PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by Tribeworks, Inc. (“we,” “us,” “our”, or the “Company”), on behalf of the Board of Directors of the Company (the “Board of Directors”), for the 2007 Annual Meeting of Stockholders (the “Annual Meeting”) of the Company. This Proxy Statement and the related proxy card are being distributed on or about June 14, 2007.

QUESTIONS AND ANSWERS

When and where is the Annual Meeting?

The Annual Meeting will take place on Thursday July 12, 2007 at 10:00 a.m., Central European Time, at the offices of Atlas Technology Group at Level 3, 9 Empire Stadium Street, Gzira, GZR 04, MALTA.

Why did I receive this Proxy Statement?

On or about June 14, 2007 we began mailing this Proxy Statement to everyone who was a stockholder of the Company as of June 1, 2007 (the “Record Date”). We prepare a Proxy Statement each year to let stockholders know when and where our Annual Meeting will be held. This Proxy Statement includes detailed information about the business that will be discussed and voted on at the Annual Meeting and provides you with updated information about the Company that you will need to consider in making an informed vote at the Annual Meeting.

I received more than one Proxy Statement. Why?

Your shares are probably registered differently or are in more than one account. Please complete each proxy card that you received.

What will occur at the Annual Meeting?

First, we will determine whether the holders of at least a majority of our common stock, par value \$0.0004 per share, (the “Common Stock”) are “present,” either in person or by proxy, at the Annual Meeting (referred to as a “Quorum”). Abstentions are counted as shares present at the Annual Meeting.

Our current outstanding capital stock consists only of Common Stock. The following table indicates the number of issued and outstanding shares of Common Stock as of the Record Date. Each share of Common Stock is entitled to one vote.

	Issued and Outstanding Shares	Voting Shares
Common Stock	26,511,805	26,511,805
Total Eligible Votes		26,511,805

For purposes of determining a Quorum, abstentions and broker non-votes (i.e. shares held by a broker or nominee which are represented at the Annual Meeting but with respect to which such broker or nominee is not empowered to vote on a particular proposal) are counted as shares that are present and entitled to vote for purposes of determining the presence of a Quorum. If a Quorum is established, or in other words, the holders of at least 13,255,903 “votes” are present at the Annual Meeting, the Board of Directors will transact the business set forth below:

First, upon establishment of a Quorum, the stockholders will consider and vote upon a proposal to elect Robert Altinger, Andrew Berger, W. Gordon Blankstein, Robert C. Gardner, Peter Jacobson and B.S.P. (Paddy) Marra as directors of the Company to hold office for a one-year term or until their successors are duly elected and qualified;

Second, the stockholders will consider and vote upon a proposal to amend our Certificate of Incorporation to change our name to Atlas Technology Group, Inc.;

Third, the stockholders will consider and vote upon a proposal to approve Williams & Webster P.S. as our independent registered public accountants for the year ending December 31, 2007; and

Finally, we will discuss and take action on any other business that properly comes before the Annual Meeting and report on our 2006 financial results and operations.

How many votes are necessary to approve each of the particular matters submitted for consideration?

Each share of our Common Stock is entitled to one vote.

The approval of Proposal 1, the election of nominees to serve as directors on our Board of Directors, requires a plurality of the votes cast at the Annual Meeting for each director. There are no cumulative voting rights for the election of directors.

The approval of Proposal 2, which would approve the amendment of our Certificate of Incorporation to change our name to Atlas Technology Group, Inc., requires the approval of the holders of at least a majority of our outstanding shares of Common Stock.

The approval of Proposal 3 to approve the appointment of Williams & Webster P.S. as the Company's independent registered public accountants for the current fiscal year requires the approval of at least a majority of the votes cast at the Annual Meeting.

For purposes of voting on the foregoing matters, abstentions are included in vote totals and, as such, will have the same effect on each proposal, other than the election of directors (Proposal 1), as a negative vote. Abstentions as to the election of directors will not affect the election of the candidates receiving a plurality of votes. Broker non-votes are not included in vote totals and, as such, will have no effect on any other proposals.

Who will tabulate the votes?

Persons appointed by the chairman of the Annual Meeting to act as inspectors of election for the Annual Meeting will tabulate the stockholder votes. The inspectors of election will count all shares represented and entitled to vote on the proposal, whether voted for or against the proposal, or abstaining from voting, as present and entitled to vote on the proposal.

What if a nominee for director is unwilling or unable to stand for election?

Each of the nominees for director has agreed to stand for election. However, if any of the nominees for director become unavailable for election, which is not anticipated, the proxies named on the attached proxy card will vote for the election of such other person as the Board of Directors may recommend, unless the Board of Directors reduces the number of directors to be elected at the Annual Meeting.

How do I vote if I'm not planning to attend the annual meeting?

If you do not plan on attending the Annual Meeting and would like to vote, you may mark your selections on the enclosed proxy card, and date, sign and return the proxy card in the enclosed envelope.

Shares of our Common Stock represented by a properly executed proxy card that is received on or before the time of the Annual Meeting, and not subsequently revoked, will be voted at the Annual Meeting, or any adjournment or postponement thereof, in the manner directed on the proxy. Robert Altinger, Director and Chairman and Peter Jacobson, Chief Executive Officer, are named as proxies in the proxy card and have been designated by the Board of Directors to represent you and vote your shares at the Annual Meeting. All shares represented by a properly executed proxy card on which no choice is specified will be voted, to the extent applicable, (1) for the election of the nominees for director named in this Proxy Statement, (2) for the approval of the amendment of the Certificate of Incorporation to change our name to Atlas Technology Group, Inc., (3) for the approval of Williams & Webster P.S. as the Company's independent registered public accountants for the current fiscal year, as described in this Proxy Statement and (4) in accordance with the proxy holders' best judgment as to any other business that may properly come before the annual meeting.

We encourage you to vote by mail even if you plan to attend the annual meeting in person. You may change your vote in writing or orally as provided below.

May I change my vote after I have submitted my proxy?

Yes. To change your vote you can do any of the following:

- Mail notice of your changed vote to the Company in writing to:
Peter Jacobson, Tribeworks CEO, at 2001 152nd Avenue NE,
Redmond, Washington 98052; or
- Give notice of your changed vote to the Company in writing to:
Robert Altinger, Tribeworks Director, c/o of Atlas Technology
Group, at Level 3, 9 Empire Stadium Street, Gzira, GZR 04,
MALTA; or
- Attend the Annual Meeting and give oral notice of your intention
to vote in person.

If my broker holds my shares of Common Stock in "street name," will my broker vote my shares for me?

Brokers who hold shares in "street name" for customers are precluded from exercising voting discretion with respect to the approval of non-routine matters. Accordingly, absent specific voting instructions from the beneficial owners of such shares, brokers are not empowered to vote the shares with respect to the approval of non-routine matters (so called "broker non-votes"). However, brokers who do not have instructions from their "street name" customers may use their discretion in voting their customers' shares on routine matters. With respect to the election of directors and other

routine matters that may properly come before the Annual Meeting, brokers will have discretionary authority to vote the shares of Common Stock held by it in “street name” if beneficial owners fail to give voting instructions.

You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares.

3

How is the Company soliciting proxies?

Proxies will be solicited initially by mail. Further solicitation may be made in person, by telephone, or by fax. We will bear the expense of preparing, printing, and mailing this Proxy Statement and accompanying materials to our stockholders. Upon request, we will reimburse brokers, dealers, banks, or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of our Common Stock.

Will the Company's Auditors be present at the Annual Meeting?

We anticipate that our independent registered public accountants will not be present at our Annual Meeting, however they will be available by phone to answer questions related to the Company.

Where can I find the voting results of the Annual Meeting?

We will announce our preliminary voting results at the Annual Meeting. We will publish the final results in our quarterly report on Form 10-QSB for the third quarter of 2007. We will file that report with the Securities and Exchange Commission (the "SEC"), and you can get a copy by contacting either the Company's Investor Relations office at (949) 274-3633 or the SEC at (800) SEC-0330 or www.sec.gov.

PROPOSALS TO BE VOTED ON AT THE ANNUAL MEETING

PROPOSAL 1

Election of Board of Directors

You will be given the opportunity to vote on the election of the Board of Directors at the Annual Meeting. Currently, each director serves until the next Annual Meeting or until the director’s successor is duly elected and qualified.

Director Compensation

Directors did not receive any compensation for their services as members of the Board of Directors during 2006, although this could be subject to change during 2007. Pursuant to Item 402(a)(4) of Regulation S-B, the Director Compensation Table is omitted because there has been no compensation awarded to, earned by, or paid to any directors in their role as a director, required to be reported in that table. Directors are reimbursed for expenses in connection with attendance at Board of Directors committee meetings. Directors are eligible to participate as optionees under our compensatory equity plans.

Required Vote

The six nominees for election as directors who receive the greatest number of votes will be elected as directors.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR
EACH OF THE NOMINEES FOR DIRECTOR LISTED ABOVE.**

PROPOSAL 2

**APPROVAL OF AN AMENDMENT TO THE COMPANY'S
CERTIFICATE OF INCORPORATION FOR PURPOSES OF CHANGING
THE NAME OF THE COMPANY
FROM TRIBEWORKS, INC. TO ATLAS TECHNOLOGY GROUP, INC.**

Purpose of Amendment

We acquired Atlas Technology Group (Holdings) Limited and its subsidiaries on January 20, 2006. Our Board of Directors has determined it is in our best interests to change our name from Tribeworks, Inc. to Atlas Technology Group, Inc. to take advantage of the goodwill associated with this name and better reflect our future direction. This name change will also serve to clearly distinguish our new business operations from our prior operations which have been sold to our former management team. Our Board of Directors believes any potential confusion and costs associated with the name change will be minimal and are outweighed by the benefits of the name change.

General Effect of Amendment

Changing our name will not affect, in any way, the validity or transferability of our currently outstanding stock certificates, nor will our stockholders be required to surrender or exchange any stock certificates that they currently hold. Stock certificates will continue to represent the same number of shares and remain authentic. Upon the filing of an amendment to our Certificate of Incorporation, the name change will be effective. The Board of Directors has unanimously approved the name change.

Our Common Stock is currently quoted on the OTC Bulletin Board under the symbol: "TWKS.OB." Concurrent with the effectiveness of the name change, the stock symbol for the Common Stock on the OTC Bulletin Board will change. The new symbol will be assigned to us immediately prior to the effective date of the name change. In addition, the Common Stock will be assigned a new CUSIP number immediately before the effective date of the name change. The Company will make a public announcement of the new stock symbol shortly after the effective date of the name change.

While our Board of Directors has determined that implementation of the name change is in the best interests of the Company and our stockholders, the adoption of the name change may generate some confusion among certain investors, suppliers and customers. In addition, the name change will cause the Company to incur certain costs. Our Board of Directors believes, however, that any potential confusion and costs associated with the name change will be minimal and are outweighed by the benefits of the name change.

Effective Date

If so approved by the our stockholders, the amendment to our Certificate of Incorporation will become effective upon the filing of the Certificate of Amendment to our Certificate of Incorporation with the Delaware Secretary of State. Our Board of Directors presently intends to file the Certificate of Amendment promptly after the stockholders have approved it.

Required Vote

The affirmative vote of the holders of at a least a majority of the outstanding shares of Common Stock entitled to vote is required to approve the amendment to the Certificate of Incorporation to change our name.

PROPOSAL 3

APPROVE THE APPOINTMENT OF WILLIAMS & WEBSTER P.S. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

On October 13, 2006, the Board of Directors dismissed HLB Cinnamon, Jang, Willoughby & Company, Chartered Accountants (“HLB CJW”), as our independent registered public accountants. Except as noted in the next sentence, the reports of HLB CJW on our consolidated financial statements as of and for the fiscal year ended December 31, 2005 did not contain any adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principle. The report of HLB CJW on our financial statements as of December 31, 2005 included an explanatory paragraph expressing substantial doubt about the Company's ability to continue as a going concern. During the fiscal years ended December 31, 2005 and 2004 and the interim period through October 13, 2006, there were no disagreements with HLB CJW on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of HLB CJW, would have caused it to make reference thereto in its reports on the financial statements for such periods, and there were no reportable events (as described in Item 304(a)(1)(iv) of Regulation S-B).

On October 13, 2006, the Board of Directors approved the dismissal of HLB CJW and approved the engagement of Williams & Webster, P.S. (a member of Russell Bedford International, a global network of independent professional services firms) as our principal independent registered public accountants to audit our financial statements. Prior to the engagement of Williams & Webster, P.S., neither we, nor any person on our behalf consulted Williams & Webster, P.S. regarding either (i) the application of accounting principles to a specified completed or proposed transaction or the type of audit opinion that might be rendered on our financial statements, or (ii) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-B and the related instructions to such Item) There were also no reportable events (as described in Item 304(a)(1)(iv) of Regulation S-B).

Required Vote

The Board of Directors, following the recommendation of its Audit Committee, has retained Williams & Webster P.S. as independent registered public accountants to audit the consolidated financial statements of the Company and its subsidiaries for the fiscal year ending December 31, 2006. Williams & Webster P.S. as has served the Company as its independent registered public accountants and independent auditors since October 13, 2006. Representatives of Williams & Webster P.S. as are not expected to be present at the Annual Meeting, but are expected to be available by telephone to respond to appropriate questions at the Annual Meeting.

Although this appointment of Williams & Webster P.S. as our independent registered public accountants is not required to be submitted to a vote by stockholders, the Board of Directors believes it appropriate, as a matter of policy, to request that the stockholders ratify the appointment. If stockholder ratification (by the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting) is not received, the Board of Directors will reconsider the appointment. Unless otherwise directed, the proxy will be voted in favor of the ratification of such appointment.

The approval of the appointment of Williams & Webster P.S. as our independent registered public accountants requires the affirmative vote of not less than a majority of the votes cast at the Annual Meeting.

The Board of Directors, acting as the Audit Committee, pre-approves all audit and permitted non-audit services (including the fees and terms thereof) to be performed for us by our independent auditor and that the foregoing expenditures are compatible with maintaining the independence of Williams & Webster, P.S.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF WILLIAMS & WEBSTER P.S. AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2007

Audit Committee

As stated above we do not have an Audit Committee. When choosing the board's Audit Committee members, the Board of Directors will consider a number of factors, including the business experience and financial expertise of proposed Audit Committee members such that each satisfies the Securities and Exchange Commission's definition of "audit committee financial expert".

We do not have an Audit Committee or an "audit committee financial expert" within the meaning of such phrase under applicable regulations of the SEC. Our Board of Directors believes that each of its directors is financially literate and experienced in business matters, and that one or more directors are capable of:

- Understanding generally accepted accounting principles, or GAAP, and financial statements;
- Assessing the general application of GAAP principles in connection with our accounting for estimates, accruals and reserves;
- Analysing and evaluating our financial statements; and
- Understanding our internal controls and procedures for financial reporting;

all of which are attributes of an audit committee financial expert. However, the Board of Directors believes that our directors have not obtained these attributes through the experience specified in the SEC's definition of "audit committee financial expert."

Nominating Committee

As of the date of this Proxy Statement the Board of Directors has not appointed members to a Nominating Committee and is therefore responsible for those matters that a Nominating Committee might otherwise assume. Currently, the Board of Directors has no formal procedures for assessing the composition of the Board of Directors or the qualifications of our directors. However, we believe that the individuals currently serving on our Board of Directors are a qualified and diverse group of individuals that possess broad experience at the policy-making level, are committed to enhancing stockholder value and have sufficient time to carry out their duties and to provide insight and practical wisdom based on their experience.

Compensation Committee

We do not currently have a Compensation Committee. Compensation decisions are made by our Board of Directors. Our Board of Directors places high value on attracting and retaining our executives since it is their talent and performance that is responsible for our success. Therefore, our compensation philosophy is to create a performance-based culture that attracts and retains a superior team. We aim to achieve this goal by designing a competitive and fiscally responsible compensation program to:

- Attract the highest caliber of talent required for the success of our business;
- Retain those individuals capable of achieving challenging performance standards;
- Incent our executives to strive for superior company wide and individual performance; and
- Align management and stockholder interests over both the short and long-term.
