ITC Holdings Schedules Special Shareholder Meeting in Connection with Entergy Transaction

NOVI, Mich., February 26, 2013, ITC Holdings Corp. (NYSE: ITC) has scheduled a special meeting of shareholders to consider and vote upon certain matters in connection with its previously announced transaction under which the transmission business of Entergy Corporation (Entergy) will be merged into ITC. The special meeting will be held on April 16, 2013 at 9 a.m. Eastern at ITC s corporate headquarters located at 27175 Energy Way in Novi, Michigan.

ITC shareholders of record as of the close of business February 26, 2013 will be entitled to vote at the special meeting. ITC s board of directors has recommended approval of the merger and the related proposals to its shareholders.

ITC previously announced the merger with Entergy s transmission business on December 5, 2011 and is pursuing the required approvals, along with Entergy, for the transaction. To date, ITC and Entergy, either jointly or individually, as appropriate, have made all of the regulatory filings necessary for approval of the transaction which is targeted to close during 2013. If the merger is completed, Entergy s transmission business will become a wholly owned subsidiary of ITC and will result in ITC becoming one of the nation s largest transmission-owning utilities, with a network spanning from the Great Lakes to the Gulf Coast.
