Based on their holdings of Ordinary Shares, the Reporting Persons control approximately 6.4% of the total voting power of the outstanding Ordinary Shares of the Issuer as of the Closing Date. The percentage of voting power was calculated by dividing the voting power beneficially owned by the Reporting Person by the voting power of all of the Issuer's holders of Class A Shares and Class B Shares as a single class as of the Closing Date. Each holder of Class A Shares is entitled to one vote per share and each holder of Class B Shares is entitled to ten votes per share on all matters submitted to them for a vote.

Demand registration rights. Registrable securities refer to all of the Ordinary Shares owned by Fabulous Jade and its affiliates. Holders of at least 30% of the registrable securities then outstanding have the right to demand that the Issuer file a registration statement with an anticipated aggregate offering price (before deduction of underwriting discounts, commissions and expenses) of at least \$7,500,000. However, the Issuer is obligated to effect only three demand registrations for Fabulous Jade. Also, the Issuer is not obligated to effect any demand registration during the period starting with the date that is 90 days prior to the Issuer's good faith estimate of the date of filing of, and ending on a date that is 90 days after the effective date of, a registration subject to piggyback registration.

Piggyback registration rights.
