such event or circumstances will no longer constitute Good Reason.

Grants of Plan-Based Awards for Fiscal 2017

The following table provides information concerning awards granted in Fiscal 2017 to our named executive officers. Messrs. Asali, Zargar and Nicholson did not receive plan-based awards in Fiscal 2017.

None of the Company's named executive officers received equity-based compensation in 2017, except for Mr. Steinberg who received an equity grant in recognition of his service on the Board and did not receive any other compensation from the Company. In reading the table below, it should be noted that SEC disclosure rules require that this table include for each fiscal year the aggregate fair value, as of the grant date, of equity awards granted only during the applicable fiscal year. Under the Company's bonus plan equity compensation for any fiscal year is not granted until the completion of such fiscal year. Accordingly, the value of such equity was not included in the Summary Compensation Table or the Grants of Plan-Based Awards Table for such year, but in accordance with SEC rules is included in next year's compensation disclosure. For more details, please see footnote (2) to the Summary Compensation Table.

To the knowledge of the Company, there are no arrangements, including any pledge by any person of securities of the Company or any of its parents, the operation of which may, at a subsequent date, result in a change in control of the Company, other than ordinary default provisions that may be contained in our Charter or Bylaws, or trust indentures, or other governing instruments relating to the securities of the Company.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Our Board has adopted a Statement of Policy with Respect to Related Party Transactions (the “Related Party Transactions Policy”). A “Related Party Transaction” is defined in the Related Party Transactions Policy as any financial transaction or any series of similar transactions in which we are a participant and in which a related person (i.e., a director, officer, beneficial owner of more than 5% of any class of our capital stock or a family member or controlling or controlled entity of the foregoing persons) has a direct or indirect interest, other than: (i) our payment of compensation to a related person for the related person’s service in the capacity that give rise to the person’s status as a “related person”; (ii) transactions available to all of our employees or all of our stockholders on the same terms; and (iii) transactions which, when aggregated with the amount of all other transactions between us and the related person, involve in a fiscal year the lesser of (a) \$100,000 or (b) 1% of the average of our total assets at year-end for the last two completed fiscal years. Pursuant to the Related Party Transaction Policy, the Related Party Transaction proposed to be entered into must be reported to our Board for review. In reviewing and determining whether to approve a proposed Related Party Transaction presented to our Board, the disinterested members of our Board will analyze such factors as they deem appropriate. We may only enter into a Related Party Transaction upon approval by our Board. Our Board may delegate its authority to review and approve Related Party Transactions to the Audit Committee or other committee of our Board.

In November 2012, the Company had entered a reciprocal services agreement (the “Services Agreement”) with Harbinger Capital Partners LLC and certain of its affiliated funds (“HCP”), which was at that time the beneficial owner of more than 10% of the outstanding shares of common stock of HRG, with respect to the provision of services that may include providing office space and operational support and each party making available their respective employees to provide services as reasonably requested by the other party, subject to any limitations contained in applicable employment agreements and the terms of the Services Agreement. The Services Agreement was terminated effective as of March 1, 2015. The Company recognized \$3.3 million of expenses under this Service Agreement with respect to Fiscal 2015 and no other payments since that date.

On November 25, 2014, the Company and Mr. Falcone, who was at that time through HCP the beneficial owner of more than 10% of the outstanding shares of common stock of HRG, entered into a Separation and General Release Agreement (the “Separation Agreement”) pursuant to which, in connection with his resignation from HRG, Mr. Falcone was paid \$20.5 million as a one-time payment, \$16.5 million, which constituted the unpaid portion of Mr. Falcone’s Fiscal 2014 annual bonus (in cash, rather than a combination of cash and equity) and \$3.3 million which constituted a pro-rata bonus for Fiscal 2015 (in cash, rather than a combination of cash and equity) for service through December 1, 2014 based on anticipated results. Mr. Falcone’s warrant was amended to provide for their continued vesting, in accordance with their prior vesting schedule, as if Mr. Falcone remained employed with the Company through each applicable vesting date. In exchange, Mr. Falcone executed a general release of claims in favor of the Company and agreed to various restrictive covenants, including covenants relating to non-competition, non-solicitation, non-disparagement, confidentiality, and further cooperation.
