Item 1.01. Entry into a Material Definitive Agreement.

On November 8, 2012, Merrimack Pharmaceuticals, Inc. (the "Company") entered into a Loan and Security Agreement (the "Loan Agreement") with Hercules Technology Growth Capital, Inc. ("Hercules") pursuant to which a term loan of up to an aggregate principal amount of \$40.0 million is available to the Company. The Loan Agreement provides for an initial term loan advance of \$25.0 million, which closed on November 8, 2012, and an additional term loan advance of up to \$15.0 million, which is available at any time through December 15, 2012 upon the Company's request.

The term loan bears interest at an annual rate equal to the greater of 10.55% and 10.55% plus the prime rate of interest minus 5.25%, but may not exceed 12.55%. The Loan Agreement provides for interest-only payments for twelve months and repayment of the aggregate outstanding principal balance of the loan in monthly installments starting on December 1, 2013 and continuing through May 1, 2016. If the Company receives aggregate gross proceeds of at least \$75 million in one or more transactions prior to December 1, 2013, including pursuant to a financing or collaboration, the Company may elect to extend the interest-only period by six months so that the aggregate outstanding principal balance of the loan would be repaid in monthly installments starting on June 1, 2014 and continuing through November 1, 2016. In addition, the Company paid a fee of \$0.3 million upon closing and is required to pay a fee of \$1.2 million at maturity. At the Company's option, the Company may elect to prepay all or any part of the outstanding term loan without penalty.

In connection with the Loan Agreement, the Company granted Hercules a security interest in all of the Company's personal property now owned or hereafter acquired, excluding intellectual property but including the proceeds from the sale, if any, of intellectual property, and a negative pledge on intellectual property. The Loan Agreement also contains certain representations, warranties and non-financial covenants of the Company. In addition, the Loan Agreement grants Hercules an option to purchase up to an aggregate of \$1.0 million of the Company's equity securities sold to institutional accredited investors in a private financing within one year after the closing of the Loan Agreement upon the same terms and conditions afforded to such investors. The Company received net proceeds of \$24.7 million from the initial term loan advance on November 8, 2012.

The foregoing description of the Loan Agreement does not purport to be complete and is qualified in its entirety by reference to the Loan Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
