Item 8.01. Other Events.

We had previously disclosed in Item 1A of our Form 10-K for the fiscal year ended December 31, 2005 that the Public Company Accounting Oversight Board (“PCAOB”) conducted an annual inspection of BDO Seidman, LLP (BDO) and in doing so, inspected BDO's audit of our financial statements for the year ended December 31, 2004. We also disclosed that after the completion of their inspection, the PCAOB staff informed BDO they differ with our accounting for forfeitable shares of stock issued in connection with one of our acquisitions in 2004 and had referred the matter to its Board. In September 2006, BDO informed us that the PCAOB reached a final conclusion on this issue and continued to differ with our accounting for forfeitable shares for the acquisition described above. As a result, we consulted on this matter with the staff of the Securities and Exchange Commission (SEC) under the established guidelines for “Consulting with the Office of the Chief Accountant.” The SEC has concluded their review under this process and indicated that they will not require us to amend or restate our prior public filings for this specific issue described above. This matter is now closed and the Company is not anticipating further review of this matter by any regulatory authority.
