Item 1.01. Entry into a Material Definitive Agreement

On January 24, 2014, Textron Inc. (Textron) entered into a Term Credit Agreement (the Loan Agreement) with JPMorgan Chase Bank, N.A., as administrative agent, Citibank, N.A. and Bank of America, N.A., as syndication agents and The Bank of Tokyo-Mitsubishi UFJ, Ltd., as documentation agent, and other lenders. The Loan Agreement provides that the lenders have committed to loan to Textron an aggregate principal amount of \$500 million which Textron may draw on or prior to July 24, 2014.

Textron will have two options with respect to interest on borrowings under the Loan Agreement. The first option is for interest to be payable at a rate per annum equal to the Base Rate which is the greatest of (a) the Prime Rate, (b) the Federal Funds Rate plus ½ of 1% and (c) the sum of 1% plus the one-month LIBOR rate for U.S. dollar deposits, plus a margin which can range from 12.5 basis points to 100 basis points depending on Textron's senior unsecured long-term debt ratings as determined by Standard & Poor's Ratings Service (S&P), Moody's Investor Service, Inc. (Moody's) and Fitch Ratings Ltd. (Fitch). Based on Textron's current S&P, Moody's and Fitch ratings (BBB-, Baa3 and BBB-, respectively) the Base Rate Margin would be 50 basis points. Alternatively, Textron may opt to pay interest at a rate per annum equal to the sum of the applicable Eurodollar Rate, plus a margin which can range from 112.5 basis points to 200 basis points depending upon Textron's ratings. This Eurodollar Margin would currently be 150 basis points.

Textron also will pay an Undrawn Commitment Fee under the Loan Agreement, until the earlier of the funding date and July 24, 2014. This fee will accrue on the outstanding commitments under the Loan Agreement at a rate per annum that can range from 12.5 basis points to 30 basis points, depending on Textron's ratings by S&P, Moody's and Fitch. At Textron's current rating, the fee is 22.5 basis points.

The loans under the Loan Agreement are required to be repaid in consecutive quarterly installments equal to 5% of the initial aggregate principal amount of the term loans made on the funding date, on the last business day of each March, June, September and December, beginning on the first such quarterly date following the second anniversary of the funding date, with a final maturity date five years from the funding date.

The Loan Agreement contains covenants that, among other things:

- provide that Textron may not consolidate with, merge with or into, or sell all or substantially all of its assets to any other entity unless such entity expressly assumes all of Textron's obligations under the Loan Agreement;
- restrict the ability of Textron and its manufacturing subsidiaries to incur liens, other than certain permitted liens, including liens securing indebtedness not in excess of the Pooled Basket Amount (equal to 3% of the consolidated total assets of Textron and its manufacturing subsidiaries);
- restrict the ability of Textron's manufacturing subsidiaries to incur certain indebtedness in excess of the Pooled Basket Amount;
- require Textron to maintain the Finance Company Leverage Ratio (as such term is defined in the Loan Agreement) at no more than 9 to 1;
- require the Consolidated Indebtedness (as such term is defined in the Loan Agreement) of Textron and its manufacturing subsidiaries not to exceed 65% of Consolidated Capitalization (also as defined in the Loan Agreement).

Edgar Filing: TEXTRON INC - Form 8-K

The Loan Agreement contains customary Events of Default (as defined in the Loan Agreement); in addition, a Change of Control (also as defined in the Loan Agreement) triggers an Event of Default under the Loan Agreement. Upon the occurrence of an Event of Default, all loans outstanding under the Loan Agreement (including accrued interest and fees payable with respect thereto) may be declared immediately due and payable and all commitments under the Loan Agreement may be terminated.

The foregoing description of the Loan Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Loan Agreement, which is expected to be filed as an exhibit to the Company's annual report on Form 10-K for the fiscal year ending December 28, 2013.
