Capitalized terms used but not defined herein shall have the meanings ascribed thereto in the Issuer's preliminary prospectus supplement, dated June 28, 2016, to the Issuer's base prospectus, dated January 26, 2016 (collectively, the "prospectus").

It is expected that delivery of the notes will be made against payment therefor on or about July 7, 2016, which is the sixth business day following the date hereof (such settlement cycle being referred to as "T+6"). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in three business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes on the date of pricing or the next two succeeding business days will be required, by virtue of the fact that the notes initially will settle in T+6, to specify an alternative settlement cycle at the time of any such trade to prevent failed settlement. Purchasers of the notes who wish to trade the notes on the date of pricing or the next two succeeding business days should consult their own advisors.
