PROXY STATEMENT

This Proxy Statement is prepared for the stockholders of Monarch Casino & Resort, Inc. (the Company, we, our or Monarch) in connection with the annual meeting of stockholders of the Company to be held at the Atlantis Casino Resort Spa, 3800 South Virginia Street, Reno, Nevada 89502, on Friday, June 1, 2012, at 10:00 a.m. local time, and any adjournment thereof, for the purposes indicated in the Notice of Annual Meeting of Stockholders and more fully outlined herein.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Question: What is the Notice of Internet Availability of Proxy materials that I received in the mail instead of a full set of proxy materials?

Answer: Under rules adopted by the U.S. Securities and Exchange Commission, we are furnishing proxy materials to certain of our stockholders via the internet, instead of mailing printed copies of those materials to each stockholder. On or about April 20, 2012 we will mail to our stockholders either a printed copy of our proxy materials, including our proxy statement and our annual report on Form 10-K, or a Notice of Internet Availability containing instructions on how to access our proxy materials. This electronic access process is designed to expedite stockholders' receipt of proxy materials, lower the costs of our annual meeting and help to conserve natural resources. However, if stockholders prefer to receive a printed copy of our proxy materials and a paper proxy card, they may do so by following the instructions included in the Notice of Internet Availability.

Question: Why am I being provided with access to or receiving these proxy materials?

Answer: You are being provided with access to or are receiving these proxy materials because you owned shares of Monarch common stock as of the close of business on April 4, 2012, our record date. This proxy statement describes in detail issues on which we would like you, our stockholder, to vote. It also gives you information on these issues so that you can make an informed decision. If you will not be able to attend the annual meeting and vote in person, you are encouraged to read this Proxy Statement and then cast your vote as promptly as possible in accordance with the instructions either in the Notice of Internet Availability or, if you received a printed copy of the proxy materials, on the enclosed proxy card. The shares represented by the proxy will be voted if the proxy is properly executed and received by the Company prior to the commencement of the annual meeting, or any adjournment thereof.

Question: On what questions am I being asked to vote?

Answer:

1. The election of John Farahi and Craig F. Sullivan as directors of the Company;
2. To transact such other business as may properly come before the meeting.

Question: How does the board of directors recommend I vote on these proposals?

Answer: Our board of directors (Board of Directors or Board) recommends that you vote your shares FOR each of the nominees for director named in this proxy statement and FOR transacting such other business as may properly come before the meeting.

Table of Contents

Question: Do any of the proposals to be voted on create a statutory right of dissent under Nevada law?

Answer: None of the proposals to be voted on at the annual meeting creates a statutory right of dissent under Nevada law. A vote FOR or AGAINST any of the proposals set forth herein will only affect the outcome of the proposal.

Question: Who is entitled to vote?

Answer: The record date for the annual meeting is April 4, 2012. Stockholders of record as of the close of business on that date are entitled to vote at the annual meeting. Both stockholders of record and street name holders are entitled to vote or direct the voting of their Monarch common stock. You are a stockholder of record if you hold Monarch common stock that is registered in your name at our transfer agent, American Stock Transfer & Trust Company, LLC. You are a street name holder if you hold Monarch common stock indirectly through a nominee, such as a broker, bank or similar organization.

Question: If I am a stockholder of record, how do I vote?

Answer: *You may vote via the Internet.* You can vote by proxy over the Internet by following the instructions provided in the Notice or on the separate proxy card if you have received a printed set of the proxy materials.

You may vote by telephone. You can submit your vote by proxy over the telephone by following the instructions provided on the separate proxy card if you received a printed set of the proxy materials.

You may vote by mail. If you received a printed set of the proxy materials, you can submit your vote by completing and returning the separate proxy card in the prepaid and addressed envelope.

You may vote in person at the meeting. All stockholders of record may vote in person at the annual meeting. Written ballots will be passed out to anyone who wants to vote at the meeting.

Question: If my shares are held by a broker, bank or other nominee, how do I vote?

Answer: If your shares are held in street name by a broker, bank or other nominee, please refer to the instructions they provide regarding how to vote. In addition, if you are a street name holder and you wish to vote in person at the annual meeting, you must obtain a legal proxy from

your broker, bank or other nominee in order to vote at the meeting.

Question: Can I revoke my proxy later?

Answer: Yes. You have the right to revoke your proxy at any time before the annual meeting. If you are a stockholder of record, you may do so by:

1. voting electronically via the Internet or by telephone on a subsequent date prior to 11:59 p.m. Eastern Time on the day before the annual meeting,
2. delivering a signed revocation or a subsequently dated, signed proxy card to the Secretary of Monarch before the annual meeting, or
3. attending the annual meeting and voting in person at the meeting (your mere presence at the annual meeting will not, by itself, revoke your proxy).

For shares you hold in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares at the annual meeting, by attending the meeting and voting in person.

Table of Contents

Question: How many shares can vote?

Answer: As of the close of business on the record date of April 4, 2012; 16,138,158 shares of common stock were issued and outstanding. We have no other class of voting securities outstanding. Each share of common stock entitles its holder to one vote.

Question: How is a quorum determined?

Answer: Our Bylaws provide that the holders of fifty percent (50%) of the voting power of the stock issued and outstanding and entitled to vote at the meeting, represented in person or by proxy, constitute a quorum at a meeting of the stockholders. Abstentions and broker non-votes will be counted as present for quorum purposes.

Question: What is required to approve each proposal once a quorum has been established?

Answer:

Election of Directors. An affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, is required for the election of directors. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

Other Items. For any other item which may properly come before the meeting, the affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, will be required for approval, unless otherwise required by law.

Question: What happens if I abstain?

Answer: Abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote for each of the proposals. Abstentions are counted for purposes of determining whether there is a quorum.

Question: How will my shares be voted if I do not give specific voting instructions?

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

If you are a stockholder of record and you:

- Indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board of Directors; or
- Sign and send in your proxy card and do not indicate how you want to vote, then the proxyholders, John Farahi and Bob Farahi, will vote your shares in the manner recommended by our Board of Directors as follows: FOR each of the director nominees named in this proxy statement and FOR transacting such other business as may properly come before the meeting.

All of the proposals contained in this proxy statement are considered non-discretionary items. If your shares are held by a broker on your behalf (that is, in street name), and you do not instruct the broker as to how to vote these shares on any of the proposals included in this proxy statement, the broker may not exercise discretion to vote for or against those proposals. This would be a broker non-vote and these shares will not be counted as having been voted on the applicable proposal. Broker non-votes are counted for purposes of determining whether there is a quorum. Broker non-votes will have no effect on the outcome of the vote on proposal 1. Please instruct your bank or broker so your vote can be counted.

Table of Contents

Question: How will voting on any other business be conducted?

Answer: Although we do not know of any business to be considered at the annual meeting other than the proposals described in this proxy statement, if any other business properly comes before the annual meeting, your proxy or voting instruction gives authority to the proxyholders, John Farahi and Bob Farahi, to vote on those matters in their discretion.

Question: What if a quorum is not present at the meeting?

Answer: If a quorum is not present at the scheduled time of the annual meeting, we may adjourn the meeting, either with or without the vote of the stockholders. If we propose to have the stockholders vote whether to adjourn the meeting, the proxyholders will vote all shares for which they have authority in favor of the adjournment. We may also adjourn the meeting if for any reason we believe that additional time should be allowed for the solicitation of proxies. An adjournment will have no effect on the business that may be conducted at the annual meeting.

Question: How much stock do Monarch's directors and executive officers own?

Answer: As of April 11, 2012, our current directors and executive officers collectively beneficially owned 5,409,664 shares of our common stock, constituting approximately 31.9% of the outstanding shares. It is expected that these persons will vote the shares held by them for each of the director nominees named in this proxy statement and in accordance with the Board of Directors' recommendation on the other proposals.

Question: Who will bear the costs of this solicitation?

Answer: Our Board of Directors is soliciting these proxies. We will pay the cost of this solicitation of proxies by mail. Our officers and regular employees may also solicit proxies in person or by telephone without additional compensation. We will make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to their principals, and we will reimburse these persons for related postage and clerical expenses.

VOTING SECURITIES

The close of business on April 4, 2012 has been fixed by the Board as the record date for determination of stockholders entitled to vote at the annual meeting. The securities entitled to vote at the annual meeting consist of shares of common stock, par value \$.01 (Common Stock), of the Company, with each share entitling its owner to one vote. Common Stock is the only outstanding class of voting securities authorized by the Company's Articles of Incorporation. The Company's Articles of Incorporation authorize the Company to issue 10,000,000 shares of preferred stock, par value \$.01 (Preferred Stock). None of the Preferred Stock is issued or outstanding, and the Company has no present plans to issue shares of Preferred Stock.

The Board is empowered to issue one or more series of Preferred Stock with such rights, preferences, restrictions, and privileges as may be fixed by the Board, without further action by the Company's stockholders. The issuance of the Preferred Stock could adversely affect the rights, including voting rights, of the holders of the Common Stock and could impede an attempted takeover of the Company. In addition to none of the Preferred Stock being currently outstanding, the Preferred Stock does not presently possess general voting rights.

The number of outstanding shares of Common Stock at the close of business on April 4, 2012, was 16,138,158. The number of shares outstanding may change between such date and April 20, 2012 if any currently exercisable options to purchase Common Stock are exercised, if the Company elects to repurchase and cancel any shares in open market or privately negotiated transactions, or if the Company otherwise authorizes the issuance of any shares.

Committees of the Board

The Board has certain standing committees including the Audit Committee, the Compensation Committee, the 1993 Executive Long-Term Incentive Plan Committee (the Incentive Plan Committee), the 1993 Directors' Stock Option Plan Committee (the Directors' Plan Committee) and the Strategic Planning Committee.

The Audit Committee, comprised of Yvette E. Landau, Craig F. Sullivan and chaired by Ronald R. Zideck met five times during the year ended December 31, 2011. The Audit Committee is comprised exclusively of directors who are not salaried employees and a majority of whom are, in the opinion of the Board, free from any relationship that would interfere with the exercise of independent judgment as a committee member. The Audit Committee's function is to review reports of the auditors to the Company; to review Company financial practices, internal controls and

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

policies with officers and key employees; to review such matters with the Company's auditors to determine scope of compliance and any deficiencies; to consider selection of independent public accountants; to review and approve all related party transactions; and to make periodic reports on such matters to the Board. The Audit Committee adopted an Audit Committee Charter on June 4, 2000, and subsequently amended it effective June 7, 2001 and April 9, 2004. A copy of the charter may be viewed on the Company's website at www.monarchcasino.com.

Table of Contents

All members of the Audit Committee are independent directors, as such term is defined in NASDAQ Rule 4200(a)(15).

The Company believes that Craig F. Sullivan and Ronald R. Zideck, each members of the Audit Committee, are financial experts as defined by the SEC rules applied pursuant to the Sarbanes-Oxley Act of 2002 and as defined in Regulation S-K, Item 407(d)(5)(ii). The relevant experience of such directors is summarized under Election of Directors Directors and Nominees above.

The Compensation Committee, comprised of Yvette E. Landau, Ronald R. Zideck and chaired by Craig F. Sullivan, met two times during the year ended December 31, 2011. The Compensation Committee recommends, and the Board ratifies, all compensation and awards to the Company's executive officers and administers the Employee Stock Option Plan. The Compensation Committee reviews the performance and the compensation of the chief executive officer and president and, following discussions with those individuals, presents recommendations for their compensation levels to the Board for review and ratification. For the remaining executive officers, the chief executive officer makes recommendations to the Compensation Committee that generally are approved and then passed onto the full Board for ratification. The Compensation Committee has not adopted a charter.

The Incentive Plan Committee, currently comprised of Yvette E. Landau, Craig F. Sullivan and Ronald R. Zideck did not meet during the year ended December 31, 2011. The Incentive Plan Committee's function is to administer the 1993 Executive Long-Term Incentive Plan (the Incentive Plan), including determining such matters as the persons to whom awards shall be granted, the number of shares to be awarded, when the awards shall be granted, when the awards shall vest, and the terms and provisions of the instruments evidencing the awards, interpreting the Incentive Plan and notifying the Board of all decisions concerning awards granted to Incentive Plan participants.

The Directors' Plan Committee, comprised of John Farahi and Bob Farahi, did not meet during the year ended December 31, 2011. Neither John Farahi nor Bob Farahi is eligible to participate in the Directors' Plan. The Directors' Plan Committee consists of not less than 2 directors of the Company selected by, and serving at the pleasure of, the Board and its function is to administer the 1993 Directors' Stock Option Plan (the Directors' Plan). The Directors' Plan Committee has the authority to interpret the Directors' Plan and make all determinations necessary or advisable for its administration. All decisions of the Directors' Plan Committee are subject to approval by the Board.

The Strategic Planning Committee, comprised of John Farahi, Bob Farahi, Craig F. Sullivan and chaired by Yvette E. Landau, was formed by the Board in March 2011 to identify and evaluate expansion and acquisition opportunities for the Company. The Strategic Planning Committee did not meet during the year ended December 31, 2011.

In addition to the standing committees described above, the Board established a special committee comprised of the Company's independent directors (the Special Committee) to review and evaluate related party transactions. The Special Committee consists of Yvette E. Landau, Craig F. Sullivan and Ronald R. Zideck. The Special Committee did not meet in 2011.

The Company does not have a standing Nominating Committee, nor has the Board of Directors adopted a charter addressing the director nomination process. The Board of Directors believes that it is appropriate for the Company not to have a nominating committee because the entire Board of Directors can adequately serve the function of considering potential director nominees from time to time as needed. As required by the Securities and Exchange Commission, the Company is required to disclose whether the Board of Directors considers diversity in identifying director nominees. The term diversity as used in this context has not been defined by the Securities and Exchange Commission.

Monarch is an equal opportunity employer and does not discriminate based upon age, race, color, gender, national origin, disability or veteran status. It is the Board of Director's desire that the Board should be composed of qualified individuals who bring diverse professional expertise and points of view. All prospective Director nominees are evaluated on their professional merits, technical qualifications, demonstrated expertise, experience and ability to contribute in such a way as to bolster and expand the collective professional perspective of the Board.

Table of Contents

For stockholder meetings at which directors are to be elected, in compliance with NASDAQ rule 4350(c)(4), director nominees are recommended for the Board's nomination by a majority of the independent directors. In making such recommendation, the qualifications of the prospective nominee which will be considered include the nominee's personal and professional integrity, experience, skills, professional relationships, ability and willingness to devote the time and effort necessary to be an effective board member, and commitment to act in the best interests of the Company and its stockholders.

The requirements for nomination of a person to the Board by a security holder are set forth in Article II, Section 16 of the Company's Bylaws and the qualifications for a person to be a director of the Company are set forth in Article II, Section 14 of the Bylaws. Both sections of the Bylaws are set forth below.

14. Eligibility of Directors. No Director is eligible to continue to serve as a Director of the Corporation who is required under Nevada gaming laws to be found suitable to serve as a director and who is not found suitable or whose finding of suitability is suspended or revoked by Nevada gaming authorities. Such eligibility shall cease immediately following whatever act or event terminates the director's eligibility under the laws and gaming regulations of the State of Nevada.

16. Nomination of Directors. Only persons who are nominated in accordance with the procedures set forth in this Section 16 of Article II shall be eligible for election as Directors. Nominations of persons for election to the Board of Directors of the Corporation at the Annual Meeting may be made at a meeting of stockholders by or at the direction of the Board of Directors by any nominating committee or person appointed by the Board or by any stockholder of the Corporation entitled to vote for the election of Directors at the meeting who complies with the Notice procedures set forth in this Section 16 of Article II. Such nominations, other than those made by or at the direction of the Board, shall be made pursuant to timely notice in writing to the secretary of the Corporation. To be timely, unless waived by the Board of Directors, no person not already a Director shall be eligible to be elected or to serve as a Director unless such person's notice of nomination shall be received at the principal executive offices of the Corporation at least seventy five (75) days before initiation of solicitation to the stockholders for election in the event of an election other than at an Annual Meeting and seventy five (75) days before the corresponding date that had been the record date for the previous year's Annual Meeting or seventy five (75) days before the date of the next Annual Meeting of stockholders announced in the previous year's proxy materials in the event of an election at an Annual Meeting. To be timely, no stockholder's notice shall be received at the principal executive offices of the Corporation more than ninety (90) days before the meeting; provided, however, that in the event that less than ninety (90) days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the 15th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever first occurs. The stockholder's notice to the Secretary shall set forth (a) as to each person whom the stockholder proposes to nominate for election or reelection as a Director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of stocks of the Corporation which are beneficially owned by the person, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder, and (b) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of Directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (vi) the consent of such nominee to serve as Director of the Corporation, if he is so elected; and (c) as to the stockholder giving the notice, (i) the name and record address of stockholder, and (ii) the class and number of shares of stock of the Corporation which are beneficially owned by the stockholder. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as Director of the Corporation. No person shall be eligible for election as a Director of the Corporation unless nominated in accordance with the procedures set forth in this Article II, Section 16. The Chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

Table of Contents

The Company did not receive the names of any proposed director candidates submitted by any stockholder for inclusion in this Proxy Statement under the guidelines set forth above.

John Farahi, the Company's Co-Chairman, also serves as the Company's Chief Executive Officer. Bob Farahi, the Company's other Co-Chairman also serves as the Company's President. The Company does not have a lead independent director. At the time of this filing, the Company believes this is the best structure to leverage John and Bob Farahi's respective operating expertise, professional experience and longevity with the Company.

Board Meetings

The Board held nine meetings in the year ended December 31, 2011. All directors attended at least 75% of the Board meetings and all committee members attended at least 75% of the committee meetings for the committees on which they served during the year ended December 31, 2011.

Annual Meetings

The Board has a policy that requires all directors to attend each Annual Meeting of Stockholders absent exigent circumstances. Four of five attended the 2011 Annual Meeting of Stockholders. Craig F. Sullivan was unable to attend.

Communication with Directors

The Company's stockholders may contact directors by sending an email to Ronald Rowan at RRowan@MonarchCasino.com, which will be relayed to the board member or members specified in the message, or by addressing a letter to Monarch Casino & Resort, Inc., Board of Directors, 3800 South Virginia Street, Reno, Nevada 89502. Each communication should specify the applicable director or directors to be contacted.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Objectives

Our named executive officers (NEOs) are our Chief Executive Officer, our President and our Chief Financial Officer. We seek to compensate our NEOs in a manner that will attract and retain qualified individuals who are responsible for the management, growth and success of the Company. We believe that NEO compensation should be designed to:

1. motivate performance in areas consistent with our short and long-term objectives,
2. reward for achieving those objectives, and
3. encourage NEOs to continue in our employ.

Table of Contents

We evaluate and establish the total compensation of our NEOs in light of what we believe to be the compensation practices, and relative corporate financial performance, of other companies in the gaming industry similar to us in terms of asset size and target market. We do not engage in a formal benchmarking study. Because many of these companies are not publicly held, their compensation practices are not published publicly. As such, we rely on the industry experience and knowledge of our Board of Directors in determining appropriate NEO compensation.

Compensation Elements

Our NEO compensation program utilizes four primary components which include annual salary, annual cash bonus awards, one-time cash awards and stock option awards. Following is a discussion of each component.

Annual Salary: The salary element compensates each NEO for performance of the fundamental duties associated with that NEO's position. In addition to what we believe to be the compensation practices and relative corporate financial performance of other companies in the gaming industry similar to us in terms of asset size and target market, we consider other factors in establishing NEO annual salaries including the executive's respective record of leadership and service to us, our growth during the NEO's term of employment, the relative importance of the NEO in overseeing both our strategic direction and our day-to-day operations, the relative performance of our competitors, and civic leadership in the Reno area. Salaries are reviewed annually and are adjusted as warranted. Due largely to the recent recession, salaries for the NEOs remain flat for 2011.

Annual Cash Bonus Awards: To align NEO performance with our short-term operational and profit objectives, we utilize an annual cash bonus program (the Bonus Program) with an annual target set as a percentage (the Target Bonus Percentage) of the NEO's annual salary. Prior to the global recession that began in the fourth quarter of 2007, the Target Bonus Percentage was typically set at 20%. Until the effects of the global recession subside and Company profits grow to a more substantial level, it is likely that the Board will set the Target Bonus Percentage at percentages less than 20%. The Bonus Program is comprised of both a quantitative and a qualitative component. The quantitative component is awarded based on achieving our annual profit goal, as established by the Board of Directors (the Board). The qualitative component of the cash bonus program is awarded at the discretion of the Compensation Committee which considers several factors of the NEO's performance including, but not limited to, performance against specific tactical objectives as established by the Board of Directors, staff development, staff retention, operating process improvement and the implementation of programs resulting in permanent cost reductions.

The profit target is defined as a determined level of Earnings Before Interest, Taxes, Depreciation and Amortization adjusted for any unusual or infrequent expenses (Adjusted EBITDA). The Board sets the Adjusted EBITDA target at a level they believe is both challenging and achievable. By establishing a target that is challenging, the Board believes that NEO performance, and therefore Company performance, is maximized. By setting a target that is also achievable, the Board believes that NEOs remain motivated to perform at the high level required to achieve the Adjusted EBITDA target. Adjusted EBITDA can be calculated from our audited financial statements by adding depreciation and amortization expense to income from operations plus any unusual or infrequent expenses. The Adjusted EBITDA target for 2011 was \$32.4 million. An additional evaluation is completed at year-end which allows for the potential to exceed the Target Bonus Percentage up to a cap of 40% of the NEO's annual salary. For every whole percentage point that our actual Adjusted EBITDA exceeds the full-year Adjusted EBITDA target, an additional 1% of NEO salary is awarded.

To motivate and reward actions that directly translate into increased Company profit, the Bonus Program is significantly weighted toward the quantitative component. The quantitative and qualitative components, if awarded, are paid simultaneously on a semi-annual basis. Because of operating challenges primarily related to the ongoing global recession, management did not achieve the financial profit and other performance targets in fiscal year 2008 nor in fiscal year 2009. For fiscal year 2010, the Target Bonus Percentage was set at 5%, the Adjusted EBITDA

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

target was achieved, and in March 2011 bonuses were paid. For fiscal year 2011, the Target Bonus Percentage was set at 5%, the Adjusted EBITDA target was not achieved, and no Bonus Program bonuses were paid.

Table of Contents

One-Time Cash Awards: We may, from time to time, award additional one-time cash payments based on superior financial performance relative to the Board established annual financial profit target when such performance is deemed to be extraordinary or in certain other exceptional circumstances.

Regarding extraordinary performance, such determination is based on several factors including, but not limited to, comparison of our financial performance relative to our competitors, the general market conditions in which those financial results were generated and other operating criteria that indicate that the financial results were abnormally strong given those market and operating conditions. Such performance criteria could serve as the basis for increasing an NEO's salary level; however, by instead rewarding such performance with one-time cash awards, we believe we are more accurately promoting sustained, superior performance by more closely tying the reward with the timing of the performance. No One-Time Cash Awards were paid for performance in fiscal 2009 or 2010; however, our Chief Executive Officer, President and Chief Financial Officer were awarded \$100,000, \$25,000 and \$13,261, respectively, in 2011.

Stock Option Awards: While it is difficult to predict the value an NEO will ultimately realize from the stock option component, the compensation package is designed with the expectation that stock options will provide the highest potential reward of the four components of the NEO compensation package. As such, the most significant driver of NEO compensation is designed to correlate directly with the financial gains of our stockholders. As our stock price increases or decreases, the value of NEO stock option awards also increases or decreases. By designing the compensation program in this way, we believe that a significant portion of NEO compensation has been directly aligned with our stockholders.

NEOs generally receive an initial grant on their hire date and generally receive subsequent annual grants in amounts equal to the portion of the initial grant that vests. Stock option awards are granted at exercise prices equal to the closing market price of our stock on the date the stock option award is granted. As such, the value of the award increases only if our stock price increases subsequent to the stock option's grant date. Because these awards vest over time, the stock option component of NEO compensation also encourages NEO retention, as value related to unvested stock options is forfeited if an NEO ceases to be employed by us.

Change in Control

Our NEOs, senior managers and other employees have built Monarch Casino & Resort, Inc. into the successful enterprise that it is today, and we believe that it is important to both reward and protect them in the event we experience a change in control. Further, it is our belief that the interests of our stockholders are best served if the interests of our senior management are aligned with those of our stockholders, and providing change in control benefits should eliminate, or at least reduce, the reluctance of senior management to pursue potential change in control transactions that may be in the best interests of our stockholders. Relative to our overall value to the stockholders, the potential change in control benefits to senior managers and other employees are minor.

In the event of a change in control, vesting of all unexercised stock options will accelerate to the change of control date. A change in control shall be deemed to have occurred at such time as (a) any person becomes the beneficial owner, directly or indirectly, of securities of Monarch representing 25.0% or more of the combined voting power of Monarch's outstanding securities ordinarily having the right to vote at the election of directors; or (b) individuals who constituted the Board of Directors of Monarch on the effective date of Monarch's Executive Long Term Incentive Plan, or June 14, 1993 (the Incumbent Board) cease for any reason to constitute at least a majority thereof, provided that any person becoming a director whose election was approved by at least a majority of the directors comprising the Incumbent Board, or whose nomination or election was approved by a majority of the Board of Directors of Monarch serving under an Incumbent Board, shall be considered as if he or she were a member of the Incumbent Board; or (c) merger, consolidation or sale of all or substantially all the assets of Monarch occurs, unless

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

such merger or consolidation shall have been affirmatively recommended to Monarch's stockholders by a majority of the incumbent board; or (d) a proxy statement soliciting proxies from stockholders of Monarch, by someone other than the current management of Monarch seeking stockholder approval of a plan or reorganization, merger or consolidation of Monarch with one or more corporations as a result of which the outstanding shares of Monarch's securities are actually exchanged for or converted into cash or property or securities not issued by Monarch unless the reorganization, merger or consolidation shall have been affirmatively recommended to Monarch's stockholders by a majority of the Incumbent Board.

Other Benefits and Compensation

The NEOs also participate in our other benefit plans on the same basis as other employees. The plans include subsidized health insurance benefits and an annual 401K matching contribution up to two percent of their annual salary.

Board Process

The Compensation Committee of the Board (the Committee) recommends, and the Board ratifies, all compensation and awards to the NEOs. The Committee reviews the performance and the compensation of the chief executive officer and president and, following discussions with those individuals, presents recommendations for their compensation levels to the Board for review and ratification. For the remaining NEOs, the chief executive officer makes recommendations to the Committee that generally are approved and then passed onto the full Board for ratification.

Stock Option Exchange Program

In 2010, we conducted a stockholder approved stock option exchange program that allowed us to retire stock options then held by some of our employees in exchange for the grant of the same or a lesser amount of stock options at a lower exercise price. The exchange ratios were designed to result in the fair value of the replacement options to be granted that were approximately equal to the fair value of the options that were surrendered. While our Chief Financial Officer was eligible to participate in the exchange program, the members of our Board of Directors, including our Chief Executive Officer and our President, were not eligible to participate.

Compensation Committee Report

Notwithstanding any statement to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee Report on Executive Compensation shall not be incorporated by reference into any such filings or otherwise deemed filed.

Compensation Committee Report on Executive Compensation

The Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussion, the Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Table of Contents**Potential Payments Upon Termination in Connection with Change in Control**

In the event of a change in control ("CIC"), vesting of all unexercised stock options will accelerate to the change of control date. A CIC shall be deemed to have occurred at such time as (a) any person becomes the beneficial owner, directly or indirectly, of securities of Monarch representing 25.0% or more of the combined voting power of Monarch's outstanding securities ordinarily having the right to vote at the election of directors; or (b) individuals who constituted the Board of Directors of Monarch on the effective date of Monarch's Executive Long Term Incentive Plan, or June 14, 1993 (the "Incumbent Board") cease for any reason to constitute at least a majority thereof, provided that any person becoming a director whose election was approved by at least a majority of the directors comprising the Incumbent Board, or whose nomination or election was approved by a majority of the Board of Directors of Monarch serving under an Incumbent Board, shall be considered as if he or she were a member of the Incumbent Board; or (c) merger, consolidation or sale of all or substantially all the assets of Monarch occurs, unless such merger or consolidation shall have been affirmatively recommended to Monarch's stockholders by a majority of the incumbent board; or (d) a proxy statement soliciting proxies from stockholders of Monarch, by someone other than the current management of Monarch seeking stockholder approval of a plan or reorganization, merger or consolidation of Monarch with one or more corporations as a result of which the outstanding shares of Monarch's securities are actually exchanged for or converted into cash or property or securities not issued by Monarch unless the reorganization, merger or consolidation shall have been affirmatively recommended to Monarch's stockholders by a majority of the Incumbent Board.

There are no other CIC agreements with any of our employees.

Other Employment Related Agreements

The Company has an agreement with Ronald Rowan, Chief Financial Officer and Treasurer, that in the event that his employment is terminated without cause he will receive severance pay in the amount equal to one year of his then-applicable annual base salary in exchange for his waiver of any and all causes of action against us, our officers, directors, principals and affiliates, arising from his employment.
