**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard;
Transfer of Listing.**

Global Power Equipment Group Inc. (the *Company*) previously disclosed in a Current Report on Form 8-K, filed with the Securities and Exchange Commission on March 30, 2016, that the Company expected the New York Stock Exchange (the *NYSE*) to initiate procedures to delist the Company's common stock, including the issuance of a delisting notice to the Company, and that the Company planned to disclose the receipt of such notice in a subsequent Current Report on Form 8-K. The Company confirms that it received that delisting notice on March 30, 2016. The notice stated that NYSE has determined to commence proceedings to delist the Company's common stock from the NYSE because the Company could not commit to become current with its SEC-reporting obligations by May 19, 2016, which is the maximum time allowed under Section 802.01E of the NYSE's Listed Company Manual. In connection with the Company's inability to commit to become current by a date certain, the NYSE suspended trading in the Company's common stock. Unless the Company requests an appeal of this determination, which the Company does not expect to do at this time, the NYSE will continue to suspend trading and remove the Company's common stock from listing and registration on the NYSE. The Company's common stock commenced trading on the OTC market as of March 31, 2016.
