ZOOM TECHNOLOGIES, INC. PROXY STATEMENT

This proxy statement is being furnished to our stockholders beginning on or about October 12, 2012, in connection with the solicitation of proxies by the Zoom Technologies, Inc. Board of Directors to be used at our Annual Meeting of Stockholders (the "Annual Meeting") to be held at 10:00am ET on Friday, November 16, 2012 at the Offices of Ellenoff Grossman and Schole LLP, 150 East 42nd Street, 11th Floor, New York, NY 10017, and at all adjournments or postponements of the Annual Meeting for the purposes listed in the preceding Notice of Annual Meeting of Stockholders.

INFORMATION AND Q&A ABOUT THE ANNUAL MEETING

When is the Annual Meeting?

10:00am ET on Friday, November 16, 2012

Where will the Annual Meeting be held?

The annual meeting will be held at the offices of Ellenoff Grossman and Schole LLP, 150 East 42nd Street, 11th Floor, New York, NY 10017 .

What is being considered at the meeting?

At the Meeting, Stockholders will consider and vote on the following proposals:

1. To elect six incumbent directors to the Board of Directors to serve until the 2013 Annual Meeting of Stockholders or until their successors have been duly elected or appointed and qualified ("Proposal 1"); and
2. To amend the Company's Certificate of Incorporation, as amended, to increase the amount of the Company's authorized common stock, par value \$.01 per share, from 35,000,000 shares to 60,000,000 shares.
3. To transact such other business as may properly come before the meeting or any adjournment or postponements thereof.

In addition, our management will report on our progress and respond to your questions.

Who is entitled to vote at the meeting?

You may vote at the Annual Meeting if you owned Common Stock as of the close of business on Record Date which is October 5, 2012. Each share of Common Stock is entitled to one vote.

YOUR BOARD OF DIRECTORS HAS APPROVED THE PROPOSALS SET FORTH HEREIN.

ACCORDINGLY, THE BOARD RECOMMENDS A VOTE "FOR" THE RE-ELECTION OF THE SIX INCUMBENT DIRECTORS.

How do I vote?

You can vote in two ways:

- by attending the Annual Meeting at 10:00am ET on Friday, November 16, 2012, at the offices of Ellenoff Grossman and Schole LLP, 150 East 42nd Street, 11th Floor, New York, NY 10017, and at any adjournment

or postponements thereof and voting thereat; or

- by completing, signing, dating and returning the enclosed Proxy Card.

What if I return my Proxy Card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted **FOR** the re-election of the six candidates as directors, and **FOR** amending the Company's Certificate of Incorporation, to increase the amount of the Company's authorized common stock, par value \$.01 per share, to be issued from 35,000,000 shares to 60,000,000 shares, and **FOR** all other matters described in the attached Notice of Annual Meeting and Proxy Statement.

What does it mean if I receive more than one Proxy Card?

It means you may have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares of Common Stock. We recommend that you contact your broker (if are the beneficial owner of our shares in street name) or our transfer agent (if you are a stockholder of record) to consolidate as many accounts as possible under the same name and address. Our transfer agent is Computershare, 330 N. Brand Blvd., Suite 701, Glendale, CA 91203-2149, telephone (818) 254-3160.

Will my shares be voted if I do not provide my Proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a Proxy.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. The re-election of Company's Directors is not considered a "routine" matter. When a brokerage firm votes its customers' un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to the amendment of Company's Certificate of Incorporation, to increase the authorized amount of the Company's common stock, par value \$.01 per share, to be issued from 35,000,000 shares to 60,000,000 shares.

How do I vote in person if I hold shares registered in the name of a broker or bank?

If, on Record Date which is October 5, 2012, your shares were not held in your name, but rather were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and a Notice of Proxy Materials was forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. Because you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the annual meeting. If you want to attend the Annual Meeting, and/or vote at the Annual Meeting, you must become a registered owner by asking your broker to do one of the following:

- "Certificate" your position, in which case you will receive an actual certificate for your stock (the broker may charge you an additional fee for this service and you would lose some ability to quickly sell your shares because you would have to physically deliver the certificate to do so); or
- Move your holdings into a "direct registration system" or "DRS" account at the company. DRS is a system that allows investors to hold the securities electronically on the records of the company and to electronically transfer those securities between the company and their broker.

Before requesting a certificate or moving your shares into DRS form, you should contact your broker-dealer to determine the process, timeframes, and fees associated with certificating the securities held in the investor's broker-dealer account.

Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy in advance of the Annual Meeting to ensure your vote is counted.

Can I change my mind after I return my Proxy?

Yes. You may change your vote at any time before your Proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to your respective corporate secretary, by submitting another Proxy with a later date, or by attending the Annual Meeting and voting in person. If you are a shareholder in "street" or "nominee" name, you should consult with the bank, broker or other nominee regarding that entity's procedures for revoking your voting instructions.

How many shares are eligible to be voted at the Annual Meeting?

The record date for the Annual Meeting is October 5, 2012. Only stockholders of record at the close of business on October 5, 2012, will be entitled to vote at the Annual Meeting. At the close of business on that date, there were outstanding [•] shares of the Company's Common Stock entitled to one vote per share.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a Proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares of Common Stock as of October 5, 2012 must be present in person or by proxy at the meeting. This is referred to as a quorum. On October 5, 2012, there were [•] shares of Common Stock outstanding and entitled to vote. If a quorum is not present, then either the chairman of the meeting or the stockholders entitled to vote at the meeting may adjourn the meeting until a later time. Abstentions and broker "non-votes" are counted as present or represented for purposes of determining the presence or absence of a quorum. A broker "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast. Abstentions and broker "non-votes" (shares held by brokers or nominees as to which they have no discretionary authority to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote thereon) will have no effect on the vote for re-election of directors.

Proxies that are signed and returned but do not include voting instructions will be voted **FOR** the re-election of the six candidates as directors, and **FOR** amending the Company's Certificate of Incorporation, to increase the amount of the Company's authorized common stock, par value \$.01 per share, to be issued from 35,000,000 shares to 60,000,000 shares, and **FOR** all other matters described in the attached Notice of Annual Meeting and Proxy Statement.

What vote is required to amend the Company's Certificate of Incorporation, to increase the amount of the Company's authorized common stock, par value \$.01 per share, to be issued from 35,000,000 shares to 60,000,000 shares?

Approval to amend the Company's Certificate of Incorporation, to increase the authorized amount of the Company's common stock, par value \$.01 per share, to be issued from 35,000,000 shares to 60,000,000 shares will require an affirmative vote of the holders of a majority of the outstanding shares of the Company's common stock, provided that a quorum is present at the Meeting. Only proxies indicating votes "FOR," "AGAINST" or "ABSTAIN" on this proposal or providing the designated proxies with the right to vote in their judgment and discretion on this proposal are counted to determine the number of shares present and entitled to vote.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed Proxy Card gives authority to the Proxy holders to vote on those matters at their discretion.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the Proxy Card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published on a Current Report on Form 8-K within four business days after conclusion of the Annual Meeting.

PROPOSAL 1

RE-ELECTION OF DIRECTORS

At the Annual Meeting, six individuals will be elected to serve as directors until the next annual meeting or until their successors are duly elected, appointed and qualified. The Company's Board of Directors currently consists of six persons. The six individuals who are nominated for re-election to the Board of Directors are existing directors of the Company. Unless a shareholder WITHHOLDS AUTHORITY, a properly signed and dated Proxy will be voted "FOR ALL" of the six persons named below to serve as directors, unless the Proxy contains contrary instructions. Management has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as a director. However, in the event any nominee is not a candidate or is unable or unwilling to serve as a director at the time of the re-election, unless the shareholder WITHHOLDS AUTHORITY from voting, the proxies will be voted "FOR" any nominee who shall be designated by the present Board of Directors to fill such vacancy.

The six current Directors to be considered for re-election are Lei Gu, Anthony Chan, Augustine Lo, Chang Shan, Chen Wang, and Leo Li.

Our Directors will generally serve one-year terms and shall hold office until the 2013 annual meeting of stockholders and until his successor has been duly elected, appointed and qualified. If all the nominees are elected, the Board of Directors will consist of six incumbent directors.

Unless Proxy Cards are otherwise marked, the persons named as proxies will vote all proxies received FOR the re-election of each nominee named in this section.

At each annual meeting of stockholders, directors will be elected by the holders of Common Stock to succeed those directors whose terms are expiring. Directors will be elected annually and will serve until successors are duly elected and qualified or until a director's earlier death, resignation or removal. Our bylaws provide that the authorized number of directors may be changed by action of the majority of the Board of Directors or by a vote of the stockholders of our Company. Vacancies in our Board of Directors may be filled by a majority vote of the Board of Directors with such newly appointed director to serve until the next annual meeting of stockholders, unless sooner removed or replaced.

The following table sets forth certain information concerning each nominee for re-election as a Director of the Company:

Involvement in Certain Legal Proceedings

- (i) involved in any bankruptcy petition filed by or against such person or any business of which such person was a general partner or executive officer, either at the time of the bankruptcy or within ten years prior to that time;
- (ii) named in as a defendant or counter-claimant in any civil litigation in the past ten years;

(v) involved in any judicial or administrative proceeding resulting from involvement in mail or wire fraud or fraud in connection with any business entity;

(vii) involved in any disciplinary sanction or orders imposed by a stock, commodities or derivatives exchange or other similar self-regulatory organization.

Corporate Governance - **Board Leadership Structure**

Our Company is led by Lei Gu, who has served as Chairman of our Board of Directors and Chief Executive Officer since September 2009, and CEO and Chairman of TCB Digital since July 2007. We believe that having Mr. Gu act in both these roles is most appropriate for the Company at this time because it provides the Company with consistent and efficient leadership, both with respect to the Company's operations and the leadership of the Board. In particular, having Mr. Gu act in both these roles increases the timeliness and effectiveness of the Board's deliberations, increases the Board's visibility into the day-to-day operations of the Company, and ensures the consistent implementation of the Company's strategies.

Board's Role in Risk Oversight

The Board as a whole has responsibility for risk oversight. The oversight responsibility of the Board is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession, compensation, compliance, and other risks.

Director Independence

As a NASDAQ listed company, the Company uses the independence definitions of NASDAQ in determining whether our directors are independent. The discussion below reflects such standards of independence.

Our Board of Directors has determined that four of our directors, Mr. Lo, Mr. Shan, Mr. Wang and Mr. Li, each qualify as "independent" as the term is used in Item 407 of Regulation S-K as promulgated by the SEC and as that term is defined under NASDAQ Rule 4200(a) (15). In addition, each member of the Audit Committee is independent as required under Section 10A (m) (3) of the Securities Exchange Act of 1934, as amended.

Board Meetings and Committees; Annual Meeting Attendance

Our Board of Directors, including the committees of the Board, held four formal meetings during the most recently completed fiscal year. Each of the re-elected members of our Board of Directors was present at all of the Board of Directors meetings held. Other proceedings of the Board of Directors were conducted by resolutions consented to in writing by all the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the corporate laws of the State of Delaware and our bylaws, as valid and effective as if they had been passed at a meeting of the directors duly called and held.

We currently do not have a policy regarding the attendance of board members at the annual meeting of stockholders.

Standing committees of the Board include an Audit Committee and a Compensation Committee. During 2012 Messrs. Lo, Shan and Wang, served as the members of each of these Committees.

Audit Committee

The Audit Committee operates under a written charter adopted by the Board of Directors, which is publicly available on Zoom's website at www.zoomleimone.com. Under the provisions of the Audit Committee Charter, the primary functions of the Audit Committee are to assist the Board of Directors with the oversight of (i) Zoom's financial reporting process, accounting functions and internal controls and (ii) the qualifications, independence, appointment, retention, compensation and performance of Zoom's independent registered public accounting firm. The Audit Committee held four meetings during 2012. The Board of Directors determined that Augustine Lo qualifies as an audit committee financial expert.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management Zoom's audited consolidated financial statements for the year ended December 31, 2011. The Audit Committee has also discussed with Goldman Kurland Mohidin LLP, Zoom's independent registered public accounting firm for the year ended December 31, 2011, the matters required to be discussed by the Auditing Standards Board Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. As required by Independence Standards Board Standard No. 1, as amended, "Independence Discussion with Audit Committees," the Audit Committee has received and reviewed the required written disclosures and a confirming letter from Goldman Kurland Mohidin LLP regarding their independence, and has discussed the matter with Goldman Kurland Mohidin LLP.

Based on its review and discussions of the foregoing, the Audit Committee recommended to the Board of Directors that Zoom's audited consolidated financial statements for 2011 be included in Zoom's Annual Report on Form 10-K for the year ended December 31, 2011.

Audit Committee:

Augustine Lo
Chang Shan

Compensation Committee

Messrs. Lo, Shan and Wang are currently the members of Zoom's Compensation Committee. The primary functions of the Compensation Committee include (i) reviewing and approving Zoom's executive compensation, (ii) reviewing the recommendations of the Chief Executive Officer regarding the compensation of senior officers, (iii) evaluating the performance of the Chief Executive Officer, and (iv) overseeing the administration of, and the approval of grants of stock options and other equity awarded under Zoom's stock option plans. The Compensation Committee operates under a written charter adopted by the Board of Directors. A copy of the Compensation Committee's written charter is publicly available on Zoom's website at www.zoomleimone.com. The Compensation Committee did not hold any meetings but had two resolutions by unanimous written consent during 2012.

Decisions regarding executive compensation are made by the Compensation Committee. The Compensation Committee is also responsible for administering the Company's 2009 Equity Incentive Compensation Plan, including determining the individuals to whom stock options are awarded, the terms upon which option grants are made, and the number of shares subject to each option granted.

Independent Director Oversight of Director Nominations

Director nominees must either be selected, or recommended for the Board's selection by our independent directors constituting a majority of the Board's independent directors in a vote in which only independent directors participate. Messrs. Lo, Shan, Wang and Li are the independent members of the Board of Directors. The Board did not receive any shareholder nominations to the Board of Directors and each of the independent members on the Board nominated for re-election for each of Messrs. Gu, Chan, Lo, Shan, Wang and Li based on their experience on the Company's Board of Directors.

In nominating directors for election, the independent directors may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the independent directors may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to recommend a candidate for Director for election at the 2013 Annual Meeting of Stockholders, it must follow the procedures described in "Deadline for Receipt of Stockholder Proposals and Recommendations for Director." The Board of Directors does not have a policy with regard to the consideration of diversity in identifying director nominees.

Code of Ethics

We have adopted a written code of business conduct and ethics, known as our Code of Business Conduct and Ethics which applies to all of our directors, officers, and employees, including our principal executive officer and our principal financial and accounting officer. PROPOSAL 2

AMENDMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE
AUTHORIZED COMMON STOCK FROM 35,000,000 SHARES TO 60,000,000 SHARES.

The Board of Directors of the Company proposes amending the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock as more fully described below. The Company currently has authorized capital stock of 35,000,000 shares of common stock with approximately [•] shares of common stock outstanding. The Board believes that the increase in the number of authorized shares of common stock would provide the Company greater flexibility with respect to the Company's capital structure for purposes such as future additional equity financings and acquisitions. The Board of Directors of the Company believes that an amendment to the Certificate of Incorporation substantially as set forth below is in the best interest of the Company and its stockholders.

Purposes of the Amendment

The Board of Directors recommends the increase in authorized shares of common stock to increase the Company's financial flexibility. The Board of Directors believes that the complexity of modern business financing and acquisition transactions requires greater flexibility in the Company's capital structure than now exists. The extra shares of authorized common stock would be available for issuance from time to time as determined by the Board of Directors for any proper corporate purpose. Such purposes might include, without limitation, issuance in public or private sales for cash as a means of obtaining additional capital for use in the Company's business and operations, and issuance as part or all of the consideration required to be paid by the Company for acquisitions of other businesses or properties. Notwithstanding the foregoing, the Company has no obligations to issue such additional shares.

Principal Effects Of The Increase in Authorized Shares

The proposal to increase our authorized shares of common stock was determined by the Company's Board of Directors, in its sole discretion. The Company's stockholders will not realize any dilution in their voting rights as a result of the increase in authorized shares of common stock but will experience dilution to the extent additional shares would be issued.

Issuance of significant numbers of additional shares of the Company's common stock in the future (i) will dilute stockholders' percentage ownership and (ii) if such shares are issued at prices below what current stockholders' paid for their shares, may dilute the value of current stockholders' shares.

Having an increased number of authorized but unissued shares of Common Stock would allow the Company to take prompt action with respect to corporate opportunities that develop, without the delay and expense of convening a special meeting of stockholders for the purpose of approving an increase in the Company's capitalization. The issuance of additional shares of Common Stock may, depending upon the circumstances under which such shares are issued, reduce stockholders' equity per share and may reduce the percentage ownership of Common Stock by existing stockholders. It is not the present intention of the Board of Directors to seek shareholder approval prior to any issuance of shares of Common Stock that would become authorized by the amendment unless otherwise required by law or regulation. Frequently, opportunities arise that require prompt action, and it is the belief of the Board of Directors that the delay necessitated for shareholder approval of a specific issuance could be to the detriment of the Company and its stockholders.

When issued, the additional shares of Common Stock authorized by the amendment will have the same rights and privileges as the shares of Common Stock currently authorized and outstanding. Holders of Common Stock have no preemptive rights and, accordingly, stockholders would not have any preferential rights to purchase any of the additional shares of Common Stock when such shares are issued.

Shares of authorized and unissued common stock could be issued in one or more transactions that could make it more difficult, and therefore less likely, that any takeover of the Company could occur. Issuance of additional common stock could have a deterrent effect on persons seeking to acquire control. The Board also could, although it has no present intention of so doing, authorize the issuance of shares of common stock to a holder who might thereby obtain sufficient voting power to assure that any proposal to effect certain business combinations or amendment to the Company's Certificate of Incorporation or Bylaws would not receive the required stockholder approval. Accordingly, the power to issue additional shares of common stock could enable the Board to make it more difficult to replace incumbent directors and to accomplish business combinations opposed by the incumbent Board.

Effective Date of the Amendment

If the Amendment is approved by our stockholders, we have to file the certificate of amendment with the Delaware Secretary of State in order for the amendment to become effective. If we obtain stockholder approval of this proposal, we intend to file the certificate of amendment for the Amendment as soon as practicable.

Our board of directors reserves the right, notwithstanding stockholder approval of the Amendment and without further action by our stockholders, not to proceed with the Amendment at any time before the effective date of the amendment and restatement of our certificate of incorporation.

Regarding the authorized capital structure of the Company, Article FOURTH of the Company's Certificate of Incorporation, as amended, currently provides as follows:

FOURTH

. The total number of shares of stock which the Corporation shall have authority to issue is as follows: 35,000,000 shares of Common Stock, \$.01 par value.

The Company's Board of Directors has approved the following amendment to Article 4, subject to approval of such amendment by the holders of the Company's Common Stock as specified below:

The entire Article Fourth, as amended, is to be deleted in its entirety and be replaced by the following paragraph:

FOURTH

. The total number of shares of stock which the Corporation shall have authority to issue is as follows: 60,000,000 shares of Common Stock, \$.01 par value.

Required Vote

Amending the Certificate of Incorporation of the Company requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock of the Company. Unless marked to the contrary, proxies received will be voted "FOR" Proposal 2.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE FOR PROPOSAL NO. 2.
