**Item 1.01. Entry into a Material Definitive Agreement.**

On December 2, 2005, Apex Silver Mines Limited ( Apex Silver or the Company ), through certain of its wholly-owned subsidiaries, entered into two loan agreements (the Senior Loan Agreements ) the first being between the Company s indirect wholly-owned subsidiary Minera San Cristobal, S.A., a *sociedad anonima* organized under the laws of Bolivia ( MSC ), the lenders named therein (the Commercial Bank Lenders ) and BNP Paribas, acting as administrative agent ( BNP ), and the second being between MSC and Corporacion Andina de Fomento ( CAF ), and together with the Commercial Bank Lenders, the Lenders ), pursuant to which MSC agreed to incur and secure senior loans in an aggregate principal amount of up to \$225 million (the Loans ) for the purpose of financing the construction, development and operation of the Company s San Cristobal Project in Bolivia. The Loans mature in December 2012 and initially bear interest at LIBOR plus 3.25% and 3.50%, respectively. Copies of the Senior Loan Agreements are filed as Exhibits 10.1 and 10.2, respectively.

The Loans are secured by substantially all of the tangible and intangible assets owned by the Company s subsidiaries that are related to the San Cristobal Project pursuant to the terms of a common security agreement among MSC, Apex Silver Mines Sweden AB ( Apex Sweden ), Apex Luxembourg S.A.R.L ( Apex Luxembourg ), Apex Metals GmbH ( Apex Metals ), the Lenders, BNP, Barclays Capital PLC ( Barclays ) and JPMorgan Chase Bank, N.A. (the Collateral Agent ) (the Common Security Agreement ), a copy of which is filed as Exhibit 10.3. The Common Security Agreement contains covenants customary for a project financing facility. As additional collateral for the Senior Loans, Apex Silver pledged all of the outstanding shares of Apex Luxembourg and all of its right, title and interest in any Project-related accounts and intercompany debt pursuant to the terms of a pledge agreement between Apex Silver and the Collateral Agent (the Sponsor Pledge ), a copy of which is filed as Exhibit 10.4. The Sponsor Pledge also contains certain customary negative and financial covenants that restrict, among other things, Apex Silver s ability to incur additional indebtedness and encumber its assets. Apex Silver has also agreed to restrictions on its ability to transfer its interest in the Project.

Also in connection with the Senior Loans, Apex Silver entered into a completion agreement with BNP, Barclays and the Collateral Agent, a copy of which is filed as Exhibit 10.5, pursuant to which Apex Silver has agreed to guarantee the obligations of MSC under the Senior Loan Agreements and certain related obligations of Apex Metals until the Project meets certain operating and financial objectives.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of the Registrant.**

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference. Apex Silver and its subsidiaries are in the process of complying with certain conditions precedent to the initial disbursement of Loans.

**Item 9.01. Financial Statements and Exhibits.**
