PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Certain Documents by Reference.

Applied Industrial Technologies (“Registrant”) incorporates by reference and makes part of this Registration Statement the following documents:

- (a) The Registrant’s Annual Report on Form 10-K for the fiscal year ended June 30, 2015, filed with the Securities and Exchange Commission (the “Commission”) on August 26, 2015, pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”);
 - (b) The Registrant’s Quarterly Report on Form 10-Q filed with the Commission on November 4, 2015;
 - (c) The Registrant’s Current Reports on Form 8-K filed with the Commission on September 1, 2015, and October 28, 2015 (as to voting at annual meeting of shareholders); and
 - (d) The Appendix to the Registrant’s Definitive Proxy material filed with the Commission on September 11, 2015, setting forth the Applied Industrial Technologies, Inc. 2015 Long-Term Performance Plan.
- The description of the Common Stock, no par value, of the Registrant (“Common Stock”) contained in the
- (e) Registrant’s Registration Statement on Form S-4 (Commission File No. 333-27801) filed with the Commission on May 23, 1997, and any amendments or reports filed for the purpose of updating such description.

Until the Registrant files a post-effective amendment to this Registration Statement indicating that all securities offered have been sold, or deregistering all such securities which remain unsold, all documents subsequently filed by the Registrant or the Applied Industrial Technologies, Inc. 2015 Long-Term Performance Plan (the “Plan”) pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing such documents.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers.

Ohio law permits the Registrant to indemnify a director, officer, employee and certain other persons (“Covered Persons”) against expenses, judgments, fines, and settlements reasonably incurred in a nonderivative suit, and against expenses reasonably incurred in a derivative suit, if the Covered Person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Registrant. In addition, Ohio law permits the Registrant to indemnify a Covered Person in a criminal action or proceeding, other than in a derivative suit, if the person had no reasonable cause to believe his or her conduct was unlawful.

Unless ordered by a court, no indemnification of expenses in a derivative suit is authorized by Ohio law if the Covered Person is finally adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation. However, if a Covered Person is successful on the merits or in defense of any matter, indemnification of expenses is mandatory. In addition, under Ohio law, a director’s expenses shall be paid by the corporation as they are incurred, provided the director agrees to reasonably cooperate with the corporation and to repay the amounts advanced if it is proved by clear and convincing evidence that the director’s action or failure to act was done with deliberate intent to cause injury or with reckless disregard for the best interests of the corporation.

Under Ohio law, a director is generally not liable for monetary damages unless it is proved by clear and convincing evidence that the director's action or failure to act was undertaken with deliberate intent to cause injury to the corporation or with reckless disregard for the best interests of the corporation. There is, however, no comparable provision limiting the liability of officers, employees, or agents of a corporation. The statutory right to indemnification is not exclusive and is in addition to any other rights granted to persons seeking indemnification.

The Registrant's Regulations provide that the Registrant shall indemnify its directors and officers to the full extent permitted by Ohio law, including circumstances in which indemnification is otherwise discretionary under Ohio law. The Registrant has entered into indemnification agreements with its officers and directors containing provisions that are in some respects broader than the specific indemnification provisions contained in the Ohio Law. The indemnification agreements may require the Registrant, among other things, to indemnify its directors against certain liabilities that may arise by reason of their status or service as directors (other than liabilities arising from willful misconduct or willful disregard of duties), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain director's insurance if available on reasonable terms. The Registrant has also obtained directors and officers' liability insurance covering, subject to certain exceptions, actions taken by the Registrant's directors and officers in their capacities as such.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibits to this Registration Statement are listed in the Exhibit Index, which Exhibit Index is incorporated herein by this reference.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(ii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
-
