Table of Contents

Following each meeting, the Board and its committees conduct in camera sessions, at which no management directors or members of management (other than the Executive Chair, in the case of the Board) are present.

APPOINTMENT AND REMUNERATION OF AUDITORS

The firm of Ernst & Young LLP, Chartered Accountants, the present auditors of the Corporation, has been nominated to serve as auditors of the Corporation to hold office until the next annual general meeting of shareholders of the Corporation. **The Audit Committee has recommended to the Board and to shareholders the nomination of Ernst & Young LLP as the Corporation's auditors.**

Audit Fees

The aggregate amount paid or accrued by the Corporation with respect to fees payable to Ernst & Young LLP for audit, audit-related (including separate audits of subsidiary entities, financings and regulatory reporting requirements), tax and other services in the fiscal years ended August 31, 2003 and 2002 were as follows:

Type of Service	Fiscal 2003	Fiscal 2002
Audit	\$ 1,085,255	\$ 1,230,139
Audit-related	108,292	6,243
Tax	259,180	169,148
Other non-audit		16,148
Total	\$ 1,452,726	\$ 1,421,833

Fees paid for audit-related services in fiscal 2003 were primarily in respect of the Corporation's business divestiture activities. The tax fees paid in fiscal 2002 and 2003 were related to tax compliance and tax consultation on scientific research, exploration and development tax credits, commodity taxes and linear property taxes. The fees reflected for other non-audit services for fiscal 2002 related to miscellaneous services that constituted a minor portion (approximately 1%) of the total fees paid by the Corporation to Ernst & Young LLP for the year.

The Audit Committee of the Corporation considered and agreed that the above fees are compatible with maintaining the independence of the Corporation's auditors. Further, the Audit Committee determined that, in order to ensure the continued independence of the auditors, only very limited non-audit related services will be provided to the Corporation by Ernst & Young LLP and in such case, only with the prior approval of the Audit Committee. The Chair of the Audit Committee has been delegated authority to approve the retainer of Ernst & Young LLP to provide non-audit services in extraordinary circumstances where it is not feasible or practical to convene a meeting of the Audit Committee, subject to an aggregate limit of \$100,000 in fees payable to Ernst & Young LLP for such services per fiscal year of the Corporation.

AMENDMENT OF ARTICLES OF THE CORPORATION

The Corporation has received a request from its controlling shareholder, JR Shaw, to place before the shareholders for their consideration at the Meeting a special resolution (the Special Resolution) to amend and restate the articles of the Corporation to limit the number of authorized Class A Shares. The text of the Special Resolution authorizing this amendment is attached to this proxy circular as Exhibit A.

JR Shaw has advised the Corporation that he has requested that the Special Resolution be presented to the shareholders so that the holders of Class A Shares will, in the future, have the right to consent to the issue by the Corporation of any additional Class A Shares.

The Board has considered JR Shaw's request. In view of the fact that JR Shaw has the right to requisition a meeting of shareholders (to be called and held at the expense of the Corporation) for the purpose of considering the approval of the Special Resolution, the Board has accepted JR Shaw's request and thus has placed the Special Resolution before the shareholders of the Corporation. The Board has determined that, as the Special Resolution is intended to ensure that no Class A Shares are issued in the future without the prior approval of the holders of the then outstanding Class A shares,

Table of Contents

such matter properly should be left to the determination of the holders of Class A Shares. Accordingly, the Meeting has been called, in part, to consider, and if thought advisable, to pass the Special Resolution.

The effect of the Special Resolution is, first, to authorize the amendment of the articles of the Corporation to limit the number of authorized Class A Shares to the lesser of that number of such shares (i) currently issued and outstanding and (ii) that may be outstanding after any conversions of Class A Shares into Class B Non-Voting Shares (subject to certain conversion rights as described herein under the heading "Proxy Information - Restricted Shares"). The consequent effect of such amendment would be to require the consent of two thirds of the holders of Class A Shares to the issuance of further Class A Shares, so that thereafter no additional Class A Shares may be issued without the consent of two thirds of the then existing holders of Class A Shares. The articles are also being amended to reflect certain minor amendments implemented for "housekeeping" purposes, as set forth in Exhibit B to this proxy circular.

There is currently an unlimited number of Class A Shares authorized, of which 11,359,932 Class A Shares were issued and outstanding as of December 1, 2003. Assuming that the number of Class A Shares does not change as a result of the conversion of such shares, pursuant to their terms and conditions, into Class B Non-Voting Shares, any further issuance of Class A Shares will require the consent of holders of no less than 7,573,288 of the existing Class A Shares.

To be effective, the Special Resolution must be passed by a majority of not less than two thirds of the votes cast at the Meeting by the holders of the Class A Shares. To give effect to the Special Resolution and the amendment to the articles proposed thereby, the Registrar of Corporations under the Business Corporations Act (Alberta) must accept articles of amendment for filing.

Interest of Certain Persons in the Special Resolution

As disclosed above under the heading "Voting Shares and Principal Holders Thereof", JR Shaw beneficially owns, directly or indirectly, or exercises control or direction over, 8,846,004 Class A Shares, representing approximately 77.87% of the issued and outstanding Class A Shares. Certain of such Class A Shares are held by corporations owned or controlled by JR Shaw, but are beneficially owned by Bradley S. Shaw and Jim Shaw. As each of JR Shaw, Bradley S. Shaw and Jim Shaw is nominated for election as a director of the Corporation at the Meeting, each of them has an interest, as described above, in the Special Resolution to amend the articles of the Corporation.

PROXY INFORMATION

SOLICITATION OF PROXIES

This is a management proxy circular and proxies are hereby solicited by or on behalf of the management of the Corporation for use at the Meeting or any adjournments thereof. It is expected that the solicitation will primarily be by mail, but may also be made by telephone or other means of telecommunication by directors, officers or employees of the Corporation. The cost of the solicitation will be borne by the Corporation.

APPOINTMENT OF PROXYHOLDERS AND REVOCATION OF PROXIES

Each person named in the enclosed form of proxy is a director and officer of the Corporation. **A shareholder who wishes to appoint some other person to represent him or her at the Meeting may do so either by inserting the name of that person, who need not be a shareholder, in the space provided in the form of proxy and striking out the names of the specified persons, or by completing another form of proxy.** In either case, the shareholder must deliver or send the completed form of proxy to CIBC Mellon Trust Company, 600 The Dome Tower, 333 7th Avenue S.W., Calgary, Alberta, T2P 2Z1 (mailing address: P.O. Box 2517, Calgary, Alberta, T2P 4P4), so that it will be received not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting or an adjournment thereof, but prior to the use of the proxy at the Meeting or an adjournment thereof.

A shareholder who has given a proxy may revoke it, in any manner permitted by law, including by signing a proxy bearing a later date or a notice of revocation and, in either case, delivering it to the Corporation's registered office up to the day before the Meeting or to the Chair of the Meeting on the day of the Meeting.

EXERCISE OF DISCRETION BY PROXYHOLDERS

Where a choice is specified, the persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the directions contained therein. In the absence of such directions, it is intended that such shares will be voted for the adoption of all resolutions referred to in the Notice of Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this proxy circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any such amendment, variation or other matter which is not now known should properly come before the Meeting, then the persons named in the form of proxy will vote on such matters in accordance with their best judgement with respect to the shares represented by such proxy.

VOTING OF CLASS A SHARES - ADVICE TO BENEFICIAL HOLDERS

The information set forth in this section is of significant importance to shareholders who hold Class A Shares through brokers and their nominees and not in their own name. Shareholders who do not hold their Class A Shares in their own name (referred to in this proxy circular as Beneficial Shareholders) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of the Class A Shares can be recognized and acted upon at the Meeting. If Class A Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered under the name of the shareholder on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. Shares held by brokers or their nominees can only be voted for, or withheld from voting, or voted against any resolution upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and nominees are prohibited from voting shares for their clients.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Class A Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of the proxy provided to registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. **A Beneficial Shareholder receiving a**

Table of Contents

proxy from an intermediary cannot use that proxy to vote shares directly at the Meeting; rather the proxy must be returned to the intermediary well in advance of the Meeting in order to have the shares voted.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Only the holders of Class A Shares of record at the close of business on December 18, 2003, the record date fixed by the directors of the Corporation, will be entitled to vote on all matters at the Meeting. Each holder of Class A Shares is entitled to one vote for each such share held. As at November 30, 2003, there were 11,359,932 Class A Shares and 219,403,092 Class B Non-Voting Shares outstanding.

The only person who, to the knowledge of the directors and senior officers of the Corporation, beneficially owns, directly or indirectly, or exercises control or direction over, more than 10% of the Class A Shares is JR Shaw who beneficially owns, controls or directs 8,846,004 Class A Shares, representing approximately 77.87% of the issued and outstanding Class A Shares. JR Shaw, members of his family and corporations owned or controlled by them have entered into a Voting Trust Agreement relating to all Class A Shares they own, control or direct. The voting rights with respect to such shares are exercised by the representative of a committee of three trustees. The Corporation has been advised that the representative of the trustees will vote for the adoption of all the resolutions referred to in the Notice of the Meeting.

RESTRICTED SHARES

Holders of Class B Non-Voting Shares are not entitled to vote at meetings of shareholders of the Corporation except as provided by law and will not be entitled to vote on any matter at the Meeting. In certain circumstances, if a take-over bid is made for the Class A Shares, a holder of Class B Non-Voting Shares may, at his or her option, convert any or all Class B Non-Voting Shares then held by such holder into Class A Shares on the basis of one Class A Share for each Class B Non-Voting Share so converted during a specified period of time. Under the Corporation's articles, the Corporation is required to give notice of the occurrence of an event entitling the holders of Class B Non-Voting Shares to exercise such conversion right not later than 14 days prior to the expiry of the period relating to such event.

Table of Contents**Fiscal 2003 Bonus Plan**

The Corporation adopted a bonus plan for senior management and other employees for fiscal 2003. The plan established a bonus pool, based upon aggregate base compensation figures of eligible employees, of approximately \$15.2 million. Bonuses were based upon the Corporation's success in achieving its free cash flow objectives in fiscal 2003. As the Corporation exceeded its free cash flow objectives for the year, bonuses were paid to a group of approximately 100 employees of the Corporation in the aggregate amount of approximately \$13.5 million.

Stock Option Plan

The stock option plan of the Corporation provides that options may be granted to such directors, officers, employees and consultants of the Corporation and for such number of Class B Non-Voting Shares as the Board, or a committee thereof, determines in its discretion, at an exercise price equal to the closing price of the Class B Non-Voting Shares on the Toronto Stock Exchange (TSX) on the trading day immediately preceding the date on which the option is granted. Unless otherwise determined by the Board, options are not immediately exercisable, but rather, 25% of the original grant is exercisable on each of the first, second, third and fourth anniversary dates of the date of grant. Options granted under the stock option plan, subject to limited exceptions, must be exercised while the optionee remains as a director, officer, employee or consultant of the Corporation. The options are not transferable or assignable.

Such options, which are fully vested, were originally granted to them in their capacities as directors of Canadian Satellite Communications Inc. (Cancom). On the takeover of Cancom by the Corporation, such options became exercisable for Class B Non-Voting Shares of the Corporation. All other terms and conditions of the options remained the same. Mr. Rogers exercised his options during fiscal 2003 to acquire 9,000 Class B Non-Voting Shares, realizing an aggregate value of \$ 68,760 (as at August 29, 2003).

None of the options granted to Named Executive Officers were exercised as of the date of this proxy circular.

Employee Share Purchase Plan

An employee share purchase plan (the ESPP) was introduced in 1998 to provide employees of the Corporation with an incentive to increase the profitability of the Corporation and a means to participate in that increased profitability.

Generally, all non-unionized full time or part time employees of the Corporation and certain of its subsidiaries are eligible to enrol in the ESPP. Officers of the Corporation, including the Named Executive Officers, are entitled to participate in the ESPP on the same basis as all other employees of the Corporation.

Edgar Filing: SHAW COMMUNICATIONS INC - Form 6-K

Under the ESPP, each employee contributes, through payroll deductions, a minimum of \$25.00 per semi-monthly pay period or \$50.00 per monthly pay period to a maximum of 5% of the participant's monthly basic compensation. The Corporation contributes an amount equal to 25% of the participant's contributions for that month. CIBC Mellon Trust Company, as trustee under the ESPP, or its nominee acquires Class B Non-Voting Shares for the benefit of participants

through the facilities of the TSX using monies contributed to the ESPP. A participant may withdraw up to 100% of the shares vested in his or her account up to twice in any 12 month period.

As at August 31, 2003, approximately 26% of eligible employees of the Corporation purchased Class B Non Voting Shares under the ESPP. Currently, an aggregate of approximately 417,000 Class B Non-Voting Shares are held under the ESPP.

COMPOSITION OF THE COMPENSATION COMMITTEE

The Human Resources Committee is comprised of three outside and unrelated directors, JC Sparkman (Chair), Jeffrey Royer and Willard H. Yuill. The Human Resources Committee has the responsibility of annually setting and approving the compensation package for the Executive Chair and for annually reviewing and approving the compensation packages for senior management of the Corporation. The Human Resources Committee also reviews and approves changes to the Corporation's compensation policies in respect of matters such as pension plans, employee benefit plans and the structure and granting of stock options. Further, the Human Resources Committee approves the lateral appointment of senior management recruited from outside the Corporation as well as the promotion of senior management within the Corporation.

REPORT ON EXECUTIVE COMPENSATION

Salaries and Bonuses

Analysts and others have continually stressed that the Corporation boasts one of the best management teams in the cable industry in North America. Therefore, others often seek to entice senior management of the Corporation to work for competitors or others in the communications industry, as far afield as the United States and elsewhere. For this reason, the Human Resources Committee of the Corporation has, in conjunction with outside experts, established a compensation policy intended to reward executives for individual achievement, provide incentives for future performance, align management's goals with those of the shareholders of the Corporation, and retain key management personnel.

The Human Resources Committee is satisfied that the above objectives are being met and that the compensation levels for executives in the Corporation are commensurate with those of others in the industry in North America.

The Corporation established a bonus plan for fiscal 2003 that was tied to the performance of the Corporation in meeting its free cash flow targets. Under such plan, if the Corporation met its free cash flow target of \$105 million for the fiscal year ending August 31, 2003, as previously disclosed, a bonus pool of approximately \$15.2 million was available for distribution to employees of the Corporation. As the Corporation achieved and exceeded its free cash flow objectives, the bonus monies were paid out. See "Statement of Executive Compensation Fiscal 2003 Bonus Plan" for further details of this plan.

The fiscal 2003 bonus plan was in keeping with similar plans adopted by the Corporation from time to time that rewarded employees for the success of the Corporation in attaining performance targets. Most notable in this regard was the At Home Incentive Plan, which rewarded employees for reaching certain penetration targets for the Corporation's High-Speed Internet service (known at that time as Shaw@Home). The Human Resources Committee believes that the At Home Incentive Plan ensured the alignment of the Corporation's goals with those of the employees and assisted in the success of the Corporation in attaining one of the highest penetration levels for Internet subscribers in North America. Based on this experience, the Human Resources Committee structured the fiscal 2003 bonus plan in an equivalent manner.

The compensation package of the Chief Executive Officer (the CEO) of the Corporation is similarly determined. Since the current CEO took office in December, 1998, the market capitalization of the Corporation has increased from approximately \$2.2 billion to approximately \$3.8 billion as at August 31, 2003. This market valuation excludes the shareholder value generated through the spin off of the Corporation's programming division to create Corus Entertainment Inc. in September, 1999. During this same period, revenues increased approximately 233% and operating income increased approximately 205%. The CEO's salary has increased only modestly throughout this period. The bonuses paid to the CEO during this period were intended to reward the CEO in the same fashion through the same bonus plans in which all other senior officers of the Corporation participated.

Finally, with respect to the Executive Chair of the Corporation, the Corporation, upon recommendation of the Human Resources Committee, entered into an agreement with the Executive Chair in 1997 in recognition of the contribution by JR Shaw as founder of the Corporation and in recognition of his leadership and stewardship of the Corporation over the

Table of Contents

last 36 years. The Executive Chair's bonus remains governed by the terms and conditions of such agreement. For fiscal 2003, the Human Resources Committee determined that the Executive Chair's bonus should be fixed at the amount of the bonus paid to him for fiscal 2002. The Human Resources Committee is to review the bonus granted to the Executive Chair annually.

Pension Plans

The Corporation provides all eligible employees with a defined contribution pension plan (also known as a money purchase plan). Under this plan, the Corporation makes annual contributions up to a maximum of 5% of each employee's annual salary to a maximum contribution of \$15,500 in Canada. Funds are accumulated under the employee's name and used on retirement to purchase one of several types of annuity at the option of the employee. Contributions on behalf of the Named Executive Officers are included in All Other Compensation in the Summary Compensation Table under the heading Statement of Executive Compensation. As a defined contribution plan, this pension plan of the Corporation is fully funded and is not subject to surpluses or deficiencies.

Effective September 1, 2002, the Corporation established a Supplemental Executive Retirement Plan (SERP) for its most senior officers (including four of the five Named Executive Officers). The SERP is a non-contributory defined benefit pension plan which is unfunded and not guaranteed by the Corporation, unless there is a change of control of, or merger involving, the Corporation, in which event the SERP becomes fully vested and fully funded immediately.

Pension payments under the SERP are based upon SERP eligible earnings (base salary plus annual cash bonus) and service time as a senior officer of the Corporation, as set forth in the table below. The SERP provides for payments equal to 5% of SERP eligible earnings for each of the first ten years that an executive is in a SERP eligible position and 1.5% for each SERP eligible year thereafter. The maximum annual pension that an officer may earn under the SERP is 70% of average SERP pensionable earnings.

An officer of the Corporation must be in a SERP-eligible position for 5 years to qualify to receive a pension. Officers who retire at age 60 or later will receive a full pension as will those officers who retire after age 55 with 10 years of SERP-eligible service. Officers between the ages 55 and 60 with less than 10 years of SERP-eligible service and officers between the ages 50 and 55 with 15 years of SERP-eligible service are eligible to retire with a discounted pension.

Employment Contracts

On November 18, 1997, the Corporation entered into an agreement with its Executive Chair, JR Shaw, which provides for, amongst other things, an annual incentive bonus. The agreement is in recognition of JR Shaw's long term, pivotal role in founding and building the Corporation and the ongoing strategic stewardship role that he continues to provide to the Corporation. The agreement provides for an incentive bonus that is paid to JR Shaw annually, provided the Corporation reaches its financial targets. The agreement also specifies that the amount of the annual bonus is to be between 0.5% and 1.0% of the operating income before amortization of the Corporation for the year in which the bonus is to be paid. As the Corporation met its financial targets for fiscal 2003, a bonus in the amount of \$6,326,730 was paid for the year. This bonus represents approximately 0.77% of operating income before amortization for fiscal 2003 and is equal to the amount paid under the agreement for fiscal 2002.

Effective October 17, 2002, the Corporation entered into a retention agreement with its Chief Financial Officer, Ronald D. Rogers, in recognition of his service and contributions to the Corporation. Among other things, the agreement provides for the payment of an annual salary not less than the Chief Financial Officer's current salary of \$450,000 and for participation by the Chief Financial Officer in the Corporation's SERP. The agreement also provides for the payment of retention bonuses to the Chief Financial Officer, in lieu of any other bonuses, in the amount of \$1,000,000 payable on August 31, 2003 and \$500,000 payable at the end of every quarter thereafter until August 31, 2004, provided that the Chief Financial Officer remains employed as of each of such dates. Pursuant to this agreement, the Corporation paid a retention bonus in the amount of \$1,000,000 to Mr. Rogers for the fiscal year ended August 31, 2003. As of the date of this proxy circular, the Corporation has paid a further \$1,000,000 to Mr. Rogers, representing the retention bonuses payable for the first two quarters of fiscal 2004 in accordance with the retention agreement.

No other Named Executive Officer has an employment contract with the Corporation.

Annual Board retainer fee	\$ 42,500
Annual Committee retainer fee	\$ 3,000
Annual Committee Chair retainer fee	\$ 5,000
Board and Committee attendance fee, per meeting	\$ 1,000

Edgar Filing: SHAW COMMUNICATIONS INC - Form 6-K

Each director (other than management directors) is also granted options to acquire 10,000 Class B Non-Voting Shares at exercise prices ranging from \$17.37 to \$34.70 pursuant to the terms and conditions of the stock option plan of the Corporation. See Statement of Executive Compensation Stock Option Plan .

Table of Contents***DDSU Plan/Share Ownership Guideline***

The Corporation has adopted a Directors' Deferred Share Unit Plan (DDSU Plan) for non-management directors. Effective January 1, 2004, directors may elect under the DDSU Plan to receive 25%, 50%, 75% or 100% of their annual director compensation in the form of deferred share units (DSUs). The number of DSUs to be credited to a director's account on each payment date is equal to the number of Class B Non-Voting Shares that could have been purchased on the payment date with the amount of compensation allocated to the DDSU Plan. On each dividend payment date for the Class B Non-Voting Shares, an additional number of DSUs is credited to a director's DSU account, equivalent to the number of Class B Non-Voting Shares that could have been acquired on that date by notional dividend reinvestment. DSUs will be paid out in cash when the director ceases to hold office as a director or on a date elected by the director during the year following cessation of directorship. The payout will be calculated by multiplying the number of DSUs by the then market value of a Class B Non-Voting Share.

During fiscal 2003, the Corporation also established share ownership guidelines for non-management directors. The guideline level of share ownership (including DSUs) is Class B Non-Voting Shares with a market value of at least \$250,000, to be held by each non-management director within five years of the later of the effective date of the DDSU Plan and the date on which the director was first elected or appointed to the Board.

INTEREST OF MANAGEMENT AND OTHERS IN MATERIAL TRANSACTIONS

Other than as disclosed herein, management of the Corporation is unaware of any material interest of any director or officer of the Corporation, of any management nominee for election as a director of the Corporation or of any person who beneficially owns or exercises control or direction over shares carrying more than 10% of the voting rights attached to all shares of the Corporation, or any associate or affiliate of any such person, in any transaction since the beginning of the last completed financial year of the Corporation or in any proposed transaction that has materially affected or would materially affect the Corporation or any of its subsidiaries.

NORMAL COURSE ISSUER BID

On November 5, 2003, the Corporation announced its intention to make a normal course issuer bid which commenced on November 7, 2003. Pursuant to the normal course issuer bid, the Corporation is authorized to acquire up to 11,000,000 Class B Non-Voting Shares, being approximately 5.0% of the issued and outstanding Class B Non-Voting Shares, until the expiry of the bid on November 6, 2004.

The Corporation commenced the normal course issuer bid because of its belief that its Class B Non-Voting Shares are undervalued and that therefore, the purchase and cancellation of Class B Non-Voting Shares may represent an opportunity to provide capital appreciation and market stability for the benefit of shareholders. As of the date hereof, the Corporation has purchased and cancelled 1,913,600 Class B Non-Voting Shares pursuant to the normal course issuer bid.

Purchases will be effected through the facilities of the TSX, in accordance with its by-laws and rules, and the price that the Corporation will pay for any Class B Non-Voting Shares acquired by it will be the market price of such shares at the time of acquisition.

The following discussion outlines the Corporation's system of corporate governance, including with respect to various matters addressed by the guidelines (the TSX Guidelines) adopted by the TSX and the corporate governance rules recently adopted by the New York Stock Exchange.

The corporate governance practices and policies of the Corporation have been developed under the general stewardship of the Corporate Governance Committee of the Board. A related director is one who is not an unrelated director.</p> <p>With the assistance of the Corporate Governance Committee, the Board is responsible for determining whether or not each director is an unrelated director. Develop position descriptions for the Board and the Chief Executive Officer and define the corporate objectives for which the Chief Executive Officer is responsible for meeting	The Board has adopted a written mandate outlining the duties and responsibilities of the Board and of individual directors. The mandate sets forth certain matters for which the approval of the Board must be sought by management of the Corporation. The Human Resources Committee is in the process of developing a specific position description for the Chief Executive Officer, along with the corporate objectives that the Chief Executive Officer is responsible for meeting.
Implement structures and procedures to enable the Board to function independently of management	The Corporate Governance Committee is generally responsible for administering the Board's relationship with management of the Corporation. The Corporate Governance Committee also acts as a forum for receiving and addressing any suggestions, concerns or other matters that individual directors may wish to raise. The positions of Executive Chair and Chief Executive Officer of the Corporation are held by different individuals. Following each meeting, the Board and its committees conduct open camera sessions, at which no management directors or members of management (other than the Executive Chair, in the case of the Board) are present. No minutes are kept for such sessions to encourage frank discussion of any matters that directors may wish to raise.
Ensure an Audit Committee (all of the members of which are outside directors) has a specifically defined mandate; direct communication channels with auditors; and oversight responsibility for internal control	The Audit Committee is composed of four outside, unrelated directors. The Corporation has developed an Audit Committee mandate outlining the duties and responsibilities of such committee. For further details on such duties and responsibilities, see Statement of Corporate Governance Committees of the Board . Generally, the Audit Committee is responsible for the Corporation's financial reporting processes and the quality of its financial reporting. In fulfilling this responsibility, the Audit Committee oversees the terms of engagement and relationship between the Corporation and its external auditors, including compensation of the auditors and engagements for non-audit services. See Business of the Meeting Appointment and Remuneration of Auditors . The Audit Committee is free to communicate directly with the external auditors of the Corporation without the presence of management at any time. The Audit Committee oversees the integrity of the Corporation's internal controls and risk management, and reporting procedures with respect thereto. In this regard, the Audit Committee specifically reviews and addresses fraud prevention and other internal control procedures as well as the management and mitigation of contingent liabilities, including litigation and regulatory compliance matters. As part of its Business Conduct Standards, the Corporation has implemented procedures to ensure that concerns and complaints with respect to accounting, auditing, internal control and public disclosure matters, among others, are brought to the attention of the Audit Committee. It is the Corporation's intention to ensure that at all times at least one member of the Audit Committee qualifies as a financial expert as contemplated by relevant regulatory authorities. In this regard, Michael W. O'Brien, who was appointed to the Board in October, 2003 and is a nominee for election to the Board, qualifies as a financial expert .

and for the purposes of this definition if an offer to purchase Class A Shares is not an Exclusionary Offer as defined above but would be an Exclusionary Offer if it were not for sub-clause (B), the varying of any term of such offer shall be deemed to constitute the making of a new offer unless an identical variation concurrently is made to the corresponding offer to purchase Class B Non-Voting Shares;

- (c) An election by a holder of Class B Non-Voting Shares to exercise the conversion right provided for in clause (b) shall be deemed to also constitute irrevocable elections by such holder to deposit the Converted Shares pursuant to the Exclusionary Offer (subject to such holder's right to subsequently withdraw the shares from the offer) and to exercise the right to convert into Class B Non-Voting Shares all Converted Shares in respect of which such holder exercises his right of withdrawal from the Exclusionary Offer or which are not otherwise ultimately taken up under the Exclusionary Offer. Any conversion into Class B Non-Voting Shares, pursuant to such deemed election, of Converted Shares in respect of which the holder exercises his right of withdrawal from the Exclusionary Offer shall become effective at the time such right of withdrawal is exercised. If the right of withdrawal is not exercised, any conversion into Class B Non-Voting Shares pursuant to such deemed election shall become effective,

If Converted Shares are converted into Class B Non-Voting Shares pursuant to clause (c), the transfer agent shall deliver to the holders entitled thereto share certificates representing the Class B Non-Voting Shares resulting from the conversion. The Corporation shall make all arrangements with the transfer agent necessary or desirable to give effect to this clause (d).
