**INFORMATION STATEMENT
PURSUANT TO SECTION 14(f) OF
THE SECURITIES EXCHANGE ACT OF 1934
AND RULE 14f-1 THEREUNDER**

GENERAL

This notification (Information Statement) is being delivered on or about October 17, 2005 (the Notice Date) to all holders of record as of September 15, 2005 of common stock, par value \$0.001 per share (the Common Stock) of NuWave Technologies, Inc., a Delaware corporation (NuWave or the Company) in compliance with Section 14(f) of the Securities Exchange Act of 1934, as amended (the Exchange Act) and Rule 14f-1 promulgated thereunder.

The purpose of this Information Statement is to inform the Company s shareholders of a change in control pursuant to a certain merger agreement (the Merger Agreement), effective as of August 31, 2005, by and among the Company, the Company s wholly-owned subsidiary Strategies Acquisition Corp. (SPV), Corporate Strategies, Inc. (Strategies) and each shareholder of Strategies (collectively, the Shareholders). You are receiving this Information Statement in connection with the nomination of persons to be appointed to the Company s Board of Directors (the Board) pursuant to the Merger Agreement. The resignation of the existing Directors and appointment of the new Directors will become effective ten (10) days following the Notice Date.

CHANGE IN CONTROL

As described above, on August 31, 2005 the Company entered into a Merger Agreement whereby SPV, a wholly-owned subsidiary of the Company, merged with and into Strategies, with Strategies remaining as the surviving corporation and continuing its corporate existence under the laws of the State of Delaware and as a wholly-owned subsidiary of the Company (the Merger). The separate existence of SPV has ceased.

Pursuant to the terms of the Merger Agreement, the Company issued one (1) share of its Common Stock to each Strategies Class A common stock holder in exchange for two (2) shares of Strategies Class A common stock, par value \$0.001 per share. Second, the Company issued one (1) share of the Company s Series C preferred stock (Series C Preferred), par value \$0.01 per share, to each Strategies Series A preferred stock holder for one (1) share of Strategies Series A preferred stock, par value \$0.001 per share.

Third, the Company issued and delivered shares of its Series B convertible preferred stock (Series B Preferred), par value \$0.01 per share, to each Strategies Class B common stock holder so that effectively upon conversion of the Series B Preferred into Common Stock, the Common Stock issued upon conversion shall be equal to ninety-five percent (95%) of the issued and outstanding capital stock of the Company (calculated on a fully diluted basis as of the date of the Merger, following the issuance of all the Merger Consideration (as such term is defined in the Merger Agreement) and after giving effect to such conversion, but not including any shares of Common Stock issuable upon conversion of any then outstanding NuWave convertible debentures). Therefore, the Merger Consideration for the Common Stock, Series C Preferred and Series B Preferred was the Strategies Class A common, Series A preferred and Class B common, respectively. The number of shares issued to the Shareholders in connection with the Merger was based upon a determination by the Board that the transaction was in the best interest of the Company and its shareholders.

Furthermore, Mr. George D. Kanakis has resigned as the sole officer of the Company, effective August 31, 2005. Mr. Timothy J. Connolly and Mr. A.P. Shukis have replaced him as Chief Executive Officer and as Chief Financial

Officer, respectively. Messrs. Kanakis and Gary H. Giannantonio have resigned as the Company's Directors pending the effectiveness of this Information Statement. Mr. Fred S. Zeidman has been nominated to be the Company's new Chairman and Mr. Connolly has been nominated to be the new Vice Chairman of the Board. Subsequent to the Merger, the Company also entered into an employment agreement with Mr. Tobin Smith on September 15, 2005 to serve as Chief Investment Officer, effective as of September 15, 2005, and as a member of the Board of the Company. The changes to the Board, including the appointment of Mr. Smith, are to be effective ten (10) business days following the Notice Date. The exchange for the shares was consummated on August 31, 2005 and therefore Messrs. Zeidman and Connolly may be considered to control the Company as of that date.

**YOU ARE URGED TO READ THIS INFORMATION STATEMENT CAREFULLY.
YOU ARE NOT, HOWEVER, REQUIRED TO TAKE ANY ACTION.**

VOTING SECURITIES OF THE COMPANY

On September 1, 2005 there were 22,710,816 shares of Common Stock, 100,000 shares of Series B Preferred and 570.199 shares of Series C Preferred stock issued and outstanding. There were no shares of Series A preferred stock outstanding.

Each share of Common Stock entitles the holder thereof to one (1) vote on each matter which may come before a meeting of the Company's shareholders.

As a class, the holders of the Company's Series B Preferred shall, collectively, be entitled to cast a number of votes equal to ninety-five percent (95%) of the outstanding capital stock of the Company multiplied by ten (10) on all matters submitted to the shareholders of the Company for approval, which votes shall be distributed among the holders of Series B Preferred on a pro rata basis based upon the number of shares of Series B Preferred held by such respective holders. The holders of shares of the Series B Preferred shall be entitled to vote on all matters on which the Common Stock shall be entitled to vote. Holders of Series B Preferred shall be entitled to notice of any shareholders meeting in accordance with the Bylaws of the Company. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula (after aggregating all shares into which shares of Series B Preferred held by each holder could be converted), shall be disregarded.

The Series C Preferred shares have no voting rights, except as required under Delaware General Corporation Law.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of each class of the Company's voting securities on August 30, 2005, immediately prior to the Merger, by (a) each person known by the Company to be the beneficial owner of more than five percent (5%) of the Company's outstanding voting securities, (b) each of the Company's Directors, (c) each of the Company's executive officers and (d) all Directors and executive officers as a group. Each person named in the table has sole voting and investment power with respect to all shares shown as beneficially owned by such person.

(1)

Applicable percentage of ownership is based on 2,770,816 shares of Common Stock outstanding on August 30, 2005 for each shareholder. Beneficial ownership is determined in accordance within the rules of the SEC and generally includes voting of investment power with respect to securities. Shares of Common Stock subject to securities exercisable or convertible into shares of Common Stock that are currently exercisable or exercisable within sixty (60) days of August 30, 2005 are deemed to be beneficially owned by the person holding such options for the purpose of

computing the percentage of ownership of such persons, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

(2)

Includes 75,000 shares granted to Mr. Kanakis in connection with his employment agreement.

(3)

These represent the approximate number of shares underlying convertible debentures at an assumed price of \$0.040 per share (i.e., 80% of a recent price of \$0.05 per share), subject to an ownership limitation of 9.9% contained in the convertible debentures. Because the conversion price will fluctuate based on the market price of the Company's stock, the actual number of shares to be issued upon conversion of the debentures may be higher or lower.

The following table sets forth information regarding the post-Merger beneficial ownership of each class of the Company's voting securities on September 1, 2005, by (a) each person known by the Company to be the beneficial owner of more than five percent (5%) of the Company's outstanding voting securities, (b) each of the Company's current and proposed Directors, (c) each of the Company's executive officers and (d) all current and proposed Directors and executive officers as a group. CERTAIN BUSINESS RELATIONSHIPS & RELATED TRANSACTIONS

Except as disclosed herein, none of the Company's Directors or executive officers, nor any proposed Director, nor any person who beneficially owns, directly or indirectly, shares carrying more than five percent (5%) of the voting rights attached to all of the Company's outstanding shares, nor any member of the immediate family of any of the foregoing persons has any material interest, direct or indirect, in any transaction since the Company's incorporation or in any presently proposed transaction which, in either case, has or will materially affect the Company.

On December 22, 2003, the Company's wholly-owned subsidiary Lehigh Acquisition Corp. (Lehigh) acquired a parcel of land in New Jersey for a purchase price of \$4,950,000, basing the purchase price on an independent commercial appraisal. Lehigh intends to develop and then sell the parcel. Lehigh acquired the parcel from Stone Street Asset Management LLC (Stone Street), a Company under common ownership and control with Cornell Capital Partners, LP (Cornell). In connection with the purchase of the parcel, the Company incurred debt obligations consisting of a \$3,300,000 convertible debenture to Cornell, which was subsequently terminated and replaced on January 26, 2005 with a \$3,481,273 non-convertible promissory note, which includes (a) accrued interest of \$181,273, (b) \$250,000 of convertible debentures to unrelated parties and (c) a \$1,400,000 note payable, as amended, to Stone Street, which was subsequently assigned to Cornell on January 26, 2005. As a result of Stone Street's relationship with Cornell, the Company has recorded land at the cost basis recorded by Stone Street of approximately \$2,915,000. In

November 2004, Lehigh sold a twenty percent (20%) fee simple interest in its land held for development and sale as a tenant in common to an entity which is a related party to Michael Kesselbrenner, a current holder of the Company's convertible debentures.

Effective July, 2004, the Company entered into a lease agreement for 3,580 square feet of corporate office tower space in Jersey City, New Jersey for a term of five (5) years. The Company incurs a net cost of approximately \$10,000 per month for this space, when combining the rent and other costs such as utilities, taxes and maintenance. The Company's obligations under this lease are guaranteed by Yorkville Advisors Management, LLC (Yorkville). Yorkville is related to Cornell, a related party to the Company.

At December 31, 2004, the Company's investment in marketable securities-available-for-sale represents an investment in the common stock of an affiliate of Cornell.

To the Company's knowledge, as of the date of this Information Statement, all applicable 16(a) filing requirements have been complied with and filed timely.

The Company does not have a standing nominating committee or a committee performing similar functions. It is the view of the Board that it is appropriate for the Company not to have such a committee because the Company only has two (2) Directors and Messrs. Kanakis and Giannantonio are the only individuals who participate in the consideration of Director nominees. The Company's two (2) Directors perform the functions of a nominating committee.

The Company does not have a compensation committee or a committee performing similar functions. It is the view of the Board that it is appropriate for the Company not to have such a committee because the Company only has two (2) Directors and Messrs.
