Agreement and Plan of Merger

On April 20, 2017, Virtu Financial, Inc., a Delaware corporation (the **Company**) entered into an Agreement and Plan of Merger (the **Merger Agreement**) with Orchestra Merger Sub, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of the Company (**Merger Sub** and, together with the Company, the **Acquirer Parties**), and KCG Holdings, Inc., a Delaware corporation (the **Target**). Pursuant to the Merger Agreement, subject to the satisfaction or waiver of specified conditions, Merger Sub will merge with and into the Target (the **Merger**), with the Target surviving the Merger as a wholly-owned subsidiary of the Company (the **Acquisition**).

Pursuant to the Merger Agreement, at the effective time of the Merger (the **Effective Time**), each of the Target's issued and outstanding shares of Class A common stock, par value \$0.01 per share (**Target Class A Common Stock**) will be cancelled and extinguished and converted into the right to receive \$20.00 in cash, without interest (the **Merger Consideration**), less any applicable withholding taxes. Pursuant to the Merger Agreement, the Company will finance the Merger Consideration with the equity issuances described below under the heading **Equity Financing** and the new debt financing described below under the heading **Debt Financing**.

Following execution of the Merger Agreement, TJMT Holdings LLC (the **Founder Member**), the holder of a majority of the voting power of the outstanding capital stock of the Company, executed a written consent approving the equity financing to partially finance the Merger Consideration. The written consent will not be effective until the passing of 20 calendar days from the date on which the Company mails to the Company's stockholders an information statement on Schedule 14C under the Securities Exchange Act of 1934, as amended (the **Information Statement**).

As of the Effective Time, (i) each stock option of the Target that is outstanding and unexercised immediately before the Effective Time will be cancelled in consideration for the right to receive a cash payment equal to the excess, if any, of the Merger Consideration over the exercise price of such stock option; (ii) each stock appreciation right of the Target that is outstanding and unexercised immediately before the Effective Time will be cancelled in consideration for the right to receive a cash payment equal to the excess, if any, of the Merger Consideration over the exercise price of such stock appreciation right; (iii) each restricted share unit of the Target will become fully vested (contingent upon the closing of the Merger) and cancelled and converted into the right to receive the Merger Consideration and (iv) the right of each holder of warrants of the Target that are outstanding immediately before the Effective Time to receive shares of Target Class A Common Stock upon exercise of such warrants will be converted into the right to receive, upon exercise of such warrants, a cash payment equal to the excess, if any, of the Merger Consideration over the exercise price of such warrant.

The parties have each made customary representations and warranties. The Company has agreed, subject to the terms of the Merger Agreement, to various covenants and agreements, including, among others, to use its reasonable best efforts to obtain the equity financing and the debt financing described below or such alternative financing as contemplated by the Merger Agreement. The Target has agreed, subject to the terms of the Merger Agreement, to various covenants and agreements, including, among others: (i) to conduct its business in the ordinary course and in a manner consistent with past practice; (ii) to promptly call a meeting of the Target's stockholders to vote on the Merger Agreement; (iii) to, through the Target's board of directors, recommend to its stockholders that they vote to approve the Merger Agreement and the Merger, subject to certain exceptions to permit the Target's board of directors to comply with its fiduciary duties; (iv) not to solicit proposals relating to alternative transactions to the Merger with a third party or engage in discussions or negotiations with respect thereto, subject to certain exceptions to permit the Target's board of directors to comply with its fiduciary duties; and (v) to use reasonable best efforts to cooperate with the Company's efforts to obtain financing. The parties have also agreed to use their respective reasonable best efforts to obtain any approvals from governmental authorities for the Merger, including all antitrust approvals.

Edgar Filing: Virtu Financial, Inc. - Form 8-K

Each party's obligation to consummate the Merger is subject to certain conditions, including, among others: (i) approval of the Merger Agreement by the holders of a majority of the Target Class A Common Stock, voting together as a single class; (ii) expiration or termination of applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) the receipt of other required governmental or regulatory approvals; (iv) the absence of any order or legal requirement issued or enacted by any court or other governmental authority, which is in effect and prevents the consummation of the Merger; and (v) the passing of 20 calendar days from the date on which the Company mails to the Company's stockholders the 14C Information Statement in definitive form. The Company's obligation to consummate the Merger is also conditioned on, among other things, the absence of any Company Material Adverse Effect (as defined in the Merger Agreement) on the Target.

Pursuant to the Merger Agreement, the Company is required to use its reasonable best efforts to consummate the equity financing and the debt financing. The Merger is not subject to a financing condition.

The Merger Agreement also contains certain specified termination provisions, including, among others, a mutual termination right if the Merger has not been consummated on or before January 31, 2018. In certain circumstances in connection with the termination of the Merger Agreement, the Target must pay to the Company a termination fee equal to \$45,000,000 (the Target Termination Fee). The Target must pay to the Company the Target Termination Fee in the event that the Company terminates the Merger Agreement (i) following a Company Adverse Recommendation Change (as defined in the Merger Agreement) by the Target's board of directors; (ii) due to the failure of the Target's board of directors to recommend the approval of the Merger Agreement to its stockholders; (iii) due to the Target's material breach, in a manner adverse to the Company, of its agreement not to solicit proposals relating to alternative transactions to the Merger or engage in discussions or negotiations with respect thereto; and (iv) due to the Target's failure to convene a meeting of its stockholders to vote on the Merger Agreement. The Target also must pay to the Company the Target Termination Fee if the Merger Agreement is terminated under certain specified circumstances and, within 12 months of such termination, the Target enters into a definitive agreement with respect to, or consummates, a competing proposal.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.

The Merger Agreement has been attached to provide investors and security holders with information regarding its terms and is not intended to provide any factual information about the Target, the Company or Merger Sub. The representations, warranties and covenants in the Merger Agreement were made only for the purpose of the Merger Agreement and solely for the benefit of the parties to the Merger Agreement as of specific dates. Such representations, warranties and covenants may have been made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, may or may not have been accurate as of any specific date, and may be subject to important limitations and qualifications (including exceptions thereto set forth in disclosure schedules agreed to by the contracting parties) and may therefore not be complete. The representations, warranties and covenants in the Merger Agreement may also be subject to standards of materiality applicable to the contracting parties that may differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Target, the Company, Merger Sub or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's or the Target's public disclosures.

Voting Agreement

In connection with entering into the Merger Agreement, on April 20, 2017, the Company, Merger Sub and Jefferies LLC, representing 24.5% of outstanding shares of the Target Class A Common Stock, entered into a Voting Agreement pursuant to which, among other things, such stockholder has agreed to (i) vote its shares of Target Class A Common Stock for the approval of the Merger Agreement and the approval of the transactions contemplated thereby, including the Merger and (ii) take other actions in furtherance of the transactions contemplated by the Voting Agreement (the Voting Agreement).

The foregoing description of the Voting Agreement is qualified in its entirety by reference to the Voting Agreement, a copy of which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.

(an affiliate of Temasek) ("Havelock") and, together with Temasek, the "Temasek Entities") and NIH. The Stockholders Agreement will not take effect until the closing of the Acquisition.

Under the Stockholders Agreement, the Founder Member has agreed to take all necessary action, including voting all of its shares of capital stock of the Company or providing written consent to cause the election of the directors nominated by NIH pursuant to the NIH Investment Agreement and in accordance with the terms of the Stockholders Agreement. To the extent the Founder Member transfers any of its shares to an affiliated transferee, that transferee would also be bound by the terms of the Stockholders Agreement. The Stockholders Agreement also grants the Temasek Entities and NIH with tag-along rights, subject to customary exceptions, in connection with a transfer of shares by the Founder Member that are subject to cutback provisions on a *pro rata* basis (in each case calculated based on a fully exchanged and converted to Company Class A Common Stock basis).

On April 15, 2015, prior to the consummation of the Company's initial public offering, the Company entered into a Registration Rights Agreement (the Existing Registration Rights Agreement) with the Founder Member, Havelock and certain direct or indirect or equityholders of the Company that granted the parties certain demand and registration rights. In connection with Temasek Investment and the NIH Investment, on April 20, 2017, the Company and the parties thereto executed the Amended and Restated Registration Rights Agreement (the Amended and Restated Registration Rights Agreement) to add NIH and Temasek as parties and provide them with similar registration rights as Havelock. The Amended and Restated Registration Rights Agreement will not take effect until the closing of the Acquisition. If the closing of the Acquisition does not occur, the Existing Registration Rights Agreement will remain in full force and effect.

Subject to several exceptions, including certain specified underwriter cutbacks and the Company's right to defer a demand registration under certain circumstances, the Founder Member, the Temasek Entities and NIH may require that the Company register for public resale under the Securities Act all common stock of the Company constituting registrable securities that they request be registered at any time so long as the securities requested to be registered in each registration statement have an aggregate estimated market value of least \$50 million. In addition, the Company is required to file a shelf registration statement for the registrable securities, and cause such shelf registration statement to

become effective within one year after the earlier of the closing of the Temasek Investment and the NIH Investment.

If the Founder Member, the Temasek Entities or NIH make a request for registration, the non-requesting parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights in connection with the request. If such request is for an underwritten offering, the piggyback registration rights are subject to underwriter cutback provisions. In addition, the parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights with respect to any registration initiated by the Company or another stockholder, and if any such registration is in the form of an underwritten offering, such piggyback registration rights are subject to underwriter cutback provisions.

Pursuant to the Amended and Restated Registration Rights Agreement, NIH will have no registration rights until after the first anniversary of the closing of the NIH Investment and during such period NIH shall be deemed to be an Excluded Party (as defined in the Amended and Restated Registration Rights Agreement) in connection with certain cutback provisions (unless the Founder Member exercises its registration rights under the Amended and Restated Registration Rights Agreement, in which case NIH will have the right to exercise its registration rights).

In connection with the registrations described above, the Company will indemnify any selling stockholders and the Company will bear all fees, costs and expenses (except underwriting commissions and discounts and fees and expenses of the selling stockholders and their internal and similar costs (other than the fees and expense of a single law firm representing the selling stockholders)).
