PROXY STATEMENT
FOR
2005 ANNUAL MEETING OF STOCKHOLDERS
OF
WILLIS LEASE FINANCE CORPORATION
To Be Held on May 19, 2005

SOLICITATION AND VOTING OF PROXIES

General

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (also referred to as the Board) of WILLIS LEASE FINANCE CORPORATION (Willis Lease or the Company) of proxies to be voted at the 2005 Annual Meeting of Stockholders, which will be held at 2:00 p.m. local time on May 19, 2005 at Willis Lease s executive offices, located at 2320 Marinship Way, Suite 300, Sausalito, California 94965, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2005 Annual Meeting of Stockholders.

This Proxy Statement is being mailed to stockholders on or about April 20, 2005. Willis Lease s 2004 Annual Report is being mailed to stockholders concurrently with this Proxy Statement. The 2004 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

Voting

The close of business on March 21, 2005 is the record date for stockholders entitled to notice of and to vote at the 2005 Annual Meeting of Stockholders. As of that date, Willis Lease had 9,013,140 shares of common stock, \$0.01 par value, issued and outstanding. All of the shares of Willis Lease s common stock outstanding on the record date are entitled to vote at the 2005 Annual Meeting of Stockholders, and stockholders of record entitled to vote at the meeting will have one vote for each share of common stock so held with regard to each matter to be voted upon.

The required quorum for the meeting is a majority of the outstanding shares of common stock eligible to be voted on the matters to be considered at the meeting. In the election for directors (Proposal 1), the nominees for the Class I Director receiving the highest number of affirmative votes will be elected.

Shares of Willis Lease s common stock represented by proxies on the accompanying proxy card, which are properly executed and returned to Willis Lease, will be voted at the 2005 Annual Meeting of Stockholders in accordance with the stockholder s instructions contained therein. If no instructions are marked on the proxy card, the shares represented thereby will be voted for the election of the Board s nominees as Class I Director (Proposal 1).

If a properly signed proxy or ballot indicates that a stockholder, broker or other nominee abstains from voting or that the shares are not to be voted on a particular proposal, the shares will not be counted as having been voted on that proposal, although such shares will be counted as being in attendance at the meeting for purposes of determining the presence of a quorum. Broker non-votes (i.e. shares held by brokers or nominees as to which instructions have not been received from beneficial owners or persons entitled to vote that the broker or nominee does not have discretionary power to vote on a particular matter) are counted towards a quorum, but are not counted for any purpose in determining whether a

matter has been approved by a majority of the shares represented in person or by proxy and entitled to vote.

Management does not know of any matters to be presented at the 2005 Annual Meeting of Stockholders other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the meeting, the proxy holders will vote on such matters in accordance with their best judgment.

Revocability of Proxies

Any stockholder giving a proxy in the form accompanying this Proxy Statement has the right to revoke it at any time before it is voted at the meeting. It may be revoked by:

- filing with the Corporate Secretary of Willis Lease an instrument of revocation;
- the presentation at or prior to the meeting of a duly executed proxy bearing a later date; or
- attendance at the meeting and election to vote in person.

Solicitation

This solicitation is made by the Board of Willis Lease. The entire cost of preparing, assembling and mailing the Notice of 2005 Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card, and of soliciting proxies, will be paid by Willis Lease. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, electronic mail or special letter by officers and regular Company employees for no additional compensation. The Company has retained American Stock Transfer & Trust and ADP to aid in the solicitation at an estimated cost to the Company of approximately \$6,000 plus out-of-pocket expenses.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND THE COMMITTEES OF THE BOARD

Board of Directors

The Bylaws of Willis Lease provide that the authorized number of Directors of the Company is five. At the present time, the Board consists of five Directors who are divided into three classes: Class I (two Directors), Class II (two Directors) and Class III (one Director). One class is elected each year for a three-year term. Glenn L. Hickerson, Gérard Laviec and William M. LeRoy are independent directors, as defined in the Nasdaq listing standard.

The business, property and affairs of Willis Lease are managed under the direction of the Board. Directors are kept informed of Willis Lease's business through discussions with the President and Chief Executive Officer and other officers of Willis Lease, by reviewing materials provided to them and by participating in meetings of the Board and its committees. The Board held a total of four meetings during the fiscal year ended December 31, 2004, referred to as the 2004 fiscal year. Each incumbent director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board; and (ii) the total number of meetings held by all Committees of the Board on which he served.

Communications with the Board

Stockholders may communicate with the Board of Directors by sending a letter to Board of Directors, Willis Lease Finance Corporation, c/o Office of the Corporate Secretary, 2320 Marinship Way, Suite 300, Sausalito, California 94965. The Office of the Corporate Secretary will receive the correspondence and forward it to the Board of Directors or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to

Willis Lease or its business, or is similarly inappropriate. The Office of the Corporate Secretary has the authority to discard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Attendance at the Annual Meeting of Stockholders

Mr. Willis attended the 2004 annual meeting of stockholders; Willis Lease's other directors did not attend. The Company has no policy requiring board members to attend its annual meeting.

Committees of the Board

The Board of Directors has an Audit Committee and a Compensation Committee, both comprised solely of independent directors. There is no nominating committee or committee performing the functions of such a committee. The Board has determined that the function of a nominating committee is adequately fulfilled by the independent directors and, therefore, has not established such a committee.

The Audit Committee oversees Willis Lease's accounting function, internal controls and financial reporting process on behalf of the Board of Directors. The Audit Committee meets with Willis Lease's financial management and its independent auditors to review Willis Lease's financial statements and filings, the audit and matters arising therefrom, and financial reporting procedures, including any significant judgments made in preparation of the financial statements. The Audit Committee currently consists of Directors William M. LeRoy (Chairman), Glenn L. Hickerson and Gérard Laviec. All members of the audit committee are able to read and understand financial statements. Mr. LeRoy also qualifies as an audit committee financial expert, as defined by the SEC, and is financially sophisticated as required by the Nasdaq listing standards. This Committee held seven meetings during the 2004 fiscal year. On May 17, 2004 the Board reviewed and approved the Audit Committee Charter dated June 13, 2000 that meets the requirements of the Securities and Exchange Commission and National Association of Securities Dealers.

The Compensation Committee reviews and approves Willis Lease's compensation arrangements for executive officers and administers the 1996 Stock Option/Stock Issuance Plan (the 1996 Plan) and the Deferred Compensation Plan. The Compensation Committee currently consists of Directors Glenn L. Hickerson (Chairman), William M. LeRoy and Gérard Laviec. This Committee held five meetings during the 2004 fiscal year.

Director Compensation

Directors are paid an annual retainer of \$20,000 plus \$1,000 for each Board meeting attended in person and \$500 for each Board meeting attended by conference telephone. Independent directors serving on the Committees are paid \$500 for each Committee meeting attended either in person or by telephone. Finally, the Chairman of the Audit Committee is paid \$7,500; while the chairman of the Compensation Committee receives \$5,000. Each independent member of the Board was also reimbursed for all reasonable out-of-pocket expenses incurred to attend Board or Committee meetings. Pursuant to the Automatic Option Grant Program under the 1996 Plan, each individual who first becomes a non-employee Board member is eligible to receive an option grant for 5,000 shares of common stock. In addition, on the date of each annual stockholders meeting, each individual who is to continue to serve as an independent Board member, whether or not such individual is standing for re-election at that particular annual meeting, will be granted an option to purchase a specified number of shares of common stock, provided such individual has served as an independent Board member for at least six months. The number of shares of common stock subject to each annual automatic option grant shall not be more than 10,000 shares per year, and the number of shares will be determined by dividing \$20,000 by the Black-Scholes formula value of the option. Each grant under the Automatic Option Grant Program will have an exercise price per share equal to the fair market value per share of Willis Lease's common stock on the grant date

and will have a maximum term of 10 years, measured from the grant date, subject to earlier termination should the optionee cease to serve as a member of the Board.

Each 5,000-share initial option grant vests in a series of four successive equal annual installments over the optionee's period of continued service as a Board member measured from the option grant date. Each \$20,000 value annual option grant vests in one installment on the optionee's completion of one year of Board service measured from the grant date.

Independent Directors are also eligible to participate in the Director Fee Option Grant Program in effect under the 1996 Plan, pursuant to which they may elect to apply a portion or all of their annual compensation towards the acquisition of special below-market option grants. Options granted to independent Directors under the Director Fee Option Grant Program have a maximum term of 10 years, measured from the grant date, subject to earlier termination should the optionee cease to serve as a member of the Board. Effective January 1, 2005 the Director Fee Option Grant Program was discontinued; and directors' fees will be paid in cash.

Pursuant to the Stockholder's Agreement by and among Willis Lease, Charles F. Willis, IV, CFW Partners, L.P., Austin Chandler Willis 1995 Irrevocable Trust, and FlightTechnics, LLC dated as of November 7, 2000, Mr. William Coon (or any successor to Mr. Coon nominated by FlightTechnics, LLC to the Board) is not considered an independent director of Willis Lease. Accordingly, Mr. Coon does not participate in the above-described compensation arrangements for independent members of the Board.

On March 31, 2004, Directors LeRoy, Hickerson and Laviec, in connection with their elections to apply \$9,375, \$8,750 and \$1,750 respectively of their compensation for the first quarter of the 2004 fiscal year to the acquisition of a special grant under the Director Fee Option Grant Program, were granted options for 1,570, 1,465 and 293 shares of common stock under that program, respectively. These options have an exercise price of \$2.98 per share, one-third of the fair market value per share of the common stock on the grant date. The spread on the option shares at the time of grant (the fair market value of the option shares less the aggregate exercise price) was equal to \$9,375, \$8,750 and \$1,750 of their cash retainer fees which Directors LeRoy, Hickerson and Laviec, respectively, elected to apply to their grants. These options became fully exercisable on March 31, 2004.

These options have an exercise price of \$2.75 per share, one-third of the fair market value per share of the common stock on the grant date. The spread on the option shares at the time of grant (the fair market value of the option shares less the aggregate exercise price) was equal to \$8,375, \$7,250 and \$1,625 of their cash retainer fees which Directors LeRoy, Hickerson and Laviec, respectively, elected to apply to their grants. These options became fully exercisable on June 30, 2004.

On September 30, 2004, Directors LeRoy, Hickerson and Laviec, in connection with their election to apply \$8,875, \$8,250 and \$1,625, respectively of their compensation for the third quarter of the 2004 fiscal year to the acquisition of a special grant under the Director Fee Option Grant Program, were granted options of 1,730, 1,608 and 316 shares of common stock under that program, respectively. These options have an exercise price of \$2.57 per share, one-third of the fair market value per share of the common stock on the grant date. The spread on the option shares at the time of grant (the fair market value of the option shares less the aggregate exercise price) was equal to \$8,875, \$8,250 and \$1,625, respectively, of the quarterly cash retainer fees which Directors LeRoy, Hickerson and Laviec, respectively, elected to apply to their grants. These options became fully exercisable on September 30, 2004.

On December 31, 2004, Directors LeRoy, Hickerson and Laviec, in connection with their election to apply \$9,875, \$9,250 and \$1,875, respectively of their compensation for the fourth quarter of the 2004 fiscal year to the acquisition of a special grant under the Director Fee Option Grant Program, were granted options for 1,899, 1,778 and 360 shares of common stock under that program, respectively. These options have an exercise price of \$2.60 per share, one-third of the fair market value per share of the common stock on the grant date. The spread on the option shares at the time of grant (the fair market value of the option shares less the aggregate exercise price) was equal to \$9,875, \$9,250 and \$1,875, respectively, of their quarterly cash retainer fees which Directors LeRoy, Hickerson and Laviec, respectively, elected to apply to their grants. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Willis Lease's Directors and executive officers, and persons who own more than ten percent of a registered class of Willis Lease's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of Willis Lease. Directors, executive officers and holders of more than ten percent of Willis Lease's common stock are required by Securities and Exchange Commission regulation to furnish Willis Lease with copies of all Section 16(a) reports they file.

Based solely upon review of the copies of such reports furnished to Willis Lease and written representations from its officers and Directors, Willis Lease believes that, except as set forth in the following sentence, during the fiscal year ended December 31, 2004, its Directors, executive officers and holders of more than ten percent of Willis Lease's common stock complied with all applicable Section 16(a) filing requirements. Thomas E. MacAleavey sold 500 shares of Company stock on February 26, 2004. This sale was required to be reported on Form 4 by March 1, 2004. The Company was notified of the sale and filed a Form 4 to report it on April 19, 2004. There were no known failures to file a required report.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

At the end of the 2004 fiscal year, the Compensation Committee of the Board was composed of three independent Directors: Glenn L. Hickerson (Chairman), William M. LeRoy and Gérard Laviec.

The Compensation Committee administers Willis Lease's compensation policies and programs and has primary responsibility for executive compensation matters, including the establishment of the base salaries of Willis Lease's executive officers, the approval of individual bonuses and bonus programs for executive officers and the administration of certain employee benefit programs. In addition, the Compensation Committee has exclusive responsibility for administering the 1996 Plan, under which stock option grants and direct stock issuances may be made to executive officers and other employees.

For the 2002 and 2003 fiscal years, the Compensation Committee chose to freeze the salaries of executive officers at 2001 levels, based upon general industry conditions. In August 2004 the Compensation Committee approved salary increases for the four executive officers of between 5 and 15%. The Compensation Committee makes its decisions primarily on the basis of its understanding of the compensation practices of similarly sized companies serving similar industry segments, referred to as Peer Companies, and fixed the compensation package of each executive officer at a level which was competitive with those practices. The positions of Willis Lease's President and CEO and executive officers were compared with those of their counterparts at the Peer Companies, and the market compensation levels for comparable positions were examined to determine base salary and total cash compensation. Willis Lease's intent is to position its executive compensation levels around the 75th percentile at Peer Companies. In addition, the practices of the Peer Companies concerning stock option grants were reviewed and compared. The Compensation Committee also considers geographic location and companies that may compete with Willis Lease in recruiting executive talent.

The following is a summary of policies that the Compensation Committee applied in setting the compensation levels for Willis Lease's executive officers.

General Compensation Policy. The objectives of Willis Lease's executive compensation program are to motivate and retain current executives and to attract future ones. Willis Lease's executive compensation program is designed to: (1) provide a direct and substantial link between Company performance and executive pay, (2) consider individual performance and accomplishments and compensate accordingly, and

(3) determine Willis Lease's position in the aviation services and leasing markets and be competitive in that labor market.

Factors. The principal factors that are considered by the Compensation Committee in establishing the components of each executive officer's compensation package are summarized below. The Compensation Committee may, however, in its discretion apply entirely different factors in setting executive compensation for future fiscal years.

Base Salary. The base salary for each executive officer is set on the basis of personal performance, the Compensation Committee's assessment of salary levels in effect for comparable positions with Willis Lease's Peer Companies, and internal comparability considerations. The weight given to each of these factors may vary from individual to individual. Base salaries are reviewed on an annual basis, and adjustments are made in accordance with the factors indicated above.

Incentive Compensation. The Compensation Committee has established an incentive compensation program pursuant to which each executive officer is eligible to earn a bonus on the basis of the achievement of certain Company and individual goals. The bonuses earned by each of the executive officers are set forth in the Summary Compensation Table which appears later in this Proxy Statement.

Long-Term Incentive Compensation. Long-term incentives are provided through stock option grants. The grants are designed to align the interests of the executive officers with those of the stockholders, and to provide executive officers with a significant incentive to manage Willis Lease from the perspective of an owner with an equity stake in the business. The stock option plan encourages long-term retention and provides rewards to executives and other eligible employees commensurate with growth in stockholder value. It is the Committee's practice to grant options to purchase shares at the market price of the underlying shares of common stock on the date of grant with a term of up to ten years. All of the options granted to Willis Lease's executive officers vest in four equal annual installments. Accordingly, the options will provide a return to the executive officer only if he remains in Willis Lease's employ and the market price of the underlying shares of common stock appreciates.

The number of shares subject to each option grant is set at a level intended to create a meaningful opportunity for stock ownership based on the executive officer's current position with Willis Lease, the base salary associated with that position, the size of comparable awards made to individuals in similar positions within the industry, the individual's potential for increased responsibility and promotion over the option term, and the individual's personal performance in recent periods. The Committee also takes into account the number of unvested options held by the executive officer in order to maintain an appropriate level of equity incentive for that individual. However, the Committee does not adhere to any specific guidelines as to the relative option holdings of Willis Lease's executive officers.

Deferred Compensation. Willis Lease maintains the Deferred Compensation Plan for its executives, which permits participating executives to defer payment of up to 80% of their base salary and/or part or all of their bonus. Through the Deferred Compensation Plan, the Willis Lease Finance Corporation Deferred Compensation Plan Trust invests all deferred amounts in investment funds and horizon portfolios (compatible with the investment options under Section 401(k) of the Internal Revenue Code of 1986, as amended) pursuant to the election of each participant. The Compensation Committee determines the participant's Annual Company Matching Amount for any plan year to be added to the amount the participant elects to contribute from his/her salary and/or bonus. Such amounts are vested in accordance with a vesting schedule set forth in the Deferred Compensation Plan. In 2004 fiscal year Willis Lease did not contribute any Annual Company Matching Amount.

Mr. Willis was the only executive who elected to participate in the Deferred Compensation Plan. His total accumulated deferral is \$193,727 and during 2004 fiscal year, the investments from Mr. Willis' previously deferred salary resulted in ordinary dividends in the amount of \$6,121 and gains of \$10,066.

CEO Compensation. The compensation payable to Mr. Willis, Willis Lease's Chief Executive Officer during the 2004 fiscal year, was determined by the Compensation Committee. In 2002 and 2003, the Compensation Committee chose to freeze Mr. Willis' annual salary at the 2001 level of \$500,000. Effective July 1, 2004 his annual salary was increased to \$575,000, a level which the Compensation Committee felt would be competitive with the base salary levels in effect for CEOs at similarly-sized companies within the industry. For the 2004 fiscal year, Mr. Willis received a bonus of \$308,862. The bonus was based on company performance relative to performance targets established by the Compensation Committee.

Compliance with Internal Revenue Code Section 162. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation that is not performance based (within the meaning of Section 162(m)) exceeds \$1 million per officer in any year. In 2001 and 2002, the compensation paid to Willis Lease's executive officers did not exceed the \$1 million limit per officer. However, for the 2003 fiscal year, the compensation paid to the CEO exceeded the \$1 million limit by a modest amount. In the coming years, in order to permit the future deductibility of cash bonus awards for certain executive officers, Willis Lease may adopt an executive incentive plan, subject to approval by stockholders, that will qualify as performance based compensation for purposes of Section 162(m). The 1996 Plan, however, is structured so that any compensation deemed paid to an executive officer in connection with the exercise of his or her outstanding options under the 1996 Plan will qualify as performance-based compensation which will not be subject to the \$1 million limitation.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL AGREEMENTS

Willis Lease presently has the following employment contracts in effect with the Named Executive Officers:

Charles F. Willis, IV. Effective November 7, 2000, Mr. Willis signed a two-year employment agreement with Willis Lease. The agreement automatically renews for additional one-year terms, until June 29, 2013, unless either party gives notice of non-renewal six months prior to expiration of the current term. Upon execution of the agreement, Mr. Willis' base salary as Chairman of the Board, President and Chief Executive Officer was \$500,000 per year, subject to adjustment by Willis Lease's Compensation Committee. Effective July 1, 2004 Mr. Willis' salary was increased to \$575,000 per year. Mr. Willis is entitled to receive bonuses in an annual amount of up to \$500,000 or a higher amount determined by the Board of Directors, under the incentive compensation plan in effect from time to time. The bonuses are based upon company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of each year. The agreement also provides for Mr. Willis' participation in Willis Lease's stock option plans on the same terms generally available to Willis Lease's executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of March 21, 2005, Mr. Willis received, over a period of time, options to purchase an aggregate of 661,000 shares of Willis Lease's common stock. Of this amount, 25,972 options have expired.

Under the agreement, Willis Lease may terminate Mr. Willis' employment other than for cause (failure or inability to perform obligations under the agreement causing material harm to the business) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

If a change of control in the ownership of Willis Lease occurs, the agreement will be automatically extended for a period of 2 years from the date of the change of control event.

If Mr. Willis had been terminated effective January 1, 2005, his severance would have been equal to \$2.9 million in cash, \$0.3 million in accrued 2004 bonus, vacation and sick pay, \$0.2 million in unpaid deferred compensation, and \$0.1 million in other benefits. In addition, all unvested options as shown under Stock Option Exercise and Holdings, above, would be immediately vested.

In the event that the severance and other benefits provided to Mr. Willis constitute parachute payments subject to federal excise tax, then Mr. Willis' benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

Willis Lease and Mr. Willis have entered into an indemnification agreement effective as of September 17, 1996.

Donald A. Nunemaker. Effective November 21, 2000, Mr. Nunemaker signed a two-year employment agreement with Willis Lease. The agreement automatically renews for additional one-year terms until June 10, 2012, unless either party gives notice of non-renewal six months prior to expiration of the current term. Upon execution of the agreement, Mr. Nunemaker's base salary as an Executive Vice President, Chief Administrative Officer was \$235,000 per year, subject to adjustment by Willis Lease's Compensation Committee. Effective January 1, 2004 Mr. Nunemaker's salary was increased to \$270,250 per year. On March 2001 Mr. Nunemaker was appointed as Executive Vice President, Chief Operating Officer under the same terms of the November 21, 2000 employment agreement. Mr. Nunemaker is entitled to receive a target bonus of up to 85% of his base salary under the incentive compensation plan in effect from time to time. The bonuses are based upon company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of each year. The agreement also provides for Mr. Nunemaker's participation in Willis Lease's stock option plans on the same terms generally available to Willis Lease's executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of March 21, 2005, Mr. Nunemaker received, over a period of time, options to purchase an aggregate of 422,650 shares of Willis Lease's common stock.

Under the agreement, Willis Lease may terminate Mr. Nunemaker's employment other than for cause (such as Mr. Nunemaker's gross misconduct, fraud, breach of the agreement, or conviction or plea to felony or gross misdemeanor) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

If a change of control in the ownership of Willis Lease occurs, the agreement will be automatically extended for a period equal to the greater of (i) the remaining employment term and (ii) the 18 month period from the date of the change of control event. If Mr. Nunemaker's employment is terminated during such extension period, he will be entitled to additional severance payment.

If Mr. Nunemaker had been terminated effective January 1, 2005, his severance would have been equal to \$0.4 million in cash, \$0.1 million in accrued 2004 bonus, vacation and sick pay, and \$10 thousand in other benefits. In addition, all unvested options as shown under Stock Option Exercise and Holdings, above, would be immediately vested.

In the event that the severance and other benefits provided to Mr. Nunemaker constitute parachute payments subject to federal excise tax, then Mr. Nunemaker's benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

Willis Lease and Mr. Nunemaker have entered into an indemnification agreement effective as of July 30, 1997.

Any grant of stock options is subject to the discretion of the Compensation Committee. As of March 21, 2005, Ms. Burke received, as of the date of her employment, options to purchase an aggregate of 35,000 shares of Willis Lease's common stock.

Under the agreement, Willis Lease may terminate Ms. Burke's employment other than for cause (such as Ms. Burke's gross misconduct, fraud, breach of the agreement, or conviction or plea to felony or gross misdemeanor) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

If a change of control in the ownership of Willis Lease occurs, the agreement will be automatically extended for a period equal to the greater of (i) the remaining employment term or (ii) the 18 month period from the date of the change of control event. If Ms. Burke's employment is terminated during such extension period, she will be entitled to additional severance payment.

If Ms. Burke had been terminated effective January 1, 2005, her severance would have been equal to \$0.1 million in cash, \$0.1 million in accrued 2004 bonus, vacation and sick pay, and \$4 thousand in other benefits. In addition, all unvested options as shown under "Stock Option Exercise and Holdings", above, would be immediately vested.

In the event that the severance and other benefits provided to Ms. Burke constitute parachute payments subject to federal excise tax, then Ms. Burke's benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

Willis Lease and Ms. Burke have entered into an indemnification agreement effective as of July 15, 2002.

Thomas C. Nord. In accordance with the letter from Willis Lease to Mr. Nord dated June 11, 2003 Mr. Nord's salary as Senior Vice President, General Counsel and Secretary, was \$210,000 per year. Effective July 1, 2004, Mr. Nord's salary was increased to \$220,500 per year. Mr. Nord is entitled to receive a target bonus of up to 50% of his base salary under the incentive compensation plan in effect from time to time. The bonuses are based upon Company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of each year. The offer letter also provides for Mr. Nord's participation in Willis Lease's stock option plan on the same terms generally available to Willis Lease's executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. Mr. Nord received, as of the date of his employment, options to purchase an aggregate of 30,000 shares of Willis Lease's common stock. He has not received any additional grants.

Willis Lease and Mr. Nord have entered into an indemnification agreement effective as of July 7, 2003.

In connection with an acquisition of Willis Lease by merger, asset sale or other change of control event, each outstanding option held by the Chief Executive Officer and the other executive officers under the 1996 Plan will automatically accelerate in full and all unvested shares of common stock held by such individuals subject to direct issuances made under such plans will immediately vest in full, except to the extent such options are to be assumed by, and Willis Lease's repurchase rights with respect to these shares are to be assigned to, the successor corporation. In addition, upon an involuntary termination of the Chief Executive Officer or any of the other executive officers within twelve months following a merger or asset sale or other change in control of Willis Lease, each outstanding option and all unvested shares of common stock held by such individual will automatically vest in full. Furthermore, with regard to future option grants and direct stock issuances, the Plan Administrator of the 1996 Plan has the authority to provide

for accelerated vesting of any outstanding options awarded to the Chief Executive Officer or any other executive officer or any unvested share issuances actually held by such individual, in connection with certain changes in control of Willis Lease or the subsequent termination of the officer's employment following the change in control event.
