**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On September 30, 2008, Pharmacoepia, Inc. (the Company) received a notice from The Nasdaq Stock Market indicating that the Company is not in compliance with the continued listing requirements of The Nasdaq Global Market under Nasdaq Marketplace Rule 4450(b)(1)(A). The Company received this notice because the market value of its listed securities was below \$50 million for 10 consecutive trading days. The notice further states that the Company is not in compliance with the alternative test under Nasdaq Marketplace Rule 4450(b)(1)(B), which requires total assets and total revenue of \$50 million each for the most recently completed fiscal year or two of the last three most recently completed fiscal years. This notification has no immediate effect on the listing of the Company's common stock on The Nasdaq Global Market.

In accordance with Nasdaq Marketplace Rule 4450(e)(4), the Company will be provided 30 calendar days, or until October 30, 2008, to regain compliance with the continued listing requirements. If at any time before October 30, 2008, the market value of the Company's listed securities is \$50 million or more for a minimum of 10 consecutive business days (or such longer period of time as the Nasdaq staff may require in some circumstances), the Company will regain compliance with the Rule. If the Company cannot demonstrate compliance with the Rule by October 30, 2008, the Nasdaq staff will provide written notification to the Company that the Company's securities will be delisted from The Nasdaq Global Market. Nasdaq rules permit the Company to appeal the delisting determination to a Nasdaq Listings Qualifications Panel. Alternatively, the Company may, at any time prior to the end of the appeal process, apply to transfer its securities to The Nasdaq Capital Market. In order to transfer, the Company must satisfy the continued inclusion requirements for that market. If the Company submits a transfer application by October 30, 2008, the initiation of the delisting proceedings will be stayed pending the Nasdaq staff's review of the transfer application.

The Company plans to exercise diligent efforts to maintain the listing of its common stock on The Nasdaq Global Market, but there is no assurance that it will be successful in doing so. If the Company does not resolve the listing deficiency, the Company may apply for listing on The Nasdaq Capital Market.

The Company has issued a press release dated October 3, 2008 announcing the receipt of the notice from Nasdaq. A copy of the press release is attached hereto as Exhibit 99.1, and the information contained therein is incorporated herein by reference.

On September 24, 2008, the Company entered into an Agreement and Plan of Merger with Ligand Pharmaceuticals Incorporated (Ligand), Margaux Acquisition Corp., a wholly owned subsidiary of Ligand (Merger Sub 1) and Latour Acquisition, LLC, a wholly owned subsidiary of Ligand (Merger Sub 2), pursuant to which the Company will merge with and into Merger Sub 1, with the Company continuing as the surviving entity (the Intermediate Surviving Corporation) and immediately thereafter, the Intermediate Surviving Corporation will merge with and into Merger Sub 2, with Merger Sub 2 continuing as the surviving entity.
