ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On September 29, 2005, Bimini Mortgage Management, Inc. (Bimini) entered into an agreement and plan of merger (the Agreement) with Bimini Acquisition LLC, its acquisition subsidiary, Opteum Financial Services, LLC (Opteum) and the members of Opteum.

Under the terms of the Agreement, Bimini has agreed to issue 3,717,242 shares of Class A Common Stock and 1,800,000 Convertible Preferred Shares in the merger to the members of Opteum. The new class of preferred shares would be convertible into Class A Common Stock of Bimini if Bimini's shareholders approve the conversion at a future shareholder meeting. Bimini has also agreed to pay the Opteum members a contingent cash earn-out of up to \$17.5 million over the next five years, based on achievement by Opteum of certain specific financial objectives. In return, Opteum has agreed that at the time of the merger it will have a book value of \$60 million. The three most senior executives of Opteum have entered into long term employment contracts with Bimini.

Opteum has made customary representations, warranties and covenants in the Agreement, including, among others, covenants (i) to conduct its businesses in the ordinary course during the interim period between the execution of the Agreement and the consummation of the transaction and (ii) not to engage in certain kinds of transactions during such period. In addition, Bimini has made customary representations, warranties and covenants in the Agreement, including, among others, covenants (i) to file a registration statement with the Securities and Exchange Commission to effect the registration under the Securities Act of 1933, as amended, of resale by the members of Opteum of the shares of Bimini's Class A Common Stock issued in the merger and issuable upon conversion of Preferred Shares issued in the merger, (ii) to lend approximately \$65 million to Opteum to repay existing debt and (iii) to use commercially reasonable efforts in the preparation of the closing.

The consummation of the transaction is subject to customary conditions, including (i) the absence of any injunction, law or order prohibiting the closing, (ii) obtaining consents and approvals from governmental authorities, (iii) subject to certain exceptions, the accuracy of the representations and warranties of the other party and (iv) material compliance of the other party with its covenants. In addition, Bimini's obligation to consummate the transaction is subject to certain other conditions, including Opteum obtaining certain third party consents. The Agreement contains certain termination rights for both Bimini and Opteum.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, a copy of which is filed as Exhibit 2.1 hereto.
