Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 28, 2006, the Board of Directors (Board) of Ameriprise Financial, Inc. (the Company) adopted resolutions amending the Company s By-Laws to change the vote standard for the election of directors in uncontested elections from a plurality to a majority of votes cast. The Board acted upon the recommendation of its Nominating and Governance Committee. A majority of the votes cast means that the number of shares voted for a director must exceed 50% of the number of votes cast with respect to that director s election. When an election of directors is contested, the vote standard will continue to be a plurality of votes cast. An election is contested when the number of candidates for election as directors exceeds the number of directors to be elected.

The By-Law amendments also provide that if a nominee who already serves as a director is not elected and no successor has been elected, the director shall promptly tender his or her resignation to the Board of Directors, unless such director previously tendered his or her resignation, to become effective upon such director s failure to be reelected. The Nominating and Governance Committee (the Committee) will then make a recommendation to the Board on whether to reject the resignation, or whether other action should be taken. The Board will act on the Committee s recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation shall not vote on the Committee s recommendation or the decision of the Board with respect to his or her resignation. If a nominee who is not an incumbent director is not elected, or if a director s resignation is accepted, then the Board, in its discretion, may fill the resulting vacancy or decrease the size of the Board. A director who is required to tender his or her resignation may instead resign voluntarily, subject to certain conditions.

The Company s By-Laws were also amended to provide that a stockholder submitting a nomination or proposal for business must provide notice to the Secretary of the Company. The notice must include, among other items, a signed questionnaire, representation and agreement providing the Company with information about potential conflicts of interest or special interests that could affect such nominee s ability to act in the best interest of shareholders or comply with fiduciary duties, and such nominee s eligibility to serve as an independent director. Candidates must also agree that they will abide by the aforementioned mandatory tender of resignation provisions and other policies and guidelines. Prior to the By-Law amendments, the notice was required to include information required to be disclosed in connection with solicitations for proxies, descriptions of the business that the stockholder proposed to bring, and the stockholder s identifying information. The amendments added to those requirements an additional obligation to disclose information about potential conflicts of interest and related transactions between nominees and the stockholder making the nomination or proposal, or the beneficial owner, if any, on whose behalf the nomination or proposal is being made.

The Board also made certain technical and conforming amendments to the By-Laws.

The By-Law amendments are effective as of November 28, 2006 and are attached as Exhibit 3.1 to this Current Report on Form 8-K.
