Item 2.02

Results of Operations and Financial Condition.

On April 25, 2006, Ameriprise Financial, Inc. (the Company) issued a press release announcing its financial results for the first quarter of 2006. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference and furnished herewith. In addition, the Company furnishes herewith, as Exhibit 99.2, its Statistical Supplement for the quarterly period ended March 31, 2006.

We follow accounting principles generally accepted in the United States (GAAP). The press release furnished as Exhibit 99.1 and the financial information furnished as Exhibit 99.2 include information on both a GAAP and non-GAAP adjusted basis. The non-GAAP presentation excludes items that are a direct result of our separation from American Express Company, which consist of discontinued operations, non-recurring separation costs and AMEX Assurance Company (AMEX Assurance). Our non-GAAP financial measures, which we view as important indicators of financial performance, include the following: consolidated income statements adjusted to exclude AMEX Assurance and separation costs; Protection segment income statements adjusted to exclude AMEX Assurance; total expenses before separation costs; adjusted net investment gains (losses), pretax (adjusted to exclude AMEX Assurance); adjusted earnings (adjusted to exclude AMEX Assurance and separation costs); adjusted contribution margin (adjusted to exclude AMEX Assurance); income before income tax provision, discontinued operations and separation costs; income tax provision before tax benefit attributable to separation costs; income before discontinued operations and separation costs; separation costs, after-tax; adjusted pretax segment income (adjusted to exclude AMEX Assurance); adjusted return on allocated equity (adjusted to exclude AMEX Assurance); and pretax segment loss before separation costs. Management believes that the presentation of these non-GAAP financial measures excluding these specific income statement impacts best reflects the underlying performance of our ongoing operations and facilitates a more meaningful trend analysis. These non-GAAP measures are also used for goal setting, certain compensation related to our annual incentive award program and evaluating our performance on a basis comparable to that used by securities analysts.
