To the Board of Directors and Stockholders of

Armada Hoffler Properties, Inc.:

We have audited the accompanying combined statement of revenues and certain operating expenses of the Retail Portfolio described in Note 1 for the year ended December 31, 2014.

***Management's Responsibility for the Combined Statement of Revenues and Certain Operating Expenses***

Management is responsible for the preparation and fair presentation of the combined statement of revenues and certain operating expenses in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the combined statement of revenues and certain operating expenses that is free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on this combined statement of revenues and certain operating expenses based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined statement of revenues and certain operating expenses is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined statement of revenues and certain operating expenses. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the combined statement of revenues and certain operating expenses, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the combined statement of revenues and certain operating expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined statement of revenues and certain operating expenses. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

**Notes to Combined Statements of Revenues and Certain Operating Expenses**

**1. Basis of Presentation**

The accompanying combined statements of revenues and certain operating expenses include the operations of a portfolio of 11 retail centers located throughout the Mid-Atlantic and Southeastern United States (the Retail Portfolio), which Armada Hoffler Properties, Inc. (the Company) acquired on January 14, 2016.

The accompanying combined statements of revenues and certain operating expenses have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statements are not representative of the actual operations for the periods presented as revenues and certain operating expenses, which may not be directly attributable to the revenues and expenses expected to be incurred in the future operations of the Retail Portfolio, have been excluded. Such items include depreciation, amortization, interest expense, interest income and amortization of above- and below-market leases. The Company is not aware of any material factors during the year ended December 31, 2014 or the nine months ended September 30, 2015 that would cause the reported financial information not to be indicative of future operating results.

The accompanying combined statements of revenues and certain operating expenses of the Retail Portfolio have been presented on a combined basis as the 11 retail centers were under common management and ownership during the periods presented.

The accompanying interim combined statement of revenues and certain operating expenses for the nine months ended September 30, 2015 is unaudited. In the opinion of management, all adjustments, consisting only of normal and recurring adjustments considered necessary for a fair statement, have been included. The reported results are not necessarily indicative of the results that may be expected for the full year.

**2. Summary of Significant Accounting Policies**

*Revenue Recognition*

The Retail Portfolio recognizes rental revenue from tenants on a straight-line basis over the lease term when collectability is reasonably assured and the tenant has taken possession or controls the physical use of the leased asset.

Tenant recoveries related to reimbursement of real estate taxes, insurance, repairs and maintenance, and other operating expenses are recognized as revenue in the period the applicable expenses are incurred. Tenant recoveries and reimbursable expenses are recognized and presented gross,

## Edgar Filing: Armada Hoffler Properties, Inc. - Form 8-K/A

as the Retail Portfolio is generally the primary obligor with respect to purchasing goods and services from third-party suppliers, has discretion in selecting the supplier and bears the associated credit risk.

### *Use of Estimates*

Management has made a number of estimates and assumptions relating to the reporting and disclosure of revenues and certain expenses during the reporting periods to present the combined

statements of revenues and certain operating expenses in conformity with US GAAP. Actual results could differ from those estimates.

**3. Minimum Future Lease Rentals**

There are various lease agreements in place with tenants to lease space in the Retail Portfolio. As of September 30, 2015, the minimum future cash rents receivable under noncancelable operating leases in each of the next five years and thereafter are as follows (unaudited):

	(In thousands)	
Three months ending December 31, 2015	\$	3,051
2016		12,142
2017		11,290
2018		10,568
2019		9,363
2020		5,912
Thereafter		13,304
	\$	65,630

Leases generally require reimbursement of the tenant's proportional share of common area, real estate taxes and other operating expenses, which are excluded from the amounts above.

**4. Tenant Concentrations**

For the nine months ended September 30, 2015 and the year ended December 31, 2014, two tenants combined to represent 20% (unaudited) and 21%, respectively, of the Retail Portfolio's rental revenues.

**5. Related Party Transactions**

The prior owner of the Retail Portfolio arranged for property and liability insurance for each of the properties comprising the Retail Portfolio. Insurance premiums incurred by the prior owner on behalf of the Retail Portfolio and reimbursed to the prior owner were approximately \$224,000 (unaudited) and \$340,000 for the nine months ended September 30, 2015 and the year ended December 31, 2014, respectively.

The prior owner of the Retail Portfolio provided certain maintenance services to the properties comprising the Retail Portfolio. For the nine months ended September 30, 2015 and the year ended December 31, 2014, maintenance services costs of approximately \$78,000 (unaudited) and \$73,000, respectively, were included in operating and maintenance expenses in the combined statements of revenues and certain operating expenses.

The prior owner of the Retail Portfolio provided management services to the properties comprising the Retail Portfolio. For the nine months ended September 30, 2015 and the year ended December 31, 2014, management fees of approximately \$530,000 (unaudited) and \$652,000, respectively, were included in the combined statements of revenues and certain operating expenses.

**6. Commitments and Contingencies**

The Retail Portfolio is subject to various legal proceedings and claims that arise in the ordinary course of business. These matters are generally covered by insurance. Management believes that the ultimate settlement of these actions will not have a material adverse effect on the Retail Portfolio's results of operations.

**7. Subsequent Events**

Management evaluated subsequent events through April 1, 2016, the date the financial statements were available to be issued.

**PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

**(UNAUDITED)**

On January 14, 2016, a wholly owned subsidiary of Armada Hoffler Properties, Inc. (the Company) completed the previously announced acquisition of a portfolio of 11 retail properties aggregating 1.1 million square feet (the Retail Portfolio) for a total purchase price of \$170.5 million in cash.

The Company funded the acquisition of the Retail Portfolio with the net proceeds from the sale of the Richmond Tower office building, which closed on January 8, 2016, and the Oceaneering office building, which closed on October 30, 2015, and borrowings under the Company's unsecured credit facility. On December 9, 2015, the Company completed an underwritten public offering of 3.5 million shares of common stock (the Offering). The net proceeds to the Company from the Offering after deducting the underwriting discount and related offering costs were \$35.1 million, of which the Company used \$34.0 million to repay amounts borrowed under its unsecured credit facility.

The accompanying unaudited pro forma consolidated financial statements of the Company have been prepared to reflect the impact of the acquisition of the Retail Portfolio, the sales of the Richmond Tower and Oceaneering office buildings and the Offering on the Company's historical consolidated financial statements. The unaudited pro forma consolidated balance sheet as of September 30, 2015 is based on the Company's historical consolidated balance sheet as of the same date and gives effect to the acquisition of the Retail Portfolio, the sales of the Richmond Tower and Oceaneering office buildings and the Offering as if each had occurred on September 30, 2015. The unaudited pro forma consolidated statements of operations for the nine months ended September 30, 2015 and the year ended December 31, 2014 are based on the historical consolidated statements of operations of the Company for the same periods and give effect to the acquisition of the Retail Portfolio, the sales of the Richmond Tower and Oceaneering office buildings and the Offering as if each had occurred on January 1, 2014. The Company has based the unaudited pro forma adjustments on available information and assumptions that the Company believes are reasonable.

The accompanying unaudited pro forma consolidated financial information is presented for illustrative purposes only and is not necessarily indicative of what the Company's actual financial condition or results of operations would have been had the acquisition of the Retail Portfolio, the sales of the Richmond Tower and Oceaneering office buildings and the Offering been completed on the dates indicated, nor does it purport to be indicative of the Company's financial condition as of any future date or the Company's results of operations for any future period.

The accompanying unaudited pro forma consolidated financial statements and notes thereto should be read in conjunction with the consolidated financial statements included in the Company's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2015 and the Company's Annual Report on Form 10-K for the year ended December 31, 2014.
