EXPLANATORY NOTE

We are filing this Amendment No. 3 on Form 10-Q/A (**Form 10-Q/A**) to our Quarterly Report on Form 10-Q for the quarterly period ended August 31, 2009 originally filed with the Securities and Exchange Commission (the **SEC**) on October 15, 2009 (the **Original Form 10-Q**), as amended by Amendment No. 1 on Form 10-Q/A filed with the SEC on November 5, 2009 and amended by Amendment No. 2 on Form 10-Q/A filed with the SEC on January 29, 2010, in response to comments we have received from the SEC regarding the Company's evaluation of the Company's disclosure controls and procedures. This amendment contains a revised Item 4T and updated certifications from our Principal Executive Officer and Principal Financial Officer.

This amendment should be read in conjunction with the Original Form 10-Q, as amended, which continues to speak as of the date that the original Form 10-Q was filed. Except as specifically noted above, this amendment does not modify or update any disclosures in the Original Form 10-Q. Accordingly, this amendment does not reflect events occurring after the filing of the Original Form 10-Q or modify or update any disclosures that may have been affected by subsequent events.

Part I Financial Information

Item 4T. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Disclosure controls and procedures are controls and procedures designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and include controls and procedures designed to ensure that information we are required to disclose in such reports is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure. Our management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures as defined in Rules 13a-15(e) and 15(d)-15(e) promulgated under the Exchange Act, as of the end of the period covered by this Quarterly Report on Form 10-Q/A. Based on such evaluation, our Chief Executive Officer and Chief Financial Officer has concluded that, as of the end of the period covered by this Quarterly Report on Form 10-Q/A, our disclosure controls and procedures are not effective. We failed to include a clear conclusion with respect to the effectiveness of the Company's internal control over financial reporting in the Management's Report on Internal Control Over Financial Reporting in our Annual Report on Form 10-K for the year ended November 30, 2008 filed on March 2, 2009 (the *Original Form 10-K*). We remedied this failure by amending our Original Form 10-K on November 5, 2009 to include a clear conclusion regarding the effectiveness of the Company's internal control over financial reporting. However, the significant deficiencies reported in our Original Form 10-K, as amended, continue to exist.

Changes in Internal Control over Financial Reporting

We have implemented additional controls and procedures designed to ensure that the disclosure provided by the Company meets the then current requirements of the applicable filing made under the Exchange Act. To address the Company's lack of adequate segregation of duties around check writing, the Company hired an accountant beginning in January 2009. The new accountant participates in the duties around check writing and the review of financial reports for reasonableness. To address the Company's lack of sufficient accounting technical expertise, during 2009, the Company brought in additional accounting technical expertise as needed. There have been no changes in our internal control over financial reporting during the three months ended August 31, 2009 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting. The significant deficiencies reported in our Original Form 10-K, as amended, continue to exist.

In September 2009 the Company decided to separate the Chief Executive Officer role from the Chief Financial Officer role and began a search for a Chief Financial Officer. On January 18, 2010, William E. Casper was appointed as Vice President, Chief Financial Officer and Treasurer of the Company. However, on February 10, 2010, William E. Casper resigned as Vice President, Chief Financial Officer and Treasurer of the Company. On February 11, 2010, Jerome L. Trojan III was retained as Vice President, Chief Financial Officer and Treasurer of the Company.
