Item 7.01 Regulation FD Disclosure

Baltic Trading Limited (the “Company”) disclosed today that it has executed a commitment letter with ABN AMRO Capital USA LLC for a senior secured credit facility in an amount up to \$33,600,000 to finance a portion of two Ultramax vessels expected to be delivered to the Company and to be named the Baltic Hornet and the Baltic Wasp. Key terms of the proposed facility include the following:

The facility amount is to be the lowest of 60% of the delivered cost per vessel, \$16.8 million per vessel, and 60% of the fair market value of each vessel at delivery.

The facility is to be insured by the China Export & Credit Insurance Corporation (Sinasure) in order to cover political and commercial risks for 95% of the outstanding principal plus interest.

The facility is to have a ten-year term.

Interest is to be paid at a three or six month LIBOR rate per annum plus a margin of 250 basis points.

Each tranche borrowed for a vessel is to be repaid in 20 equal consecutive semi-annual installments of 1/24 of the facility amount plus a balloon payment of 1/6 of the facility amount at final maturity. Principal repayments are to commence six months after the actual delivery date for a vessel.

The proposed facility is subject to definitive documentation.

The Company also disclosed today that, commencing October 1, 2014, it will be holding individual meetings with investors that will include a slide presentation. A copy of the presentation will be posted on the Company's website at www.baltictrading.com prior to commencement of the meetings.
