**ANNUAL STOCKHOLDERS MEETING
FEBRUARY 12, 2019
Grove Park Inn
290 Macon Avenue
Asheville, North Carolina 28804**

PROXY STATEMENT

The Board of Directors (the "Board") of Ingles Markets, Incorporated (the "Company") furnishes you with this Proxy Statement to solicit proxies to be voted at the 2019 Annual Meeting of Stockholders of the Company. The meeting will be held at the Grove Park Inn, 290 Macon Avenue, Asheville, North Carolina, on Tuesday, February 12, 2019, at 11:00 a.m. local time, for the purposes set forth in the Notice of Annual Meeting of Stockholders that accompanies this Proxy Statement. The proxies also may be voted at any adjournments or postponements of the meeting. Pursuant to rules adopted by the Securities and Exchange Commission, we have provided access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials, which is referred to herein as the "E-proxy notice," on or about December 27, 2018 to each holder of record of the Company's Class A Common Stock, \$0.05 par value per share ("Class A Common Stock") and Class B Common Stock, \$0.05 par value per share ("Class B Common Stock"), as of December 19, 2018, the record date for the meeting (the "Record Date"). Class A Common Stock and Class B Common Stock are sometimes referred to collectively in this Proxy Statement as "Common Stock." The E-proxy notice and this proxy statement summarize the information you need to know to vote by proxy or in person at the annual meeting. You do not need to attend the annual meeting in person in order to vote.

The Company's principal executive offices are located at 2913 U.S. Highway 70 West, Asheville (Black Mountain), North Carolina 28711. This Proxy Statement and the accompanying forms of proxy are first being provided to stockholders on or about December 27, 2018.

Execution and Revocation of Proxies

Shares of Common Stock properly voted by proxy as instructed in the E-proxy notice will be voted at the Annual Meeting in accordance with the instructions on the proxy. Proxies that are not properly executed or are not received by the Secretary at or before the Annual Meeting will not be effective.

A stockholder can revoke a proxy at any time prior to the exercise of the authority granted under that proxy. A proxy may be revoked by a stockholder in any of the following ways:

- by attending the Annual Meeting and voting the shares covered by the original proxy in person at the Annual Meeting;
- by delivering to the Secretary an instrument revoking the proxy; or
- by delivering a later-dated, properly executed proxy with respect to shares covered by the original proxy.

Actions to Be Taken by Proxy

If any stockholder fails to provide instructions on a proxy properly submitted via the Internet or mail, its proxy will be voted, as recommended by the Board of Directors, at the Annual Meeting:

-

FOR the election of each of the Board nominees named under the heading **ELECTION OF DIRECTORS – Identification Of Directors and Executive Officers** ; and

- **AGAINST** the stockholder proposal under the heading **STOCKHOLDER PROPOSAL TO GIVE EACH SHARE ONE EQUAL VOTE** .

As of the date of this Proxy Statement, the Company's management knows of no other matter to be brought before the Annual Meeting. Should any other matter properly come before the Annual Meeting, all shares of Common Stock represented by effective proxies will be voted, at their discretion, by the persons acting under such proxies.

TABLE OF CONTENTS

Voting Rights

Only holders of record of shares of Class A Common Stock or Class B Common Stock at the close of business on the Record Date are entitled to vote at the meeting or adjournments or postponements of the meeting. At the close of business on the Record Date, there were 14,145,385 shares of Class A Common Stock and 6,114,391 shares of Class B Common Stock issued and outstanding.

Quorum Requirements. The presence in person or by proxy of holders of a majority of the outstanding shares of Class A Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class A Common Stock. The presence in person or by proxy of holders of a majority of the outstanding shares of Class B Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class B Common Stock. If holders of shares possessing a majority of the aggregate votes represented by the Class A Common Stock and Class B Common Stock, taking into account the ten votes per share attributable to the Class B Common Stock, are present at the Annual Meeting in person or by proxy, a quorum will be present for purposes of any other matter that may be presented at the Annual Meeting. Abstentions with respect to a proposal and broker non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs if a broker does not receive instructions from the beneficial owner of shares held in street name for certain types of proposals and the broker indicates it does not have authority to vote such shares.

Election of Directors. If a quorum of each class is present at the Annual Meeting, the holders of Class A Common Stock, voting as a class, will elect two directors, and the holders of Class B Common Stock, voting as a class, will elect six directors. For purposes of the election of directors, each stockholder will have one vote for each share of Common Stock held by the stockholder as of the Record Date. Pursuant to the North Carolina Business Corporation Act, directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Thus, abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote.

In accordance with New York Stock Exchange rules, a broker that is a member firm of that exchange does not have authority to vote shares held by it in street name in the election of directors unless it is instructed by the beneficial owner of such shares as to how such shares are to be voted in such election. Accordingly, if you hold your shares through a broker, you are urged to provide it voting instructions in accordance with your broker's directions.

Cumulative voting is not applicable to the election of directors at the Annual Meeting.

Other Matters. Unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act, holders of Class A Common Stock and Class B Common Stock will vote as a single class with respect to any matter. In any such vote, stockholders will be entitled to one vote for each share of Class A Common Stock held as of the Record Date and ten votes for each share of Class B Common Stock held as of the Record Date. For purposes of any such vote, if a quorum is present, a proposal will pass if the votes cast for the action exceed the votes cast against the action, unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act. Shares not voted with respect to any such matters (whether by abstention or broker non-vote) would not be included in vote totals and would not impact the vote. As of the date of this Proxy Statement, the Company knows of no matters other than those listed on the Notice of Annual Meeting of Stockholders to be presented for action at the Annual Meeting.

ELECTION OF DIRECTORS

Each member of the Board is elected for a term of one year and until his/her successor is elected and qualified or until his/her earlier death, resignation or removal from office. The Company's Articles of Incorporation and Bylaws provide that the Board may from time to time fix by resolution the number of directors that constitutes the Board, which shall

be not less than five nor more than eleven. The Board has determined by resolution that the number of directors will be fixed at eight for purposes of this election. In accordance with the Company's Articles of Incorporation and Bylaws, two of the eight directors will be elected by a vote of the holders of the Class A Common Stock, voting as a separate class, and the remaining six directors will be elected by a vote of the holders of the Class B Common Stock, voting as a separate class.

TABLE OF CONTENTS

Identification of Directors and Executive Officers

The Board has nominated, and recommends a vote FOR, Ernest E. Ferguson and John R. Lowden as directors to be elected by the holders of the Class A Common Stock and Fred D. Ayers, Ronald B. Freeman, Robert P. Ingle, II, James W. Lanning, Laura Ingle Sharp, and Brenda S. Tudor as directors to be elected by the holders of the Class B Common Stock.

Proxies received by the Board will be voted **For** the election of all of the nominees unless stockholders specify a contrary choice in their proxy. We expect each director nominee to be able to serve if elected. If any director nominee is not able to serve, proxies will be voted for the remainder of those nominated and may be voted for substitute nominees.

TABLE OF CONTENTS

Laura Ingle Sharp

Ms. Sharp has been a director of the Company since February 1997. She has in the past served the Company in several capacities on a full-time and part-time basis. The Company's Laura Lynn private label products are named after Ms. Sharp. Ms. Sharp is 61.

Brenda S. Tudor

Ms. Tudor has served as a director of the Company since December 2014. Ms. Tudor is a certified public accountant. She is President and Chief Financial Officer of Morgan-Keefe Builders, Inc. Ms. Tudor is 61.

Messrs. Ingle, Lanning, Freeman, and Ms. Sharp have been employees and/or directors of the Company, or its subsidiaries, for many years and, as such, are uniquely qualified to serve on the Company's Board of Directors. Messrs. Ayers, Lowden, and Ferguson, and Ms. Tudor provide unique and diverse qualities to our Board of Directors as a result of their backgrounds as senior banking officers, chief investment officer, and corporate executive officer, respectively.

The Company does not have a policy with regard to the consideration of diversity in identifying director nominees.

Robert P. Ingle, II and Laura Ingle Sharp are brother and sister. There are no other family relationships among any of the directors or executive officers of the Company. Based upon the voting power of Mr. Robert P. Ingle, II in the election of directors, the Company meets the definition of a Controlled Company for purposes of the Nasdaq corporate governance rules and thus is exempt from certain of its corporate governance requirements, including the requirement that a majority of the board members be Independent Directors.

Committees of the Board of Directors

The Board had three standing committees during fiscal 2018: an Executive Committee, an Audit/Compensation Committee and a Human Resources Advisory Committee. The Company did not have a separate nominating committee during fiscal 2018. As a Controlled Company under the Nasdaq corporate governance rules, the continued listing requirements of Nasdaq do not require that the Company have a nominating committee.

The Executive Committee. The Executive Committee can exercise the powers of the full Board between meetings of the Board, except for powers that may not be delegated to a committee of the Board under the North Carolina Business Corporation Act. During fiscal 2018, the Executive Committee consisted of Messrs. Robert P. Ingle, II, Ronald B. Freeman and James W. Lanning.

The Audit/Compensation Committee. The Board has established, through the Company's Bylaws, an Audit/Compensation Committee. When acting in its capacity as Audit Committee, this committee acts under the authority of and has the responsibilities described in the Company's Audit Committee Charter. The Audit Committee Charter is available on the Company's website at www.ingles-markets.com. In this capacity, the committee is responsible for, among other things, recommending the engagement of the Company's independent registered public accounting firm, approving the fees and services to be provided by the independent registered public accounting firm, overseeing the independent registered public accounting firm, reviewing and evaluating significant matters relating to the audit and internal controls of the Company, reviewing the scope and results of audits by, and recommendations of, the Company's independent registered public accounting firm and establishing and administering the Company's Related Party Transaction policy. In addition, the committee reviews the audited consolidated financial statements of the Company.

The Committee does not have a separate Compensation Committee charter. When the committee is acting in its capacity as the Compensation Committee, the Board has empowered the committee to:

- approve compensation levels and increases in compensation of each executive officer and of other employees of the Company whose annual base salary is in excess of \$150,000; and
- approve all incentive payments to executive officers and any incentive payments in excess of \$25,000, paid in cash or property, in any calendar year to any other employee that does not work in one of the Company's supermarkets.

TABLE OF CONTENTS

Furthermore, the Committee, when acting as the Compensation Committee, administers the Company's employee benefit plans and other compensation matters where independent, disinterested administration is required by applicable tax or securities laws and regulations. Where such laws or regulations require that grants or awards under a stock-based employee benefit plan be made by the full Board or by a committee of non-employee or outside directors, the Committee or the Board, as appropriate, makes such decisions.

During fiscal 2018, the Audit/Compensation Committee consisted of Messrs. Ayers and Ferguson and Ms. Tudor. The Board has determined that each member of the committee is independent for purposes of the provisions of the Sarbanes-Oxley Act of 2002 and the Nasdaq corporate governance rules regarding audit committees. The Board has also determined that Mr. Ayers, an audit committee financial expert as defined under the rules of the Securities and Exchange Commission, is independent of management of the Company.

The Human Resources Advisory Committee. The Human Resources Advisory Committee was established in August 1998 to oversee certain of the Company's human resources compliance policies and programs. During fiscal 2018, Ms. Sharp and Mr. Freeman served as members of this committee.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

All compensation decisions made during fiscal 2018 that were not made exclusively by the Board or the Audit/Compensation Committee were made by the Chairman of the Board, in certain instances in consultation with the Chief Executive Officer. Messrs. Ayers and Ferguson and Ms. Tudor, who were the members of the Audit/Compensation Committee during fiscal 2018, were not officers or employees of the Company or its subsidiaries during fiscal 2018 or any prior fiscal year. Messrs. Ayers and Ferguson and Ms. Tudor did not have any relationships with the Company that would require disclosure under Transactions With Related Persons.

Meetings of the Board of Directors and Committees

The Board held five formal meetings during fiscal 2018. The Executive Committee held no formal meetings during fiscal 2018, but met periodically on an informal basis. The Audit/Compensation Committee held eight formal meetings during fiscal 2018, and met periodically on an informal basis during Board meetings and as required for other purposes. The Human Resources Advisory Committee held no formal meetings during fiscal 2018, but received updates on human resource issues as needed at quarterly Board meetings. Each director attended at least 75% of all meetings of the Board and of the committees of the Board on which he or she served during fiscal 2018. See Committees of the Board of Directors.

In August 2018, The Board increased the fees paid to its Directors for meetings attended in person from \$1,000 to \$1,250 per meeting. Directors who are not officers of the Company or any of its subsidiaries are paid an annual retainer of \$15,000 plus \$1,250 for each Board or Committee meeting they attend in person. Audit/Compensation Committee members other than the Chairman are also paid an additional annual retainer of \$10,000 for service on such Committee, and the Chairman of the Audit/Compensation Committee is paid an additional annual retainer of \$15,000.

The following director compensation table sets forth, for the fiscal year ended September 29, 2018, the cash compensation paid by the Company to its outside directors. There were no other items of compensation paid to outside directors for the fiscal year ended September 29, 2018. Mr. Lowden was elected to the Board in April, 2018.

TABLE OF CONTENTS

Director Nominations

As noted above, the Company did not have a standing nominating committee in fiscal 2018. Historically, the Board of Directors has not considered a nominating committee necessary in that there have been few vacancies on the Company's Board, and vacancies have been filled through discussions between the Chairman of the Board and the Chief Financial Officer of the Company with input from other Board members as needed. Under the Company's Articles of Incorporation, 25% of the directors of the Company are elected by the holders of Class A Common Stock, voting as a separate class, and the remaining directors are elected by holders of the Class B Common Stock, voting as a separate class. Mr. Ingle II, the Chairman of the Company, is also the majority holder of the outstanding shares of Class B Common Stock as a result of being appointed the trustee with sole voting and dispositive power of trusts established by his father, Robert P. Ingle, in connection with his estate plan.

The Board has not adopted a policy with respect to minimum qualifications for Board members. Conversely, with respect to each individual vacancy, the Board has determined the specific qualifications and skills required to fill that vacancy and to complement the existing qualifications and skills of the other Board members. Historically, the Company has not engaged third parties to assist in identifying and evaluating potential nominees, but would do so in those situations where particular qualifications are required to fill a vacancy and the Board's and management's contacts are not sufficient to identify an appropriate candidate.

Stockholder Communication with Board Members

The Company maintains contact information, both telephone and email, on its website under the heading "Talk to Us." By following the "Talk to Us" link, a stockholder will be given access to the Company's telephone number and mailing address as well as a link for providing email correspondence to Investor Relations. Communications sent to Investor Relations and specifically marked as a communication for the Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone for the Board are forwarded to the Board by an officer of the Company.

Board Member Attendance at Annual Meetings

The Company generally requires that all directors attend the annual meeting of stockholders, absent extraordinary circumstances. All directors except Mr. Lowden attended the annual meeting of stockholders held in April 2018. Mr. Lowden was elected to the Board at that meeting.

Code of Ethics

The Company has adopted a Code of Ethics that applies to its senior financial officers, including without limitation, its Chairman, Chief Executive Officer, Chief Financial Officer and Controller. The full text of the Code of Ethics is published on the Company's website at www.ingles-markets.com under the caption "Corporate." In the event that the Company makes any amendments to, or grants any waivers of, any provision of the Code of Ethics applicable to its principal executive officer, principal financial officer or principal accounting officer, the Company intends to promptly disclose such amendment or waiver on its website.

AUDIT/COMPENSATION COMMITTEE REPORT

The following report of the Audit/Compensation Committee does not constitute soliciting material and should not be deemed filed with the Securities and Exchange Commission nor shall this report be incorporated by reference into any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit/Compensation Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the Company's financial statements and the financial reporting process including the systems of internal controls. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those audited financial statements with generally accepted accounting principles.

In connection with the preparation and filing of the Company's Annual Report on Form 10-K for its fiscal year ended September 29, 2018:

- (1) The Audit/Compensation Committee reviewed and discussed the audited consolidated financial statements with management;
- (2) The Audit/Compensation Committee discussed with a member of Deloitte & Touche LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and
- (3) The Audit/Compensation Committee received the written disclosures and the letter from Deloitte & Touche LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit/Compensation Committee concerning independence and has discussed with Deloitte & Touche LLP its independence.

The Audit/Compensation Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit of the Company's financial statements. The Audit/Compensation Committee meets periodically with the Company's independent registered public accounting firm to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. The Audit/Compensation Committee held eight meetings during fiscal 2018.

Based on the review and discussions referred to above, the Audit/Compensation Committee recommended to the Company's Board of Directors (and the Board approved) that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 29, 2018, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

The following discussion and analysis is intended to provide an understanding of the actual compensation earned by each of the Company's named executive officers (Executive Officers), and describes the Company's compensation objectives and policies as applied to these Executive Officers.

Compensation Philosophy. The objectives of the Company's compensation program are to (1) attract, motivate, develop and retain top quality executives who will drive long-term stockholder value and (2) deliver competitive total compensation packages based upon both Company and individual performance. The Company wants its executives to balance the risks and related opportunities inherent in its industry and in the performance of their duties and share the upside opportunity and the downside risks once actual performance is measured.

The Audit/Compensation Committee is responsible for administering executive compensation. The duties of this committee are set forth under the heading **ELECTION OF DIRECTORS – Committees of the Board of Directors – Audit/Compensation Committee**. To achieve the objectives of the Company's compensation program, the Company's Chief Executive Officer and the Audit/Compensation Committee have set forth a compensation program for its Executive Officers that is reviewed annually. It includes the following elements:

- Base annual cash salary;
- Annual cash incentive bonuses; and
- Retirement, health and other benefits.

The Company does not have any Employment, Change in Control or Severance Agreements with any of its Executive Officers. The Company believes in trust, loyalty and commitment from both the Company and the Executive Officers, and believes that such agreements are not necessary to achieve its goals and the needs of the Executive Officers.

Factors Considered in Determining Compensation. The Company's Chairman of the Board and Chief Executive Officer periodically review the compensation paid by the Company to its Executive Officers and other employees. Based on the Company's general performance and that of the individual Executive Officer, they make final subjective determinations with respect to any changes to be made to that compensation. Bonuses paid to officers of the Company's subsidiary, Milkco, Inc., are based on a percentage of Milkco's earnings before taxes and payment of bonuses.

Neither the full Board nor the Audit/Compensation Committee generally reviews or ratifies the decisions of the Chairman of the Board and Chief Executive Officer relating to executive compensation unless otherwise required by the Company's Bylaws, by resolutions adopted by the Board, or by the North Carolina Business Corporation Act. Decisions are made by the Board or the Audit/Compensation Committee if such decisions require the adoption of documents relating to employee benefit plans or programs. In addition, the

- Audit/Compensation Committee is required by resolution of the Board of Directors to approve any increases in compensation that the Company will pay to an employee whose base salary is in excess of \$150,000, all incentive compensation that the Company will pay to Executive Officers and any incentive payments in excess of \$25,000 that the Company will pay to any other employee who does not work in one of the Company's supermarkets. Certain managers that work in the Company's supermarkets are paid incentive compensation based on each individual store's operating profit. These incentive payments may exceed \$25,000 and are not approved by the Audit/Compensation Committee.

The Internal Revenue Code generally provides that corporate deductions will be disallowed for annual compensation in excess of \$1 million paid to certain executive officers of publicly held corporations. Performance-based compensation is excluded from the cap. The \$1 million compensation deduction cap would be applicable to the

Executive Officers named in the **SUMMARY COMPENSATION TABLE** . The Chairman, Chief Executive Officer and the Audit/Compensation Committee, as appropriate, intend to consider the Internal Revenue Code's compensation deductibility cap when they determine compensation levels and to evaluate appropriate alternatives to mitigate any adverse impact this limitation may have on the deductibility of executive compensation paid by the Company and its subsidiaries.

TABLE OF CONTENTS

Elements of Executive Compensation

Base Salary. Base salary is used to attract and retain Executive Officers and is determined using publically available comparisons with industry competitors and other relevant factors, including the seniority of the individual, the functional role of the position, the level of the individual's responsibility, ability to replace the individual, etc. The information is used subjectively without benchmarking in the determination of base salaries. The base salaries paid to the Executive Officers during fiscal 2018 are shown in the Summary Compensation Table presented in this proxy statement.

Cash Incentive Bonus Awards. Annual cash bonuses are a significant component of each Executive Officer's compensation, reflecting the Company's belief that management's contribution to long-term stockholder returns comes from maximizing earnings and the potential of the Company.

Executive Officers of the Company received a bonus, the amounts of which were subjectively determined taking into consideration Company profitability and the Executive Officer's performance for the fiscal year to which the bonus relates. This subjective determination is made by Mr. Ingle II and Mr. Lanning, and approved by the Audit/Compensation Committee. The bonus paid to Mr. Collins, President of the Company's subsidiary, Milkco, Inc., is based on a percentage of Milkco's earnings before taxes and payment of bonuses. Mr. Collins receives a bonus equal to a percentage of Milkco's earnings before taxes and payment of bonuses, up to a maximum of \$49,950 per year. Based on Milkco's expected financial performance, the Company anticipates Mr. Collins will continue to receive at or near the maximum bonus.

Retirement, Health and Other Benefits.

Investment/Profit Sharing Plan. The Company maintains the Ingles Markets, Incorporated Investment/Profit Sharing Plan (the Profit Sharing Plan) to provide retirement benefits to eligible employees, including Executive Officers. The Profit Sharing Plan includes 401(k) employee elective contributions, discretionary employer matching contributions and discretionary profit sharing contribution features. The assets of the Profit Sharing Plan are held in trust for participants and are distributed upon the retirement, disability, death, in-service following age 59 ½ (upon request) or other termination of employment of the participant. Quarterly, the Company, in its discretion, determines the amount of any Company profit sharing contributions and the amount of any matching contributions to be made based on participants' 401(k) contributions for the quarter. During fiscal 2018, the Company matched employee contributions at a rate of \$0.50 for each dollar of employee contributions up to 5% of the employee's salary.

Employees who participate in the Profit Sharing Plan may contribute to their 401(k) account between 1% and 50% (in increments of 1%) of their compensation by way of salary reductions that cannot exceed a maximum amount that varies annually in accordance with the Internal Revenue Code. Highly compensated participants are limited to 3%. The Company also makes available to Profit Sharing Plan participants the ability to direct the investment of their 401(k) accounts (including the Company's matching contributions) in various investment funds, including a fund holding Class A Common Stock of the Company.

The Company did not make a discretionary profit sharing contribution to the Profit Sharing Plan for fiscal 2018.

Company discretionary employer matching cash contributions to the Profit Sharing Plan totaled \$2.8 million for fiscal 2018. These contributions were allocated to the matching contribution accounts in each participant's 401(k) account. The Company's contributions to each of the Executive Officers are reflected in the Summary Compensation Table. As of September 29, 2018, all of the Executive Officers who are named in the Summary Compensation Table were 100% vested in their accounts. Participants' interests in employer contributions allocated to their accounts vest over six years.

Nonqualified Investment Plan. The Company maintains an Executive Nonqualified Excess Plan to provide benefits similar to the Investment/Profit Sharing Plan to certain of the Company's management employees and pharmacists (in the Company's stores) who are otherwise limited in their employee elective contributions under the 401(k) feature of the Profit Sharing Plan. Employees who participate in the Executive Nonqualified Excess Plan may contribute between one percent and seventy-five percent of base pay and up to one hundred percent of bonus pay (in increments of one percent) of their compensation by way of salary reductions. In addition, the Company may make discretionary matching contributions. The Company's contributions to each of the Executive Officers are reflected in the Summary Compensation Table. During fiscal 2018, the Company matched employee contributions at a rate of

TABLE OF CONTENTS

\$0.50 for each dollar of employee contributions up to 2% of the employee's earnings. As of September 29, 2018, all of the Executive Officers who are named in the Summary Compensation Table were 100% vested in their accounts. Participants' interests in contributions allocated to their accounts vest over six years. Company contributions to the Plan were approximately \$215,000 in fiscal 2018.

Insurance. The Company currently makes available to its Executive Officers and all employees a comprehensive health, dental, vision, life and disability insurance program. The health care insurance offers a variety of coverage options, at the employee's discretion. The Company maintains, at its expense, for the benefit of each of its full-time employees life insurance policies in amounts up to \$150,000 based on the compensation of the employee. The premiums paid by the Company for the benefit of Executive Officers are included in the Summary Compensation Table.

Management of Compensation – Related Risk

The Company's Board of Directors has considered and determined that risks arising from the Company's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

Audit/Compensation Committee Report on Executive Compensation

The Audit/Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth above in this Proxy Statement. Based on such review, the related discussions and such other matters deemed relevant and appropriate by the Audit/Compensation Committee, the Audit/Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and in the Company's Annual Report on Form 10-K for the year ended September 29, 2018.

CEO Pay Ratio

SEC rules require the Company to disclose the total annual compensation of James W. Lanning, our Chief Executive Officer (CEO), the median of the total annual compensation of all employees other than Mr. Lanning (Median Annual Compensation), as well as their ratio to each other (referred to as the CEO pay ratio) based on data as of September 29, 2018 (the Determination Date). Our employee population consists of a number of part-time employees, most of them compensated on an hourly basis. As noted in our Form 10-K for the fiscal year ended September 29, 2018, approximately 62% of the Company s employees work on a part-time basis. The Company s median employee for fiscal 2018 was a part-time, hourly employee that was paid for less than forty hours during the week containing the Determination Date.

TABLE OF CONTENTS

For fiscal 2018:

- Mr. Lanning's total compensation: \$1,199,679
- Median Annual Compensation: \$17,119
- Ratio of CEO total compensation to Median Annual Compensation: 70:1

This CEO pay ratio is a reasonable estimate calculated in good faith, in a manner consistent with Item 402(u) of Regulation S-K. To identify the Median Annual Compensation we took the following steps:

- For the week ending with the Determination Date 22,845 active employees received cash compensation. This population consisted of full-time, part-time and temporary employees for the Company and all of its subsidiaries.
- The Company used gross wages including salary, wages, overtime and any other cash compensation for the week ending the determination date to identify the median employee.
- For this employee, we multiplied the weekly wages by 52 weeks to determine Median Annual Compensation of \$17,119.
- We calculated the CEO pay ratio taking into account that CEO compensation includes amounts other than weekly salary.

SEC rules for the CEO pay ratio allow companies to adopt a variety of methodologies and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the CEO pay ratio reported by other companies may not be comparable to what the Company reports.

TABLE OF CONTENTS**SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS**

Except where indicated in the footnotes below, the following table sets forth the number of shares of Class A Common Stock and Class B Common Stock owned beneficially as of September 29, 2018, by each director and nominee for director, each of the executive officers of the Company named in the Summary Compensation Table, all directors and executive officers as a group and each person known by the Company to be a beneficial owner of more than five percent (5%) of either class of the outstanding Common Stock. The table also sets forth the percentage of each class of Common Stock held by such stockholders. As of September 29, 2018, there were 14,145,385 shares of Class A Common Stock and 6,114,391 shares of Class B Common Stock outstanding. Except as otherwise indicated, each beneficial owner has sole voting and investment power with respect to the Common Stock listed.

(1) The address of this beneficial owner is P.O. Box 6676, Asheville, North Carolina 28816.

(2) Each share of Class B Common Stock is convertible, at any time at the option of the holder, into one share of Class A Common Stock. If the holder of any shares of Class B Common Stock transfers the shares to anyone other than a qualified transferee as defined in the Company's Articles of Incorporation, then each share of Class B Common Stock will automatically convert into a share of Class A Common Stock. Accordingly, for each holder of Class B Common Stock the number of shares and percentage of Class A Common Stock set forth in this table also reflect the Class A Common Stock into which such stockholder's shares of Class B Common Stock are

convertible. However, these converted shares are not used to calculate such percentages for any other stockholder in this table. The number of shares and percentage of Class A Common Stock held by all directors and executive officers as a group also reflects the conversion into Class A Common Stock of each share of Class B Common Stock held by each director and executive officer. Because the Class B Common Stock converts into Class A Common Stock on a one to one basis, the number of shares of Class B Common Stock noted in the table above also represents the number of shares of Class A Common Stock each holder would beneficially own upon conversion of the Class B Common Stock beneficially owned by them.

- (3) Includes the 235,649 shares of Class B Common Stock and 6,000 shares of Class A Common Stock held by the Company's Investment/Profit Sharing Plan and Trust, of which Messrs. Ingle II, Freeman and Lanning disclaim beneficial ownership of such shares.

TABLE OF CONTENTS**TRANSACTIONS WITH RELATED PERSONS**

The Company monitors certain relationships and related party transactions by requiring each director and executive officer to notify the Company's Chief Financial Officer and Executive Committee in advance of any upcoming transactions that may be considered a transaction with a related person. The Company has adopted a formal Related Party Transactions policy to ensure compliance with the above guidelines, Nasdaq rules, and SEC regulations. In addition, each director and executive officer completes an annual questionnaire to disclose any transactions with related persons.

The Company will from time to time make short-term, non-interest bearing loans to the Company's Investment/Profit Sharing Plan to allow the Plan to meet distribution obligations during a time when the Plan was prohibited from selling shares of the Company's Class A Common Stock. During fiscal 2018, there were no loans or repayments. As of the date of this filing, there were no loans outstanding.

The Company will from time to time purchase from the Plan shares of the Company's Class B Common Stock to meet distribution obligations of the Plan. There were no such transactions during fiscal 2018. The per share purchase price for these transactions is equal to the closing sales price of the Company's Class A Common Stock on the Nasdaq Global Select Market for the day prior to the purchase.

The Company believes that the transactions described above have been and will continue to be on terms no less favorable to the Company than those available from unaffiliated third parties in transactions negotiated at arms-length. The Company does not intend to enter into any transactions in the future with or involving any of its executive officers or directors or any members of their immediate family on terms that would be less favorable to the Company than those that would be available from unaffiliated third parties in arms-length transactions.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche LLP has served as the independent registered public accounting firm for the Company and its subsidiaries since February 27, 2012. The Company had no disagreements with Deloitte & Touche LLP on accounting and financial disclosures. Deloitte & Touche LLP's work on the Company's audit for fiscal year 2018 was performed by full-time, permanent employees and partners of the firm. Representatives of Deloitte & Touche LLP are expected to be present at the 2019 Annual Meeting. These representatives will have the opportunity to make a statement if they desire to do so and will respond to appropriate stockholder questions.

The Company has appointed Deloitte & Touche LLP as the independent registered public accounting firm to audit the Company's fiscal 2019 financial statements.

Principal Accountant Fees and Services

As reflected in the tables below, the Company incurred fees in fiscal years 2018 and 2017 for services performed by Deloitte & Touche LLP related to such periods.

Deloitte & Touche LLP

	Year Ended September 29, 2018	Year Ended September 30, 2017

Audit-related Fees	—	—

Tax Fees		—		—
All Other Fees		—		—
Total Fees	\$	930,000	\$	918,000

In the above tables:

Audit-related fees are fees for services performed during the respective years by the independent registered accounting firm for assurance and related services not reported under the caption Audit Fees in the tables above.

TABLE OF CONTENTS

Tax fees are fees for services performed during the respective years by the independent registered public accounting firm for professional services related to certain tax compliance, tax advice, and tax planning; and

All other fees are fees for any other services performed during the respective years.

The Company's Audit/Compensation Committee pre-approved all services described above for fiscal 2018, including non-audit services, and has determined that these fees and services are compatible with maintaining the independence of Deloitte & Touche LLP. The Company's Audit/Compensation Committee requires that each service provided by Deloitte & Touche LLP be pre-approved by the committee. However, the Committee has empowered the chair of the committee to grant such approval on its behalf as to matters that arise between Audit/Compensation Committee meetings.

STOCKHOLDER PROPOSAL TO GIVE EACH SHARE ONE EQUAL VOTE

The following proposal and supporting statement were submitted by a stockholder, the name and stockholdings of which will be furnished promptly to any stockholder upon written or oral request to the Company's Secretary at the Company's executive offices, with the intention of presenting it for vote at the Annual Meeting:

STOCKHOLDER PROPOSAL

Proposal 2 – Give Each Share One Equal Vote

RESOLVED: Shareholders request that our Board take steps to ensure that all our company's outstanding stock has one-vote per share in each voting situation. This would encompass all practicable steps including encouragement and negotiation with shareholders who have more than one vote per share (and their successors and/or heirs), to request that they relinquish, for the common good of all shareholders, any preexisting rights, if necessary.

This proposal is not intended to unnecessarily limit our Board's judgment in crafting the requested change in accordance with applicable laws and existing contracts. This proposal is important because certain shares have super-sized voting power with 10-votes per share compared to the fleeting one-vote per share for other shareholders.

With stock having 10-times more voting power Ingles Markets takes shareholder money from independent shareholders but does not give these shareholders in return an equal voice in company management. Without a voice, shareholders cannot hold management accountable.

Conditions at Ingles Markets lend more urgency to this proposal:

The Board of Directors had only 2 independent directors. Plus these 2 directors were either beyond age 70 or well beyond age 70. Ingles Markets was the only board of significance that either director currently served on.

Furthermore these 2 directors were paid only \$34,000 a year which hardly gives them any incentive to stand up to the vast majority of directors who are insiders or insider related.

Five directors each had from 12 to 21 years long tenure. Long tenure is a strike against director independence and director openness to innovative business strategies.

The impact of such an entrenched board can also be particularly damaging to sustainable shareholder interests during periods of extended underperformance.

Ingles Markets has takeover defenses that lead to a high level of concern for minority shareholders.

There were potential concerns regarding material internal control weaknesses.

Please protect shareholder value:

Give Each Share One Equal Vote – Proposal 2

STATEMENT OF OPPOSITION

The Board recommends a vote AGAINST the stockholder proposal, and proxies received by the Company will be so voted unless stockholders specify a contrary choice in their proxies.

The Board has given the stockholder proposal careful consideration and believes that it should not be implemented.

TABLE OF CONTENTS

The voting powers, preferences and relative rights of Class A Common Stock and Class B Common Stock are identical in all respects, except that each share of Class A Common Stock is entitled to receive a cash dividend and liquidation payment in an amount equal to 110% of any cash dividend or liquidation payment on Class B Common Stock and the holders of Class A Common Stock have one vote per share and the holders of Class B Common Stock have ten votes per share.

The Company has had two classes of common stock since it became a publicly traded company in September 1987, giving Class A shareholders over 31 years to balance the risks and rewards of stock ownership in the Company, including receiving higher dividends versus lesser voting control compared to Class B shareholders. Class A stockholders have received 10% more cash dividends than Class B stockholders for every quarterly cash dividend since becoming a publicly traded company in September 1987.

Over the years, Management's focus has been to serve the interests of its customers, employees and holders of both Class A and Class B Common Stock, with no preference to one stockholder group over any other.

Robert P. Ingle II has informed the Company that he, in his capacity as a stockholder, intends to vote against the stockholder proposal. Mr. Ingle II controls approximately 75% of the outstanding voting power. If Mr. Ingle II does vote against the proposal, it will not receive a sufficient number of favorable votes to be approved.

OTHER MATTERS

Solicitation of Proxies

The Company will solicit proxies for the Annual Meeting and will bear the cost of internet availability of documents, voting over the internet and for all other costs associated with assembling, printing, mailing and soliciting proxy solicitation materials. The Company's officers and regular employees may also solicit proxies in person or by telephone, but they will not be specially compensated for such services. The Company's regularly retained investor relations firm, Corporate Communications, Inc., may also solicit proxies by internet, telephone and mail. The Company will not pay Corporate Communications, Inc. a separate fee for any such proxy solicitations. The Company will reimburse brokerage firms and other nominees, custodians and fiduciaries for the reasonable out-of-pocket expenses they incur in forwarding proxy solicitation materials to the beneficial owners of Common Stock held of record by them.

Stockholders' Proposals for the 2020 Annual Meeting

The Company plans to hold its 2020 Annual Meeting of Stockholders in February of 2020. Any proposal that a stockholder wants to be presented at the 2020 Annual Meeting of Stockholders must be received by the Secretary no later than September 3, 2019 or the proposal will automatically be excluded from proxy materials for that meeting. Such proposals must be received by the Secretary at the Company's principal office, the address of which is set forth in this Proxy Statement, and must meet the requirements of the regulations of the Securities and Exchange Commission to be eligible to be included in the proxy materials for the Company's 2020 Annual Meeting.

Further, any stockholder proposal for which the Company does not receive notice on or before November 15, 2019 shall be subject to the discretionary vote of the proxy holders at the 2020 Annual Meeting of Stockholders.

Action on Other Matters at the 2019 Annual Meeting

If notice of a stockholder proposal that has not been submitted to be included in this Proxy Statement was not received by the Company on or before November 15, 2018, the persons named in the enclosed form of proxy will have

discretionary authority to vote all proxies with respect thereto in accordance with their best judgment.

At this time, the Company does not know of any matters to be presented for action at the 2019 Annual Meeting other than those listed in the Notice of Annual Meeting of Stockholders and contained in this Proxy Statement. If any other matter comes before the Annual Meeting, it is intended that the persons who are named in the proxies will vote the shares represented by effective proxies in their discretion.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the Company is required to identify any Reporting Person (as defined below) that failed to file on a timely basis with the Securities and Exchange Commission any report that was required to be filed during fiscal 2018 with the SEC pursuant to Section 16(a) of the Exchange Act. Such required

TABLE OF CONTENTS

filings include a Form 3 (an initial report of beneficial ownership of Common Stock) and a Form 4 and Form 5 (which reflect changes in beneficial ownership of Common Stock). For purposes of this Proxy Statement, a Reporting Person is a person who at any time during fiscal year 2017 was (a) a director of the Company, (b) an executive officer of the Company or its subsidiaries, or (c) a holder of more than 10% of the Company's outstanding Class A Common Stock or Class B Common Stock. The Company believes that during fiscal year 2017, its Reporting Persons complied with all Section 16(a) filing requirements. In making this statement, the Company has relied solely upon an examination of the copies of Forms 3, 4 and 5, and amendments thereto, provided to the Company and the written representations of its Reporting Persons.

Availability of Form 10-K

Upon written request, the Company will provide, without charge, to stockholders that are entitled to receive this Proxy Statement a copy of the Company's Annual Report on Form 10-K for the fiscal year ended September 29, 2018, as filed with the Securities and Exchange Commission (including the financial statements and related schedules, but not including the exhibits thereto, which will be provided upon written request at the stockholder's expense).
