To be Held on June 1, 2007**

GENERAL PROXY INFORMATION

SOLICITATION OF PROXIES

This Proxy Statement and Management Information Circular (the Circular) is furnished in connection with the solicitation of proxies by the management of MDC Partners Inc. (MDC Partners) for use at the annual and special meeting of shareholders of MDC Partners to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual and Special Meeting of Shareholders, and any adjournments thereof.

Such meeting is hereinafter referred to as the **Meeting** . The information contained in this Circular is given as of the date hereof, except as otherwise noted herein. The address of the registered and principal executive office of MDC Partners is 45 Hazelton Avenue, Toronto, Ontario M5R 2E3. This Circular, the accompanying notice and the enclosed form of proxy are expected to first be mailed to shareholders on or about Monday, April 30, 2007.

Management expects that proxies will be solicited primarily by mail. Employees of MDC Partners or persons retained by MDC Partners for that purpose may also solicit proxies personally or by telephone. If a holder holds his, her or its shares in the name of a bank, broker or other nominee, see **Beneficial Owners** below.

MANNER IN WHICH PROXIES WILL BE VOTED

The shares represented by the accompanying form of proxy, if the same is properly executed in favor of Messrs. Nadal and Gendel, the management nominees, and received at the offices of CIBC Mellon Trust Company, Attn: Proxy Department, 200 Queen s Quay East, Unit 6, Toronto, Ontario M5A 4K9 (the **Transfer Agent**) not later than 4:30 p.m. (Eastern Daylight Time) on Wednesday, May 30, 2007 (or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting), will be voted or withheld from voting at the Meeting and, subject to Section 152 of the *Canada Business Corporations Act*, where a choice is specified in respect of any matter to be acted upon, will be voted in accordance with the specifications made. **In the absence of such a specification, such shares will be voted FOR the election of all eight nominees for the Board of Directors of MDC Partners; FOR the appointment of BDO Seidman, LLP as auditors of MDC Partners and to authorize the directors to fix their remuneration; and FOR the approval of the proposed amendments to the 2005 Stock Incentive Plan.**

The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the accompanying Notice of Annual and Special Meeting of Shareholders, and with respect to other matters which may properly come before the Meeting. At the date hereof, management knows of no such amendments, variations or other matters.

At any meeting of shareholders (including the 2007 Annual and Special Meeting of Shareholders), a quorum for the transaction of business will be not less than 33 1/3% of the shares entitled to vote at the meeting, represented either in person or by proxy. Only a shareholder of record at the close of business on April 12, 2007 (the **record date**) will be entitled to vote, or grant proxies to vote, such Class A Subordinate Voting Shares or Class B Shares at the Meeting (subject, in the case of voting by proxy, to the timely deposit of his or her executed form of proxy as described herein).

Edgar Filing: MDC PARTNERS INC - Form DEF 14A

All matters (other than the resolution relating to the 2005 Stock Incentive Plan) are ordinary resolutions which must be passed by at least a majority of the votes cast by shareholders present in person or represented by proxy who voted in respect of the ordinary resolution at the Meeting. The resolution relating to the 2005 Stock Incentive Plan

must be passed by at least a majority of the votes cast by shareholders present in person or represented by proxy who voted in respect of that resolution at the Meeting, excluding votes attaching to shares beneficially held by individuals who will be entitled to receive shares under the 2005 Stock Incentive Plan and who are insiders of MDC Partners or associates of insiders of MDC Partners. An automated system administered by the Transfer Agent tabulates the votes.

ALTERNATE PROXY

Each shareholder has the right to appoint a person other than the persons named in the accompanying form of proxy, who need not be a shareholder, to attend and act for him or her and on his or her behalf at the Meeting. Any shareholder wishing to exercise such right may do so by inserting in the blank space provided in the accompanying form of proxy the name of the person whom such shareholder wishes to appoint as proxy and by duly depositing such proxy, or by duly completing and depositing another proper form of proxy and depositing the same with the Transfer Agent at the address and within the time specified under **Manner In Which Proxies Will Be Voted** above.

REVOCABILITY OF PROXY

A shareholder giving a proxy has the power to revoke it. Such revocation may be made by the shareholder by duly executing another form of proxy bearing a later date and duly depositing the same before the specified time, or may be made by written instrument revoking such proxy executed by the shareholder or by his or her attorney authorized in writing or, if the shareholder is a body corporate, by an officer or attorney thereof duly authorized, and deposited either at the corporate office of MDC Partners, 45 Hazelton Avenue, Toronto, Ontario M5R 2E3 at any time up to and including 4:30 p.m. (Eastern Daylight Time) on the last business day preceding the date of the Meeting or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting or any adjournment thereof. If such written instrument is deposited with the chairman of the Meeting on the day of the Meeting or any adjournment thereof, such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

BENEFICIAL OWNERS

Most shareholders are beneficial owners who are non-registered shareholders. Their shares are registered in the name of an intermediary, such as a securities broker, financial institution, trustee, custodian or other nominee who holds the shares on their behalf, or in the name of a clearing agency in which the intermediary is a participant (such as The Canadian Depository for Securities Limited). Intermediaries have obligations to forward meeting materials to the non-registered holders, unless otherwise instructed by the holder (and as required by regulation in some cases, despite such instructions).

Only registered shareholders or their duly appointed proxyholders are permitted to vote at the Meeting. Non-registered holders should follow the directions of their intermediaries with respect to the procedures to be followed for voting. Generally, intermediaries will provide non-registered holders with either: (a) a voting instruction form for completion and execution by the non-registered holder, or (b) a proxy form, executed by the intermediary and restricted to the number of shares owned by the non-registered holder, but otherwise uncompleted. These are procedures to permit the non-registered holders to direct the voting of the shares that they beneficially own.

If the non-registered holder wishes to attend and vote in person at the meeting, they must insert their own name in the space provided for the appointment of a proxyholder on the voting instruction form or proxy form provided by the intermediary and carefully follow the intermediary's instructions for return of the executed form or other method of response.

Information about the Board and Corporate Governance

The Board oversees the management of the business and affairs of MDC Partners as provided by Canadian law. The Board conducts its business through meetings of the Board and three standing committees: the Audit Committee, the Human Resources & Compensation Committee and the Nominating and Corporate Governance Committee. In August 2006, the Board formed a Special Committee of two independent directors for the purpose of conducting an internal review of the Company's historical option grant process. Upon completion of the Special Committee's review, the Board formed an Oversight Committee of four independent directors for the purpose of overseeing the implementation of the Special Committee's recommendations.

The Board has established guidelines for determining director independence, and all current directors, with the exception of Messrs. Nadal, Berns and Pustil, have been determined by the Board to be independent.

MDC Partners has also adopted a written **Code of Conduct** in order to help directors, officers and employees resolve ethical issues in an increasingly complex business environment. The Code applies to all directors, officers and employees, including the Chief Executive Officer, the President and Chief Financial Officer, the Chief Accounting Officer and any other employee with any responsibility for the preparation and filing of documents with the Securities and Exchange Commission. The Code covers topics including, but not limited to, conflicts of interest, confidentiality of information and compliance with laws. In addition, the Board of MDC Partners adopted in 2006 a set of **Corporate Governance Guidelines** as a framework within which the Board and its committees conduct business.

The Company's Corporate Governance Guidelines contain a majority vote provision, which requires that a director nominee who receives, in an uncontested election, a number of votes withheld that is greater than the number of votes cast for his or her election to offer to resign from the Board, with such resignation to become effective if the Board does not reject it within 60 days after the date of the election.

Copies of the charters of the Audit Committee, the Human Resources & Compensation Committee and the Nominating and Corporate Governance Committee, as well the Code of Conduct and Corporate Governance Guidelines, are available free of charge at MDC Partners' website located at <http://www.mdc-partners.com/ir/governance.asp>. Copies of these documents are also available in print to any shareholder upon written request to 950 Third Avenue, New York, NY 10022, Attention: Investor Relations.

Meetings

The Board held twelve (12) meetings in 2006. Specifically, Messrs. Berns, Davidson, Hylland, Kamerschen, Kirby, Nadal, Pustil, Roy and Weigman each attended all twelve (12) meetings of the Board held in 2006. Subsequent to joining the Company's Board on April 28, 2006, Mr. Kauffman attended all eight (8) such meetings held in the remainder of 2006. The various Board committees met the number of times shown in parentheses: Audit Committee (11); Human Resource & Compensation Committee (9); Nominating and Corporate Governance

Committee (3); and Oversight Committee (1). Each incumbent director attended 75% or more of the aggregate of (i) meetings of the Board held during the period of the year for which he served as a director and (ii) meetings of all Board committees held during such period. MDC has a formal policy regarding attendance by directors at its annual general meetings of shareholders which states that all directors are expected to attend, provided that a director who is unable to attend such a meeting is expected to notify the Chairman of the Board in advance of any such meeting. All of the then current members of the Board attended the 2006 annual meeting of shareholders.

Committees of the Board

The Board currently has four committees: the Audit Committee, the Human Resources & Compensation Committee, the Nominating and Corporate Governance Committee and the Oversight Committee. The terms of reference and mandate for each committee of the Board are summarized below.

Audit Committee

The Audit Committee is composed of three members, all of whom are considered to be unrelated as determined under the TSX Guidelines and independent according to the applicable rules of Nasdaq, the Securities and Exchange Commission and applicable Canadian securities regulatory authorities. The Audit Committee reviews all financial statements, annual and interim, intended for circulation to shareholders and reports upon these to the Board. In addition, the Board may refer to the Audit Committee on other matters and questions relating to the financial position of MDC Partners and its affiliates. The Audit Committee is also responsible for overseeing and reviewing with management and the independent auditor the adequacy and effectiveness of the Company's accounting and internal control policies and procedures; reviewing with management its compliance with prescribed policies, procedures and internal control; and reviewing with management and the independent auditor any reportable conditions and the remediation of material weaknesses affecting internal control, as more fully disclosed in Item 9A (Controls and Procedures) of the Company's Annual Report on Form 10-K for the year ended December 31, 2006. While the Audit Committee has the duties and responsibilities set forth above, the Audit Committee is not responsible for planning or conducting the audit or for determining whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management has the responsibility for preparing the financial statements and implementing internal controls and the independent auditor have the responsibility of auditing the financial statements.

The current members of the Audit Committee are Messrs. Thomas N. Davidson (Chairman), Michael Kirby and François R. Roy. The Board has determined that Mr. François R. Roy qualifies as an audit committee financial expert under the Sarbanes-Oxley Act of 2002 and applicable Nasdaq and Securities and Exchange Commission regulations. In addition, each of the members of the Audit Committee is financially literate as required by the Canadian Securities Administrators. The Audit Committee's current charter is appended hereto as Exhibit A.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is composed of six members, all of whom are considered to be unrelated as determined under the TSX Guidelines and independent according to the applicable rules of Nasdaq and the Securities and Exchange Commission. The Nominating and Corporate Governance Committee is responsible for reviewing and making recommendations to the full Board with respect to developments in the area of corporate governance and the practices of the Board. The Nominating and Corporate Governance Committee is also responsible for evaluating the performance of the Board as a whole as well as individual board members and for reporting to the Board with respect to appropriate candidates for nominations to the Board. The current members of the Nominating and Corporate Governance Committee are Messrs. Robert J. Kamerschen (Chairman), Thomas N. Davidson, Scott Kauffman, Michael Kirby, François R. Roy and Thomas E. Weigman. The Committee's current charter is available at www.mdc-partners.com/ir/governance.asp.

Human Resources & Compensation Committee

The Human Resources & Compensation Committee is composed of five members, all of whom are considered to be unrelated as determined under the TSX Guidelines and independent according to the applicable rules of Nasdaq and the Securities and Exchange Commission. The Human Resources & Compensation Committee makes recommendations to the Board on, among other things, the compensation of senior executives. The Human Resources & Compensation Committee discusses personnel and human resources matters including recruitment and development, management succession and benefits plans and grants awards under the SARs Plan and the 2005 Stock

Incentive Plan (each as defined below). Salary, bonus or other payments for the benefit of senior management are reviewed and approved by the Human Resources & Compensation Committee. In 2005 and 2006, the Compensation Committee engaged Mercer Human Resource Consulting LLC to review and evaluate the Company's executive compensation levels, and to make recommendations for compensation of the Company's executive officers based on comparable industry levels, which recommendations have been implemented by the Committee. The current members of the Human Resources & Compensation Committee are Messrs. Michael J.L. Kirby (Chairman), Robert J. Kamerschen, Scott Kauffman, and Thomas E. Weigman. The Human Resources & Compensation Committee's current charter is available at www.mdc-partners.com/ir/governance.asp.

Oversight Committee

The Oversight Committee is composed of four members, all of whom are considered to be unrelated as determined under the TSX Guidelines and independent according to the applicable rules of Nasdaq and the Securities and Exchange Commission. The Oversight Committee is responsible for overseeing and implementing the recommendations of the Special Committee following its review of the Company's historical option grant process. The current members of the Oversight Committee are Messrs. Michael Kirby (Chairman), Scott Kauffman, François R. Roy and Thomas E. Weigman.

Executive Sessions and Communications with the Board

Non-employee directors frequently meet in executive sessions without management in conjunction with each regularly scheduled Board meeting. A non-executive Presiding Director has the primary responsibility to preside over these sessions of the Board. The current non-executive Presiding Director is Robert Kamerschen. Additional information about the role of the Presiding Director is set forth in the Company's Corporate Governance Guidelines, which is available free of charge at MDC Partners' website at <http://www.mdc-partners.com/ir/governance.asp>. Shareholders or others who wish to communicate with the non-executive Presiding Director or any other member of the Board may do so by mail or courier, to MDC Partners Inc., c/o Steven Berns, President and Chief Financial Officer, 950 Third Avenue, New York, New York 10022. To facilitate a response, in appropriate circumstances, shareholders are asked to provide the following information: (i) their name; (ii) an address, telephone number, fax number and e-mail address at which they can be reached; and (iii) the number of shares or aggregate principal amount of debt that they hold, and the date those securities were acquired.

Director Nominations

The Nominating and Corporate Governance Committee identifies, selects and recommends to the Board individuals qualified to serve both on the Board and on Board committees, including persons suggested by shareholders and others. The Nominating and Corporate Governance Committee reviews the background and qualifications of those individuals who are chosen for consideration, including the following attributes and criteria of candidates: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and any other relevant factors deemed appropriate. Following that review, the Nominating and Corporate Governance Committee then selects nominees and recommends them to the Board for election by the shareholders or appointment by the Board, as the case may be. The Nominating and Corporate Governance Committee also reviews the suitability of each Board member for continued service as a director when that member's term expires or that member experiences a significant change in status (for example, a change in employment). The Nominating and Corporate Governance Committee has not implemented any particular additional policies or procedures with respect to suggestions received from shareholders with respect to Board or committee nominees.

Pursuant to its charter, the Nominating and Corporate Governance Committee may conduct or authorize investigations or studies into matters within its scope of responsibilities and may retain, at the Company's expense, such independent counsel or other consultants or advisers as it may deem necessary from time to time. The Nominating and Corporate

Governance Committee has the sole authority to retain or terminate any search firm to be used to identify director candidates, including the sole authority to approve its fees and retention terms, with the Company bearing the cost of such fees.

Compensation of Directors

MDC pays its directors who are not employees of MDC or any of its subsidiaries a \$20,000 annual retainer. It also pays a fee of \$2,000 for attendance at any Board or Committee meeting. Fees for director attendance at meetings are limited to two meetings per day. MDC pays an additional retainer for certain positions held by a director: \$10,000 for the Presiding Director, \$20,000 for the Audit Committee Chair, \$5,000 for the Audit Committee financial expert, and \$15,000 for other Committee Chairs. In respect of services rendered during the year ended December 31, 2006, MDC paid to such directors, in their capacity as directors, aggregate fees equal to \$582,000.

In March 2006, the Company granted 4,000 Class A Subordinate Voting shares of restricted stock (or restricted stock units) to each of the Company's then-current non-employee members of the Board of Directors (Messrs. Davidson, Hylland, Kamerschen, Kirby, Roy, Hylland and Weigman). These shares of restricted stock or restricted stock units will vest on March 5, 2009 (the third anniversary of the grant date). In April 2006, the Company granted 25,000 options under the 2005 Stock Incentive Plan, at an exercise price of \$8.95, to each of Messrs. Davidson, Hylland, Kamerschen, Kauffman and Roy.

The following table sets forth the compensation paid to or earned during fiscal year 2006 by our non-management directors:

COMPENSATION DISCUSSION AND ANALYSIS

This discussion and analysis of our compensation program for named executive officers should be read in conjunction with the accompanying tables below and text disclosing the compensation awarded to, earned by or paid to the named executive officers.

The Human Resources & Compensation Committee of the Board (the **Compensation Committee**) is composed of five independent, non-employee directors. The Compensation Committee oversees the Company's executive compensation and benefit plans and practices, including its incentive-compensation and equity-based plans, and reviews and approves the Company's management succession plans. Specifically, the Compensation Committee determines the salaries and the performance and awards under the annual bonus incentive program for the Chief Executive Officer and other executive officers. The Compensation Committee also provides long-term incentives by granting options or other interests, including shares of restricted stock or restricted stock units, under the 2005 Stock Incentive Plan and SARs under the SARs Plan.

In 2005 and 2006, the Compensation Committee retained Mercer Human Resource Consulting (**Mercer**), a compensation consulting firm, to provide objective analysis, advice and information to the Compensation Committee, including competitive market data and recommendations related to CEO and other executive officer compensation. Mercer reports to the Compensation Committee Chairman and has direct access to Compensation Committee members. Mercer attends Compensation Committee meetings on request and also meets with the Compensation Committee in person or by telephone in executive session without management present. In particular, the Compensation Committee worked with Mercer to structure performance-based annual and long-term incentive programs designed to retain the Company's executive management team and to motivate them to achieve goals that increase stockholder value. The Compensation Committee sought to ensure that its incentive plans properly align management incentive compensation targets with the performance targets relevant to stockholders. The Compensation Committee also considered recent trends in executive compensation. The decisions made by the Committee are the responsibilities of the Compensation Committee and may reflect factors and considerations other than the information and recommendations provided by any consultant.

The following discussion and analysis focuses on our named executive officers listed in the Summary Compensation Table and other compensation tables in this Proxy Statement.

Objectives of Our Compensation Program for Named Executive Officers

The Company has used a number of elements in compensating its executives: base salary; annual bonus incentives; incentives in the form of SARs granted under the SARs Plan; and most recently (in 2006 and 2007) in the form of financial performance-based restricted stock and restricted stock units under the 2005 Stock Incentive Plan.

To that end, the Compensation Committee reaffirmed its compensation strategy to:

-

Appropriately link compensation levels with the creation of stockholder value by:

-

Focusing our executives on achieving those key objectives critical to successfully implementing the Company's business strategy and achieving annual and long-term financial performance goals;

-

Holding executives directly accountable for results by placing a significant portion of compensation in at-risk incentives based on achievement of corporate and individual performance objectives and creation of shareholder value; and

-

Aligning the interests of our executives with the interests of our shareholders.

-

Provide total compensation capable of attracting, motivating and retaining executives of outstanding talent;

-

Emphasize at risk pay tied to performance as a meaningful component of total compensation potential; and

-

Safeguard the Company's business interests, including protection from adverse activities by the executive during and after employment.

To accomplish these objectives, the Compensation Committee has determined that the levels of compensation available to executives who successfully enhance corporate and shareholder value be competitive with the

compensation offered by other organizations that potentially compete for their services. This is critical to our ability to recruit and retain executives who have demonstrated the qualities of leadership, a sharing of our values, and the energy and vision to guide the Company. In addition, the Compensation Committee has structured executives compensation to tie a significant portion of each senior executive's compensation to achievement of individual performance objectives, as approved by the Compensation Committee in advance. This pay-for-performance approach to compensation applies throughout the organization, including at the Company's operating partners. As discussed below in greater detail, the principal measure of our business performance to which senior executive compensation is tied to is cash flow from operations (or EBITDA)** and, in the case of financial performance-based equity awards, the value returned to shareholders as measured by stock price appreciation.

Elements of Our Compensation Arrangements for Named Executive Officers

The following table details the elements of our compensation program which are designed to achieve our compensation objectives for the named executive officers:

Compensation Program Elements	Description	How This Element Promotes Company Objectives
Base Salary	Fixed annual compensation that provides ongoing income.	Intended to be competitive with marketplace and reflect the executive's minimum relative value to the Company.
Annual, Short-Term Incentive Awards	Opportunity to earn performance-based compensation if the Company achieves pre-set financial performance goals (75%) and if the executive achieves pre-set individual performance criteria (25%). For 2006, the financial performance goals were based on cash flow from operations (EBITDA) and Debt/EBITDA financial ratio.	Motivate and reward achievement of annual corporate and personal objectives that build shareholder value.
Long-term, financial performance-based equity incentive awards	<p>Opportunity to earn equity incentive awards based upon three-year financial performance of the Company. Three year performance cycles commence annually and therefore overlap. Award opportunities were designated for the 2006-2007-2008 performance cycle in early 2006.</p> <p>The Compensation Committee made grants to its executive officers in February 2006 of restricted stock or restricted stock units (RSUs). These awards will not vest unless (i) the executive is an employee of the Company on the applicable vesting date and (ii) the Company achieves the specified financial performance criteria in fiscal years 2006, 2007 and/or 2008. These financial performance criteria include 15% EBITDA growth in 2006 as compared to 2005; cumulative EBITDA</p>	Promote achievement of key multi-year corporate objectives and retention; the at-risk reward and vesting requirements of these incentive awards are designed to motivate executives to achieve goals that align executives' interests with shareholders.

growth in 2006 and 2007 of 15%, as compared to 2005; and cumulative EBITDA growth in 2006, 2007 and 2008 of 10%, as compared to the 2006/2007 cumulative growth target.

*

EBITDA is a non-GAAP measure that represents operating profit plus depreciation and amortization, stock-based compensation and impairment charges. A reconciliation of EBITDA to the US GAAP reported results of operations for the period ended December 31, 2006, has been provided by the Company in the tables included in the Company's Current Report on Form 8-K on March 9, 2007.

Compensation Program Elements	Description	How This Element Promotes Company Objectives
Stock options/stock appreciation rights	Incentive stock options represent the right to acquire shares of the Company's Class A stock, based on an exercise price determined on the date of grant. An award of SARS represents the right to receive cash or shares of the Company based upon the appreciation of the fair market value of the stock price following the date of grant.	More highly leveraged risk and reward alignment with shareholder value; vesting promotes executive's retention.
Retention Awards RSUs or Restricted Stock (time-based vesting over 3-year term)	RSUs or restricted stock (vesting over 3-year term) granted upon the hiring or promotion of an executive, or as means to assure long-term retention. RSUs (time-based vesting) were granted in 2006 to only one named executive officer.	Encourage retention, particularly when business is transitioning, with longer-term vesting required; risk and reward alignment with shareholders.
Severance payments and benefits, including after a change in control	Payments and benefits upon termination of an executive's employment in specified circumstances.	Intended to provide assurance of financial security to attract lateral hires and to retain executives, especially in disruptive circumstances, such as a change in control and leadership transitions; encourage management to consider transactions that could benefit shareholders.
Benefits	Health and welfare benefits.	Fair and competitive programs to provide family protection, facilitate recruitment and retention.
Perquisites	Limited personal benefits provided as an element of compensation, including a fixed perquisite allowance to certain named executive officers.	Fair and competitive programs to facilitate recruitment and retention.

In setting policies and administering the compensation of named executive officers, the Compensation Committee reviews and takes into account all elements of total compensation, benefits and perquisites. The Compensation Committee reviews reports and analyses of executive compensation in consultation with its outside advisers, Mercer Consultants, including current practices and trends among peer companies and the advertising and marketing services industry.

Other policies and practices that contribute to achieving the objectives of our compensation program include:

Stock Ownership Guidelines. The Company's stock ownership guidelines require that each named executive officer own a significant equity stake in the Company during his employment. The Compensation Committee believes that

stock ownership by senior managers strengthens their commitment to the future of the Company and further aligns their interests with shareholders. Effective March 2006, the Board adopted the following stock ownership guidelines for all officers commensurate with their level of seniority and base salary: Chairman and Chief Executive Officer to own stock with a value of at least five (5) times his base salary; President and Chief Financial Officer, four (4) times his base salary; and each other named executive officer, at least three (3) times his base salary. An executive must reach his target ownership level within four years after becoming subject to the stock ownership guidelines.

Employment Agreements. The Company has employment or services agreements with the CEO and three of the named executive officers. These agreements formalize the terms of the employment relationship, and assure the executive of fair treatment during employment and in the event of termination while requiring compliance with restrictive covenants. Employment agreements promote careful and complete documentation and understanding of employment terms, including strong protections for our business, and avoid frequent renegotiation of the terms of employment. Conversely, employment agreements can limit the ability of the Company to change certain employment and compensation terms.

Business Protection Terms. The Company's named executive officers are subject to significant contractual restrictions intended to prevent actions that potentially could harm our business, particularly after termination of employment. These business protections include obligations not to solicit clients or employees, not to disparage us, not to reveal confidential information, and to cooperate with us in litigation. Business protection provisions are included in employment agreements and in connection with compliance with the Company's Code of Conduct.

Equity Award Grant Policies

The Board of Directors and the Compensation Committee have adopted policies and procedures governing the granting of any equity incentive awards, including the following:

•

Equity incentive awards granted to executive officers must be approved by the Compensation Committee or the full Board of Directors, and shall be made at quarterly in-person meetings and shall not be made via unanimous written consent. An attorney shall be present at each such Compensation Committee or Board meeting;

•

If grants are required to be awarded in connection with hiring new employees in between quarterly Compensation Committee meetings, such grants may be approved at a special meeting, which may be telephonic or in-person;

•

Options, SARs and other equity incentive awards shall be priced at the closing price on the date immediately prior to the date of the Compensation Committee meeting at which the grant is approved; and

•

The Company's internal audit department, in connection with its quarterly review, shall audit any equity incentive awards granted during the fiscal quarter to ensure compliance with all policies and applicable rules and regulations.

Comparator Companies. In determining compensation opportunities and payments to executives, the Compensation Committee reviews competitive opportunities, payments, practices and performance among a comparator group of companies. We intend that, if our executive officers achieve our targeted individual and financial corporate objectives in a given year, they will earn total direct compensation that compares favorably with the total direct compensation earned by executives performing similar functions at comparator companies. Annual incentive awards and long-term incentive opportunities are set as a percentage of salary with the target award amounts also intended to approximate the top 25th percentile for comparable positions among our group of comparator companies. Long-term incentives are contingent on cash flow from operations (EBITDA) goals, but the value of long-term incentives in the form of financial performance-based RSUs and restricted stock depends on the value of the Company's Class A Subordinate Voting shares.

Incentive Awards Earned Based on 2006 Performance

Pay-for-Performance Analysis. The Company's compensation program is intended to reward performance relative to pre-approved individual incentive criteria and corporate financial performance criteria. The Company's corporate financial performance for 2006 exceeded the previously-set targets (including cash flow from operations (EBITDA)) established by the Compensation Committee. The Company's actual 2006 financial performance of adjusted EBITDA equal to \$37.4 million, significantly exceeded the Company's adjusted EBITDA target goal equal to \$32.5 million, and represented year-over-year EBITDA growth of 32.3%. In addition, the Company achieved other significant financial and strategic goals in 2006, including reduction of debt by an amount equal to \$28.5 million; organic revenue growth of 11%; remediation of all material weaknesses in internal controls over financial reporting; and the successful disposition of its Secure Products International Group in November 2006. As shown by the above tables, this favorable corporate financial performance resulted in payment of appropriate incentive bonus awards for named executive officers for 2006.

No Retirement Programs

The Company currently does not provide any specific retirement benefits for senior executives, other than an opportunity for each executive to make individual contributions to a 401(k) Plan administered by the Company.

Severance Policies

We provide severance protection to our senior executives in employment agreements, as detailed below under the caption Potential Payments Upon Termination or Change-In-Control. As discussed above, this protection is designed to be fair and competitive to aid in attracting and retaining experienced executives. We believe that the protection we provide, including the level of severance payments and post-termination benefits, is appropriate and within the range of competitive practice.

Form of Long-Term Incentives

In 2006, the Company made changes to the form of its long-term incentive awards. Based in part on recommendations made by Mercer, the Compensation Committee made grants to its executive officers in February 2006 of financial performance-based restricted stock and restricted stock units. These awards will not vest unless (i) the executive is an employee of the Company on the applicable vesting date and (ii) the Company achieves the specified financial performance criteria in fiscal years 2006, 2007 and/or 2008. These financial performance criteria include 15% EBITDA growth in 2006 as compared to 2005; cumulative EBITDA growth in 2006 and 2007 of 15%, as compared to 2005; and cumulative EBITDA growth in 2006, 2007 and 2008 of 10%, as compared to the 2006/2007 cumulative growth target. The Compensation Committee made additional grants to its executive officers in March 2007 of similar financial performance-based equity awards, consistent with its objectives of using at-risk reward and vesting requirements designed to align executives' interests with shareholders.

Performance Goals and Metrics

In 2006, the Compensation Committee continued to use cash flow from operations (EBITDA) as its primary financial goal for short term incentive awards and long term incentive awards.

REPORT OF THE HUMAN RESOURCES & COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Human Resources & Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis that appears above. Based on this review and discussion with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the Company's Annual Report on Form 10-K for filing with the SEC and OSC.

Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table

We have entered into employment agreements with certain of our named executive officers, as described in more detail below (Mr. Swartzman does not currently have a written employment agreement with the Company).

Miles S. Nadal

On April 27, 2007, the Company entered into a new Management Services Agreement (the **Services Agreement**) with Miles Nadal and with Nadal Management, Inc. to set forth the terms and conditions on which Miles Nadal will continue to provide services to the Company as its Chief Executive Officer. Mr. Nadal's prior services agreement with the Company was scheduled to expire on October 31, 2007, subject to one-year annual renewals. The Company wished to enter into a new agreement and would have been required to give notice of non-renewal of the prior services agreement by April 30, 2007, requiring it to pay a termination fee equal to two times the annual retainer and additional fees under the original agreement.

The Services Agreement has a three-year term with automatic one-year extensions. Pursuant to the Services Agreement, the base compensation for Mr. Nadal's services will continue through 2007 at the current rate of \$950,000, with annual increases of \$25,000 in each of 2008 and 2009. The Services Agreement also provides for an annual bonus with targeted payout of up to 250% of the base compensation. The Company will also make an annual cash payment of \$500,000 in respect of retirement benefits, employee health benefits, and perquisites and may, in the discretion of the Compensation Committee, grant equity incentives with a targeted grant-date value of up to 300% of his then current retainer.

In full satisfaction and settlement of any obligations the Company may have had as a result of the non-renewal of the prior services agreement, and as an incentive to enter into the Services Agreement, the Company paid a one-time non-renewal fee of \$3.5 million upon execution of the Services Agreement. The proceeds from this non-renewal payment were used to repay an outstanding loan from the Company. In addition, the proceeds of other amounts that may be paid under the Services Agreement will be used to prepay certain other outstanding loans as follows: (a) Cdn\$100,000 per year out of any annual bonuses, (b) 1/3 of the after-tax amount of the proceeds from any equity incentive awards and (c) 1/3 of the after-tax amount of any severance payments under the Services Agreement

In 2000, MDC Partners agreed to provide Mr. Nadal a bonus of Cdn\$10,000,000 in the event that the average market price of MDC Partners Class A Subordinate Voting Shares is Cdn\$30 per share or more for more than 20 consecutive trading days (measured as of the close of trading on each applicable date). This bonus is payable until the date that is three years after the date on which Mr. Nadal is no longer employed by MDC Partners for any reason. The after-tax proceeds of such bonus are to be applied first as repayment of any outstanding loans due to MDC Partners from this officer and his related companies in the amount of Cdn\$6,820,079 (as at April 27, 2007), which loans have been fully provided for in MDC Partners accounts.

Steven Berns

MDC Partners has an employment agreement with Mr. Berns made as of August 25, 2004 and amended on March 9, 2006, pursuant to which Mr. Berns serves as our President and Chief Financial Officer. Mr. Berns initial term of employment expires August 25, 2007, subject to automatic renewal, unless either party gives to the other a 30-day advance written notice. Under the amended agreement, Mr. Berns is entitled to receive an annualized base salary of \$550,000, and he is eligible to receive an annual discretionary bonus in an amount up to 150% of his base salary, as determined by our CEO and the Compensation Committee, based upon Mr. Berns performance, the overall financial performance of the Company and such other factors as our CEO and the Board shall deem reasonable and appropriate, to be paid in accordance with our normal bonus payment procedures. Mr. Berns also receives an annual perquisite allowance in an amount equal to \$25,000. Mr. Berns, and to the extent eligible, his dependents, is eligible to participate in any welfare benefit plans and programs including disability, group life (including accidental death and dismemberment), and business travel insurance provided by the Company to its senior executives. He is also entitled to participate in the retirement plans and benefits in accordance with the plans or practices of the Company made available to the senior executives of the Company.

Robert Dickson

In an agreement dated September 24, 2003 and effective that day, MDC Partners assumed the rights and obligations of Maxxcom Inc. under an employment agreement dated June 26, 2002 between Maxxcom Inc. and Mr. Dickson, a Managing Director. The assumed agreement is for an indefinite term and provides for an annual base salary of Cdn\$300,000, a guaranteed bonus of Cdn\$150,000 per annum payable quarterly in arrears, together with the right to earn a cash bonus based upon achieving performance objectives established by the Compensation Committee of up to 60% of the base salary. Mr. Dickson also receives a Cdn\$12,000 automobile allowance. Mr. Dickson is subject to a confidentiality restriction pursuant to the assumed agreement.

Graham L. Rosenberg

The Company has an amended and restated employment agreement with Mr. Rosenberg, pursuant to which he will serve as a Managing Director, made as of December 26, 2006. The initial term of employment under the amended agreement expires on June 30, 2007, subject to automatic renewal for one-year periods unless either party gives to the other 30 days written notice. Under the agreement, Mr. Rosenberg responsibilities include working with our CEO and our President to determine our ongoing strategic plan, and working on corporate development matters, overseeing individual business units, and working on corporate finance matters. Mr. Rosenberg will work full-time and exclusively for the company, though he is permitted, with our prior consent, to serve on the board of directors of two

companies unaffiliated with us, provided that these companies are not competitive with us or our subsidiaries and affiliates. He will also be permitted to engage in charitable and civic activities and manage his personal passive investments, provided they are not in companies which transact business with us or engage in a competitive business (unless it is a publicly held company of which he owns less than 1%). Under the agreement, Mr. Rosenberg is entitled to receive an annualized base salary of Cdn\$400,000 and he is eligible to receive as an annual discretionary bonus in an amount up to 100% of his base salary based on criteria including his individual performance, the overall

financial performance of the company, and other factors as determined by the President (or another executive serving in such role) and the Compensation Committee. The agreement provides that Mr. Rosenberg is eligible to participate in equity incentive plans of the Company, and, in accordance with the policy of the Company, we will pay for Mr. Rosenberg's reasonable business or entertainment expenses related to performance of services. Mr. Rosenberg, and to the extent eligible, his dependents, will also be eligible to participate in group health plans, welfare benefit plans, business travel insurance plans, and retirement plans as provided by the company to its senior executives. Mr. Rosenberg also receives an annual perquisite allowance in an amount equal to Cdn \$20,000.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

We have entered into employment agreements with Messrs. Nadal, Berns, Dickson, and Rosenberg. (Mr. Swartzman does not currently have a written employment agreement with the Company). Under each of these agreements, we are required to pay severance benefits in connection with certain terminations of employment, including certain terminations in connection with a change in control of the Company. The employment agreement with Mr. Rosenberg also provides for accelerated vesting of certain equity awards in connection with certain terminations of employment. In addition, some of our equity incentive plans provide for the accelerated payment or vesting of awards in connection with certain terminations of employment. The following is a description of the severance, termination and change in control benefits payable to each of our named executive officers pursuant to their respective employment agreements and our equity incentive plans.

Definitions of terms such as change in control or for good reason vary between agreements, so when a definition is particular to an agreement, it is described for that agreement.

Miles S. Nadal

Upon termination of the Services Agreement for cause or voluntary termination by Nadal Management, Inc., MDC is required to pay the unpaid annual retainer fee through the date of termination, and Nadal Management, Inc. shall be entitled to all equity incentive awards in accordance with the underlying plans and equity incentive award agreements.

If Mr. Nadal's services are terminated by the Company without cause or by Nadal Management, Inc. for good reason (each as defined in the Services Agreement), the Company will make a lump sum cash payment equal to three times the sum of the annual retainer, average bonus amount for the past three years and the benefit/perquisites allowance, as well as a pro-rata bonus for the calendar year in which his employment terminates, and three-years of continued vesting of outstanding equity incentive awards. The term "good reason" is defined under the Services Agreement to include a change of control, provided that Mr. Nadal is not holding the position of chief executive officer of the ultimate parent corporation resulting from the change of control transaction. If there had been a change in control of MDC Partners on December 31, 2006 and Mr. Nadal is not holding the position of chief executive officer of the ultimate parent corporation resulting from the change of control transaction, the aggregate cash severance payment MDC would have paid him under the new Services Agreement would be \$10.7 million. In addition, all options to acquire securities of MDC previously granted to Mr. Nadal will vest and become exercisable and remain outstanding until the third anniversary of the date of termination. As of December 31, 2006, Mr. Nadal had 82,000 unvested options and SARS that would have vested on termination of the Services Agreement, and 300,000 financial performance-based RSUs that would vest in accordance with the underlying grant agreement.

Steven Berns

Pursuant to his employment agreement, if MDC terminates Mr. Berns' employment without cause, Mr. Berns terminates his employment for good reason, or the Company delivers a notice of non-renewal of the agreement, then MDC is required to continue to pay Mr. Berns his base salary and benefits for a period of twenty-four months, the annual discretionary cash bonus for the prior calendar year if yet unpaid, any unpaid reimbursable expenses as of the date of termination, and all benefits accrued through the date of termination under any benefit and retirement plans. He will also be eligible to receive a pro-rata portion of his annual discretionary cash bonus for the year in which termination occurs. If Mr. Berns' employment had terminated under these circumstances on December 31, 2006, the aggregate cash payment due to him under the agreement would have been \$1,150,000. In addition to the cash benefit, Mr. Berns will also be allowed to continue participating for 24 months after termination on the same basis as before he was terminated in all benefit plans and, to the extent permitted under law, also in all retirement plans, provided however, that if Mr. Berns becomes entitled to receive coverage and benefits in the same type of plan from another employer, he will no longer be able to participate in these benefit and retirement plans. The Company will be obligated to pay him the economic equivalent of the benefits in these plans if Mr. Berns is unable to participate in the plans. The aggregate amount of this benefit would have been approximately \$79,000 if Mr. Berns' employment had terminated as of December 31, 2006. As of December 31, 2006, Mr. Berns had 17,000 unvested RSUs, 75,000 unvested options and 16,677 unvested SARS that would vest on termination of his employment agreement. In addition, his remaining unvested shares of financial performance-based restricted stock would vest in accordance with the underlying grant agreement.

On a change in control of MDC, Mr. Berns has the right to terminate his employment by written notice within 20 days whereupon he will receive (i) his base salary and perquisite allowance for 18 months paid over a 12 month period in accordance with our normal payroll practices, the annual discretionary cash bonus for the prior calendar year if yet unpaid, any unpaid reimbursable expenses as of the date of termination, and all benefits accrued through the date of termination under any benefit and retirement plans. He will also be eligible to receive a pro-rata portion of his annual discretionary cash bonus for the year in which termination occurs. If there had been a change in control of MDC Partners on December 31, 2006 and Mr. Berns resigned in connection with that change in control, the aggregate cash severance payment MDC would have paid him under the contract would be \$862,500. Furthermore, Mr. Berns will also be allowed to continue participating for 18 months after termination on the same basis as before he was

terminated in all benefit plans and, to the extent permitted under law, also in all retirement plans, provided however, that if Mr. Berns becomes entitled to receive coverage and benefits in the same type of plan from another employer, he will no longer be able to participate in these benefit and retirement plans. We will be obligated to pay him the economic equivalent of the benefits in these plans if Mr. Berns is unable to participate in the plans. The

aggregate amount of this benefit would have been approximately \$79,000 if Mr. Berns' employment had terminated as of December 31, 2006 in connection with a change in control of MDC.

Robert Dickson

Pursuant to the terms of the assumed employment agreement dated June 26, 2002 and assumed by agreement dated September 24, 2003, in the event of a sale of all or a portion of Maxxcom or its successor, Mr. Dickson will be paid a bonus of one times his annual salary, provided that he does not resign as an employee within three months following closing. If there had been a sale of the Company on December 31, 2006, and Mr. Dickson did not resign within three months following closing, MDC would have paid Mr. Dickson an amount equal to Cdn\$300,000.

If MDC terminated Mr. Dickson's employment without cause on December 31, 2006, under the terms of his agreement we would have been required to pay him 18 months salary plus the product of 1.5 multiplied by the average of the prior two years' bonuses, or Cdn \$885,000. In addition, Mr. Dickson may resign his employment within the 60 day period following the six month anniversary of a change in control of MDC and, in connection with such resignation, is entitled to receive the same severance payment as if his employment was terminated by the Company without cause. As of December 31, 2006, Mr. Dickson had 35,000 unvested RSUs and 10,000 unvested SRS that would vest on termination of his employment agreement. In addition, his remaining unvested shares of financial performance-based RSUs would vest in accordance with the underlying grant agreement.

Graham L. Rosenberg

Pursuant to his employment agreement, if MDC terminates Mr. Rosenberg's employment without cause, Mr. Rosenberg terminates his employment for good reason, or the company gives a notice of non-renewal of the agreement, then MDC is required to pay Mr. Rosenberg a severance payment within 10 days of the date of termination of 1.5 times Mr. Rosenberg's total remuneration, which is the sum of his current base salary, his perquisite allowance, plus the highest annual discretionary cash bonuses he earned in the three years ending December 31 of the year immediately preceding the date of termination. For the purposes of the calculation, the annual discretionary cash bonus includes any guaranteed and non-guaranteed bonuses and excludes any long-term incentive plan payments (paid pursuant to the original employment agreement), and a pro rata bonus payment for the year of termination. If Mr. Rosenberg's employment had terminated under these circumstances on December 31, 2006, the aggregate cash payment due to him under the agreement would have been Cdn \$877,500. Furthermore, Mr. Rosenberg will also be allowed to continue participating for one year after termination on the same basis as before he was terminated in all benefit plans and, to the extent permitted under law, also in all retirement plans, provided however, that if Mr. Rosenberg becomes entitled to receive coverage and benefits in the same type of plan from another employer, he will no longer be able to participate in these benefit and retirement plans. We will be obligated to pay him the economic equivalent of the benefits in these plans if Mr. Rosenberg is unable to participate in the plans. The aggregate amount of this benefit would have been Cdn \$4,634 if Mr. Rosenberg's employment had terminated as of December 31, 2006. In addition, any unvested existing stock options and existing SARs will vest immediately prior to the date of termination, and he will be allowed to exercise all vested existing stock options and existing SARs for the earlier of three months from the date of termination and the expiration of these options or SARs. As of December 31, 2006, Mr. Rosenberg had no unvested options that would have vested on such a termination of employment.

If Mr. Rosenberg's employment is terminated within one year following the closing of a change in control by the company without cause, by Mr. Rosenberg for good reason, or by the company giving a notice of non-renewal of the agreement, then Mr. Rosenberg will be entitled to a payment of 2.0 times his total remuneration. He will also be eligible to receive a pro-rata portion of his annual discretionary cash bonus for the year in which his employment terminates. If there had been a change in control of MDC Partners on December 31, 2006 and Mr. Rosenberg's employment terminated in connection with that change in control, the aggregate cash severance payment MDC would have paid him under the contract would be Cdn\$1,170,000. Furthermore, Mr. Rosenberg will also be allowed to continue participating for one year after termination on the same basis as before he was terminated in all benefit plans

and, to the extent permitted under law, also in all retirement plans, provided however, that if Mr. Rosenberg becomes entitled to receive coverage and benefits in the same type of plan from another employer, he will no longer be able to participate in these benefit and retirement plans. We will be obligated to pay him the economic equivalent of the benefits in these plans if Mr. Rosenberg is unable to participate in the plans. The aggregate amount of this benefit would have been Cdn \$4,634 if Mr. Rosenberg's employment had terminated as of December 31, 2006.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by MDC Partners under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent MDC Partners specifically incorporates this Report by reference therein.

The Audit Committee is responsible for assisting the Board in serving as an oversight to MDC Partners' accounting, auditing, financial reporting, internal control and legal compliance functions. The Audit Committee has implemented procedures to ensure that during the course of each fiscal year, it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under its charter including, whenever appropriate, meeting in executive sessions with MDC Partners' independent auditors without the presence of MDC Partners' management.

Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with U.S. generally accepted accounting principles (GAAP) and for the report on the Company's internal control over financial reporting. The Company's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with GAAP and for attesting to management's report, when completed, on the Company's internal control over financial reporting. The Audit Committee's responsibility is to oversee and review the financial reporting process and to review and discuss the status and completed copy of management's report on the Company's internal control over financial reporting.

The Audit Committee reviewed and discussed with management and BDO Seidman, LLP's management's assessment of the Company's internal controls over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act of 2002, including the matters more fully disclosed in Item 9A (Controls and Procedures) of the Company's Annual Report on Form 10-K for the year ended December 31, 2006.

In overseeing the preparation of MDC Partners' financial statements, the Audit Committee met with both management and MDC Partners' outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with GAAP, and the Audit Committee discussed the statements with both management and the outside auditors. The Audit Committee's review included discussion of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Communication with Audit Committees)*.

With respect to MDC Partners' outside auditors, the Audit Committee, among other things, discussed with BDO Seidman, LLP matters relating to its independence, and received from BDO Seidman, LLP written disclosures and a letter from BDO Seidman, LLP as required by the *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*.

On the basis of their reviews and discussions, the Committee recommended to the Board that the Board approve (and the Board has approved) the inclusion of MDC Partners' audited financial statements in MDC Partners' Annual Report on Form 10-K for the fiscal year ended December 31, 2006, for filing with the Securities and Exchange Commission and the Canadian Securities Administrators.

Effective April 1, 2006 the Company engaged BDO Seidman, LLP (BDO Seidman) as its independent registered public accounting firm. The decision to engage BDO Seidman was made by the Audit Committee of the Board of Directors and the Board of Directors of the Company. The Committee and the Board have also approved, and submitted for shareholder approval, the selection of BDO Seidman, LLP as MDC Partners' independent auditors for the fiscal year ending December 31, 2007.

The Audit Committee's current charter is appended to this Circular as Exhibit A.

ITEM 2 APPOINTMENT OF AUDITORS

Subject to the action of the shareholders, upon recommendation of the Audit Committee, the Board has recommended to the shareholders the appointment of BDO Seidman, LLP, independent registered public accountants, to audit and report on the consolidated financial statements of MDC Partners for the fiscal year ending December 31, 2007 and to perform such other services as may be required of them. BDO Seidman, LLP has served as independent public accountants for MDC Partners since April 1, 2006. The Board has directed that management submit the appointment of the auditors for approval by the shareholders at the Meeting. Representatives of BDO Seidman, LLP are expected to be present at the meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate shareholder questions.

Unless otherwise instructed, the persons named in the accompanying proxy (provided the same is duly executed in their favor and is duly deposited) intend to vote FOR the appointment of BDO Seidman, LLP, independent registered public accountants, as auditors of MDC Partners, to hold office until the close of the next annual meeting of shareholders of MDC Partners, at a remuneration to be fixed by the directors of MDC Partners.

Effective March 31, 2006, the Board resolved not to propose the re-appointment of MDC Partners' previous principal accountants, KPMG LLP, as auditors for MDC Partners at the 2006 Annual Meeting of Shareholders, and requested the resignation of KPMG LLP as auditors. KPMG LLP resigned effective March 31, 2006. There were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, or reportable events. KPMG LLP served as MDC Partners' auditors from June 2004 to March 31, 2006.

In addition to retaining BDO Seidman, LLP to audit MDC Partners' consolidated financial statements for 2006, the company retained BDO Seidman, LLP and other accounting and consulting firms to provide advisory, auditing and consulting services in 2006. These services included audit services, audit-related services, tax services and other services. The following tables set forth the aggregate fees billed to MDC Partners by BDO Seidman, LLP for professional services in fiscal year 2006, and by KPMG LLP for professional services in fiscal year 2006 and 2005:

(3)

Fees for services rendered in connection with: internal option review; filing of form S-1 relating to the 8% Convertible Unsecured Subordinated Debentures due 2010; acquisition due diligence assistance; and other services.

All fees listed above have been pre-approved by the Audit Committee. The Audit Committee has, however, delegated to the Chairman of the Audit Committee the authority to pre-approve permitted non-audit services (as such services are defined by the Sarbanes-Oxley Act of 2002) provided that (i) the aggregate estimated amount of such fees will not exceed Cdn \$25,000 and (ii) the Chairman of the Audit Committee reports any pre-approval so granted at the next scheduled meeting of the Audit Committee.

The Audit Committee Charter provides for the Audit Committee to establish the auditors' fees. Such fees have been based upon the complexity of the matters in question and the time incurred by the auditors.

ITEM 3 AMENDMENT TO THE 2005 STOCK INCENTIVE PLAN

Background

The Company has established a stock incentive plan (the **2005 Incentive Plan**) to promote the interests of MDC Partners and its shareholders by providing incentives to the non-employee directors and employees of MDC Partners and its subsidiaries who are largely responsible for the management, growth and protection of the business of the Company. The 2005 Incentive Plan currently authorizes the issuance of awards with respect to 2,000,000 shares of MDC Partners Class A Subordinate Voting Shares or any other security into which such shares shall be changed (**Shares**). This amount currently represents approximately 8% of the Company's issued and outstanding shares. MDC Partners will not provide any financial assistance to participants under the 2005 Incentive Plan.

The 2005 Incentive Plan provides for the grant to non-employee directors and employees of the Company and, at the discretion of any of the foregoing persons and subject to any required regulatory approvals and conditions, any personal holding company controlled by such person, of non-qualified stock options (**Options**), tandem and stand-alone stock appreciation rights (**SARs**) and other stock-based awards (collectively referred to herein as **Incentive Awards**). Incentive Awards may be settled in cash or in Shares. Approximately 4,000 persons are currently eligible to participate in the 2005 Incentive Plan.

Shares issued under the 2005 Incentive Plan may be either authorized and unissued Shares or treasury Shares. In addition to the current limit on the aggregate number of Shares that are authorized to be issued pursuant to the 2005 Incentive Plan described above, the maximum number of Shares that may be covered by Incentive Awards granted to any single participant in the 2005 Incentive Plan (a **Participant**) in any fiscal year shall not exceed 500,000 Shares, (representing approximately 2% of the current issued and outstanding Shares of the Company) prorated on a daily basis for any fiscal year that is shorter than 365 days. Currently, there are no other specific limits on the number of shares that may be granted under the 2005 Incentive Plan.

In no event will any new Incentive Awards be issued in substitution for outstanding Incentive Awards previously granted to Participants, and no repricings of Incentive Awards are permitted at any time under any circumstances, unless the shareholders of the Company expressly approve such substitution or repricing.

The significant features of the Incentive Awards are summarized below:

Options. Each Option shall entitle the holder thereof to purchase a specified number of Shares. The exercise price of each Option will be at least equal to 100% of the fair market value of a Share on the date on which the Option is granted. Fair Market Value means, as of the applicable date of determination, the closing sales price on the immediately preceding business day of Class A Subordinate Voting Shares as reported on the principal securities exchange on which such shares are then listed or admitted to trading. Options will have terms that do not exceed ten years and will have vesting periods of at least one year, except that vesting may occur in less than one year in the event that performance conditions attached to the Option (or with respect to other Incentive Awards) are satisfied, there is a Change in Control of the Company (as defined in the 2005 Incentive Plan), an increase or decrease in the number of issued Shares resulting from a subdivision or consolidation or the payment of a stock dividend on the Class A Subordinate Voting Shares or any other increase or decrease in the number of such Shares effected without receipt or payment of consideration by the Company, a merger, consolidation, dissolution or liquidation of MDC Partners, or there is a termination of the employment of a Participant other than for cause or voluntary resignation prior to retirement (Permitted Acceleration Events). Each Option shall be subject to earlier termination, expiration or cancellation as provided in the 2005 Incentive Plan or in the agreement evidencing such Option.

Tandem Stock Appreciation Rights. The Human Resources & Compensation Committee of the Company's Board, or such other committee as the Board shall appoint from time to time (the Committee), which administers the 2005 Incentive Plan, may grant, in connection with any Option, a tandem SAR (Tandem SAR). The exercise price per

Share of any Tandem SAR will be at least 100% of the fair market value of a Share on the date on which the Tandem SAR is granted, except that the exercise price of a Tandem SAR that is granted after the grant of the related Option may be less than such amount if it is at least equal to the exercise price of the related Option. In general, the exercise of a Tandem SAR by a Participant entitles the Participant to an amount (in cash, Shares or a combination of cash and Shares), with respect to each Share subject thereto, equal to the excess of the fair market value of a Share on the exercise date over the exercise price of the Tandem SAR. The exercise of a Tandem SAR with respect to a number of Shares causes the cancellation of its related Option with respect to an equal number of

Shares, and the exercise, cancellation or expiration of an Option with respect to a number of Shares causes the cancellation of its related Tandem SAR with respect to an equal number of Shares.

Stand-Alone Stock Appreciation Rights. The Committee may grant SARs that do not relate to Options (Stand-Alone SARs). The exercise price per Share of any Stand-Alone SAR will be at least 100% of the fair market value of a Share on the date on which the Stand-Alone SAR is granted. In general, the exercise of a Stand-Alone SAR by a Participant entitles the Participant to an amount (in cash, Shares or a combination of cash and Shares), with respect to each Share subject thereto, equal to the excess of the fair market value of a Share on the exercise date over the exercise price of the Stand-Alone SAR.

Other Stock Based Awards. The Committee may grant equity-based or equity-related Incentive Awards other than Options and SARs in such amounts and subject to such terms and conditions as the Committee determines. Each such Incentive Award may (i) involve the transfer of actual Shares, either at the time of grant or thereafter, or payment in cash or otherwise of amounts based on the value of Shares, (ii) be subject to performance-based and/or service-based conditions and (iii) be in the form of phantom stock, restricted stock, restricted stock units, performance shares, or share-denominated performance units. No such Incentive Award will vest or otherwise become payable earlier than three years following the date on which it is granted, other than upon the occurrence of a Permitted Acceleration Event.

Options and SARs may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant.

Amendments to the 2005 Incentive Plan

The Board may at any time suspend or discontinue the 2005 Incentive Plan or revise or amend it in any respect whatsoever, except that, in general, no revision or amendment may, without the approval of shareholders of the Company, (i) increase the number of Shares that may be issued under the Plan or (ii) materially modify the requirements as to eligibility for participation in the 2005 Incentive Plan. No action may, without the consent of the Participant, reduce the Participant's rights under any previously granted and outstanding Incentive Award.

As of April 16, 2007, the aggregate number of Shares remaining available under the 2005 Incentive Plan is 509,771. To allow for more room in the option pool and to align the interests of non-employee directors and employees with the long-term interests of the Company, the Board recommends, subject to shareholder approval, that the 2005 Incentive Plan be amended to increase the maximum number of Shares that may be issued under the 2005 Incentive Plan from 2,000,000 to 3,000,000. The additional 1,000,000 share increase represents approximately 4% of the Company's issued and outstanding shares. In addition, the Board recommends, subject to shareholder approval, that the 2005 Incentive Plan be amended to limit annual grants of equity awards under the 2005 Incentive Plan to executive officers of the Company to an aggregate amount equal to no more than 3% of the Company's issued and outstanding shares. The full text of the amended 2005 Incentive Plan is attached hereto as Exhibit C.

The Resolution

The resolution approving the above-noted amendments to the 2005 Incentive Plan requires a simple majority of the votes cast at the Meeting, excluding votes of insiders of the Company who are entitled to participate in the Plan and their associates. The Board therefore seeks your approval and support for the following resolution:

RESOLVED:

THAT the reference to 2,000,000 Class A Shares in the first paragraph of Section 3(a) of the 2005 Stock Incentive Plan of the Company be deleted and replaced with 3,000,000 Class A Shares ;

THAT the following be added as a new Section 3(c) to the 2005 Stock Incentive Plan of the Company: ***Annual Limitation on Grants***. The Human Resources & Compensation Committee shall limit annual grants of equity awards under this Plan to executive officers of the Company to an aggregate amount equal to not more than three percent (3%) of the number of issued and outstanding shares of the Company's capital stock at the beginning of the Company's fiscal year. ; and

THAT any director or executive officer of the Company be and is hereby authorized to notify and/or to seek approval of The Toronto Stock Exchange Inc. and NASDAQ if required, of the approval of the above-noted amendments to the 2005 Stock Incentive Plan and to do all such acts and things and to execute and file such other documents, whether under the corporate seal of the Company or otherwise, that may be necessary or desirable to give effect to this resolution.

**YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

II. Purpose of the Committee

**CORPORATE GOVERNANCE
DISCLOSURE OF CORPORATE GOVERNANCE PRACTICES
(CANADIAN NATIONAL INSTRUMENT 58-101)**

The directors MDC Partners Inc. consider good corporate governance to be central to the effective and efficient operation of the Corporation. The business of the Corporation is supervised by its board of directors, directly and through its committees. The Canadian Securities Administrators require disclosure on an annual basis of the Corporation's corporate governance practices in accordance with Form 58-101 *Disclosure of Corporate Governance Practices*. The Corporation's corporate governance practices are set out below.

The Board of Directors

In determining whether a particular director is independent, the Board examines the factual circumstances in the context of that particular year. From and after June 1, 2006, the Board was comprised of ten members, seven of whom were independent directors. The Board proposed for election in this Circular is composed of eight members, all of whom are considered to be independent directors with the exception of Messrs. Nadal, Berns and Pustil who are members of management, Mr. Pustil having assumed additional responsibilities in the affairs of MDC Partners since 2001. The following directors of MDC Partners also serve as a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction:

Thomas N. Davidson: serves as Chairman of NuTech Precision Metals, Inc.; serves on the Board of Directors of TLC Vision Corporation and on the Board of Occulogix, Inc., and is the non-executive Chairman of Azure Dynamics Corporation.

Steven Berns: serves on the Board of Directors of LivePerson, Inc. and LQ Corporation, Inc..

Robert J. Kamerschen: serves on the board of directors of IMS Health Inc., R.H. Donnelley Corporation and Vertrue, Inc.

Stephen M. Pustil: serves as Chairman and Director of Custom Direct Income Fund.

François R. Roy: serves on the board of directors of the following Canadian companies: Macquarie Power and Infrastructure Income Fund, and SFK Pulp Fund, Pixman Nomadic Media Inc., and on the board of advisors of Dessau Soprin as well as that of Veronis Suhler Stevenson.

All independent directors frequently meet at the beginning or end of each regularly scheduled quarterly Board or Committee meeting without management present. The Board has access to information independent of management through MDC Partners' auditor who reports to the Audit Committee. The specific responsibilities of the Board include reviewing and approving all major strategic decisions, including any change in the strategic direction of MDC Partners and acquisitions and/or divestitures and other matters (such as guarantees) in excess of Cdn\$5 million; reviewing and approving annual budgets, including capital expenditure plans; reviewing and approving operating results for each quarter and year to date. As part of its ongoing activities, the Board regularly receives and comments upon reports of management as to the performance of MDC Partners' business and management's expectations. The Board is therefore of the view that the appropriate structures and procedures are in place to ensure that it can function

independent of management.

The Board has selected Mr. Robert Kamerschen as the Presiding Director of the Board. Mr. Kamerschen is independent.

Related party expenses for services rendered and in the nature of expense reimbursement must also be approved by the Human Resources & Compensation Committee.

Orientation and Continuing Education

New directors to MDC Partners have generally been executives with extensive business experience and directorship responsibilities on the boards of other public and private institutions. Orientation for these individuals is provided through a review of past Board materials and other private and public documents concerning MDC Partners. In addition, Board members are encouraged to attend (at the cost and expense of the Company) continuing education programs identified by the Nominating and Corporate Governance Committee each year to ensure that they maintain the skills necessary for them to meet their obligations as directors.

Ethical Business Conduct

The Company has adopted a Code of Conduct, which applies to all directors, officers (including the Company's Chief Executive Officer and Chief Financial Officer) and employees of the Company and its subsidiaries. The Code of Conduct was adopted in order to help directors, officers and employees resolve ethical issues. The Code of Conduct covers topics including, but not limited to, conflicts of interest, confidentiality of information and compliance with laws. The Company's policy is to not permit any waiver of the Code of Conduct for any director or executive officer, except in extremely limited circumstances. Any waiver of this Code of Conduct for directors or officers of the Company must be approved by the Company's Board of Directors. Amendments to and waivers of the Code of Conduct will be publicly disclosed as required by applicable laws, rules and regulations. Nomination of Directors

The Nominating and Corporate Governance Committee is composed of five members, all of whom are considered to be independent. The Nominating and Corporate Governance Committee is responsible for reviewing and making recommendations to the full Board with respect to developments in the area of corporate governance and the practices of the Board. The Nominating and Corporate Governance Committee is also responsible for evaluating the performance of the Board as a whole as well as individual board members and for reporting to the Board with respect to appropriate candidates for nominations to the Board. The current members of the Nominating and Corporate Governance Committee are Messrs. Robert J. Kamerschen (Chairman), Thomas N. Davidson, Scott Kauffman, Michael Kirby, François R. Roy and Thomas E. Weigman. The Nominating and Corporate Governance Committee's current charter is available at www.mdc-partners.com/ir/governance.asp.

The Nominating and Corporate Governance Committee identifies, selects and recommends to the Board individuals qualified to serve both on the Board and on Board committees, including persons suggested by shareholders and others. The Nominating and Corporate Governance Committee reviews the background and qualifications of those individuals who are chosen for consideration, including the following attributes and criteria of candidates: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and any other relevant factors deemed appropriate. Following that review, the Nominating and Corporate Governance Committee then

selects nominees and recommends them to the Board for election by the shareholders or appointment by the Board, as the case may be. The Nominating and Corporate Governance Committee also reviews the suitability of each Board member for continued service as a director when that member's term expires or that member experiences a significant change in status (for example, a change in employment). The Nominating and Corporate Governance Committee has not implemented any particular additional policies or procedures with respect to suggestions received from shareholders with respect to Board or committee nominees.

Pursuant to its charter, the Nominating and Corporate Governance Committee may conduct or authorize investigations or studies into matters within its scope of responsibilities and may retain, at the Company's expense, such independent counsel or other consultants or advisers as it may deem necessary from time to time. The Nominating and Corporate Governance Committee has the sole authority to retain or terminate any search firm to be used to identify director candidates, including the sole authority to approve its fees and retention terms, with the Company bearing the cost of such fees.

Compensation

The Human Resources & Compensation Committee is composed of five members, all of whom are considered to be independent. The Human Resources & Compensation Committee makes recommendations to the Board on, among other things, the compensation of senior executives. The Human Resources & Compensation Committee discusses personnel and human resources matters including recruitment and development, management succession and benefits plans and grants awards under the 2005 Stock Incentive Plan and the SARs Plan. Salary, bonus or other payments for the benefit of senior management are reviewed and approved by the Human Resources & Compensation Committee. The Human Resources & Compensation Committee reviews the compensation of members of the Board on an annual basis and makes recommendations to the Board. The Board considers their remuneration appropriate given the time commitment, risk and responsibilities associated with the position. The current members of the Human Resources & Compensation Committee are Messrs. Michael J.L. Kirby (Chairman), Robert J. Kamerschen, Scott Kauffman, and Thomas E. Weigman. The Human Resources & Compensation Committee's current charter is available at www.mdc-partners.com/ir/governance.asp.

Other Board Committees

The Board conducts its business through meetings of the Board and three standing committees: the Audit Committee, the Human Resources & Compensation Committee and the Nominating and Corporate Governance Committee. Copies of the charters of these committees are available, free of charge at MDC Partners' website located at <http://www.mdc-partners.com/ir/governance.asp>.

In addition, from time to time, special committees may be established under the direction of the Board when necessary to address specific issues.

Assessments

The Nominating and Corporate Governance Committee is responsible for developing and recommending standards of performance of the Board, its committees and the individual directors through administration of an annual questionnaire. It is the responsibility of the Nominating and Corporate Governance Committee to assess the effectiveness of the Board as a whole and the committees of the Board. Participation of directors is expected at all Board and committee meetings. Directors are asked to notify MDC Partners if they are unable to attend, and attendance at meetings is duly recorded.

(As Adopted April 28, 2005, as amended on June __, 2007)

1. Purpose of the Plan

This MDC Partners Inc. 2005 Stock Incentive Plan is intended to promote the interests of the Company and its shareholders by providing the employees and consultants of the Company and eligible non-employee directors of MDC Partners Inc., who are largely responsible for the management, growth and protection of the business of the Company, with incentives and rewards to encourage them to continue in the service of the Company. The Plan is designed to meet this intent by providing such employees, consultants and eligible non-employee directors with a proprietary interest in pursuing the long-term growth, profitability and financial success of the Company.

2. Definitions

As used in the Plan, the following definitions apply to the terms indicated below:

(a)

Board of Directors means the Board of Directors of MDC Partners Inc.

(b)

Change in Control means the occurrence of any of the following:

(i) Any Person becoming the beneficial owner (within the meaning of Rule 13d-3 promulgated under the Exchange Act, a Beneficial Owner) of twenty-five percent (25%) or more of the combined voting power of MDC's then outstanding voting securities (Voting Securities); provided, however that a Change in Control shall not be deemed to occur by reason of an acquisition of Voting Securities directly from MDC or by (i) an employee benefit plan (or a trust forming a part thereof) maintained by (A) MDC or any Person of which a majority of its voting power or its voting equity securities or equity interest is owned, directly or indirectly, by MDC (the MDC Group), (B) any member of the MDC Group, or (C) any Person in connection with a Non-Control Transaction (as such term is hereinafter defined);

(ii) The individuals who, as of April 1, 2005, are members of the Board of Directors (the Incumbent Board), cease for any reason to constitute at least two-thirds of the members of the Board of Directors; provided, however that if the election, or nomination for election by MDC's shareholders, of any new director was approved by a vote of at least two-thirds of the Incumbent Board, such new director shall, for purposes of the Plan, be considered as a member of the Incumbent Board; provided, further, however, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of an actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (a Proxy Contest) including by reason of any agreement intended to avoid or settle any Election Contest or Proxy Contest; or

(iii) The consummation of:

(A) A merger, consolidation or reorganization with or into MDC or in which securities of MDC are issued, unless such merger, consolidation or reorganization is a Non-Control Transaction. A Non-Control Transaction is a merger, consolidation or reorganization with or into MDC or in which securities of MDC are issued where:

(I) the stockholders of MDC, immediately before such merger, consolidation or reorganization, own, directly or indirectly immediately following such merger, consolidation or reorganization, at least sixty percent (60%) of the combined voting power of the outstanding voting securities of the corporation resulting from such merger or consolidation or reorganization (the Surviving Corporation) in substantially the same proportion as their ownership of the Voting Securities immediately before such merger, consolidation or reorganization,

(II) the individuals who were members of the Incumbent Board immediately prior to the execution of the agreement providing for such merger, consolidation or reorganization constitute at least two-thirds of the members of the board of directors of the Surviving Corporation, or a corporation beneficially owning a majority of the voting securities of the Surviving Corporation,

C-1

(III) no Person other than (1) any member of the MDC Group, (2) any employee benefit plan (or any trust forming a part thereof) maintained immediately prior to such merger, consolidation or reorganization by any member of the MDC Group, or (3) any Person who, immediately prior to such merger, consolidation or reorganization Beneficially Owns twenty-five percent (25%) or more of the then outstanding Voting Securities, owns, directly or indirectly, twenty-five percent (25%) or more of the combined voting power of the Surviving Corporation's voting securities outstanding immediately following such transaction;

A complete liquidation or dissolution of the Company; or

(C)

The sale or other disposition of all or substantially all of the assets of the Company to any Person (other than a member of the MDC Group).

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the Subject Person) becomes the Beneficial Owner of more than the permitted amount of the outstanding Voting Securities as a result of the acquisition of Voting Securities by the Company which, by reducing the number of Voting Securities outstanding, increases the proportional number of shares Beneficially Owned by the Subject Persons, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Company, and after such share acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Voting Securities which increases the percentage of the then outstanding Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

In the event that the price of Class A Shares shall not be so reported, the Fair Market Value of Class A Shares shall be determined by the Committee in its absolute discretion.

3. Stock Subject to the Plan

(a) In General

Subject to adjustment as provided in Section 10 and the following provisions of this Section 3, the maximum number of Class A Shares that may be covered by Incentive Awards granted under the Plan shall not exceed 3,000,000 Class A Shares. Class A Shares issued under the Plan may be either authorized and unissued shares or treasury shares, or both, at the discretion of the Committee.

For purposes of the preceding paragraph, Class A Shares covered by Incentive Awards shall only be counted as used to the extent they are actually issued and delivered to a Participant (or such Participant's permitted transferees as described in the Plan) pursuant to the Plan. For purposes of clarification, in accordance with the preceding sentence if an Incentive Award is settled for cash or if Class A Shares are withheld to pay the exercise price of an Option or to satisfy any tax withholding requirement in connection with an Incentive Award only the shares issued (if any), net of the shares withheld, will be deemed delivered for purposes of determining the number of Class A Shares that are available for delivery under the Plan. In addition, if Class A Shares are issued subject to conditions which may result in the forfeiture, cancellation or return of such shares to the Company, any portion of the shares forfeited, cancelled or returned shall be treated as not issued pursuant to the Plan. In addition, if Class A Shares owned by a Participant (or such Participant's permitted transferees as described in the Plan) are tendered (either actually or through attestation) to the Company in payment of any obligation in connection with an Incentive Award, the number of shares tendered shall be added to the number of Class A Shares that are available for delivery under the Plan. In addition, if the Company uses cash received by the Company in payment of the exercise price or

purchase price in connection with any Incentive Award granted pursuant to the Plan to repurchase Class A Shares from any Person, the shares so repurchased will be added to the aggregate number of shares available for delivery under the Plan. For purposes of the preceding sentence, Class A Shares repurchased by the Company shall be deemed to have been repurchased using such funds only to the extent that such funds have actually been previously received by the Company and that the Company promptly designates in its books and records that such repurchase was paid for with such funds. Class A Shares covered by Incentive Awards granted pursuant to the Plan in connection with the assumption, replacement, conversion or adjustment of outstanding equity-based awards in the context of a corporate acquisition or merger (within the meaning of NASD Rule 4350) shall not count as used under the Plan for purposes of this Section 3.

Subject to adjustment as provided in Section 10, the maximum number of Class A Shares that may be covered by Incentive Awards granted under the Plan to any single Participant in any fiscal year of the Company shall not exceed 500,000 shares, prorated on a daily basis for any fiscal year of the Company that is shorter than 365 days.

(b) Prohibition on Substitutions and Repricings

In no event shall any new Incentive Awards be issued in substitution for outstanding Incentive Awards previously granted to Participants, nor shall any repricing (within the meaning of US generally accepted accounting practices or any applicable stock exchange rule) of Incentive Awards issued under the Plan be permitted at any time under any circumstances, in each case unless the shareholders of the Company expressly approve such substitution or repricing.

(c) Annual Limitation on Grants. The Human Resources & Compensation Committee shall limit annual grants of equity awards under this Plan to executive officers of the Company to an aggregate amount equal to not more than three percent (3%) of the issued and outstanding shares of the Company's capital stock at the beginning of the Company's fiscal year.

4. Administration of the Plan

The Plan shall be administered by a Committee of the Board of Directors consisting of two or more persons, each of whom qualify as non-employee directors (within the meaning of Rule 16b-3 promulgated under Section 16 of the Exchange Act), and as outside directors within the meaning of Treasury Regulation Section 1.162-27(e)(3). The Committee shall, consistent with the terms of the Plan, from time to time designate those who shall be granted Incentive Awards under the Plan and the amount, type and other terms and conditions of such Incentive Awards. All of the powers and responsibilities of the Committee under the Plan may be delegated by the Committee, in writing, to any subcommittee thereof. In addition, the Committee may from time to time authorize a committee consisting of one or more Directors to grant Incentive Awards to persons who are not executive officers of MDC (within the meaning of Rule 16a-1 under the Exchange Act), subject to such restrictions and limitation as the Committee may specify. In addition, the Board of Directors may, consistent with the terms of the Plan, from time to time grant Incentive Awards to Directors.

The Committee shall have full discretionary authority to administer the Plan, including discretionary authority to interpret and construe any and all provisions of the Plan and the terms of any Incentive Award (and any agreement evidencing any Incentive Award) granted thereunder and to adopt and amend from time to time such rules and regulations for the administration of the Plan as the Committee may deem necessary or appropriate. Without limiting the generality of the foregoing, (i) the Committee shall determine whether an authorized leave of absence, or absence in military or government service, shall constitute termination of employment and (ii) the employment of a Participant with the Company shall be deemed to have terminated for all purposes of the Plan if such person is employed by or provides services to a Person that is a Subsidiary of the Company and such Person ceases to be a Subsidiary of the Company, unless the Committee determines otherwise. Decisions of the Committee shall be final, binding and conclusive on all parties.

On or after the date of grant of an Incentive Award under the Plan, the Committee may (i) accelerate the date on which any such Incentive Award becomes vested, exercisable or transferable, as the case may be, (ii) extend the term of any such Incentive Award, including, without limitation, extending the period following a termination of a Participant's employment during which any such Incentive Award may remain outstanding, (iii) waive any conditions to the vesting, exercisability or transferability, as the case may be, of any such Incentive Award or (iv) provide for the payment of dividends or dividend equivalents with respect to any such Incentive Award.

C-4

No member of the Committee shall be liable for any action, omission, or determination relating to the Plan, and MDC shall indemnify and hold harmless each member of the Committee and each other director or employee of the Company to whom any duty or power relating to the administration or interpretation of the Plan has been delegated against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim with the approval of the Committee) arising out of any action, omission or determination relating to the Plan, unless, in either case, such action, omission or determination was taken or made by such member, director or employee in bad faith and without reasonable belief that it was in the best interests of the Company.

5. Eligibility

The Persons who shall be eligible to receive Incentive Awards pursuant to the Plan shall be those Directors and employees of the Company, including any person or company engaged to provide ongoing management or consulting services for the Company and, at the discretion of any of the foregoing persons, and subject to any required regulatory approvals and conditions, a personal holding company controlled by such person, whom the Committee shall select from time to time. All Incentive Awards granted under the Plan shall be evidenced by a separate written agreement entered into by the Company and the recipient of such Incentive Award.

6. Options

The Committee may from time to time grant Options, subject to the following terms and conditions:

(a) *Exercise Price*

The exercise price per Class A Share covered by any Option shall be not less than 100% of the Fair Market Value of a Class A Share on the date on which such Option is granted.

(b) *Term and Exercise of Options*

(1) Each Option shall become vested and exercisable on such date or dates, during such period and for such number of Class A Shares as shall be determined by the Committee on or after the date such Option is granted; provided, however that no Option shall be exercisable after the expiration of ten years from the date such Option is granted; provided, further that no Option shall become exercisable earlier than one year after the date on which it is granted, other than upon the occurrence of a Permitted Acceleration Event; and, *provided, further*, that each Option shall be subject to earlier termination, expiration or cancellation as provided in the Plan or in the agreement evidencing such Option.

(2) Each Option may be exercised in whole or in part; *provided, however* that no partial exercise of an Option shall be for an aggregate exercise price of less than \$1,000. The partial exercise of an Option shall not cause the expiration, termination or cancellation of the remaining portion thereof.

(3) An Option shall be exercised by such methods and procedures as the Committee determines from time to time, including without limitation through net physical settlement or other method of cashless exercise.

(4) Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of a Participant, only by the Participant.

(c) *Effect of Termination of Employment or other Relationship*

The agreement evidencing the award of each Option shall specify the consequences with respect to such Option of the termination of the employment, service as a director or other relationship between the Company and the Participant

holding the Option.

(d) Effect of Change in Control

Upon the occurrence of a Change in Control, each Option outstanding at such time shall become fully and immediately vested and exercisable and shall remain exercisable until its expiration, termination or cancellation pursuant to the terms of the Plan and the agreement evidencing such Option.

C-5

7. Stock Appreciation Rights

The Committee may from time to time grant SARs, subject to the following terms and conditions:

(a) *Stand-Alone and Tandem; Cash and Stock-Settled*

SARs may be granted on a stand-alone basis or in tandem with an Option. Tandem SARs may be granted contemporaneously with or after the grant of the Options to which they relate. SARs may be settled in Class A Shares or in cash.

(b) *Exercise Price*

The exercise price per Class A Share covered by any SAR shall be not less than 100% of the Fair Market Value of a Class A Share on the date on which such SAR is granted; *provided, however* that the exercise price of an SAR that is tandem to an Option and that is granted after the grant of such Option may have an exercise price less than 100% of the Fair Market Value of a Class A Share on the date on which such SAR is granted provided that such exercise price is at least equal to the exercise price of the related Option.

(c) *Benefit Upon Exercise*

The exercise of an SAR with respect to any number of Class A Shares prior to the occurrence of a Change in Control shall entitle the Participant to (i) a cash payment, for each such share, equal to the excess of (A) the Fair Market Value of a Class A Share on the effective date of such exercise over (B) the per share exercise price of the SAR, (ii) the issuance or transfer to the Participant of the greatest number of whole Class A Shares which on the date of the exercise of the SAR have an aggregate Fair Market Value equal to such excess or (iii) a combination of cash and Class A Shares in amounts equal to such excess, as determined by the Committee. The exercise of an SAR with respect to any number of Class A Shares upon or after the occurrence of a Change in Control shall entitle the Participant to a cash payment, for each such share, equal to the excess of (i) the greater of (A) the highest price per share of Class A Shares paid in connection with such Change in Control and (B) the Fair Market Value of Class A Shares on the effective date of exercise over (ii) the per share exercise price of the SAR. Such payment, transfer or issuance shall occur as soon as practical, but in no event later than five business days, after the effective date of exercise.

(d) *Term and Exercise of SARs*

(1) Each SAR shall become vested and exercisable on such date or dates, during such period and for such number of Class A Shares as shall be determined by the Committee on or after the date such SAR is granted; *provided, however* that no SAR shall be exercisable after the expiration of ten years from the date such SAR is granted; *provided, further* that no SAR shall become exercisable earlier than one year after the date on which it is granted, other than upon the occurrence of a Permitted Acceleration Event; and, *provided, further*, that each SAR shall be subject to earlier termination, expiration or cancellation as provided in the Plan or in the agreement evidencing such SAR.

(2) Each SAR may, to the extent vested and exercisable, be exercised in whole or in part; *provided, however* that no partial exercise of an SAR shall be for an aggregate exercise price of less than \$1,000. The partial exercise of an SAR shall not cause the expiration, termination or cancellation of the remaining portion thereof.

(3) An SAR shall be exercised by such methods and procedures as the Committee determines from time to time.

(4) SARs may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of a Participant, only by the Participant.

(5) The exercise with respect to a number of Class A Shares of an SAR granted in tandem with an Option shall cause the immediate cancellation of the Option with respect to the same number of shares. The exercise with respect to a number of Class A Shares of an Option to which a tandem SAR relates shall cause the immediate cancellation of the SAR with respect to an equal number of shares.

C-6

(e) Effect of Termination of Employment or other Relationship

The agreement evidencing the award of each SAR shall specify the consequences with respect to such SAR of the termination of the employment, service as a director or other relationship between the Company and Participant holding the SAR.

(f) Effect of Change in Control

Upon the occurrence of a Change in Control, each SAR outstanding at such time shall become fully and immediately vested and exercisable and shall remain exercisable until its expiration, termination or cancellation pursuant to the terms of the Plan and the agreement evidencing such SAR.

8. Other Stock-Based Awards

The Committee may grant equity-based or equity-related awards not otherwise described herein in such amounts and subject to such terms and conditions as the Committee shall determine. Without limiting the generality of the preceding sentence, each such Other Stock-Based Award may (i) involve the transfer of actual Class A Shares to Participants, either at the time of grant or thereafter, or payment in cash or otherwise of amounts based on the value of Class A Shares, (ii) be subject to performance-based and/or service-based conditions, (iii) be in the form of phantom stock, restricted stock, restricted stock units, performance shares, or share-denominated performance units and (iv) be designed to comply with applicable laws of jurisdictions other than the United States. Notwithstanding anything in this Section 8, no Other Stock-Based Award shall vest or otherwise become payable earlier than three years following the date on which it is granted, other than upon the occurrence of a Permitted Acceleration Event.

9. Performance Measures

(a) Performance Measures

The performance goals upon which the payment or vesting of any Incentive Award (other than Options and SARs) to a Covered Employee that is intended to qualify as Performance-Based Compensation depends shall relate to one or more of the following Performance Measures: revenue growth, operating income, operating cash flow, net income, earnings per share, cash earnings per share, return on sales, return on assets, return on equity, return on invested capital and total shareholder return.

Performance Periods may be equal to or longer than, but not less than, one fiscal year of the Company. Within 90 days after the beginning of a Performance Period, and in any case before 25% of the Performance Period has elapsed, the Committee shall establish (a) performance goals and objectives for the Company for such Performance Period, (b) target awards for each Participant, and (c) schedules or other objective methods for determining the applicable performance percentage to be applied to each such target award.

The measurement of any Performance Measure(s) may exclude the impact of charges for restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring items, and the cumulative effects of accounting changes, each as defined by generally accepted accounting principles and as identified in the Company's audited financial statements, including the notes thereto. Any Performance Measure(s) may be used to measure the performance of the Company or a Subsidiary as a whole or any business unit of the Company or any Subsidiary or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Measures as compared to the performance of a group of comparator companies, or a published or special index that the Committee, in its sole discretion, deems appropriate.

Nothing in this Section 9 is intended to limit the Committee's discretion to adopt conditions with respect to any Incentive Award that is not intended to qualify as Performance-Based Compensation that relate to performance other

than the Performance Measures.

(b) Committee Discretion

In the event that the requirements of Section 162(m) and the regulations thereunder change to permit Committee discretion to alter the Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval.

C-7

10. Adjustment Upon Changes in Class A Shares

(a) *Shares Available for Grants*

In the event of any change in the number of Class A Shares outstanding by reason of any stock dividend or split, recapitalization, merger, consolidation, combination or exchange of shares or similar corporate change, the maximum aggregate number of Class A Shares with respect to which the Committee may grant Incentive Awards and the maximum aggregate number of Class A Shares with respect to which the Committee may grant Incentive Awards to any individual Participant in any year shall be appropriately adjusted by the Committee. In the event of any change in the number of Class A Shares outstanding by reason of any other similar event or transaction, the Committee may, but need not, make such adjustments in the number and class of Class A Shares with respect to which Incentive Awards may be granted as the Committee may deem appropriate.

(b) *Increase or Decrease in Issued Shares Without Consideration*

Subject to any required action by the shareholders of MDC, in the event of any increase or decrease in the number of issued Class A Shares resulting from a subdivision or consolidation of Class A Shares or the payment of a stock dividend (but only on the Class A Shares), or any other increase or decrease in the number of such shares effected without receipt or payment of consideration by the Company, the Committee shall proportionally adjust the number of Class A Shares subject to each outstanding Incentive Award and the exercise price per Class A Share of each such Incentive Award.

(c) *Certain Mergers*

Subject to any required action by the shareholders of MDC, in the event that MDC shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of Class A Shares receive securities of another corporation), each Incentive Award outstanding on the date of such merger or consolidation shall pertain to and apply to the securities which a holder of the number of Class A Shares subject to such Incentive Award would have received in such merger or consolidation.

(d) *Certain Other Transactions*

In the event of (i) a dissolution or liquidation of MDC, (ii) a sale of all or substantially all of MDC's assets, (iii) a merger or consolidation involving MDC in which MDC is not the surviving corporation or (iv) a merger or consolidation involving MDC in which MDC is the surviving corporation but the holders of Class A Shares receive securities of another corporation and/or other property, including cash, the Committee shall, in its absolute discretion, have the power to:

(i) cancel, effective immediately prior to the occurrence of such event, each Incentive Award (whether or not then exercisable), and, in full consideration of such cancellation, pay to the Participant to whom such Incentive Award was granted an amount in cash, for each Class A Share subject to such Incentive Award equal to the value, as determined by the Committee in its reasonable discretion, of such Incentive Award, provided that with respect to any outstanding Option or SAR such value shall be equal to the excess of (A) the value, as determined by the Committee in its reasonable discretion, of the property (including cash) received by the holder of Class A Shares as a result of such event over (B) the exercise price of such Option or SAR; or

(ii) provide for the exchange of each Incentive Award (whether or not then exercisable or vested) for an incentive award with respect to, as appropriate, some or all of the property which a holder of the number of Class A Shares subject to such Incentive Award would have received in such transaction and, incident thereto, make an equitable adjustment as determined by the Committee in its reasonable discretion in the exercise price of the incentive award, or the number of shares or amount of property subject to the incentive award or, if appropriate, provide for a cash

payment to the Participant to whom such Incentive Award was granted in partial consideration for the exchange of the Incentive Award.

(e) Other Changes

In the event of any change in the capitalization of MDC or corporate change other than those specifically referred to in paragraphs (b), (c) or (d), the Committee may, in its absolute discretion, make such adjustments in the number and class of shares subject to Incentive Awards outstanding on the date on which such change occurs and in

C-8

such other terms of such Incentive Awards as the Committee may consider appropriate to prevent dilution or enlargement of rights.

(f) No Other Rights

Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger or consolidation of MDC or any other corporation. Except as expressly provided in the Plan, no issuance by MDC of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of Class A Shares subject to any Incentive Award.

11. Rights as a Stockholder

No person shall have any rights as a stockholder with respect to any Class A Shares covered by or relating to any Incentive Award granted pursuant to the Plan until the date of the issuance of a stock certificate with respect to such shares. Except as otherwise expressly provided in Section 10 hereof, no adjustment of any Incentive Award shall be made for dividends or other rights for which the record date occurs prior to the date such stock certificate is issued.

12. No Special Employment Rights; No Right to Incentive Award

(a) Nothing contained in the Plan or any Incentive Award shall confer upon any Participant any right with respect to the continuation of his employment by or service to the Company or interfere in any way with the right of the Company at any time to terminate such employment or to increase or decrease the compensation of the Participant from the rate in existence at the time of the grant of an Incentive Award.

(b) No person shall have any claim or right to receive an Incentive Award hereunder. The Committee's granting of an Incentive Award to a Participant at any time shall neither require the Committee to grant an Incentive Award to such Participant or any other Participant or other person at any time nor preclude the Committee from making subsequent grants to such Participant or any other Participant or other person.

13. Securities Matters

(a) MDC shall be under no obligation to effect the registration pursuant to the Securities Act of any Class A Shares to be issued hereunder or to effect similar compliance under any state laws. Notwithstanding anything herein to the contrary, MDC shall not be obligated to cause to be issued or delivered any certificates evidencing Class A Shares pursuant to the Plan unless and until MDC is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authority and the requirements of any securities exchange on which Class A Shares are traded and that the Participant has delivered all notices and documents required to be delivered to the Company in connection therewith. The Committee may require, as a condition to the issuance and delivery of certificates evidencing Class A Shares pursuant to the terms hereof, that the recipient of such shares make such covenants, agreements and representations, and that such certificates bear such legends, as the Committee deems necessary or desirable.

(b) The exercise of any Option granted hereunder shall only be effective at such time as counsel to MDC shall have determined that the issuance and delivery of Class A Shares pursuant to such exercise is in compliance with all applicable laws, regulations of governmental authority and the requirements of any securities exchange on which Class A Shares are traded. MDC may, in its sole discretion, defer the effectiveness of an exercise of an Option hereunder or the issuance or transfer of Class A Shares pursuant to any Incentive Award pending or to ensure compliance under federal or state securities laws. MDC shall inform the Participant in writing of its decision to defer the effectiveness of the exercise of an Option or the issuance or transfer of Class A Shares pursuant to any Incentive

Award. During the period that the effectiveness of the exercise of an Option has been deferred, the Participant may, by written notice, withdraw such exercise and obtain the refund of any amount paid with respect thereto.

C-9

14. Withholding Taxes

(a) *Cash Remittance*

Whenever Class A Shares are to be issued upon the exercise of an Option or the grant or vesting of an Incentive Award, MDC shall have the right to require the Participant to remit to MDC in cash an amount sufficient to satisfy federal, state and local withholding tax requirements, if any, attributable to such exercise, grant or vesting prior to the delivery of any certificate or certificates for such shares or the effectiveness of the lapse of such restrictions. In addition, upon the exercise or settlement of any Incentive Award in cash, MDC shall have the right to withhold from any cash payment required to be made pursuant thereto an amount sufficient to satisfy the federal, state and local withholding tax requirements, if any, attributable to such exercise or settlement.

(b) *Stock Remittance*

At the election of the Participant, subject to the approval of the Committee, when Class A Shares are to be issued upon the exercise, grant or vesting of an Incentive Award, the Participant may tender to MDC a number of Class A Shares that have been owned by the Participant for at least six months (or such other period as the Committee may determine) having a Fair Market Value at the tender date determined by the Committee to be sufficient to satisfy the federal, state and local withholding tax requirements, if any, attributable to such exercise, grant or vesting but not greater than such withholding obligations. Such election shall satisfy the Participant's obligations under Section 14(a) hereof, if any.

(c) *Stock Withholding*

At the election of the Participant, subject to the approval of the Committee, when Class A Shares are to be issued upon the exercise, grant or vesting of an Incentive Award, MDC shall withhold a number of such shares having a Fair Market Value at the exercise date determined by the Committee to be sufficient to satisfy the federal, state and local withholding tax requirements, if any, attributable to such exercise, grant or vesting but not greater than such withholding obligations. Such election shall satisfy the Participant's obligations under Section 14(a) hereof, if any.

15. Amendment or Termination of the Plan

The Board of Directors may at any time suspend or discontinue the Plan or revise or amend it in any respect whatsoever; *provided, however*, that without approval of the shareholders no revision or amendment shall except as provided in Section 10 hereof, (i) increase the number of Class A Shares that may be issued under the Plan or (ii) materially modify the requirements as to eligibility for participation in the Plan. Nothing herein shall restrict the Committee's ability to exercise its discretionary authority hereunder pursuant to Section 4 hereof, which discretion may be exercised without amendment to the Plan. No action hereunder may, without the consent of a Participant, reduce the Participant's rights under any previously granted and outstanding Incentive Award. Nothing herein shall limit the right of the Company to pay compensation of any kind outside the terms of the Plan.

16. No Obligation to Exercise

The grant to a Participant of an Option or SAR shall impose no obligation upon such Participant to exercise such Option or SAR.

17. Transfers Upon Death

Upon the death of a Participant, outstanding Incentive Awards granted to such Participant may be exercised only by the executors or administrators of the Participant's estate or by any person or persons who shall have acquired such right to exercise by will or by the laws of descent and distribution. No transfer by will or the laws of descent and distribution of any Incentive Award, or the right to exercise any Incentive Award, shall be effective to bind MDC

unless the Committee shall have been furnished with (a) written notice thereof and with a copy of the will and/or such evidence as the Committee may deem necessary to establish the validity of the transfer and (b) an agreement by the transferee to comply with all the terms and conditions of the Incentive Award that are or would have been applicable to the Participant and to be bound by the acknowledgements made by the Participant in connection with the grant of the Incentive Award.

C-10

18. Expenses and Receipts

The expenses of the Plan shall be paid by MDC. Any proceeds received by MDC in connection with any Incentive Award will be used for general corporate purposes.

19. Governing Law

The Plan and the rights of all persons under the Plan shall be construed and administered in accordance with the laws of the State of New York, without regard to its conflict of law principles, except to the extent that the application of New York law would result in a violation of the Canadian Business Corporation Act.

20. Effective Date and Term of Plan

The Plan was adopted by the Board of Directors on April 28, 2005, subject to the approval of the Plan by the shareholders of MDC. No grants may be made under the Plan after April 28, 2015.
