ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On May 30, 2006, USCorp. ("USCorp" or the "Company") entered into an Investment Agreement with Dutchess Private Equities Fund, L.P. (the "Investor"). Pursuant to this Agreement, the Investor shall commit to purchase up to \$10,000,000 of our common stock over the course of thirty-six (36) months. The amount that USCorp shall be entitled to request from each purchase ("Puts") shall be equal to, at USCorp's election, either (i) \$250,000 or; (ii) two hundred percent (200%) of the average daily volume (U.S. market only) of our common stock for the ten (10) trading days prior to the applicable put notice date, multiplied by the average of the three (3) daily closing bid prices immediately preceding the put date. The put date shall be the date that the Investor receives a put notice of a draw down by the Company. The purchase price shall be set at ninety-five percent (95%) of the lowest closing highest posted bid price of the common stock during the pricing period. The pricing period shall be the five (5) consecutive trading days immediately after the put date. There are put restrictions applied on days between the put date and the closing date with respect to that particular Put. During this time, USCorp shall not be entitled to deliver another put notice. Further, the Company shall reserve the right to withdraw that portion of the "Put" that is below seventy-five percent (75%) of the lowest closing bid prices for the ten (10) trading day period immediately preceding each put notice.

We are obligated to file a registration statement with the Securities and Exchange Commission ("SEC") covering the shares of common stock underlying the Investment Agreement within thirty (30) days after the closing date. In addition, we are obligated to use all commercially reasonable efforts to have the registration statement declared effective by the SEC within one hundred and twenty (120) days after the filing of the registration statement.

We claim an exemption from the registration requirements of the Securities Act of 1933, as amended (the "Act") for the private placement of these securities pursuant to Section 4(2) of the Act and/or Rule 506 of Regulation D promulgated thereunder since, among other things, the transaction did not involve a public offering, the Investor was an "accredited investor" and/or qualified institutional buyers, the Investor had access to information about the Company and its investment, the Investor took the securities for investment and not resale, and we took appropriate measures to restrict the transfer of the securities.
