Item 1.01 **Entry into a Material Definitive Agreement.**

On October 25, 2011, TravelCenters of America LLC, or we, our or us, and certain of our subsidiaries, as borrowers or guarantors, entered into an amended and restated loan and security agreement, or the credit facility, with the lenders from time to time party thereto and Wells Fargo Capital Finance, LLC, or Wells Fargo, as agent. The credit facility amended and restated our preexisting loan and security agreement.

Under the credit facility, a maximum of \$200 million may be drawn, repaid and redrawn until maturity on October 25, 2016. The availability of this maximum amount is subject to limits based on qualified collateral. Subject to available collateral and lender participation, the maximum amount may be increased to \$300 million. The credit facility may be used for general business purposes and provides for the issuance of letters of credit. Generally, no principal payments are due until maturity. Borrowings under the credit facility bear interest at a rate based on, at our option, LIBOR or a base rate plus a spread (initially 225 basis points in the case of LIBOR or 125 basis points in the case of the base rate, subject to adjustment based upon facility availability, utilization and other matters). Pursuant to the credit facility, we pay a monthly unused line fee equal to an applicable fee rate, which is initially 50 basis points, times the average daily principal amount of unused commitments under the credit facility. The unused line fee applicable rate is subject to adjustment according to the average daily principal amount of unused commitment under the credit facility each month.

The credit facility is secured by substantially all of the cash, accounts receivable, inventory, equipment and intangible assets of the borrowers and guarantors, and the amount available to us is determined by reference to a borrowing base calculation based on eligible cash, accounts receivable and inventory of the borrowers. The credit facility requires us to maintain certain levels of collateral, limits our ability to incur debt and liens, restricts us from making certain investments and paying dividends and other distributions, requires us to maintain a minimum fixed charge coverage ratio under certain circumstances and contains other customary covenants and conditions. The credit facility provides for the acceleration of principal and interest payments upon an event of default, which includes, but is not limited to, our failure to pay interest or other amounts due, a change in control of us, as defined in the credit facility, and our default under certain contracts, including our lease agreements with Hospitality Properties Trust, or HPT, and our business management and shared services agreement with Reit Management & Research LLC, or RMR.

There are no amounts currently outstanding under the credit facility, but at October 25, 2011, we had outstanding \$65.7 million of letters of credit issued under the credit facility, securing certain purchases, insurance, fuel tax and other trade obligations. These letters of credit reduce the amount available for borrowing under the credit facility.

The foregoing description of the credit facility is not complete and is subject to and qualified in its entirety by reference to the credit facility, a copy of which is attached as Exhibit 10.1 hereto and is incorporated herein by reference.

Information Regarding Certain Relationships

We maintain bank accounts at and use the treasury management services of certain of the lenders. An affiliate of Wells Fargo serves as transfer agent and registrar for our common shares, and an affiliate of Citibank, N.A., one of the lenders under the credit facility, served as a joint book-running manager and as a representative of the underwriters for our May 2011 common share public offering. In addition, HPT and other companies to which RMR provides management services are parties to agreements with affiliates of Wells Fargo that provide for the issuance of credit. Some of the lenders and their respective affiliates also have engaged and may, from time to time in the future, engage in transactions with and perform services for us,
