Item 1.01. Entry into a Material Definitive Agreement

On November 14, 2013, 8x8, Inc. (the "Company") entered into an underwriting agreement with Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., and Deutsche Bank Securities Inc., as representatives of the several underwriters named in the underwriting agreement, relating to the sale by the Company in a public offering of 12,500,000 shares of its common stock, par value \$0.001 per share, at a public offering price of \$9.25 per share, less underwriting discounts and commissions of \$0.4625 per share. The offering is being made pursuant to a shelf registration statement (Registration No. 333-187421) filed with the Securities and Exchange Commission (the "Commission") on March 21, 2013, as amended on April 3, 2013 and declared effective on April 5, 2013 (the "Registration Statement"), including a base prospectus dated April 3, 2013 (the "Base Prospectus"); a preliminary prospectus supplement dated November 11, 2013 (the "Preliminary Prospectus Supplement"); and a final prospectus supplement dated November 14, 2013 (together with the Base Prospectus and Preliminary Prospectus Supplement, the "Prospectus").

Under the terms of the underwriting agreement, the Company has granted the underwriters a 30-day option to purchase up to 1,875,000 additional shares of common stock. After deducting underwriting discounts and commissions and estimated expenses of the public offering, the Company expects to receive approximately \$109.3 million in net proceeds, plus any proceeds received from the exercise of the underwriters' option. The Company intends to use the net proceeds for working capital and other general corporate purposes, including expanding sales and marketing and research and development. The Company also may use a portion of the net proceeds for the acquisition of technologies, businesses or products that are complementary to its business, although no such acquisitions, other than the Company's pending acquisition of Voicenet Solutions Limited, are subject to any plan or arrangement or are being negotiated as of the date of this Current Report, and no portion of the net proceeds has been allocated for any specific acquisition.

The underwriting agreement contains contractual representations, warranties and covenants that have been provided by the Company as assurances to the underwriters primarily as conclusions regarding various legal matters as of the dates set forth in the underwriting agreement. These representations, warranties and covenants were not provided to the underwriters in order to supplement any of the information contained in the Registration Statement or the Prospectus and are not otherwise statements of fact made to investors about the Company as part of the offering. The Company expects to close the sale of the common stock on or about November 20, 2013, subject to customary closing conditions.

The foregoing summary of the underwriting agreement is qualified in its entirety by reference to the actual underwriting agreement, which is filed as Exhibit 1.1 hereto.

In connection with the offering and sale of the common stock, the following exhibits are being filed with this Current Report on Form 8-K to be incorporated by reference into the Registration Statement: (1) the underwriting agreement (Exhibit 1.1); (2) the opinion of Bingham McCutchen LLP as to the validity of the issuance of the shares of common stock in the offering (Exhibit 5.1); (3) the consent of Bingham McCutchen LLP (Exhibit 23.1); and (4) certain information relating to Part II, Item 14 "Other Expenses of Issuance and Distribution" of the Registration Statement (Exhibit 99.1).
