**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard;
Transfer of Listing.**

On October 3, 2006, Callisto Pharmaceuticals, Inc. (the Company) received notice (the Deficiency Letter) from the staff of the American Stock Exchange (AMEX) indicating that it is not in compliance with certain continued listing standards, specifically, Section 1003(a)(i) of the Company Guide with shareholders' equity of less than \$2,000,000 and losses from continuing operations and/or net losses in two of its three most recent fiscal years and Section 1003(a)(iv) of the Company Guide in that it has sustained losses which are so substantial in relation to its overall operations or its existing financial resources, or its financial condition has become so impaired that it appears questionable, in the opinion of the Exchange, as to whether it will be able to continue operations and/or meet its obligations as they mature.

In order to maintain its AMEX listing, the Company must submit a plan by November 2, 2006, advising AMEX of the actions it has taken, or will take, that would bring it into compliance with Section 1003(a)(iv) of the Company Guide by April 3, 2007 and with all the continued listing standards by April 3, 2008. If AMEX accepts the Company's plan, it may be able to continue its listing during the plan period of up to 18 months, during which time the Company will be subject to periodic review to determine if it is making progress consistent with the plan. If it is not in compliance with the continued listing standards at the end of the plan period, or it does not make progress consistent with the plan during the plan period, AMEX staff may initiate delisting proceedings. If the Company does not submit a plan, or if it submits a plan that is not accepted, it may be subject to delisting proceedings.

The Company has already contacted AMEX to confirm receipt of the Deficiency Letter and to advise the staff of AMEX that it intends to submit a plan. There is no guarantee that the Company will be able to complete and timely file a plan, that the plan will be accepted by AMEX, or that it will be able to make progress consistent with the plan if it is accepted. Prior to filing the plan and, if a plan is timely filed, while the plan is under review by AMEX, the Company expects that its common stock will continue to trade without interruption on AMEX.

A copy of the press release announcing the receipt of the AMEX notice is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
