A. Matters on the agenda of the Annual General Meeting

At the Annual General Meeting, the following matters will be considered:

1. Opening of the Meeting

2. Matters of order for the Meeting

3. Election of a person to confirm the minutes and a person to verify the counting of votes

4. Recording the legal convening of the Meeting and quorum

5. Recording the attendance at the Meeting and adoption of the list of votes

6. Presentation of the Annual Accounts, the review by the Board of Directors and the auditor's report for the year 2018

- Review by the President and CEO

7. Adoption of the Annual Accounts

8. Resolution on the use of the profit shown on the balance sheet and authorization to the Board of Directors to resolve on the distribution of distributable funds

The Board proposes that instead of a direct resolution on dividend payment, the Annual General Meeting authorize the Board to resolve in its discretion on the distribution of an aggregate maximum of EUR 0.20 per share as dividend from the retained earnings and/or as repayment of capital from the fund for invested unrestricted equity.

The authorization would be valid until the opening of the next Annual General Meeting. The authorization would be used to distribute funds in four instalments during the validity of the authorization, unless the Board decides otherwise for a justified reason. The Board would make separate resolutions on the amount and timing of each distribution with preliminary record and payment dates stated below. The Company will announce each Board resolution separately and confirm the relevant record and payment dates in such announcements.

Preliminary record date	Preliminary payment date
May 23, 2019	June 6, 2019
July 30, 2019	August 8, 2019
October 29, 2019	November 7, 2019
February 4, 2020	February 13, 2020

Each instalment would be paid to the shareholders that are registered in the Company's Register of Shareholders maintained by Euroclear Finland Oy on the record date of the relevant instalment.

For the avoidance of doubt, the Board proposes to the Annual General Meeting that no dividend is distributed directly by a resolution of the Annual General Meeting based on the balance sheet to be

adopted for the financial period ended on December 31, 2018.

9. Resolution on the discharge of the members of the Board of Directors and the President and CEO from liability

10. Resolution on the remuneration to the members of the Board of Directors

On the recommendation of the Board's Corporate Governance and Nomination Committee, the Board proposes to the Annual General Meeting that the annual fee payable to the Board members elected at the same meeting for a term ending at the close of the next Annual General Meeting remains at current level: EUR 440 000 for the Chair of the Board, EUR 185 000 for the Vice Chair of the Board and EUR 160 000 for each Board member. In addition, it is proposed that the Chair of the Audit Committee and the Chair of the Personnel Committee will each receive an additional annual fee of EUR 30 000, Chair of the Technology Committee an additional annual fee of EUR 20 000 and other members of the Audit Committee an additional annual fee of EUR 15 000 each.

The Board also proposes that a meeting fee for Board and Committee meetings be paid to all the other Board members, except the Chair of the Board, based on travel required between the Board member's home location and the location of a meeting. The meeting fee would be paid for a maximum of seven meetings per term and remain on the following levels: EUR 5 000 per meeting requiring intercontinental travel and EUR 2 000 per meeting requiring continental travel.

Furthermore, the Board also proposes that members of the Board of Directors shall be compensated for travel and accommodation expenses as well as other costs directly related to Board and Committee work.

It is proposed that approximately 40% of the annual fee be paid in Nokia shares purchased from the market, or alternatively by using treasury shares held by the Company. The meeting fee, travel expenses and other expenses would be paid in cash.

11. Resolution on the number of members of the Board of Directors

On the recommendation of the Board's Corporate Governance and Nomination Committee, the Board proposes to the Annual General Meeting that the number of Board members be ten (10).

12. Election of members of the Board of Directors

Louis R. Hughes has informed that he will no longer be available to serve on the Nokia Board of Directors after the Annual General Meeting. Accordingly, the Board, on the recommendation of the Board's Corporate Governance and Nomination Committee, proposes to the Annual General Meeting that the following current Nokia Board members be re-elected as members of the Board for a term ending at the close of the next Annual General Meeting: Sari Baldauf, Bruce Brown, Jeanette Horan, Edward Kozel, Elizabeth Nelson, Olivier Piou, Risto Siilasmaa,

Edgar Filing: NOKIA CORP - Form 6-K

Carla Smits-Nusteling and Kari Stadigh. In addition, it is proposed that Søren Skou, CEO of A.P. Møller Mærsk A/S, be elected as a member of the Board of Directors for the same term.

All candidates for the Board of Directors are presented on the Company's website www.nokia.com/agm.

13. Election of Auditor for the financial year 2019

On the recommendation of the Board's Audit Committee, the Board proposes to the Annual General Meeting that PricewaterhouseCoopers Oy be re-elected as the auditor of the Company for the financial year 2019.

14. Election of Auditor for the financial year 2020

Nokia has an obligation to organize an audit firm selection procedure in accordance with the EU Audit Regulation concerning the audit for the financial year 2020 (mandatory auditor rotation). The practical requirements for arranging the selection procedure under the EU Audit Regulation and

the obligation to include at least two candidates in the recommendation of the Audit Committee have caused the Board to re-evaluate of the timing of the election of the auditor. The election of an auditor for the financial year 2020 already in this Annual General Meeting would give the elected auditor time to prepare for the new audit engagement. At the same time, the shareholders of the Company would have an opportunity to elect the auditor already prior to the relevant financial year.

Based on the above and on the recommendation of the Board's Audit Committee, the Board proposes to the Annual General Meeting that Deloitte Oy be elected as the Company's auditor for the financial year 2020.

15. Resolution on the remuneration of the Auditor

On the recommendation of the Board's Audit Committee, the Board proposes to the Annual General Meeting that the auditor to be elected for the financial year 2019 and 2020, respectively, be reimbursed based on the invoice of the auditor and in compliance with the purchase policy approved by the Audit Committee.

16. Authorization to the Board of Directors to resolve to repurchase the Company's own shares

The Board of Directors proposes that the Annual General Meeting authorize the Board to resolve to repurchase a maximum of 550 million shares, which corresponds to less than 10 per cent of the Company's total number of shares.

The repurchases under the authorization are proposed to be carried out by using funds in the unrestricted equity which means that the repurchases will reduce distributable funds of the Company.

The price paid for the shares under the authorization shall be based on the market price of Nokia shares on the securities markets on the date of the repurchase. Shares may be repurchased to be cancelled, held to be reissued, transferred further or for other purposes resolved by the Board. The Company may enter into derivative, share lending or other arrangements customary in capital market practice.

The shares may be repurchased otherwise than in proportion to the shares held by the shareholders (directed repurchase). The Board shall resolve on all other matters related to the repurchase of Nokia shares.

It is proposed that the authorization be effective until November 21, 2020 and terminate the authorization for repurchasing the Company's shares granted by the Annual General Meeting on May 30, 2018.

17. Authorization to the Board of Directors to resolve to issue shares and special rights entitling to shares

Edgar Filing: NOKIA CORP - Form 6-K

The Board proposes that the Annual General Meeting authorize the Board to resolve to issue in total a maximum of 550 million shares through issuance of shares or special rights entitling to shares under Chapter 10, Section 1 of the Finnish Limited Liability Companies Act in one or more issues during the effective period of the authorization. The Board may issue either new shares or treasury shares held by the Company. The proposed maximum amount corresponds to less than 10 per cent of the Company's total number of shares as of the date of this proposal.

Shares and special rights entitling to shares may be issued in deviation from the shareholders' pre-emptive rights within the limits set by law. The authorization may be used to develop the Company's capital structure, diversify the shareholder base, finance or carry out acquisitions or other arrangements, to settle the Company's equity-based incentive plans or for other purposes resolved by the Board. The Board would resolve on all terms and conditions of the issuance of

shares and special rights under Chapter 10, Section 1 of the Finnish Limited Liability Companies Act.

It is proposed that the authorization be effective until November 21, 2020 and terminate the authorization for issuance of shares and special rights entitling to shares resolved at the Annual General Meeting on May 30, 2018. The authorization does not terminate the authorization by the Extraordinary General Meeting held on December 2, 2015 granted to the Board for issuance of shares in order to implement the combination of Nokia and Alcatel Lucent.

18. Closing of the Meeting
