Pursuant to the Amendment, the expiration date of the facility was extended until June 29, 2019 and may be further extended on a 364-day basis by mutual agreement of the Company and the purchasers under the facility. The Amendment provides for the addition of equipment sale receivables to the pool of eligible receivables following the Company's suspension of its like kind exchange program for rental equipment. In addition, the Purchase Limit for the facility and the aggregate commitments of the Banks under the facility were increased from \$775,000,000 to \$875,000,000. Advances under the amended facility will continue to be reflected as debt on our condensed consolidated balance sheets and receivables in the collateral pool will be reflected as assets on our consolidated balance sheets.

Pursuant to the terms of the amended facility, advances will continue to be permitted only to the extent that the face amount of the eligible receivables in the collateral pool exceeds the outstanding loans by a specified amount. The amended facility will also continue to be structured so that the receivables in the collateral pool are the lenders' only source of repayment. Upon early termination of the amended facility, no new amounts will be advanced under the facility and collections on the receivables securing the facility will be used to repay the outstanding advances. The amended facility is subject to standard termination events including, without limitation, a change of control of the Company or URNA, a failure to make payments, a failure to comply with standard default, delinquency, dilution and days sales outstanding covenants, or breach of the financial ratio covenant under URNA's credit facility.

The foregoing summary is qualified in its entirety by reference to the full text of the Amendment, as well as the Receivables Purchase Agreement and the Contribution Agreement, as amended. In connection with the Amendment, the Company confirmed its performance
