**Explanatory Note**

This Annual Report on Form 10-K/A (Amendment No. 1) supplements and clarifies certain disclosures contained in *Changes In Internal Control Over Financial Reporting* in Item 9A of Part II of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, which was filed with the Securities and Exchange Commission, or SEC, on March 16, 2009, or the Previous Filing. The supplementation to, and clarification of, these disclosures also makes the disclosures consistent with the disclosures contained in the Company's Form 8-K/A (Amendment No. 1), which was filed with the SEC on March 26, 2009. Other than with respect to referencing to this document as a

Form 10-K/A or as Amendment No. 1, no other information, including the financial statements, in the Previous Filing is being amended hereby. The Previous Filing has not been updated to reflect other events occurring after the filing of the Previous Filing on March 16, 2009, or to modify or update those disclosures affected by subsequent events. This Amendment No. 1 continues to speak as of the original filing date of the Annual Report on Form 10-K, or March 16, 2009. Other events occurring after the original filing of the Annual Report on Form 10-K or other disclosures necessary to reflect subsequent events have been, or will be, addressed in the Company's Current Reports on Form 8-K or Quarterly Reports on Form 10-Q, which are filed with the SEC. In addition, pursuant to the rules promulgated by the SEC, the Previous Filing has been amended to contain currently dated certifications from the Company's Principal Executive Officer and Principal Financial Officer, as required by Sections 302 and 906 of the Sarbanes-Oxley Act of 2002. The certifications of the Company's Principal Executive Officer and Principal Financial Officer are attached to this Amendment No. 1 as Exhibits 31.1, 31.2, 32.1 and 32.2.

**PART II**

**ITEM 9A. CONTROLS AND PROCEDURES**

**CONCLUSION REGARDING THE EFFECTIVENESS OF DISCLOSURE CONTROLS AND PROCEDURES**

Our management, with the participation of our Chief Executive Officer and principal financial officer, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934) as of the end of the period covered by this Form 10-K. Based on such evaluation, our Chief Executive Officer and principal financial officer have concluded that, as of the end of such period, our disclosure controls and procedures were effective in recording, processing, summarizing and reporting, on a timely basis, information required to be disclosed by us in the reports that we file or submit under the Exchange Act and are effective in ensuring that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is accumulated and communicated to our management, including our Chief Executive Officer and principal financial officer, as appropriate to allow timely decisions regarding required disclosure.

**MANAGEMENT'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING**

Our management is responsible for establishing and maintaining adequate internal control over financial reporting. Internal control over financial reporting is defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act, as a process defined by, or under the supervision of, our principal executive and principal financial officers and effected by our board of directors, management and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and includes those policies and procedures that:

- pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and disposition of our assets;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that our receipts and expenditures are being made only in accordance with authorization of our management and directors; and
- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of our assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Projections of any evaluation of effectiveness to future periods are subject to the risks that controls may become inadequate because of changes in conditions, or

## Edgar Filing: Hilltop Holdings Inc. - Form 10-K/A

that the degree of compliance with the policies or procedures may deteriorate.

Management assessed the effectiveness of our internal control over financial reporting as of December 31, 2008. In making this assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission, or COSO, in *Internal Control-Integrated Framework*. Based on our assessment, management concluded that, as of December 31, 2008, our internal control over financial reporting is effective.

The effectiveness of our internal control over financial reporting as of December 31, 2008, has been audited by PricewaterhouseCoopers LLP, an independent registered public accounting firm as stated in their report, which appears on page F-2 of the Annual Report on Form 10-K.

**CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING**

As described below, management of the Company implemented an additional quarterly control while performing its annual internal controls that materially affected, or is reasonably likely to materially affect, such internal control over financial reporting.

In connection with the restatement of the Company's consolidated financial information for the three and nine months ended September 30, 2008, the Company determined that a material weakness in its internal control over financial reporting existed. The existence of the material weakness at September 30, 2008 was due to the determination that the Company did not maintain effective quarterly internal controls over the accounting for incurred loss and loss adjustment expense and payments from its reinsurers. Specifically, the Company did not maintain effective quarterly controls to ensure that its receipt of pre-payments from reinsurers were properly recorded at September 30, 2008 and its ultimate retention per catastrophic event was recorded in accordance with the underlying reinsurance contract and generally accepted accounting principles.

The Company had an effective control in place related to the matters described above for annual reporting periods. Additionally, the Company performed a rigorous review of its retention limits under its existing reinsurance contracts in conjunction with the preparation of its annual consolidated financial statements. Further, following the discovery of this material weakness during the performance of the Company's annual internal controls over financial reporting for the year ended December 31, 2008 and a review of its accounting for loss and loss adjustment expenses and payment from reinsurers, the Company implemented the following additional quarterly control to remediate this material weakness:

- The Company designed, implemented and performed a quarterly reconciliation of loss and loss adjustment expenses recovered from reinsurers to ensure all payments are properly recorded in conjunction with the preparation of its quarterly consolidated financial statements.

The Company has determined that the above control was effectively designed and demonstrated operating effectiveness for a sufficient period of time, when considered along with other controls, to enable management to conclude that the previously reported material weakness in our internal control over financial reporting for three and nine months ended September 30, 2009, no longer exists.
